## OBITUARIES

# Willy Willis

Willy Willis, born to Billy and Tammy Willis on April 4, 1977 in Phoenix Arizona followed by two sisters Mandy and Tanya, passed away on Oct. 7, 2020.

Willy found a passion first in bike racing at 8 years old but swiftly moved on to dirt bikes. Soon he found his number one passion in life his sweetheart Joleen. Together they welcomed four wonderful children, Alex, Savannah, Tanner and Dakota. The passion he had for being a father was awe inspiring. The dedication he showed was a guide for all of us to follow, a man to look up to, and a life to strive for: from all the ball games, bull rides, and helping all of his boys become Eagle Scouts. He enjoyed rides in the Can Am, shooting, and working on the yard as a family, all while working hard to obtain his Master's degree. He truly showed us all where our priorities should be.

As a brother, son, grandson, cousin, uncle, and friend the jokes and hard times were always on the tip of his tongue, usually always followed by laughs and maybe

sometimes insults. Willy had a serious side when he would give us our "Life Talks". He always wanted what was best for us all. His guidance, love, and jokes will be missed forever. We love you Willy always and forever.

Willy is survived by his wife, Joleen; children, Alex, Savannah, Tanner, Dakota and Tara; grandmothers, Lydia Willis and Sandy Nelson; parents, Billy and Tammy Willis; parents-in-law, Rusty and Nikki Rawson and Alvin and Marge Reidhead; siblings, Mandy and Stacy Gillaspay, Tanya and Jeremy Reidhead, Bill and Annette Reidhead, Rikki and Dave Galka, Vikki and Aaron McClaskey, Nikki and Kyle Ellett, Karla Dollar, Travis and Kim Rawson and Rhonda Cummings; several nieces, nephews, aunts, uncles, and cousins who were more like siblings to him.

Willy is preceded in death by grandparents, Vic and Gail Nelson; grandfather, Bill Willis; uncle, Don Willis; brother-in-law, Clint Dollar; and cousin, Kyle Goodridge.

Willy thank you for being the best husband and dad ever. May you rest in peace my love...

Funeral service will be held on Saturday, Oct. 17, 2020, at 10 a.m. the Church of Jesus Christ of Latter-day Saints, Kearny, AZ with visitation at 9 a.m. and interment following at the Kearny Cemetery.

He was born in Litchfield, AZ on Aug. 14, 1936 to Ramon and Lily Camacho. He served in the United States Air Force and received an honorable discharge. He married

Olivia Lopez on Jan. 21, 1961.

Copper Area News is committed to providing our readers with as much information as possible. We post a daily update on our Facebook page with the total positive COVID-19 Data. This graph shows the daily counts of positive cases for the past week as of press time on Oct. 13, 2020.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: <https://bit.ly/3inh280>

**Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6 feet apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.**

## LETTER TO THE EDITOR

# Our VOTES Matter! Keep Supervisor Rios

**G**et Out the VOTE! Keep Supervisor Rios! We all have the opportunity to make a difference in our communities and our region. While it may be easy to get bogged down by the national politics and the constant barrage of information being shared with us, we must remember that our local elections impact our lives much faster than state and federal elections. Supervisor Pete Rios, is a committed leader to Pinal County District One. The Copper Corridor as a region and Pinal County as a whole, is fortunate to have Pete Rios as our County Supervisor. He understands the challenges of living in our remote, rural communities, and most importantly, he has never forgotten his roots throughout his political career. With other areas of Pinal County growing at a rapid pace, Supervisor Rios is a constant advocate for our unique needs in Eastern

Pinal County. We need representation that will make sure our communities are not left behind as the county grows and many of the resources shift to the more populated areas.

As a Mayor I call on him often to seek support or his advocacy for our community and our region. He consistently seeks out opportunities to serve the people of our district and Pinal County. He is helpful in navigating County policies and systems. He also brings a tremendous amount of governing experience that provides important guidance for all of Pinal County.

Join me in supporting Supervisor Rios. He provides the consistent and balanced leadership, that we need for our region and our County.

# COVID-19 testing to continue at Hayden High School Saliva Testing Site

Hayden High School will continue free blitz testing for COVID-19 on Friday, Oct. 16, 1-6 p.m. The COVID-19 testing is sponsored by the Arizona Department of Health Service, Arizona State University, Arizona National Guard, Department of Emergency and Military Affairs and

the Gila County Health Department.

Those wishing to take part are encouraged to preregister online at [theazhealth.gov/covid19testing](http://theazhealth.gov/covid19testing). It will allow you to select the time that is most convenient for you. Drive in an out in 15 minutes or less. Feel free to drive in and get tested without an

appointment as well. Test results are sent in less than 48 hours, and sooner.

Superintendent Jeff Gregorich took the saliva test and received the results within 29 hours.

“It was easy and quick,” he said. “I like the COVID-19 saliva test much more than the nasal test. It is

reassuring to get a negative test result. I can say that it gives me and my family a piece of mind. The more we test for COVID-19 and participate in the Governor’s Mask up strategy, the faster we will eliminate COVID-19 in our community. Come and join us this Friday afternoon.”

Members of the Arizona National Guard and Arizona State University staff conduct COVID-19 testing at the Hayden High School this past Friday Night.

Hayden-Winkelman Unified School Board member Mrs. Ernestine Lorona takes a COVID-19 saliva test this last Friday. The test simple requires you to simply spit into a straw.

# New business opens at General Kearny Inn business suites

# Copper Corridor Substance Abuse Coalition hosts police and fire parades to celebrate National Night Out

COVID-19 has changed the way many events and community gatherings can be held. The Copper Corridor Substance Abuse Coalition held a police and fire appreciation parades last week in recognition of National Night Out. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

The Superior Police and Fire Departments each participated and handed out items for the residents who came out to the curb to watch the parades. They also hosted a virtual scavenger hunt and a few of the members of the police and fire forces played a few games of basketball

at the Town Hall courts.

Mammoth Police Department likewise held a parade, which began at the Mammoth Police Station and ended at the Mammoth Little League Field where kids of all ages had fun pelting each other with water balloons.

In San Manuel and Oracle, deputies from the Pinal County Sheriff's Office along their citizen escorts, paraded through their respective towns.

The CCSAC meets monthly to coordinate efforts to reduce substance abuse amongst young people in the Copper Corridor. They operate under the umbrella of the Arizona Youth Partnership. Follow their page on Facebook to learn more about their meetings and activities: <https://www.facebook.com/coppercorridorcoalition> or call them directly at (928) 425-9276.

# Kearny ranchers top list of Arizona Angus registrations in 2020

Two Kearny cattle operations have been named to the top ten list of registering Angus beef cattle in Arizona with the American Angus

Association® during fiscal year 2020, which ended Sept. 30, according to Mark McCully, Association chief executive officer. William A. Dunn Jr.

ranked as the second largest in registering the most Angus beef cattle. Misita Cattle Co. ranked 10th during 2020. Angus breeders across the

nation in 2020 registered 305,531 head of Angus cattle.

“Despite a challenging year, our Angus breeders continue to see strong

demand for Angus genetics,” McCully said. “Our members are committed to providing genetic solutions to the beef cattle industry that maintain our long-held position as an industry leader.”

**ANGUS MEANS BUSINESS.** The American Angus Association is the nation’s largest beef breed organization, serving nearly 25,000 members across the United States, Canada and several other countries. The Association provides programs and services to farmers, ranchers and others who

rely on Angus to produce quality genetics for the beef industry and quality beef for consumers. For more information about Angus cattle and the Association, visit [www.ANGUS.org](http://www.ANGUS.org).

## Free Dump Day finally returns to Kearny

Lots of unwanted stuff was brought to the free dump day held Saturday, Oct. 10. People had to dump their own stuff. Volunteers were there only to supervise.

James Carnes | CBN

Volunteers for free dump day are, from left, Dave Orzell, Jay Avelar and Charlie Smith along with Scott Talada who is in the tractor seat. Volunteers have made the free dump day possible over the past 27 years. Due to COVID-19 this is first dump day in several months.
