Ranch hand convicted of sexual conduct with a 4 year old

FLORENCE, AZ (10/8/13) – On Monday, a Pinal County Jury returned a guilty verdict for Fernando Almanza after the Pinal County Attorney's Office successfully prosecuted him for sexual conduct with a minor.

Almanza worked on a ranch in Winkelman, Arizona, where he was employed to fix fences and tend to the animals.

Pinal County prosecutors proved that on October 22, 2011, Almanza lured the 4 year old victim to an isolated part of the ranch, where he sexually violated her. After the incident, the female victim told her mother that the ranch hand, at a ranch where the mother lived and worked, touched her and that he had

sharp nails. The mother immediately contacted the Pinal County Sheriff's Office, whose detectives conducted a thorough and professional investigation with assistance from organizations from around the state.

With medical evidence explaining the significance of abrasions found on the victim and experts from DPS Crime Lab stating why this type of case might lack DNA evidence, the State properly anticipated potential issues and provided facts to the jury proving Almanza's guilt. Additionally, PCAO introduced the use of new technology, purchased with RICO Funds, in the courtroom, enabling prosecutors to present evidence in a clear and

efficient manner.

In sum, the successful collection of evidence and facts surrounding the sexual conduct in this case is a tribute to the ongoing partnerships between the Pinal County Attorney's Office, Pinal County Sheriff's Office, the Arizona Department of Public Safety Crime Lab, Phoenix Children's Hospital in Phoenix, Tucson Medical Center, Flagstaff Medical Center's Safe Child Center, and the Southern Arizona Children's Advocacy Center. The Southern

Arizona Children's Advocacy Center, located in a neighboring county, serves the same purpose as the Family Advocacy Center in San Tan Valley championed by Pinal County Attorney Voyles and targeted to open in 2014.

"By opening a Family Advocacy Center in San Tan Valley, medical examinations and interviews could have been performed at one location and closer to the victim's home," said Pinal County Attorney Lando Voyles. He continued to

say, "I, clearly, thank all of the law enforcement agencies, medical centers and family advocacy centers involved with this case as well as my prosecution team. Throughout this entire ordeal, though, I want to recognize the victim for her continuous cooperation and endless courage from the moment when she, a 4 year old, told her mother of what happened to now, as a 6 year old child, who bravely testified on her own behalf."

Almanza will be sentenced on November 8, 2013 and faces a

Fernando Almanza
(Photo courtesy of PCSO)

mandatory life sentence in prison with the possibility of parole after 35 years.

Meetings set for public feedback on RVs used as visitor housing

FLORENCE - The Pinal County Planning and Development Department will be holding a series of public meetings to solicit input on Recreational Vehicles (RV's) used for visitor housing.

"The Board of Supervisors has directed us to find out how residents feel about this issue," said Planning and Development Director Jerry Stabley. "The County receives a number of calls each winter from residents concerned about visitors staying in RV's."

RVs include all types of camping setups from a small tent trailer up to the largest motorhome. The County Zoning Ordinance does not allow visitors to stay in RVs unless they are residing in an RV park. However, many residents want to allow friends and relatives to stay in RVs when they visit in the winter.

"Once we receive feedback from the public, we will relay that information to the Supervisors and they will determine if and how they want to change the zoning regulations," Stabley said. "We look forward to meeting the residents and finding out how they feel about this issue."

Opinion: Economic growth depends on new and old industries alike

By Martin Sepulveda

The road to economic growth and fiscal sustainability is paved with lower taxes, a balanced budget and a less intrusive regulatory environment. When these conditions are met, the private sector can flourish and create jobs.

Arizona is blessed with five C's: copper, cattle, cotton, citrus and climate. The first C, copper, was a critical

engine of growth throughout Arizona's history. In recent years, however, the weight of excessive federal regulation crushed growth in this industry.

But this can change. The Southeast Arizona Land Exchange and Conversation Act of 2013 is a great first step. The bill – sponsored by Rep. Paul Gosar (R-AZ) – authorizes the construction of an underground copper

mine in Superior, Arizona through a land exchange. The economic impact of this mine is staggering.

The mine will create approximately 3,000 construction jobs over an initial six to ten year period. Then, once the mine is fully operational, it will employ more than 3,700 people. These are high-paying jobs that range from \$40,000 to \$120,000 annually in an area of the state

that is particularly suffering economically.

The total economic impact of the mine on the state of Arizona is estimated at \$61.4 billion. That means more than \$1 billion per year over the life span of the mine. Additionally, the mine will generate almost \$20 billion in federal, state, county and local tax revenue.

In order to be successful, Arizona must create new jobs and attract industries that may

not have a significant presence in Arizona while continuing to develop the industries that helped make our state great.

We have a unique opportunity to create real net new sustainable employment, now it's time to leverage it.

Martin Sepulveda is a small business owner, veteran, former Chandler City Councilman and a republican candidate for Arizona State Treasurer in 2014.

Concerning the closure of the Mammoth DES office

This letter was addressed to several directors and assistant directors of the Arizona Department of Economic Security.

I write in regards to the decision recently made by the powers that be to relocate the Mammoth CPS office to an arduous 45 miles away in Kearny.

Without forewarning or notification, our supervisor was called one afternoon and was told that she and her staff were being moved 45 miles north to the office in Kearny.

We were not given the courtesy of an explanation nor an opportunity to state our reasons as to why. This move would be so detrimental to our well-being, as well as that of our families and, also, those that we serve.

We had no clue that this was even a remote possibility, as we can think of nothing that will be gained by this move, but, surely a great loss will be suffered. Had a little more thought and consideration been given to the matter,

or, had we been allowed to present some critical evidence to the contrary, maybe it would have been realized that such a drastic decision required a little more input from those that would be most affected.

For over a year, we have been submitting request after request that the state look into several of the vacant buildings in the area that would serve the needs of the department and, quite possibly, at a lower cost.

There are two schools

in San Manuel and one in Mammoth that have been vacant, for some time now, and they are either state or county owned. Two community groups, Adelante Juntos and the Boy Scouts, are renting rooms there for very little money. There is a county building in Oracle, plus a couple of private properties which all would serve our needs. Had one of these buildings been considered, the cost, loss and confusion would be minimized in the main. Our communities would remain the same and we would still be here to serve a community that has fallen through the cracks.

Nobody listened. Nobody did the research, nor took the time and the effort to look into these most viable possibilities. It seems that nobody cared enough about these few dedicated workers in as small office that many people have never even heard about, much less visited. Had some of those

decision-making people bothered to come out and see for themselves what a viable asset we are to this community, it is very likely that a different decision might have been made.

We are not Tucson or Phoenix, but, we provide just as much, if not more, service to the people in areas that the bureaucrats and politicians have forgotten. To leave the area without any form of public service office is a slap in the face to the people that we serve and who depend on us.

I, along with my coworkers and supervisor, represent almost 80 years of dedication and service to the State. We are a loyal and hard-working staff, mostly above reproach, and have done a remarkable job, in spite of all the adversities we have faced.

Does it matter to anyone that you will be putting these dedicated workers further at risk by making

them commute 45 miles even further to their jobs, on highways traveled mainly by big rigs and semi-trucks as this is a mining community, on narrow and winding roads that are often clad in snow?

The wear and tear on our vehicles is of major concern. Some of us cannot afford to purchase brand new vehicles at this time. Not to mention the ever-increasing price of gasoline. Some of us have disabled spouses and dependent children still living at home. That will be a great loss if we are not able to respond to them in case of an emergency. Two of our workers already commute 45-plus miles from Tucson. The added mileage and time commuting will put them at even a greater disadvantage.

We ask that you postpone this move until it has been thoroughly researched. Come out to the area and see for yourselves that there is, possibly, another answer than to uproot and dislocate this office. Please reconsider putting your workers in such added harm, as this work already comes with its disadvantages. Thank you for your time.

Sincerely,
/s/ Mary L. Sanchez

Mammoth DES office closing October 25

The Arizona Department of Economic Security will close its office at 228 Main St., Mammoth, next week. (John Hernandez photo)

By John Hernandez
Copper Area News

The Mammoth offices of the Department of Economic Security and Child Protective Services will be closing on October 25.

The Mammoth offices

service an area from north Tucson to Hayden that

includes the communities of Eagle Crest, Oracle, San Manuel, Mammoth, Aravaipa, and Dudleyville.

They also cover the area between Florence and Oracle

Junction which includes people living near Park Link.

The impending closures will place a hardship on clients who will now be forced to travel to either Kearny or Globe depending on the services they need. It will also mean current employees will be driving further to new assignments in both towns. Some of the employees already drive to Mammoth from Tucson and will have a much longer commute.

The Child Protective Services will be moving to Kearny. Other services including Nutrition Assistance (formerly the food stamp program) will relocate to Globe. The nearest Family Assistance Administration (FAA) office would be in Tucson at the Wetmore and First Avenue office. The FAA administers Nutrition Assistance (formerly the Food Stamp program), AHCCCS (medical care),

Wanda Mitchell-Tucker, Theme Painter for the CV Art and Wine Auction

The annual CV Foundation Art and Wine Auction, "The Stars and Lights of Paris," will take place on Friday, Nov. 1, beginning at 6 p.m. at the Gila County Fairgrounds. The evening will feature many talented local artists, fine wine, finger foods, and a silent and live auction. The night will also take you to a star filled evening on the streets of Paris. Wanda Mitchell-Tucker's painting, "A Dance in Paris," will go to the highest bidder during the live auction.

"This painting was a little different type of subject than my usual, but it was fun to do," states Wanda Mitchell-Tucker of the theme painting she created and donated to the CV Foundation Art and Wine Auction. "It was fun to do a whimsical

scene of a couple dancing on the streets of Paris."

Teaching the art has also been a large part of Wanda Tucker's life. Since 1975, with the exception of six years, she taught for Central Arizona College (CAC). During her six year absence from CAC, Wanda taught and was the off-campus coordinator for Northern Nevada Community College. She also teaches once a week at the Cobre Valley Center for the Arts (CVCA) and two day classes in Tubac. Her paintings can be seen at the Gila County courthouse, CVCA, United Jewelry; in Kearny at the Bank of the West, Marie's Tortilla Factory and Deli; and in Old Town Tubac at Beads of Tubac. Wanda also has a gallery in Winkelman where her paintings can

be seen by appointment, 520-356-7626.

"Painting is something I've always loved and was encouraged to do throughout my life," Wanda speaks about her life-long passion with her dad as her biggest supporter. "He purchased a set of oil paints and brushes and told me, 'Now you do something with this.' I am so blessed for my dad to have lived long enough to see my success."

Proceeds from the CV Foundation Art and Wine Auction provide equipment, continuing education and training for CVRMC. Tickets are on sale now for \$15, or \$20 at the door. For tickets or event information, please contact Jessica Morgan at CVRMC, 928-402-1230, or Evelyn Vargas, 928-402-1141.

Winkelman artist Wanda Mitchell Tucker will be a featured artist at this year's Cobre Valley Foundation Art and Wine Auction. (Submitted photo)

Winkelman School to host Halloween Fun Night

Winkelman - It's scary how much fun is waiting for you during Winkelman Elementary School's Halloween Fun Night. On Wed., Oct. 30, 5:30 pm - 8 pm, come to a celebration that will make you shout yaye over boo!

There will be food for sale: green and red burros

for \$3 each, bean burros for \$2 a piece, posole for \$1 or \$5, popcorn for 50 cents -\$2, popcorn balls for \$1, hot chocolate for \$1, nachos for \$2-\$3, candy apples for \$1-\$2, soda or tea or water for \$1, and pickles for \$1.

Games and activities and their costs are: Split the

Pot for \$1, Cake Bingo for 25 cents (one quarter), Jumping Castle for \$1, Haunted House for \$1, and the Costume Contest.

Buy and reserve your coupons at the office for all

food and events, except the quarter for the cake walk and the \$1 for each chance at Split the Pot. Cash only is accepted. No checks.

Admission and fun with friends and family are free.

GCC Enrollment on the rise

Gila Community College (GCC) is reporting a 15.5 percent enrollment increase from this time last year at their Gila Pueblo Campus in Globe. All other GCC locations combined are reporting a 6.3 percent increase for the same time period.

In July the GCC Governing Board voted to reduce tuition for everyone and reestablish senior citizen tuition waivers for citizens age 55 and over. GCC also significantly reduced the cost of their Cosmetology and Nail Technician Programs by more than 50% for the GCC Cosmetology

Academy.

Cobre Valley Institute of Technology (CVIT), who offers career and technical programs to high school students through a partnership with GCC, has strong enrollment this fall at the GCC Gila Pueblo Campus. CVIT programs include Medical Assistant, Certified Nursing Assistant, Graphics Design, Welding Technology, Fire Science, and Cosmetology.

Two new programs under development at GCC include Medical Coding & Billing and Building/Construction

Dudleyville F.D. shows that it is unsafe to text and drive

By Nina Crowder
Copper Basin News

It was a beautiful fall evening on Friday, October 11, 2013 when chaos broke out as a mock accident was performed by Dudleyville Volunteer Fire Department. Many local residents participated and several others watched. This mock accident involved three vehicles; the scenario was to show the public the effects of texting and driving. And for added effect, they also threw in a drunk driver.

Diane Chacon was the coordinator of this event and is the make-up artist for many of the mock accidents in the area. Diane is a member of the Dudleyville Fire Department and currently the only Emergency Medical Technician (EMT). Diane has been a EMT for 29 years and is a past Fire Chief for Dudleyville Fire. The current Dudleyville Fire Chief is Joey Morales.

"This is a good training exercise," Diane said, "because you never know what kind of situation we are going to be presented with, not all accidents are cars on their four wheels, we have one on its side which is a difficult extrication and one on its roof, we did this to present different scenarios so the firefighters can get hands on training, they learn how to do the cribbing, stabilize the cars and so on."

The Scenario

Upon the arrival of the Hayden Police Department, the officer calls in the ambulance and fire department with three vehicles and many injured. This will be a busy night for all of them. The ambulance is next to arrive and almost at the same time the firefighters reach the destination. They all rapidly jump in and start

Photos by Nina Crowder

See more photos online at <http://bit.ly/1fygMjb>

working.

The firefighters start to take bloodied bodies out of the vehicles; they are laid down on tarps and triaged according to the injuries. The "jaws of life" are used to take off the roof of one vehicle that is on its side and the other vehicle that is upside down. During emergency situations, the "jaws of life" are used to help remove victims who may be trapped in their vehicles.

Once the victims are free from the vehicles, several of them will be taken by ambulance to the local hospital. In this incident one person is taken by helicopter due to the severity of his injuries with bones coming out of his leg. There are two people dead on arrival who will be taken to the mortuary. This incident has nine people including children with injuries, one drunk driver who suffered minor scratches, one person with severe injuries and two people dead.

As you watch the situation unfold and see how many people it takes to help in a situation like this it makes you appreciate all the caring, concerned people there are and it also makes you stop and think about what could have been done to prevent an accident like this from occurring. We can all do our part in preventing accidents. Stay focused on driving when you are in the driver's seat and do not drink and drive.

According to the Center for Disease Control (CDC) the study of distracted driving shows that each day in the United States more than 9 people are killed and more than 1,060 people are injured in crashes that are reported to involve a distracted driver. Distracted driving is driving while

Crash, Page 16

Bearcats defeat Panthers to reclaim Copper Helmet

By Andrew Luberda
Copper Area News

The Ray Bearcats defeated the Superior Panthers to reclaim the historic Copper Helmet trophy last Friday night, 48 – 6. It was the sixth win of the year for the ninth-ranked Bearcats.

The Bearcats were led by Dominic Bravo with 3 touchdowns on the night, including one on an 80-yard punt return. Robin New-

man added two touchdowns and quarterback Destry Yocum had one touchdown on a 58-yard run. Newman finished the game with 11 carries for 77 yards.

For the Panthers, it was a difficult and emotional night. Starting quarterback Nicolaus Cruz left game early with a severe concussion. The loss of Cruz, who does it all for the Panthers, was difficult to overcome for a young

Panthers' team.

"Once he was hurt the impact was felt," head coach Ryan Palmer said about the effect of Cruz's injury on the team.

Palmer said his team committed "too many turnovers" in the game to stay competitive with an experienced Bearcats' team.

"We should've played (Ray) more competitively than we did," Palmer said.

The Bearcats' defense had four interceptions on the night. Ryan Bickley, Dominic Bravo, Joe Rudy Lorona, and Seth Harmon each had an interception.

Despite the loss, Palmer said his young team continues to gain valuable experience that will benefit the program in the long run.

The Bearcats closeout their regular season at Duncan Friday night, while the Panthers will

celebrate their homecoming on the final night (Friday) of their season versus Ft. Thomas.

The Panthers will be without Cruz, who was ruled out for the season.

Palmer knows what it will take for the Panthers to finish their season on a high note.

"If we can fix our mistakes and minimize the turnovers (we can win)," he said.

Destry Yocum #5 slips through the grasp of the Panther defenders.

Robbin Newman #33 weaves through the Panthers on defense.

See more Copper Helmet photos online at <http://bit.ly/1gfV44M>. Ray also celebrated Senior Night. See photos online at <http://bit.ly/1alKoJk>

Banged-up Lobos lose to Duncan

By Nolberto Waddell
Copper Basin News

A depleted Lobo football team showed a lot of courage and heart taking the field with a tough Duncan Wildcat team. With several starters on the sideline suffering injuries and several more playing but slowed down with injuries, the Lobos put up a good fight behind the young replacements but were no match for the bigger Wildcat team.

Three freshman players stood up big for the Lobos on the offense with Brandon Cruz showing good running form before getting an ankle injury. Santiago Pina played great on both sides of the football starting at quarterback before moving to running back when Cruz got hurt. Ryan Donovan also had an excellent showing

for the Lobos coming in to give the tired and banged-up runners a break.

Duncan scored using a running attack to suck in the young defenders for easy receptions. They also used their superior height to complete passes over the shorter Lobo defenders.

The Lobos did not give up, trailing 0 to 38 late in the third quarter. The Lobos finally got on the board with a safety on a tackle by Francisco Moreno. It ignited the Lobo offense with Aaron Lagunas scoring on a 40-yard run early in the fourth quarter. The Lobo defense helped after the kick off. They recovered a fumble on a Duncan punt attempt and behind the rushing of Pina and Donovan were in the end zone again on a Pina 8-yard TD run. This cut the lead from 16 to 38 in the last period.

After the Duncan kickoff, a severely limping Jacob Manriquez completed three long passes with Pina scoring on an 8-yard run. Manny Armenta scored the 2-point play cutting the lead to 24-44. Duncan responded with a 10-yard TD run with 37 seconds left in the game for the final 24-50 score.

A banged-up Aaron Lagunas, despite the focus of the Duncan defense, finished with 122 rushing yards for one TD. Lagunas also caught three passes for 21 yards.

Santiago Pina, suffering two QB sacks, finished the game with 85 yards on 13 carries for two TD's. Ryan Donovan had 16 rushing yards on two carries and caught three passes for 30 yards. Brandon Cruz had 10 carries for 33 yards and caught one pass for 9 yards. Chris

Rabago had one reception for 32 yards. Jacob

Manriquez, with a badly sprained ankle, came into the game ran twice for 6 yards and completed 8 of 10 pass attempts for 92 yards. Manny Armenta led the Lobo defense with 11 tackles and Francisco Moreno had another great defensive game with 10 tackles and a safety. Santiago Pina had 7 tackles with Chris Rabago and Gabriel Mariscal getting six a piece.

The Lobos will close out their injury riddled season this coming Friday as they travel to Pima to take on the division six number one ranked Roughriders.

Lady Lobos bad luck streak ends with win over Mesa Prep

By Nolberto Waddell
Copper Basin News

Finally, after nine straight losses, the Lady Lobos bad luck is finally over.

The Lady Lobo volleyball team boarded the bus for a trip to Mesa to take on the Lady Monsoons of Mesa Prep Academy. They returned home with a five set victory over the Monsoons. The teams kept trading wins with the Monsoons taking

the first set 20 to 25. The Lady Lobos, behind the serving of Julisa Westrope with 10 service points, won set two, 25 to 15. Despite seven service points from Devin Estrada, the Lady Lobos dropped set three with a score of 22-25. The Lady Lobos evened the sets at two a piece behind the serving of Kyana Garcia to win set four with a score of 25-17. The Lady Lobos won the match taking the fifth set 15-10 to

end their losing streak.

The Lady Wildcats of Cibecue High School were on the Lobo court on Thursday giving the Lady Lobos all they could handle. With the Lady Lobos unable to land their spikes, the Cibecue team took the first set 22-25. Despite continued troubles with their spikes, good all around play by the Lady Lobos gave them a second set win, 25-23. The third set, the Lobos returned

to an old mode of no talk, no movement, and no spiking to lose set three, 16-25. The fourth set was an exciting one! With Kyana Garcia hitting for eight of 12 service points, the Lobos took a comfortable 18-8 lead. It was too comfortable as Cibecue's number six server came to the line and hit for 14 straight service points to take a 19-23 lead. The Lady Lobos did not give up coming back to take the

fourth set 25-23. The fifth set was just as exciting. The wildcats took a 4-8 lead but Devin Estrada brought the Lobos back with five service points to take a 10-8 lead and kept the pace up finally winning 15-12 to win their second match of the week.

The Lobo JV split their two matches defeating Mesa Prep three sets and losing to Cibecue in three sets.

Kearny racers finish on top

Leah Wallace with her Kart.

Brooke Kelley behind the wheel.

Gabriel Schwartz shows off his trophy.

Kearny - Gila Monster Go-Kart Speedway located at the Gila County Fairgrounds in Globe makes it happen for kids. In a little valley, just below the fairgrounds, lies

a miniature oval dirt track which comes alive every other Friday evening, with kids from age 6 -18 traveling from Show Low, Globe, Miami and Kearny.

Eric Kelley Jr. with his Kart.

Gila Monster Go Kart Racers. (Photos courtesy Nics Pics)

If you haven't seen Go-Kart racing, you are missing out on a great time. The season begins in April and ends in September, with three classes; beginners, ages 6 -11 and ages 12-18. Spectators are free and pit passes are \$5 per person. The entry fee for drivers is \$15. The 2013 season ended Sat., Sep. 21, with Kearny racers finishing on top.

Veteran Leah Wallace, racing #6, finished her third racing season, giving it her all for this year, racing to the top and taking first place for the 2013 Championship in the 12-18 class. Leah finished her first two years with two third place finishes.

Austin Colling, racing # 13, took second place in the 12-18 class. Austin had a fantastic seasonal finish on Fri., Sept. 20, and Sat., Sept. 21, with two hat tricks.

In the language of the go-kart racing world, a hat trick is a racer who finishes first in their Trophy Dash, Heat Race and Main Event for that evening of racing. No easy task, because, anything can, and often does, happen.

Brother and sister racers, Eric Jr. and Brooke Kelley finished in first place for the season. Eric Kelly Jr. finished with a second championship in his little Silver Bullet #K1 in the 6-11 division, while Brooke finished her first year

with a championship in the Beginners division, driving her yellow Bumble Bee #K2.

Another brother and sister racing family duo is Doug and Taylor Ashby. Taylor completes in her orange and black Zesty #15 go-kart and finished her third year of racing in the 12-18 class, while Doug raced #18, M & M, in the 6-11 age division, finishing his second year of racing. Taylor finished seventh place and Doug finished second place for the 2013 Racing Season.

Gabriel Schwartz finished twelfth place in the 12-18 division for the season, following his second year of racing. Hats off to Gabe's mom, who is his chief mechanic, sponsor and transporter.

Beginners had a new racer on Saturday: Meiyah Stacy. When Meiyah was asked how she felt before the race, her answer was "Excited and scared." Ms. Stacy finished fifth in her race. Will she be back next year? Time will tell!

Saturday's events closed out the 2013 racing season, with fun for all, including the awaited Best of the Best Race with top racers of each division racing against each other. In a great show of sportsmanship, Leah Wallace and Austin Collings raced bumper to bumper, metal to metal. With both using their trickiest rac-

Racers, Page 15

Brother and sister racers, Eric Jr. and Brooke Kelley proudly show off their hardware.

Pinal-Gila Council for Senior Citizens Medicare Open Enrollment Event

Mammoth - On Nov. 13, the Pinal-Gila Council for Senior Citizens is hosting a Medicare Open Enrollment Event, from 1 pm - 4 pm at the Mammoth Community Center, 101 5th St. in Mammoth. Medicare Open Enrollment begins on Oct. 15 and runs through Dec. 7.

Your health needs change from year to year. Likewise, the benefits

and costs of your current health plan may also change. That is why it is important to evaluate your Medicare choices regularly. Open Enrollment is the one time of year all people with Medicare can see what new benefits are offered and make changes to their coverage.

State Health Insurance Program (SHIP) Counselors provide unbiased,

personalized counseling about the Medicare plan options for 2014 and information on health coverage options. They help people understand, compare plans and provide enrollment of your plan choice, including Medicare Prescription Drug coverage, Medicare Advantage plans and Medicare Supplemental plans. They will screen and provide application

assistance for Medicare Savings Programs which pays Medicare Part B premium and the Low Income Subsidy program, which provides assistance with Medicare Part D out-of-pocket costs. Please bring list of prescriptions drugs and Medicare card information.

The Pinal-Gila Council for Senior Citizens is part of Arizona's SHIP.

Its Counselors do not recommend or endorse any particular company or plan. They provide free objective information about insurance and benefits. For further information and assistance contact: Pinal-Gila Council for Senior Citizens, at 8969 W. McCartney Road, Casa Grande, Az. 85194; call for an appointment at 520-836-2758 or 1-800-293-9393.

Pastor's Corner: Our Nation's Fastest Growing Crime

By Pastor Joe Palmer
Fellowship Baptist Church

Sexual abuse is our nation's most rapidly growing crime. Seven hundred thousand women in the U.S. are sexually assaulted each year

(more than one woman per minute). Childhood sexual abuse occurs in the lives of 1 of 4 women and 1 of 6 men prior to the age of eighteen. One in four women have been raped.

Dr. Diane Langberg says that, "Abuse" is to use wrongly or improperly, to consume, to violate, to defile, and to tarnish. It happens when a person uses another person for wrong purposes. To simply "use" someone as

an object is already outside the boundaries of healthy loving relationships. All people are made in the image of God and are to be honored and loved.

To use someone to satisfy one's ego or sexual appetite is

an affront to God.

She is right. If you or someone you know is being abused, report it. Don't let the crime continue.

Come and join us at Fellowship Baptist Church on Sunday evenings as we

watch videos on how to care for people God's way. We will help.

If you would like to talk with me (Pastor Joe Palmer of Fellowship Baptist) about it, email me at joeandsuzypal@yahoo.com.

DES

Continued from Page 6

Cash Assistance, The Emergency Food Assistance Program (TEFAP) and the State Assistance programs.

The people who use FAA services must now travel to Globe or Tucson for assistance. This will put a hardship on many families that do not own a dependable

vehicle and add to their expenditures the price of gas. There are no plans for transportation services or satellite offices.

The Town of Mammoth offered space for a kiosk that they believed would be used as a satellite office. But plans are that it will only be a space for a computer that clients may access. Although many services can be signed up

for and accessed through use of a computer, many clients are not computer literate and the forms can be difficult to understand. There is also a number of Spanish speaking clients who may have trouble with the forms without someone to answer questions or help them.

Francis Wickham of Mammoth has been working to find out what is going on with the closures and to prevent them from closing if possible. She invited Barbara McGuire, Leah Taylor Landrum and Pinal County Supervisor Pete Rios to Mammoth to tour the Town of Mammoth and the DES/CPS offices. They came and spoke with available employees and to members of the Mammoth Seniors about the impending closures. Francis also spoke

with Senator Al Melvin from District 11, George Evanhoff and other members from the Governor's Advisory Council on Aging. They showed genuine concern but did not offer any solutions.

Francis and others in Mammoth would like to see a letter writing campaign started by those families that will be negatively impacted by the changes and those people that are concerned about the less fortunate in Pinal County. People should write or call their State Senator, Representatives, Senate and House Leaders and/or the Director of DES Clarence H. Carter.

Arizona's poverty rate in 2012 was 18.7 percent ranking it as the eighth highest rate in the nation and above the national average of 15.9 percent.

Racers

Continued from Page 13

ing maneuvers, Austin stood his ground and held off Leah for a thrilling first place finish.

Next was the Powder Puff race with first time racer Ashley Bryce racing against veteran Taylor Harmon, along with other racers. Ashley Bryce was asked how she felt before the race. "Excited and terrified," she said. Taylor Harmon took first place, proving she's still got what it takes.

Last, but not least, was the Mechanics Race. It was a sight to see the grownups getting into the little go-karts! Eric Kelley, Sr. fulfilled a childhood dream of racing go-karts beside the other snuggled adults. The green flag was waved and the race was on. A side-by-side fierce competition between Eric Kelley, Sr. and Aaron Hetrick, both veteran Modified racers in the adult racing world. Fans were on their feet, hooting and hollering as Eric squeezed past the checkered flag for the win.

All in all, racers and fans had a great time. Now, can someone get a crowbar and some grease, and release the adults?

HAUNTED HOUSE

Dudleyville Fire Department will host a haunted house Oct. 25 and 26 from 6-10 p.m. at the Dudleyville Community Center. Cost is \$2 per person. Proceeds will benefit the fire department. Please call 520-870-8210 or 357 6028 if you would like to volunteer.

Crash

Continued from Page 8

doing another activity that takes your attention away from driving. Distracted driving can increase the chance of a motor vehicle crash. There are three main types of distraction that include: visual, taking your

eyes off the road; manual, taking your hands off the wheel; and cognitive, taking your mind off of driving. Distracted driving activities include things like using a cell phone, texting and eating. In-vehicle technologies (such as navigation systems) can also be a source of distraction. While any

of these distractions can endanger the driver and others, texting while driving is especially dangerous because it combines all three distractions.

The National Statistics for Texting and Driving show about 660,000 drivers use a cell phone at any given time during daylight hours in the United States. Drivers

talking on a cell phone are four times more likely to have a car accident. Talking on a cell phone while driving can make a young driver's reaction time as slow as a 70 year old. Answering a text takes your attention away for about five seconds, which is enough time to travel the length of a football field. Studies have found that texting while driving causes a 400 percent increase in time spent with eyes off the road.

The purpose of the Dudleyville Fire Department's mock accident is not only to show the public what can happen when texting and driving and when you drink and drive but also to give the local fire departments an opportunity to train and learn new skills. The agencies that helped successfully put on this mock accident are: Hayden Police Department, Mammoth Fire Department, Dudleyville Fire Department, Winkelman Fire Department, ASARCO EMTs, Kearny Ambulance, Hayden Fire Department and Native Air. Thank you to all the agencies and volunteers for helping make this a successful event! Remember no texting and driving; be safe out there!

Pinal County food banks, shelters receive funding from national board

Cindy Cook, Chair of the Local Emergency Food and Shelter Board announced today that Pinal County has been advised that it will receive Phase 31 grant funds in the amount of \$126,855 for emergency food and shelter services in the county.

Beverly Prueter, Executive

Director of the United Way of Pinal County, noted that last year \$143,131 was received through Phase 30 and distributed through the programs in Pinal County. Beverly said that this is critical funding for emergency assistance, and we are taking applications now for the Phase 31 funding. Only nonprofit agencies which are normally in the business of providing emergency food and shelter services may apply for the funding and may request or pick up an application from the United Way office at 402 E. 10th St. in Casa Grande. Applications must be received by United Way by 12 Noon on October 28, 2013.

The allocation is being made by a National Board that is chaired by the Department of Homeland Security's Federal Emergency Management Agency and consists of representatives from American Red Cross; Catholic Char-

ties, USA; National Council of the Churches of Christ in the U.S.A.; The Salvation Army; United Jewish Communities and United Way of America. The Local EFSP Board is charged with distributing funds appropriated by Congress to help expand the capacity of food and shelter programs in high-need areas around the country.

A Local Board made up of volunteers will determine how funds awarded to Pinal County are to be distributed among the emergency food and shelter programs run by

local service agencies. The Local EFSP Board is responsible for recommending agencies to receive the funds that are made available under Phase 31 of the program. This is not a program to start up new agencies, and the local board recommendations to the national board will generate payments directly to the approved agencies for distribution to clients according to agency guidelines. Individu-

als may not apply for funding at the United Way office. At this time, only agency providers may submit applications to be a provider for the funding. Under the terms of the grant from the National Board, local agencies chosen to receive funds must: 1) be private voluntary non-profits or units of government, 2) have an

accounting system, 3) practice nondiscrimination, 4) have demonstrated the capability to deliver emergency food and/or shelter programs, and 5) if they are a private voluntary organization, they must have **United Way, Page 20**

GCC Continued from Page 7

Trades. GCC is working with their community partners, within advisory committees, to work out the details of these programs. GCC continues to offer transfer track curricula and workforce development curricula to meet the evolving needs of our community.

The spring 2014 semester will begin on Wednesday, January 8th; enrollment will begin on Tuesday, October 15th. The schedule is available online at www.gilacc.org. Call your local campus to schedule an appointment with an academic advisor: Gila Pueblo Campus in Globe 928.425.8481, Payson Campus 928.468.8039, San Carlos Campus 928.475.5981.

GCC provides affordable training that builds critical job skills. Get started on a better career today. Contact GCC and let's discuss the right training program for you.

Public Notice

Asarco LLC, Ray Mine Complex announces its temporary emergency waiver (TEW) approved by Arizona Department of Environmental Quality (ADEQ) pursuant to Arizona Revised Statute § 49-251(A)(3). The waiver pertains to the removal of tailings from inactive Belgravia site to the rock deposition area (RDA) at the Asarco Ray Mine. The tailings were initially placed at the current location in 1920s by Asarco's predecessors. As the current owner of the property, Asarco is proposing to remove the remaining tailings from Belgravia location and relocate them to Ray Mine property. The TEW was issued on July 11, 2013 and is effective for 90 days until October 9, 2013.

This notice is a requirement according to Arizona Department of Environmental Quality (ADEQ) regulations. Please contact Duane Yantorno at (520) 356-2229 if you have any questions regarding this Public Notice.

Cards of Thanks

A heartfelt thanks to everyone for your kind words, flowers and food on the loss of our mother, nana, sister, Audelia "Dill" Duarte. A special thanks to the other families as we all tried to accommodate each other for our reception/luncheons at such difficult times. The Los Hermanos staff, thank you as the food was great.

To Eddie Lopez our cousin, with Samaritan Funeral Home in Phoenix, once again you came through for us. You were such a great help with arrangements and putting us at ease. We love you and appreciate all you do for us.

To everyone I leave you with this:

Crossing Over

Oh, please don't feel guilty, it was just my time to go. I see you are still feeling sad, and the tears just seem to flow. We all come to earth for our lifetime, and for some not so many years. I don't want you to keep crying, you are shedding too many tears. I haven't really left you, even though it may seem so. I have just gone to my heavenly home, and I'm closer than you know. Just believe that when you say my name, I'm standing next to you, I know you long to see me, but there's nothing I can do. But I'll still send you messages and hope you understand, that when your time comes to "cross over" I'll be there to take your hand. -Author Unknown.

Thank you again, Mona Herrera & family, Marcella Duarte & family, Frank & Denise, John Paul Duarte and family, Frank, Sally, Angel, Gloria, Danny, Loretta Valenzuela, Cecilia Meyer and their families.

Cards of Thanks

The family of Betty Guzman would like to express their thanks and gratitude for all the food, cards and comfort from family and friends after the passing of our beloved wife, mother and grandmother. We would like to also thank Fr. James, Fr. Alex, Fr. Mathew, Fr. Francis for your spiritual comfort, prayers and the beautiful mass. Thanks to the Infant Jesus of Prague luncheon ladies for organizing with the food preparation. Last but not least, Hospice staff and Pinal-Gila County staff for your compassion and wonderful care. God Bless You. Frank Guzman, Danny (Irma) Guzman, Joe Guzman, Laura (Michael) Real, John Guzman, Angie Guzman, Jimmy Celis and our entire families.

Hambly Middle School Success Stories

Hambly Middle School Students are letting their lights shine, in more ways than one, starting with the Student and Citizens of the Month, which is a regular facet of promoting good grades and good manners for the students.

On Fri., Sept 27, students went a step further, as the Hambly Middle

School National Junior Honor Society Members volunteered at the St. Mary's Food Bank.

Students helped sort through over 25, 200 lbs. of potatoes, which were boxed to help feed over 1,800 families across the State of Arizona. Members who volunteered are: Julian Cruz, Frankie

Valencia, Javier Lopez, Jaden Gonzales, Samantha Waddell, Robert Bohrn,

Ariana Pacheco, Kayla Islava, Robert Casillas and Angelita Casillas.

On Fri., Sept 27 Honor Student volunteered at St. Mary's Food Bank.

Hambly Middle School Student and Citizen of the Month for August are Robert Casillas 7th, Anthony Lopez 7th, Mario Mariscal 8th, Esteban Monroy 8th; sitting is Jesus Gonzalez 6th and Ariana Pacheco 6th.

a voluntary board. Once applications have been received, the Local Board will present a plan for distribution to the National Board, which is due on November 8. An announcement will be made when the local plan is approved and which agencies are participating. Individuals may then make applications for specific

food and shelter needs.

The Pinal County Local EFSP Board distributed Emergency Food and Shelter funds through Phase 30 to the following agencies in Pinal County: Against Abuse, Inc., for shelter supplies; Community Action Human Resources Agency for food, rent, mortgage and utility assistance; Community Alliance Against Family Abuse for emergency shelter and food assistance; Pinal Gila Council for Senior

Citizens for home delivered meals; Salvation Army for rent and mortgage assistance, emergency shelter and food assistance; Seeds of Hope for served meals and other food; Catholic Community Services for home delivered meals; and Tri-Community Food Bank for rent assistance.

United Way of Pinal County administers the local program under the guidance of the Pinal County Local EFSP Board.
