LETTER TO THE EDITOR

Support for Proposition 469

Pinal County is growing, there is no doubt it. We can no longer continue to assume that the transit corridors of the past will lead us into the future. In order to develop the infrastructure we need for the future, we must fund the plan on our own; we can no longer continue to wait for grants or state funding. We must take action of our own to preserve our future.

The transportation plan that Pinal County voters approved in 2017 provides funding for projects across Pinal County, and even provides direct local roads funding for our smallest and older towns such as my community of Superior, Arizona. For Town's like Superior, Kearny, Mammoth and Eloy, Proposition 469 will be a tremendous

boost to our local road budgets bringing in \$450,000 a year. This will allow these tiny towns to repair and maintain their roadways. For Superior, this will mean we can accelerate our road maintenance and preservation plan, which likely will include full road replacements in some high traffic areas.

Superior and all of Pinal County needs to address our transportation infrastructure urgently. I encourage you to please support Prop. 469 and help us ensure we have the infrastructure to take us well into the future.

Faraday Copper hosts public open house in San Manuel

By T.C. Brown
San Manuel Miner

Faraday Copper, also known as Redhawk Copper, held a public open house on the evening of Oct. 3, 2022, at the San Manuel Community Center. This was one of three held in the Tri-Community.

Over 70 attendees were updated by Faraday Copper staff and enjoyed pizza and beverages provided by Faraday Copper. An informational video was played prior to the presentation.

Faraday Management staff and other support staff were on hand to explain the project and answer questions. Aaron Cohn, VP and Country Manager, USA, and Angela Johnson, VP Corp Development and Sustainability, provided information on the Copper Creek Project as well as answered questions from those in attendance. Several topics were covered during the open house.

Some of the topics included: Project Safety Priorities, Project Timelines and Milestones, Environmental Concerns, Mitigation and Sustainability Commitments, Social Commitments and Community Engagement,

Project History, Future Copper Demand vs U.S. Supply Sources, Drilling and Baseline Studies, Copper Creek Area Geology, Conceptional Mine Planning, and Planned Future Activities. They also discussed the Contact Copper Project in Elko County, Nevada.

Faraday Copper reported that the Phase 1 Drill project is complete. Phase 2 Drill project is scheduled to begin in November of 2022. The current Redhawk Copper building in San Manuel is receiving a much-needed facelift. Permits are being processed to construct a large storage facility in the local area for present and future core samples. Permitting steps are also in process for future mining preparations and mining. Optimistically they are hoping for an active mining operation in a 7-10 years' time frame.

The initial plans include an open pit and underground mining operation in phases. It is estimated that the projected mine area holds up to four billion pounds of copper. This would suggest a 20-30 tons per year extracted from the mining operation for up to a 30-year life span. The mining permit process requires several steps. It was pointed out that Faraday is still in the

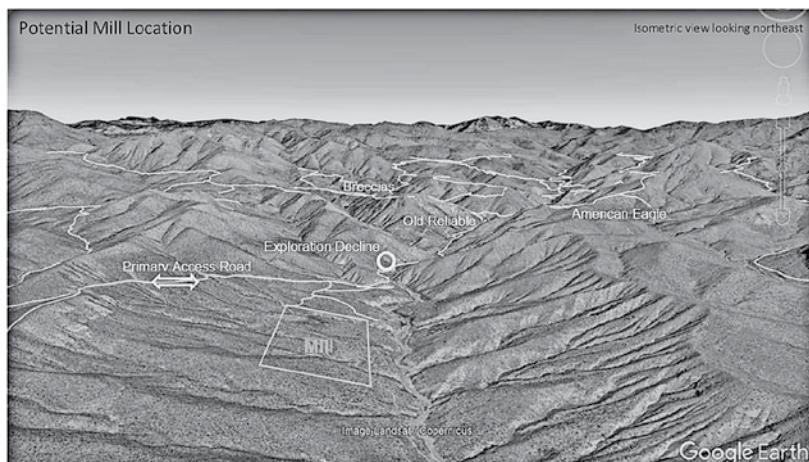

preliminary phases. Feasibility studies, environmental impact statements, public input, on top of community government and tribal engagements, and more, are essential in seeing this project come to future fruition.

Additional information about the Faraday Copper Creek Project can be found online at <https://faradaycopper.com/projects/arizona-project/overview/>. A PowerPoint presentation on specifics can be found online at <https://bit.ly/CopperCreekPres>. The Faraday Copper office in San Manuel can be contacted at 520-909-4369.

Several Tri-Community members were on hand at the San Manuel Community Center to learn more about the Faraday Copper Creek Project. T.C. Brown | Miner

Lady Miners fight hard, but come up short

By Nathaniel A. Lopez
San Manuel Miner

The San Manuel volleyball team had a tough past week.

Their week kicked off with a home match against St. David. Unfortunately, the girls were unable to win any of the three sets that were played. The set scores for this game were; 17-25, 24-26, and 19-25.

Later in the week, the Lady Miners hosted the Ray Bearcats. Once again, the girls were unable to walk away with the win, but put up another tough fight on the court. The scores for this match were; 20-25, 14-25, and 21-25.

The Lady Miners will have another week of two matches. On Oct. 12, the girls will travel to Desert Christian to take on the Eagles. On Oct. 14, the Lady Miners will travel to Duncan to take on the Wildkats.

San Manuel wins by forfeit after fight erupts on Ray football field

By Nathaniel A. Lopez
San Manuel Miner

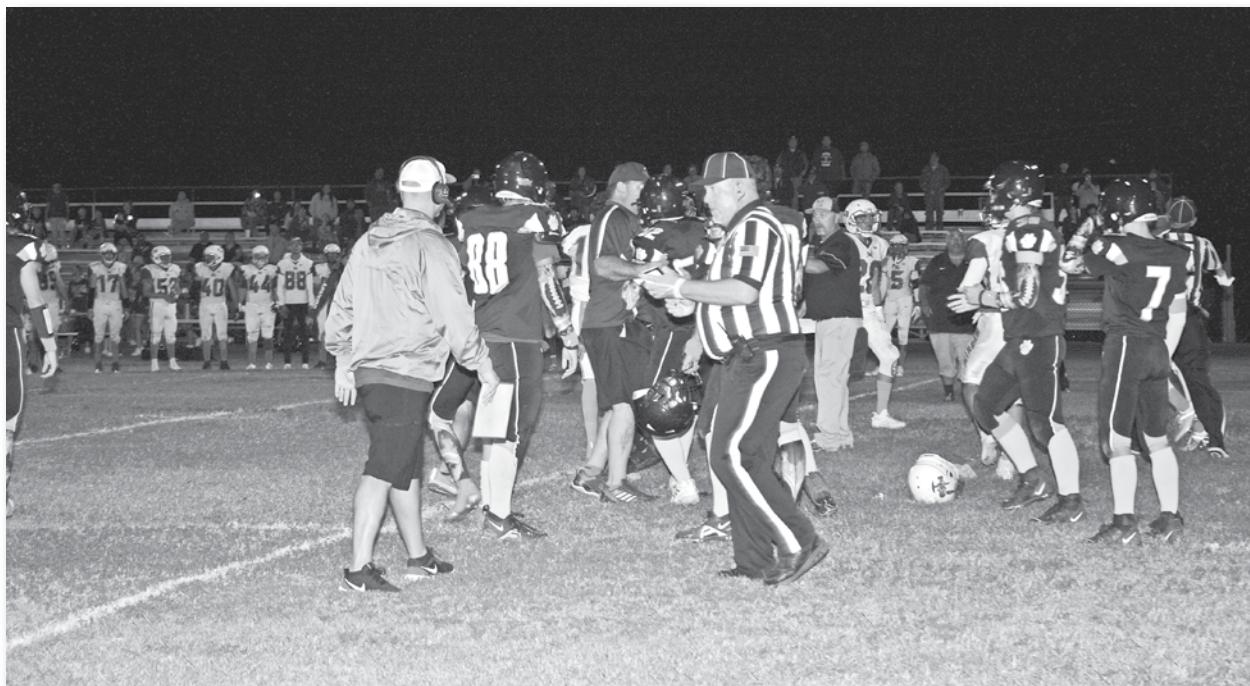

The San Manuel football team traveled to Kearny last week to take on the Bearcats under the Friday night lights.

Due to an altercation on the field early in the game, Ray had to forfeit the game. The game was reported with a 1-0 score, with the win given to San Manuel.

“We have our last regular season game this Friday,” commented head coach Ernie Ivy. “We

will be working hard this week to be prepared for this game.”

The Miners will host Baboquivari on Friday, Oct. 14, with a kick-off time 7 p.m. Come out and support the Miners for their last home game of the 2022 football season!

Following an altercation on the field, officials work to determine which players were at fault and issue ejections. San Manuel's players can be seen at the back, lined up on the sidelines. James Carnes | Copper Area News

Proposition 469 Gets Traffic Moving, Helps Our Economy, And Improves Public Safety.

Proposition 469 would pay for a series of desperately needed new roads and freeways as well as expanded Dial-a-Ride services in Pinal County. Right now, our infrastructure jeopardizes public safety because it slows down first responders who need to reach you in a hurry. Our current infrastructure is slowing job creation and our local economy. A partial list of projects is outlined below. Check out all the projects funded by Proposition 469 at www.Yeson469.com.

Partial List (For a complete list of projects go to www.Yeson469.com.)

Preservation of Funding!

New project funding for municipalities in the region, to be used for local road projects in Superior, Mammoth, Kearny, and Eloy.

Roadway Improvements

The addition of 100 new travel lane miles throughout the Pinal Region for arterial and local roadways.

Funding for Dial-A-Ride

The expansion of annual funding for Dial-a-Ride services to assist people with disabilities, seniors, and members of the general public.

Voters approved the modest sales tax in 2017 to fund these improvements but Phoenix special interests convinced the Arizona Supreme Court to rescind it. Prop 469 would simply **reauthorize** the funds to comply with the technical ruling. The average cost per household is just 56 cents a day!
