—David Brinkley

Saying thanks to Kearny's 'Energizer Bunny'

“I just stood there and looked important.” That’s a direct quote from Sergeant Dave Blue of Arizona’s Department of Public Safety (the highway patrol) who is completing his special assignment this week as Interim Chief of Police for the Town of Kearny. That’s the way he sees what he has done in his few months with us, but I would like to fill out what he means by that simple statement.

Sergeant Blue came to be with us through a special program of Arizona’s Department of Public Safety. This program enables officers from the department to serve as interim chiefs of police, with a charge to explore the needs and concerns of the local department and to provide advice and leadership to the town. We heard about the program from the Town of Superior, which had made use of it and recommended it to us (Thank you, Margaret Gaston, now serving as Clerk and Manager for Superior).

Well, we got a lot more than we expected. Sergeant Blue reminds me of the Energizer Bunny, who “keeps going and going.” In a matter of weeks he made his way into the

MAYOR'S CORNER

Special to the Copper Basin News

hearts of our department and was able, working with the people we already have, to make significant changes. Sergeant Blue did not merely command, he lead and encouraged.

There were material changes. In accord with state regulations, a new property and

evidence room was established and all back years were inventoried. A separate armory was developed and strict new standards established. One really helpful item is a new vehicle work order system. All vehicles were inventoried and repaired to meet state standards. The new work order system means that weekly and monthly the condition of all vehicles is known and maintained. This leads to considerable financial savings as well as increasing the readiness of all the vehicles.

There was much training for police officers, dispatchers, and EMS personnel and fire volunteers. The new training for Operations and Communications totaled thirty hours. Through it all, Sergeant Blue worked with everyone to develop a unified mission, to be “Team Kearny” with an emphasis on customer service. The focus was on employee growth (both professional and personal), provision of tools needed to accomplish the mission, and procedural development of

accountability to the mission and to each other.

“My aim is that no one works for me, but with me,” said Sergeant Blue. “The people here are working to meet the mission that they developed to meet the town-peoples’ expectations.”

It’s hard to imagine, but by his personal engagement Sergeant Blue and the team accomplished all this and managed to save the town money, too. New time accounting measures streamlined scheduling and, even with a small raise in wages to meet state law, the expenses came in 5% under budget.

Sergeant Blue doesn’t like to take credit. “Every team has a leader, and Town Manager Anna Flores’ vision leads the team,” he remarked.

Well, Sergeant Blue, take credit for being the Energizer Bunny when we needed one, for being out and about in our town, and for developing the respect of all who live in our community.

Local Well Armed Woman Shooting Chapter leaders attend National Leader Conference in St. Louis, MO.

St. Louis, MO – The country's largest women's shooting organization held its National Shooting Chapter Leader Conference Oct. 3-5, 2014 in St. Louis MO. Local The Well Armed Woman Shooting Chapter leaders, Marti Stonecipher, Kari Ramsey & Renee Ramsey who lead the Copper Basin Chapter attended this leadership building event.

With the number of women who own firearms for personal protection skyrocketing, there are now over 200 of The Well Armed Woman Shooting Chapters in 44 states, all formed in less than two years. Chapter leaders from coast to coast traveled to St. Louis for three days of seminars, training and for the chance to meet and network with their sister chapter leaders. The Copper Basin Chapter meets monthly at the Copper Valley Christian Center and The Copper Basin Sportsmen's Club to provide a woman friendly environment

for women to learn and grow as shooters.

"The firearm industry has been slow to meet the unique and specific needs of female shooters. The Well Armed Woman Shooting Chapters create a safe and unthreatening environment for women to explore shooting and to hone their skills," states Carrie Lightfoot, founder of The Well Armed Woman. An NRA Certified Instructor and entrepreneur, Lightfoot launched The Well Armed Woman to be a comprehensive and intelligent resource for women gun owners. The Well Armed Woman designs and offers holsters and other shooting accessories for women as well as valuable information and resources to help them navigate the male driven world of firearms. "Our shooting chapter program brings together women of all ages, backgrounds and political views and in their monthly meetings learn safe and responsible gun handling skills," says Lightfoot.

The three-day event was sponsored by some of the largest names in the firearm industry. The following companies contributed to make the event possible: Ruger, Mossberg, Glock, Walther Arms, NRA-ILA Frontlines, Magpul, Command Arms, CCW Safe, RWC Group and Gun Tote'n Mamas. "These companies prove their commitment to work to meet the needs of women shooters through their tangible and very real involvement in women's events like this" shares Lightfoot

Special events for attending chapter leaders included exciting shooting opportunities at Top Gun Shooting Sports in Arnold, MO and at Ultimate Defense Firing Range & Training Center in St. Peters, MO. Chapter leaders attended seminars on various subjects, such as range safety, effective leadership, and being an ambassador for responsible women shooters. Special guest Gabby Franco, former Olympic shooter and two-time contestant on the History Channel's reality show "Top Shot" presented a session focused on training new shooters. Franco was also

the keynote speaker at a special evening banquet held on Saturday Oct. 4 to honor chapter leaders. "Can't say it enough, the conference was awesome. I have so much more to share at my meetings", shares Char Lynn-Schroeder.

Women interested in learning more about firearms and The Well Armed Woman Chapter program can visit www.thewellarmedwoman.com. To learn more about the local Copper Basin Chapter and how to join, email copperbasin.twaw@gmail.com or call Marti Stonecipher 520-400-8914, Kari Ramsey 520-827-9910 or Renee Ramsey 602-920-3765.

Good news for HWUSD taxpayers

The high property tax rate the Hayden-Winkelman residents will pay this year will not last long, said Jeff Gregorich, Hayden-Winkelman School District Superintendent. He said that the property tax rates will be lower next year because the school district bond debt will be paid off as of July 1, 2015. Therefore, the District will not have to levy a secondary tax rate next year. This should put the property tax rate similar to last year.

Gregorich added, "The HW School District appreciates all of the understanding and help we have received over the past decade to keep our school operating. We survived a much worse

financial property tax challenge in 2003 and in 2005. It seems that the more challenges we face, the stronger we have become and the more determined we are to fight to keep our schools open."

"We have a motto at HWUSD, Lobo Pride Never Dies; I truly believe it," stated Gregorich.

"Although this current tax issue is both surprising and concerning, it may be easier to swallow knowing that it is temporary. I am optimistic that the property valuations of ASARCO will increase again over the next couple of years. At that time, I would expect property tax rates to drop again," stated Gregorich.

Ray School Board handles housekeeping items

By Mila Besich-Lira
Copper Basin News

The Ray Unified School District Governing Board hosted its regular monthly meeting last week. The board was given a presentation on the new web site that has been designed for the district. The new site features a calendar and staff directory as well as several photos from school activities. Updates on the page will be done by the high school English students.

The board also approved high school students to

attend an overnight trip to Catalina Island in April, voted to approve a donation of two fully equipped first aid kits from Cobre Valley Heart Institute and Cobre Valley Regional Medical Center. ASARCO also donated a Sheldon 17"x30" lathe. Other housekeeping items included hearing department reports and also approving various club fundraisers.

The board had two executive session items on the agenda. Board President Wayne Cude announced that the first agenda item in the executive session would not be discussed because he would have to recuse himself due to the fact that his relative was

the staff member to be discussed and without Cude's participation, the Board would not have a quorum present. The item would have allowed the board to discuss whether to pay that family member for their prep time. The agenda did not indicate which staff member was going to be discussed. The Open Meeting Law requires that the person or position being discussed in executive be posted on the agenda.

The second agenda item on executive session was a discussion on the permanent resident application for international teachers. There was no action taken following the executive session discussion.

Kearny Koyotes share history of 4-H in Arizona

4-H began in Arizona in 1913, when volunteer leader George T. Peabody organized a Boy's Cotton Club in Chandler. When the U.S. Smith-Lever Act was passed in 1914, Professor Stanely F. Morse, of The University of Arizona, College of Agriculture Experiment Station, organized 12 cotton, corn, and grain sorghum 4-H clubs. Canning, swine, and poultry clubs were organized in 1915 by Leland Park, a University of Arizona State Agent who became the first employee to devote full time to clubs for boys and girls. In the early years, most clubs were organized through schools, with teachers serving as leaders. Boys' and girls' clubs became known as "4-H Clubs" in the early 1930s. In recent years, 4-H Youth Development programs have been organized in the communities with a continued emphasis on a balance of experiences for young people in project work, personal development opportunities, leadership and citizenship.

In 4-H, young people make new friends, develop new skills, become leaders and help shape their communities. Arizona 4-H builds upon a century of experience as it fosters positive youth development that is based on the needs and strengths of youth, their families and communities. Youth have the opportunity to participate in 4-H experiences that strengthen a young person's sense of belonging, generosity, independence and mastery.

More than 9,000 Arizona youth are enrolled members of 4-H community clubs in Arizona. They are supported by more than 2,000 adult volunteer leaders. Another 184,000 Arizona youth get involved in 4-H through special educational opportunities

4-H gives them a chance to pursue their own interests – from photography to computers, from building rockets to raising sheep or rabbits. A comprehensive list of 4-H

projects is available online at: <http://extension.arizona.edu/4h>. Arizona 4-H youth also

places – to camp, to state and national conferences and even on international cultural immersion exchanges. They learn to be leaders, active citizens and citizen scientists. In 4-H clubs, they serve as officers and learn to conduct meetings, handle club funds, and facilitate group decision-making. In a growing number of communities, 4-H youth serve as youth representatives in municipal or county government or as members of Teen Courts. They give back to their communities. 4-H members are involved

Winkelman celebrates 100 years

Two major milestones were reached Saturday in the smallest incorporated town in Arizona.

Winkelman celebrated its 100th birthday and the second ore cart in the Copper Corridor's Ore Cart Trail was revealed and officially welcomed to the Winkelman Wall Park at the intersection of Highways 77 and 177.

The Ore Cart dedication was first on the event list Saturday.

After a welcome and introductions, dignitaries including Winkelman Mayor Louis C. Bracamonte, Gila County Supervisor John Marcanti, Pinal County Supervisor Pete Rios and Ore Cart Project Manager Bill Bolin (Copper Corridor Economic Development Coalition) all spoke about the project and what it means to Winkelman and the whole Copper Corridor.

"A Penny for Your Thoughts" was selected many years ago by the community members of Winkelman. The cart, designed by renowned artist Nancy Dunst, has the load of giant copper pennies being upended out of the bucket, much the way copper ore was discharged.

Dunst lives in Sedona and has enjoyed a great career. She was commissioned by Sky Harbor International Airport in Phoenix, shown at the Phoenix Art Museum and was invited to the Biennale Internazionale Dell'Arte Contemporanea in Florence, Italy. She was also one of the first artists to receive the Sedona Project Grant from the Sedona Arts and Culture Commission.

The Ore Cart Trail is one of the first projects started by the Copper Corridor Economic Development Coalition. It began as a way to promote tourism by creating public art pieces to encourage visitors to stop and enjoy each cart as they travelled through the entire region. The first cart was installed in Mammoth in the Miners Memorial Park

on Highway 77. Winkelman's cart was part of a federal transportation funding program.

The Winkelman project team included Mayor Bracamonte, Winkelman Town Clerk Sylvia Kerlock, Dunst, Jeff Davidson of ADOT, Glenn Christensen of SKY

Construction & Engineering, Jean-Marc R. Frelson of S.E. Consultants, Jake Jacobson of Copper Basin Railway, Joe Wilhelm of ASARCO, CCEDC President Elizabeth Magallanez, Bolin of STS and Mila Besich-Lira of Miracle

Executive Services.

Following the official ribbon cutting with the ribbon and flowers donated by Rose's Roses of Kearny and Superior and a short fellowship time at the Winkelman Wall Park, the festivities moved across the highway into the Winkelman Flats Public Park where the beer and wine garden was open and the horseshoe and 3-on-3 basketball tournaments were already underway.

David Lagunas served as the emcee for the event and with the Pledge of Allegiance and opening prayer, Mayor Bracamonte welcomed everyone to the Winkelman Centennial Celebration. State Senator Barbara McGuire presented and read a proclamation made by Arizona Governor Jan Brewer. The town then recognized and

made special presentations to Mrs. Belen Cluff and Mrs. Ruby Jean Giorsetti.

Other speakers included: Buchanan Davis, a representative for Senator Jeff Flake; Carmen Casillas, State Representative candidate; Joe Wilhelm, ASARCO Plant Manager; Jake Jacobson, Copper Basin Railway; Sylvia Kerlock, Winkelman Town Clerk; Gene Jeffery, Past Winkelman Mayor; a representative of the Giorsetti family; Linda Chavez for Belen Cluff; Ralph "Snooky" Bologna, former Winkelman Flats resident; Teresita M. Olmos, former Winkelman Flats resident; Monica Badillo, Apodaca family representative; Nancy Humphry; and Duane Reece. Mayor Bracamonte read the names of past mayors of Winkelman and Lagunas gave a tribute to

Alfred Marquez.

Entertainment for the day included local performers Rebeca Torrez, Luciano Romero and Johnny Angel Silva. DJs Tom Chestnut and Gabriel Hernandez rounded out the musical line up for the day.

A marvelous BBQ buffet lunch was served (something the publisher of the Copper Basin News enjoyed immensely) and the kids were kept busy in the Kids' Zone with train rides, piñatas, rock climbing wall, bouncy houses and a mechanical bull.

There was truly something for everyone at Winkelman's birthday bash.

And to quote J.R.R. Tolkien, "It is no bad thing to celebrate a simple life." Happy birthday, Winkelman.

Mustangs shutout Bearcats

By Andrew Luberd
Copper Basin News

The second-ranked and undefeated Mogollon Mustangs defeated the sixth-ranked Ray Bearcats last Friday night, 46 – 0. The last time an opponent shutout the ‘Cats was October 15, 2010, when San Manuel beat them, 28 – 0.

Ray has lost two-straight games to teams above them in the rankings; Gilbert Christian and Mogollon.

Five of the Bearcats’ seven games so far this season have been played against teams ranked in the top 10 of the AIA rankings. They are 2 – 3 in such games with wins against Superior (10th) and Valley Union (9th). They’ve lost to Mogollon (2nd), Pima (3rd), and Gilbert Christian (4th).

The Bearcats wrap up their regular season on road this Friday, playing at Arete Prep. The Chargers have only one win this season. The game is scheduled for 7:00 p.m.

Eighth-grade Jr. Lady Cats claim CJHL championship

By Andrew Luberd
Copper Basin News

The eighth-grade Ray Jr. Lady Cats used their home court advantage in last weekend’s Central Junior High League Volleyball Championship Tournament, upsetting the top-seeded Mt. Vista Cougars in the Championship Match, 2 – 1.

The third-seeded Jr. Lady Cats, who lost game one in the final match (23 – 25), won the next two games (25-23, 15-8) to complete their improbable run to the Championship.

Before the Championship match, each player on the Jr. Lady Cats’ team shared with their teammates what this season has meant to them. After hearing her players’ comments, head coach Stacy Johnson knew something special was on the horizon.

“As I listened to each player share their personal comments, it was evident that they understood this was about life, not volleyball,” Johnson recalled. “Our girls went into this match knowing that (they) had each other’s back and (they weren’t) going to let (their teammates) down.”

The Jr. Lady Cats defeated Miami and Globe in the first two rounds of the tournament before facing Mt. Vista for

the Championship.

In game one of the Championship Match, the Jr. Lady Cats played well despite losing a close game. Augie-Lou Hing, Tara Lorona, Julie Meza, Ameer Kenyon, and Daniella Hinojos made great plays in the game.

“We were playing in top form at the net,” said Johnson after game one, obviously pleased with her team’s performance despite the loss.

“Pure determination from the entire team” helped the Jr. Lady Cats win game two. Meza, Lorona, and Hailey were strong from the service line.

The serving combination of Hing and Riley Cude in game three was the difference. Meza, on her birthday no less, closed out the match with two overhand serves to win the game, match, and Championship.

“(I) would like to personally thank all the 8th-graders for their hard work, dedication, and contributions to our team’s achievement this season,” Johnson told the Copper Basin News. “We chopped wood and carried water.”

Congratulations Jr. Lady Cats: Myranda, Jori, Tara, Hailey, Julie, Ameer, Daniella, Augie-Lou, Riley, and Corrina. #WeBelieve

The Lady Cats have four matches remaining in the regular season with only one scheduled this week, on Thursday at home versus Ft. Thomas. The Lady Cats defeated the Apaches on September 11, 3 – 0.

Jr. Lobos close out season with a win

By Andrew Luberda
Copper Basin News

The Hayden Jr. Lobos closed out their Central Junior High League football season with a win, defeating the Ray Jr. Bearcats, 18 – 0.

With the win, the Jr. Lobos spoiled the playoff hopes of the Jr. 'Cats, who could've advanced with a victory.

As a result of the Jr. Lobos win and Superior defeating San Manuel, the Panthers are the fourth and final team to make the playoff tournament.

First round games for the playoffs are: Superior (4) at Globe (1) and Eloy (3) at Mt. Vista (2). The winners of those games will meet next Tuesday for the CJHL Championship.

Jr. Cats end season with a loss

By Andrew Luberda
Copper Basin News

The Jr. Bearcats entered last Tuesday's game against Hayden with a chance to reach the playoffs if they could defeat the Jr. Lobos. Unfortunately, the Jr. 'Cats playoff

hopes ended in an 18 – 0 loss.

The team finished the season with a record of 2 – 4.

Head coach Frank Lechuga said he was proud of the team's effort all season.

"The work with ethic the players showed throughout the season on

and off the field," Lechuga answered when asked what he was most proud of. "We started out with 34 players and ended with 23. The players who stuck it out really deserve a lot of credit."

The future is bright for Ray with as many as half of the 23 players on

this year's team returning as eighth-graders next year.

"It was a good learning experience for all the players involved," Lechuga told the Copper Basin News. "Not only will be the eighth graders, but they're players who've game experience."
