Kearny Deserves a Pharmacy

It's no secret that Kearny is slowly turning into a ghost town. Kearny has seen a 6.8% decline in population since 2000, and these numbers may continue to drop with the recent closing of the rural town's only pharmacy store, Kearny Health Mart. Residents are now forced to

travel at least an hour just to pick up their prescription, and with many senior "snowbirds" coming in for the winter season, this could have serious implications on the public's health with no way of getting their meds locally.

At what cost will Kearny strip mall building owners react and make the rent for pharmaceutical companies reasonable in this town?

Kearny residents deserve the right to high-quality health

care and access to a local pharmacy store should be far from discretionary. Otherwise, closing down an empty mining town in the next few decades will be a bigger pill to swallow.

Family First Asks: Who Cares?

As the temperature drops below 70 here in the high desert of Arizona, it's a sign summer is finally over! We are blessed to live here in Arizona where sunshine and blue sky are the norm. I remember growing up in Ohio looking forward to the fall. We had forests of Maple, Oak, and Ash trees that turned a rainbow of colors in the fall, a sure sign winter was on the way.

No matter where we live seasons change year after year. Sometimes when you are in the middle of a long hot summer day you think this summer will never end! I can't take the heat! Our lives can be this way when we are in the middle of a personal crisis. It can be a health issue, financial issue, or a problem with a family relationship!

You can be in a situation and think; I can't take the heat!

Every day here at Family First we see families in crisis. From a mom in the nine month crisis of a pregnancy to a parenting crisis of a three year old with an attitude!

Parents come into Family First to cool down, they know it is a place where someone understands. It is a place where someone will listen and understand the crisis they are in.

Someone who cares.

Isn't this what we all need to know when life throws us a curve ball?

Something we did not expect, something we cannot handle?

Someone cares and we are not alone! You know this is the answer to any problem every one of us will ever face! At Family First, through God's love and grace, we are here for our families in crisis. Seasons come and go, remember God cares and we are not alone!

God Bless,

United Steelworkers on strike

By **Mila Besich**
Copper Area News

After a year of negotiations with ASARCO-Grupo Mexico, the United Steelworkers voted to strike. The official strike vote was announced late Friday evening.

Employees left their positions for the picket lines at 11 p.m. on Sunday, Oct. 13, 2019. The strike affects the Ray Pit, Hayden Smelter Complex, Silverbell operations and the Amarillo Refinery in Texas.

In addition to the United Steelworkers, the United Auto

Workers and the unions for machinists, electricians, operating engineers and boilermakers also went on strike.

ASARCO's best and final offer presented to the unions in early October froze pension plans, would have left two-thirds of the workers without a raise and doubled the cost of the employee costs for healthcare. Despite a growing demand for copper that has increased the cost per pound, the employees have not seen a raise in nine years.

ASARCO released the following statement on Tuesday, Oct. 15:

"ASARCO LLC (ASARCO) is disappointed with the

recent decision from seven of its eight unions to strike at ASARCO's Arizona and Texas operations amid contract negotiations. ASARCO continues to negotiate in good faith with the USW and the other unions (USW is the designated spokesperson for all the unions) and is committed to reaching a new agreement.

"ASARCO provides a competitive compensation and benefits package to attract and retain employees. Additionally, ASARCO has offered wage increases for skilled workers and provides on-going training for employees to expand their skills and advance their knowledge and careers in the industry.

"ASARCO is committed to the local communities in which it operates and routinely provides services, infrastructure, and supplies for the local cities, towns and communities near its operations. As a large employer in Arizona and Texas, ASARCO is a major contributor to the economy through sales tax collections, property tax, mineral severance payments, materials and equipment purchases, and employee wages, salaries, taxes and benefits."

United Steelworkers are on strike at Asarco. Picketers can be found at the entrances to the Ray pit and at the Hayden Smelter.

Celebrate Chuco Waddell and become a VITA Volunteer; find out how Oct. 23

For eight years, local resident Chuco Waddell has helped low-income residents of Hayden-Winkelman – generously volunteering his time and tax preparation skills as a VITA volunteer.

Local officials invite you to join them at the Hayden Senior Center Wednesday, Oct. 23, for 11 a.m. coffee and light refreshments – and chance to salute Chuco, meet other members of the Volunteer Income Tax Assistance team – and learn how this innovative program helps local residents. All are welcome!

Are you good with numbers? Why not volunteer with VITA!

Consider this as a volunteer assignment – a 'desk job' helping low-income Gila County residents with paperwork, scheduled around your availability – and where you'll be part of an elite team helping secure more than \$1 million for taxpayers in your community.

And no, you don't have to a tax expert to join the Community Action Program's Volunteer Income Tax Assistance (VITA) team.

"A new volunteer only needs to be friendly and willing to learn," said Dorine Prine, "no special experience is necessary -- training is provided for free, and at the volunteer's own pace. Once the training is completed, a VITA volunteer takes an open-book test to become IRS certified to prepare income taxes for low income clients. Our volunteers contribute as many hours

as they have available, and on a schedule that is convenient to them."

Wonder if it's meaningful work – with a measurable benefit in your community? Prine reports Gila County's VITA team completed 758 income tax returns last year, 249 in Globe; 431 in Payson and 78 in Hayden. They helped secure a total amount of refunds of \$1,107,363 – and since their service is free, that saved low income taxpayers more than \$265,000 they would otherwise have paid in tax preparation fees – money they could use for groceries, car payments, utility bills or other daily essentials.

"And its definitely a fulfilling way to volunteer," said Prine. "VITA volunteers have told me they take satisfaction helping hard-working low-income clients receive the full amount of their tax refund, and avoid predatory lenders. They enjoy knowing this is a way to help make their community a better place. Some even volunteer in order to learn a trade they will be able to use in the future – and volunteering is a great asset to add to your resume."

Want to know more about VITA, or join the team? Dorine Prine, Program Coordinator for Gila County Community Action Program by email at dprine@gilacountyaz.gov or call her at (928) 474-7192.

ON BEHALF OF THE MAYOR AND THE TOWN COUNCIL, THE TOWN OF KEARNY WOULD LIKE TO THANK KEITH KENYON, ASARCO AND THE VOLUNTEERS WHO VOLUNTEERED THIS PAST SATURDAY TO GIVE THE POOL AND THE PARK A NEW FACE-LIFT. YOUR HELP AND VOLUNTEERISM IS VERY MUCH APPRECIATED. THANK YOU SO MUCH!

Hayden outscores NFL Yet; No. 1 Williams visits next

By Andrew Luberd
Copper Basin News

The No. 4 Hayden football can't be blamed if it was perhaps looking ahead to this week's game at home against No. 1 Williams during its high-scoring affair on Homecoming last Friday night against NFL Yet Academy. The Lobos matched their season-high point total in a 60 – 42 victory.

"We played ok and got the win, considering all the distractions with Homecoming," Hayden head coach John

Estrada said. "Our young kids played a lot of minutes, which is always good."

Junior Manny Guillen, who replaced injured starting quarterback AJ Castillo, threw four touchdown passes in the win, including three to senior Vincente Aguirre and another to Gibby Carmelo. Vincente also returned one of his two interceptions 56 yards for a defensive score. Senior running back Jorge Rodriguez rushed for three touchdowns, including one for 80 yards and another for 30 yards.

If Estrada thought Homecoming was a distraction, he'll

have another – and maybe two – this week on Senior Night with the top-ranked Vikings coming to town in what could be the first of two meetings between the teams this season.

"We'll need to play our best game of the season to beat them," Estrada said. "It's been a challenge throughout the season with multiple injuries. We'll give them all we've got."

Wouldn't expect any less from the Lobos.

Up next: Versus Williams this Friday, Oct. 18 on Senior Night. Kickoff is scheduled for 7 p.m.

Five²: Superior clinches region title, possesses Copper Helmet for fifth time in five years

By Andrew Luberda
Copper Area News

The now No. 3-ranked Superior football team defeated Ray last Friday night, 54 – 6, clinching both the 1A East Region Championship and possession of The Copper Helmet for a fifth-consecutive season.

“Winning [both] five years in-a-row just speaks volumes,” Superior head coach Ryan Palmer told Copper Area News afterwards. “I couldn’t be prouder of the kids and the alumni who set the standard of excellence.”

Superior scored early and often against an undermanned Ray team that dressed only 12 players against the defending state champs. Sophomore quarterback Matthew Cruz threw five touchdown passes, including two in the opening quarter to junior Adam Navarette, who added a rushing touchdown in the game’s first 12 minutes to give the Panthers a commanding 22 – 0 lead.

The same duo would connect for another touchdown during the first two-and-a-half minutes of the second quarter before Cruz threw another to senior Sammy

Lopez. Gabe Otero, a senior, added a rushing touchdown before halftime, extending the Panthers lead to 46 – 0 when the teams headed to the locker rooms.

“The offensive line was good for me tonight,” said Cruz, who completed 9-of-15 for 136 yards. “Adam stepped up when he needed to; it was a great team win.”

Navarrette totaled 132 all-purpose yards with four touchdowns – three receiving and one rushing. He had three receptions in the game, all for touchdowns.

“I was just prepared,” Navarrette answered when asked about his success in the game. “The offensive line was getting great blocks, the receivers were (making) great blocks, and without them I wouldn’t have been able to do anything.”

Ray scored its lone touchdown on a 74-yard pass from junior Alex Bravo to senior Eric Manriquez with 4:22 left in the third quarter.

“We realized their cornerbacks were playing closer than usual, so we keyed off that and Eric made a little move, got open, and it was there,” explained Bravo.

Copper Basin Chamber has new Executive Director

The Copper Basin Chamber of Commerce has recently hired a new Executive Director, Anissa Newman.

She is a 2011 graduate of Ray High School and attended college at Kansas Art School. She brings to the Chamber a youthful enthusiasm and a passion to serve the Copper Basin area. She is currently a resident of Dudleyville.

She is talented in many skillsets including photography, life insurance, health management records and also makeup design. She does some free-lancing for a Scottsdale salon. But her best job is being a mom to her three-year-old daughter, Alessia. Her parents are Robin and Irma Newman who have also been actively involved in the Chamber. In her youth, she was the Copper Basin Idol.

Anissa is setting some big goals for the Chamber to grow the membership and host events that people look forward to each month such as mixers and events for the youth. She is looking forward to bringing new ideas and activities to the traditional activities and adding new and fresh activities. She also plans to work on projects that can bring each of the communities together and work as a team.

When she saw the job announcement for the Chamber position, she decided to apply because she has always enjoyed serving in the community and helping with activities.

Anissa Newman is the new Copper Basin Chamber Director.
Mila Besich | CBN

"I know what I bring to the table and I always give 110% to all that I do," she explained.

The upcoming activities for the Chamber include the Great Pumpkin event on Oct. 26 with a trunk or treat event. It is a Disney theme this year and the activities will start at 4 p.m.

BEARCATS

Continued from page 7

Friday night was not the first time the Bearcats took the field with barely enough players dressed, but to their credit they didn't use it as an excuse afterwards. Still, make no mistake, they were clearly at a disadvantage against a deep and talented Panthers team.

"There's no excuses, (Superior) is a good team," Ray senior Christian Day said. "It plays good offense and defense. Overall, they wanted it more and played harder than us, that's for sure.

Added Ray assistant coach Jimmy Fessenden: "We've drilled into (the players') heads (our lack of depth) is not an excuse. We don't want to have excuses."

No. 14 Ray's shot at the playoffs remains alive, albeit slim. It needs some help from region foes Superior and Hayden, as well as others.

Superior, on the other hand, seems ready for a repeat. "These kids are following in others' footsteps and writing their own legacies," Palmer said. "As a coach, to see the growth of the program and see these kids excel makes me really proud."

Up next, Ray: Bye week.

Up next, Superior: Versus NFL Yet Academy this Friday, Oct. 18 on Senior Night. Kickoff is scheduled for 7 p.m.
