# Town of Superior receives grant for wastewater treatment plant

The Town of Superior has received notification that it has been awarded the grant/loan to refurbish the Town's wastewater treatment plant from the United States Department of Agriculture. This includes a grant of \$1,570,000 and a loan of \$1,100,000. The plant was constructed in the late 70s, and has had only incremental repairs and upgrades since. Maintenance has become a significant issue, with aging motors and wiring failing on

a regular basis. It is well overdue for a complete upgrade and modernization, and this project should preserve the facility for the next generation.

The main tank will be drained, repaired and relined. It will also be divided into two circuits. When the plan was built, the town's population was around double what it is today and running this large of a plant year-round is very expensive. The new design will allow the plant to run on a smaller circuit when demand is low and activate the second half when it is high. It also allows for a backup circuit, so that one half can be downed for repairs without interrupting service.

Automation will be added, so the plant can advise the

operators if there is a problem that requires intervention. On call employees will receive a call at home if a motor fails or influent increases, allowing him or her to react more quickly.

Several issues with sewer mains will be addressed and a new main will be run to the airport to allow for future development. In addition, the Starr Road lift station will be relined and upgraded.

Existing re-use lines will be located and evaluated, hopefully finding and repairing the line to the little league park so that the town can provide the water to keep that field healthy. Currently the plant provides water for the school fields, and the line to from there to the little league has been interrupted.

Solar power and more energy efficient systems will be implemented to decrease the power demands of the plant. The current bill for the plant is just under \$60,000 per year and small improvements in efficiency could provide large dividends.

The loan payments for the loan portion of this project will be paid for through the rate increase passed a few years ago. USDA required this rate study as a part of the grant process, and the slow increase will be sufficient to pay the loan as the full rate increase takes effect over the next few years.

The Town of Superior would like to thank USDA for their hard work finding the best funding options for the town and helping us through the extensive federal funding guidelines.

# United Steelworkers on strike

By Mila Besich  
Copper Area News

After a year of negotiations with ASARCO-Grupo Mexico, the United Steelworkers voted to strike. The official strike vote was announced late Friday evening.

Employees left their positions for the picket lines at 11 p.m. on Sunday, Oct. 13, 2019. The strike affects the Ray Pit, Hayden Smelter Complex, Silverbell operations and the Amarillo Refinery in Texas.

In addition to the United Steelworkers, the United Auto Workers and the unions for machinists, electricians, operating engineers and boilermakers also went on strike.

ASARCO's best and final offer presented to the unions in early October froze pension plans, would have left two-thirds of the workers without a raise and doubled the cost of the employee costs for

healthcare. Despite a growing demand for copper that has increased the cost per pound, the employees have not seen a raise in nine years.

ASARCO released the following statement on Tuesday, Oct. 15: "ASARCO LLC (ASARCO) is disappointed with the recent decision from seven of its eight unions to strike at ASARCO's Arizona and Texas operations amid contract negotiations. ASARCO continues to negotiate in good faith with the USW and the other unions (USW is the designated spokesperson for all the unions) and is committed to reaching a new agreement.

"ASARCO provides a competitive compensation and benefits package to attract and retain employees. Additionally, ASARCO has offered wage increases for skilled workers and provides on-going training for employees to expand their skills and advance their knowledge and careers in the industry.

"ASARCO is committed to the local communities in which it operates and routinely provides services, infrastructure, and supplies for the local cities, towns and communities near its operations. As a large employer in Arizona and Texas,

ASARCO is a major contributor to the economy through sales tax collections, property tax, mineral severance payments, materials and equipment purchases, and employee wages, salaries, taxes and benefits."

# Five<sup>2</sup>: Superior clinches region title, possesses Copper Helmet for fifth time in five years

By **Andrew Luberd**  
Superior Sun

The now No. 3-ranked Superior football team defeated Ray last Friday night, 54 – 6, clinching both the 1A East Region Championship and possession of The Copper Helmet for a fifth-consecutive season.

“Winning [both] five years in-a-row just speaks volumes,” Superior head coach Ryan Palmer told the *Superior Sun* afterwards. “I couldn’t be prouder of the kids and the alumni who set the standard of excellence.”

Superior scored early and often against an undermanned Ray team that dressed only 12

players against the defending state champs. Sophomore quarterback Matthew Cruz threw five touchdown passes, including two in the opening quarter to junior Adam Navarette, who added a rushing touchdown in the game’s first 12 minutes to give the Panthers a commanding 22 – 0 lead.

The same duo would connect for another touchdown during the first two-and-a-half minutes of the second quarter before Cruz threw another to senior Sammy Lopez. Gabe Otero, a senior, added a rushing touchdown before halftime, extending the Panthers lead to 46 – 0 when the teams headed to the locker rooms.

“The offensive line was good for me tonight,” said Cruz, who completed 9-of-15 for 136 yards. “Adam stepped up when he needed to; it was a great team win.”

Navarrette totaled 132 all-purpose yards with four touchdowns – three receiving and one rushing. He had three receptions in the game, all for touchdowns.

“I was just prepared,” Navarrette answered when asked about his success in the game. “The offensive line was getting great blocks, the receivers were (making) great blocks, and without them I wouldn’t have been able to do anything.”

Ray scored its lone touchdown on a 74-yard pass from junior Alex Bravo to senior Eric Manriquez with 4:22 left in the third quarter.

“We realized their cornerbacks were playing closer than usual, so we keyed off that and Eric made a little move, got open, and it was there,” explained Bravo.

Friday night was not the first time the Bearcats took the field with barely enough players dressed, but to their credit they didn’t use it as an excuse afterwards. Still, make no mistake,

they were clearly at a disadvantage against a deep and talented Panthers team.

“There’s no excuses, (Superior) is a good team,” Ray senior Christian Day said. “It plays good offense and defense. Overall, they wanted it more and played harder than us, that’s for sure.”

Added Ray assistant coach Jimmy Fessenden: “We’ve drilled into (the players’) heads (our lack of depth) is not an excuse. We don’t want to have excuses.”

No. 14 Ray’s shot at the playoffs remains alive, albeit slim. It needs some help from region foes Superior and Hayden, as well as others.

Superior, on the other hand, seems ready for a repeat.

“These kids are following in others’ footsteps and writing their own legacies,” Palmer said. “As a coach, to see the growth of the program and see these kids excel makes me really proud.”

**Up next, Ray:** Bye week.

**Up next, Superior:** Versus NFL Yet Academy this Friday, Oct. 18 on Senior Night. Kickoff is scheduled for 7 p.m.

Adam Navarette (#33) catches a pass at Friday night’s game against Ray.

# Burros run amok through the streets of Superior

For the first event of its kind in Superior and the state of Arizona, the Superior Burro Run was deemed an unqualified success.

Donkeys and their human companions ran one of three courses that meandered through the streets of Superior and out onto the Legends of Superior Trail and back again. More than 60 pairs competed.

Winning first place on the long course, which was approximately 12 miles, were Bob Sweeney and Yukon. Second place long course winners was Dave Carner.

Short course (approximately six miles) first place winners were Wade Kuefer with Milo and second place Amanda Repka.

No winners were announced in the fun run.

Nearly 1,000 spectators descended on the town of Superior for the races and, in great Superior style, the residents and Chamber of Commerce didn't waste the opportunity to throw a great party. There was food and vendors as well as games for the kids. And don't forget the traditional beer garden – ahem – bad ass bar for those who partake.

The Bureau of Land Management (BLM) was set up just off Main Street with burros available to the public for sale or adoption.

Sue Anderson, president of the Superior Chamber of Commerce, was thrilled with the success.

"Great event and soooo many happy people," said Anderson.

# Superior Fire Department hosts open house for Fire Prevention Week

Superior Fire Department would like to remind everyone Oct. 7-13 is National Fire Prevention Week.

Did you know, you can make your home a safer place to live?

“Superior Fire gives out FREE smoke detectors upon request,” said Chris Villaverde, the community education officer for the Superior Fire Department

The goal of Fire Prevention week is to help educate local resident, especially youth and young adults how to stay fire safe.

This year Superior Firefighters will be celebrating their 3rd Annual Fire Prevention Week with an Open House/BBQ Event on Saturday, Oct. 19, 2019 2-8 p.m. at the Superior Fire Department.

This event includes FREE hot

dogs, chips, punch, cake, snow cones, cookies and lots of free fun activities. During the open house there will be a variety of emergency response vehicles along with two different emergency medical air ambulance helicopters on display for kids and community members to ask questions and interact with the crews.

Participating in this year's event are: Superior Fire Department, Superior Police Department, Pinal County Sheriff's Office, Kearny EMS, Queen Valley Fire District, U.S. Forest Service (Globe Ranger District) with Smokey Bear, Arizona Youth Partnership Group, Arizona Public Service, Superior VFW Auxiliary Post, Air Methods-Native Air 17, and Phi Air Medical-

AirEvac 7.

Superior Fire would like to remind all attendees that parking will be available at the Superior Public Pool and along South Golf Course Road next to the cemetery. The west end parking lot at the Superior High School will be closed for the helicopter and apparatus display show.

Fire department personnel all look forward to seeing everyone this coming Saturday (Oct. 19). Superior Fire would like to thank everyone who donated to this event-it is due to the multiple donations of funds and items that this event was made to be an even bigger success.

Fire Prevention and Education Coordinator/Firefighter Chris

Villaverde and Fire Captain Richard Drennan added; “As a reminder during National Fire Prevention month, CHECK YOUR SMOKE DETECTORS and practice with everybody in the household to keep bedroom doors closed. Should a fire occur in a home at night, the bedroom doors shut will buy valuable time for a smoke detector to sound and alert sleeping loved ones while the closed doors slow the progression of deadly heat, gases, and flames from entering the bedroom. Studies in training environments and unfortunately in real life incidents have shown that survivability increases with the bedroom door shut at night. Please do your part in keeping loved ones safe!”
