OBITUARIES

Willy Willis

Willy Willis, born to Billy and Tammy Willis on April 4, 1977 in Phoenix Arizona followed by two sisters Mandy and Tanya, passed away on Oct. 7, 2020.

Willy found a passion first in bike racing at 8 years old but swiftly moved on to dirt bikes. Soon he found his number one passion in life his sweetheart Joleen. Together they welcomed four wonderful children, Alex, Savannah, Tanner and Dakota. The passion he had for being a father was awe inspiring. The dedication he showed was a guide for all of us to follow, a man to look up to, and a life to strive for: from all the ball games, bull rides, and helping all of his boys become Eagle Scouts. He enjoyed rides in the Can Am, shooting, and working on the yard as a family, all while working hard to obtain his Master's degree. He truly showed us all where our priorities should be.

As a brother, son, grandson, cousin, uncle, and friend the jokes and hard times were always on the tip of his tongue, usually always followed by laughs and maybe sometimes insults. Willy had a serious side when he would give us our "Life Talks". He always wanted what was best for us all. His guidance, love, and jokes will be missed forever. We love you Willy always and forever.

Willy is survived by his wife, Joleen; children, Alex, Savannah, Tanner, Dakota and Tara; grandmothers, Lydia Willis and Sandy Nelson; parents, Billy and Tammy Willis; parents-in-law, Rusty and Nikki Rawson and Alvin and Marge Reidhead; siblings, Mandy and Stacy Gillaspay, Tanya and Jeremy Reidhead, Bill and Annette Reidhead, Rikki and Dave Galka, Vikki and Aaron McClaskey, Nikki and Kyle Ellett, Karla Dollar, Travis and Kim Rawson and Rhonda Cummings; several nieces, nephews, aunts, uncles, and cousins who were more like siblings to him.

Willy is preceded in death by grandparents, Vic and Gail Nelson; grandfather, Bill Willis; uncle, Don Willis;

brother-in-law, Clint Dollar; and cousin, Kyle Goodridge.

Willy thank you for being the best husband and dad ever. May you rest in peace my love...

Funeral service will be held on Saturday, Oct. 17, 2020, at 10 a.m. the Church of Jesus Christ of Latter-day Saints, Kearny, AZ with visitation at 9 a.m. and interment following at the Kearny Cemetery.

Eusebio S. Camacho

Eusebio S. Camacho, 84, of Kearny, was called home Oct. 1, 2020. He was a devoted husband, father and tata. He truly enjoyed his family, friends, singing and telling stories. His favorite trips were to the casino, and he had a passion for painting and scratching lottery tickets.

He was born in Litchfield, AZ on Aug. 14, 1936 to Ramon and Lily Camacho. He served in the United States Air Force and received an honorable discharge. He married Olivia Lopez on Jan. 21, 1961.

Eusebio is survived by his children, Lydia Cruz (Juan), Rudy Camacho (Michelle), Michele Camacho (Donna) and Regina Moreno; 7 grandchildren, 2 great-grandchildren;

brothers, Ramon Camacho (Annie), Ricardo Camacho (Beth); and sister, Linda Urtuzuastegui (Francisco). He is preceded in death by his parents, Ramon and Lily Camacho; his wife, Olivia Camacho; and his siblings, Raquel Maes, Flora Zamora, and Rita Vizzerra.

Funeral Services will be held at 11 a.m. on Thursday, Oct. 15, 2020 at Griffith Mortuary.

LETTER TO THE EDITOR

Our VOTES Matter! Keep Supervisor Rios

Get Out the VOTE! Keep Supervisor Rios! We all have the opportunity to make a difference in our communities and our region. While it may be easy to get bogged down by the national politics and the constant barrage of information being shared with us, we must remember that our local elections impact our lives much faster than state and federal elections.

Supervisor Pete Rios, is a committed leader to Pinal County District One. The Copper Corridor as a region and Pinal County as a whole, is fortunate to have Pete Rios as our County Supervisor. He understands the challenges of living in our remote, rural communities, and most importantly, he has never forgotten his roots throughout his political career. With other areas of Pinal County growing at a rapid pace, Supervisor Rios is a constant advocate for our unique needs in Eastern

Pinal County. We need representation that will make sure our communities are not left behind as the county grows and many of the resources shift to the more populated areas.

As a Mayor I call on him often to seek support or his advocacy for our community and our region. He consistently seeks out opportunities to serve the people of our district and Pinal County. He is helpful in navigating County policies and systems. He also brings a tremendous amount of governing experience that provides important guidance for all of Pinal County.

Join me in supporting Supervisor Rios. He provides the consistent and balanced leadership, that we need for our region and our County.

Voter Van to visit the Copper Corridor

Supervisor Pete Rios has partnered with the Pinal County Recorder's office and local town leaders in an effort to bring additional voting resources to rural communities in Pinal County.

The Mobile Voter Outreach Van will be stopping in San Manuel, Superior and Kearny the week of Oct. 19. Voters will be able to drop off their completed early ballots, receive direct voting information from election specialist and request an early ballot to complete and submit on site.

The Mobile Voter Outreach Van is the first-of-its-kind in Arizona and has helped reach voters all over Pinal County. Staff will be using PPE, frequently disinfecting common areas and encouraging social distancing. Voters will have access to hand

sanitizer and all early voting will be done outside.

For any questions email edyvray.ruiz@pinal.gov or call 520-866-6846.

Copper Area News is committed to providing our readers with as much information as possible. We post a daily update on our Facebook page with the total positive COVID-19 Data. This graph shows the daily counts of positive cases for the past week as of press time on Oct. 13, 2020.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: <https://bit.ly/3inh280>

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6 feet apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.

Superior junior quarterback Matthew Cruz threw for 241 yards and four touchdowns to lead the Panthers in last Friday's home-opening 44 – 6 victory against visiting Lincoln Prep.

Cruz, who completed 7-of-13 passes, including a pair of 59-yard touchdown passes to senior receivers Joshua Marquez and Nathan Duarte, exited the game with five minutes left in the first half and his team leading, 44 – 0. So far, in two games this season, Cruz has played a total of one half of a game, during which he's passed for more than 300 yards and five touchdowns.

"(Matthew) has an excellent arm and he made some good throws," Superior head coach Ryan Palmer told the *Superior Sun* after the game. "He has only played two quarters of football so far this year because of lopsided scores.

He continues to improve and grow as a leader."

Senior Adam Navarrette scored a pair of touchdowns, one receiving and the other on a 75-yard punt return, which was his second in as many games. He also had four tackles, an interception, and a fumble recovery on defense.

"Adam is the fastest and most explosive player on the field," Palmer said. "He has the will and experience. He is a threat to score every time he touches the ball."

The Panthers' defense allowed in first points of the season in Friday's game, bringing their total points allowed to six in two games. They also forced four turnovers in Friday's win to go along with three sacks.

Marquez, who had a sack and a fumble recovery in the game, and Matthew Diaz-Gonzalez each finished with three tackles. Senior Marc Mendoza had a team-high 11 tackles, including two sacks.

"It's all about team discipline," answered

Palmer, when asked to what he attributes the defensive unit's success. "When each player does their job, and trusts their teammates to do the same, we are very efficient."

According to Palmer, his team was not perfect last Friday night, noting it made some "mental mistakes and uncharacteristic penalties." He expects the Panthers to learn from the mistakes and continue to improve week-to-week. He's bullish on his team's talent and potential.

The Panthers visit Cicero Prep in Scottsdale this Friday. The Centurions are competing at the varsity level in football form the first time.

"They have some talented athletes, particularly receiver Jon Belci," Palmer said. "The team is also coached by two former NFL players, Abdul Noah and Jerry Porter."

Friday's kickoff is scheduled for 7 p.m.

Matthew Perez (#24) avoids two Lincoln Prep defenders.

Superior kids to return to the classroom

COVID-19 has changed so much for Americans. It's most apparent in our schools. In person learning has been suspended since last year's spring break.

Superior Unified School District, like many other school districts, has begun the transition back to the classroom. It won't look quite the same.

On Sept. 30, the SUSD Governing Board approved hybrid model approach for in-person learning beginning on Oct. 19 provided metrics allow them to do so.

What will SUSD Hybrid learning look like? The information following is from the school district.

1. We will create two groups of students. Group A/Group B. Each grade class will be split in 1/2. For example students in grade 10 will be evenly split in 1/2. It doesn't matter if the parent sends their child(ren) to school or not. They will still be in the same group. The exception will be to cross-reference schools and classes to ensure students in the same family are in the same groups. Students receiving services for speech and vision will also be assigned to Group A.

2. Schedule as follows: Group A-Monday/Tuesday; Group B- Thursday/Friday. Students will still be required to attend class

remotely when not in-person. Parents/Students will be contacted through Teams/Remind/Phone Calls to notify which group their child(ren) are in. Parents can also call each school for student group information.

3. Wednesdays- Remote learning for everyone with the exception of on-site students.

4. On-site learning continues 5 days per week. On-site students will attend classes with both groups.

5. Transportation remains the same and will follow the SUSD mitigation plan.

6. Lunches continue to be served the same as on-site learning. Students eat in classrooms or designated area. Lunches will also continue to be delivered at bus stops for remote-learning students.

7. Hallways and classrooms can be marked to separate students appropriately. We will limit the number of students allowed in the restrooms at one time .

8. We are not conducting

temperature checks. We are not certified nurses or doctors.

Rule #1: Don't come to school if you are sick.

Rule #2: You must wear a face covering. Breaks will be given when needed.

Parents will be required to sign the acknowledgement letter and waiver form in order for their child(ren) to come to school. We will follow our mitigation plan for any staff/students who are ill.

9. Visitors will need to make appointments to enter the buildings.

Copper Corridor Substance Abuse Coalition hosts police and fire parades

COVID-19 has changed the way many events and community gatherings can be held. The Copper Corridor Substance Abuse Coalition held a police and fire appreciation parades last week in recognition of National Night Out. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community. Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances.

The Superior Police and Fire Departments each participated and handed out items for the residents who came out to the curb to watch the parades. They also hosted a virtual scavenger hunt and a few of the members of the police and fire forces played a few games of basketball

at the Town Hall courts.

Mammoth Police Department likewise held a parade, which began at the Mammoth Police Station and ended at the Mammoth Little League Field where kids of all ages had fun pelting each other with water balloons.

In San Manuel and Oracle, deputies from the Pinal County Sheriff's Office along their citizen escorts, paraded through their respective towns.

The CCSAC meets monthly to coordinate efforts to reduce substance abuse amongst young people in the Copper Corridor. They operate under the umbrella of the Arizona Youth Partnership. Follow their page on Facebook to learn more about their meetings and activities: <https://www.facebook.com/coppercorridorcoalition> or call them directly at (928) 425-9276.
