OBITUARIES

Beatrice Munguia Casillas

Beatrice Casillas of Superior, Arizona, passed away Tuesday, Oct. 11, 2016.

She was known and loved by many as Bea, Mom, Tia Bea, Nana Bea and Grandma Bea. Born May 10, 1926, she was the last surviving sibling of nine brothers and sisters. Bea met and married her childhood friend, Joe Casillas, in the town of Superior. Together they raised three sons, Billy, Steve and John. Bea and Joe enjoyed keeping their family active in sports, community events and church.

Bea worked hard in everything she did. When she wasn't raising her boys, being a Den Mother, taking care of her gardens, cooking meals, and working at the local insurance company, she loved teaching people of all ages how to read and write.

Bea found the most joy in God, her family, and friends. She loved the constant company of her family, especially the

happy chaos of her seven grandchildren and six great-grandchildren. She loved her grandchildren unconditionally and shared a unique bond with each and every one of them.

Beatrice was a woman of love, faith, patience, a woman who protected, provided and did so effortlessly. She was a true example of what it is to be humble, genuine and selfless.

A ceremony to remember her life and celebrate her new life as she enters into the Kingdom of our Lord and Savior will be held Friday, Oct. 21, 2016, in Superior. Services will be at St. Francis of Assisi Catholic Church – 490 Main St. Superior, AZ 85173. Rosary is at 10 a.m. and Mass will be celebrated at 10:30 a.m.

Major upgrade of Superior streets coming as Council accepts HURF repayment policy; about 90% of town roads found in very poor to failing condition

By James J. Hodl
Superior Sun

Repaving and fixing the streets of Superior could soon move into high gear now that the Town Council has approved the HURF (Highway User Revenue Fund) Inter-fund Repayment Policy at the Council's Oct. 13 meeting.

Superior has been at odds with the state of Arizona since it used HURF funds, which are designated for road and transportation

projects, to support other town programs during the economic downturn that began in 2008. Now that an audit completed in August by the Arizona Office of Auditor General verified how much HURF funds the town owes, it can begin paying back the misused funds by exceeding in subsequent years the amount of current HURF funds the town receives on street and transportation projects.

Getting HURF funds designated for Superior could not come at a more opportune time as a recent joint study conducted by Superior Town

Government and the Arizona Department of Transportation (ADOT) found that 90% of Superior streets are either in very poor, serious or failed condition. While thoroughfares such as Belmont Avenue, Magma Avenue and Main Street are in satisfactory to good condition, some less used streets need work.

Streets cited in the report as needing attention include Telegraph Canyon Road, which is the exclusive link to a residential development area on Highland Drive that has been developing transverse and longitudinal cracks due to high

traffic that could get worse if not fixed soon. Others include Sunset Drive (a major east-west roadway used by persons going to Superior High School and JFK Elementary), Pinal Avenue south of Lime Street, Panther Drive (also an access route to the two schools), Stone Avenue south of U.S. 60, Western Avenue, Stansberry Avenue south of Lime Street and a crossing road over the Queen Creek Wash, and Porphyry Street through Superior's Downtown District.

SUPERIOR COUNCIL

Continued from page 3

Due to limits on the size of annual HURF revenues allocated to Superior, street repairs will have to be prioritized, Council members agreed. To speed repairs along, it was proposed that Superior consider a bond issue to provide more road revenues upfront, but the Council didn't act on it.

Under current federal regulations, curbs and adjacent sidewalks are required with road upgrades if they are not already present. And according to Town Manager Todd Pryor, some Superior streets are so old only a complete rebuilding can restore them.

Pryor also suggested that utilities be required to pay to repave streets to their original condition after digging them up to access underground systems and equipment. He noted several instances, including one in front of the Superior Fire Station, where utilities didn't adequately compact dirt when they refilled their and covered it with asphalt, resulting in the road surface settling into a dip or pothole. Council members agreed with this proposal.

The future of road repairs will be further discussed at future meetings.

In other business at the meeting, Council members approved two items that will lead to the upgrading of the Superior airport. One was to seek an E72V01P grant of \$237,000 from ADOT to develop an Airport Master Plan and to seek qualifications from professional engineering firms to select one to help develop that plan. The Superior Airport handles small airplanes as might be used by private owners and executives of companies doing business in the town.

The purchase of three new patrol cars for the Superior Police Department also was approved at a cost of \$111,000 through the Arizona state contract pricing program. The new vehicles will be Ford Explorers, which were the most economical among four brands examined, said Police Chief Dave Neuss. They will include the Ford police package.

Unlike the Ford Crown Victoria sedans they will replace, the new vehicles will not be black, but will be silver/gray with only the Superior Police logo on the sides. The new color will not show dust as readily as black, thus keeping them looking clean longer, Neuss added.

Neuss expects the new patrol cars to be in use by Christmas. The purchase prices of the

vehicles will come out of the emergency fund negotiated with Resolution Copper.

Town Manager Pryor also announced that the Superior Transfer Station, which has been closed since late 2013, will reopen on November 5. To mark the occasion, town residents will be able to drop off junk at the station free of charge on the first day. Afterwards, disposal fees will be assessed depending on the type waste.

Fees for 1 cubic yard of waste will be \$16 for mixed household waste, \$8 for green (uncontaminated yard) waste and untreated lumber, and \$32 for construction waste. For specific items the charge is \$20 per mattress, home appliance (refrigerator, washing machine, stove, etc.) and home electronics (TV sets, computers, etc.). Carpet disposal fees with vary on the rug's coverage area. Upholstered furniture disposal with range from \$20 to \$40 depending on the side, with sectional sofas and convertible couches requiring the highest fee. Automobile tire disposal is \$4 while truck tires (off the rim) are \$10.

The transfer station will be open 8 a.m. to 3 p.m. Tuesdays, Fridays and the first Saturday of each month.

During the Public Comment section of the meeting, Sue Anderson of the Superior Chamber of Commerce reported reaching a deal with Habitat For Humanity to acquire paint at the cost of \$1 per gallon, which will be offered to homeowners along Main Street to spruce up the outsides of their homes.

The Council further voted to combine its November and December meetings into a single meeting on Wednesday November 30 in order to avoid conflicts with Council members' schedules that could result in the failure to have a quorum for lack of attending members. Several council members had conflicts with training programs and outside interests on December 8, while others thought the November 10 meeting date was too close to the November 8 election and would conflict with vote counting and canvassing.

Thus the Nov. 30 meeting will feature the changing of the guard, with two new members (Vanessa Navarrette and Bruce Armitage) joining the Council. The meeting will as always be held at the Superior Town Hall at 199 N. Lobb St. beginning at 7 p.m.

Superior keeps

By Andrew Luberda
Copper Area News

The No. 2-ranked Superior football team retained the Copper Helmet for the second consecutive year, defeating visiting Ray 56 – 0 in the regular-season finale for both teams last Friday night. The battle for the Copper Helmet is one of the state's oldest rivalries.

For the Panthers, Friday's game was also Senior Night, where a special group of players were honored before the game.

"These seniors, most of them have been starters for four years," Superior head coach Ryan Palmer said after the game. "It was a special night (and) that they played their last regular-season game and kept the Copper Helmet in Superior made it even better."

Senior Edgar Galindo, who returned after missing the past couple of games with an injury, scored four touchdowns – two rushing, two receiving – in the shutout win. He also ran for a game-high 137 yards.

Likely Player of the Year Nicolaus Cruz ran for a touchdown and threw three touchdown passes, including one to junior Marcos Bueno.

On defense, the Panthers forced two turnovers – an interception by Austin Navarrette and a fumble recovery by Jalon Murray. Sophomore Steven Ybarra finished with a game-high 14 tackles while Galindo added 10.

For Ray, the loss ended a season in which it finished with three wins, but two of them by forfeit.

"The boys came out firing on all cylinders at the start," Ray head coach Frank Lechuga said about Friday's game. "After the first quarter, the things that have plagued us all season starting popping up again, but throughout the entire game our kids never gave up."

The Bearcats lose only four seniors off the roster for next season, which figures to be more successful considering a year of experience under the belts of the younger players.

"We are loaded with underclassmen," Lechuga said. "We'll have a really good squad coming back next year. It's just a matter of the boys dedicating themselves 100 percent to the program and the rest will take care of itself."

The Panthers finished the regular season undefeated and will start their quest for a state championship following a welcomed bye this week.

"There's a reason why you try to earn one of the top-four spots in the playoffs," Palmer said. "We only have 17 kids on the team, so the fewer games we have to play the better it's going to be for us as far as staying healthy and fresh."

Superior will await the winner between No. 10 Mogollon and No. 7 Joseph City.

"The extra week off also gives us a little extra time to prepare for our next opponent, and hopefully allows us make a deep run in these playoffs," Palmer added.

Coaches like to see their teams playing their best as the playoffs begin. Does Palmer like where his team is at this point of the season?

"We need to clean some things up," he responded. "Two big things that have hurt us the last two weeks have been poor blocking and tackling."

"I'm not ever going to be satisfied," he added. "We have

Copper Helmet

to do some of the little things a little bit better.”

It might sound like Palmer is being a little hard on a team that finished 8 – 0 and dominated every game this season, but he has his reasons.

“We’re trying to be the best team in the state every time we take the field,” he added. “We’ve proven that we’ve been the best team on the field so far, but we want to reach that elite status.”

In this case, “elite status” is a.k.a., State Champions.

Superior Little League – Help Keep the Legacy Alive

The Superior Little League was founded in Superior in the 1960's as the community of Superior began to grow. The field property was an agreement between the Smith, Hing and O'Donnell families who donated the land to be used as a Little League field.

For decades the field has been the home to young baseball and softball players, it has been the home of three teams who represented the state of Arizona at the Western Regional Little League tournament, 2016 being the year that Superior's first girls softball team won the State Little League tournament to represent Arizona in Montana.

The league has survived the ups and downs of the community and over the past 10 years has seen a tremendous amount of improvement due to the integrity and dedication of the Little League Board of Directors. With the financial support of Resolution Copper and other corporate partners, the field now has a grass outfield and a score board, and the bathrooms have been remodeled along with the electrical infrastructure being up grades. Grants and fundraisers have also helped to make these much needed improvements.

Superior has one of the oldest charter leagues in the state of Arizona. Unfortunately the league is in jeopardy of not having a 2017 season. Recent board elections did not produce a new board for the 2017 season and a majority of the existing board members are retiring from these volunteer positions. You can help keep this beloved community tradition alive by volunteering to serve as a board member of this important community organization, the board is holding another election meeting on Wednesday, Oct. 26, 2016 at 6 p.m. at the Superior Little League field. The positions that must be filled for the season to continue are President, Vice President (s), Secretary, Treasurer, Player Agent and Safety Officer. NOVEMBER

4 CVRMC Annual Art & Wine Auction

Wine tastings, delicious appetizers, silent auction items and a fine art live auction are among the fun to be sampled as part of the Cobre Valley Regional Medical Center Foundation's annual art and wine, to be held Friday, Nov. 4 at the Gila County Fairgrounds. The event highlights many local artists and ticket holders will enjoy an evening of "Once Upon A Time" with decorations to meet that theme. This year's signature piece by Joyce Weddle reflects the theme and will be the highlight of the live auction to complete the evening. Tickets are \$20 in advance from foundation members or \$25 at the door the night of the events. Doors open at 6 pm. From the signature glass to the wide array of items up for bid, the evening has never failed to amaze ticket holders. Come see how organizers have managed to keep up the tradition this year! For information on tickets, call 928-402-1230.

Cleaning up Superior, one tire at a time

This weekend, a crew of volunteers collected over 40 cubic yards of used tires from around the community. This free tire pickup day was a joint venture of the

Superior Chamber of Commerce and the Town of Superior, and represents the first use of our transfer station after nearly four years of inactivity. This was the first of a

series of community cleanup events at the transfer station.

With the enthusiastic crew it took less than 2 hours to fill an entire 40 yard roll off! Volunteers included Town Manager Todd Pryor, Councilwoman elect Vanessa Navarette and husband Martin, Councilman elect Bruce Armitage, Code Enforcement Officer Angela Gill with Superior PD Reserve Officers Marsden and Halstead, Superior High School student Ashley Graham and many others.

Thanks to Supervisor Pete Rios and others at the County, the tire bin was made available to Superior residents at no charge.

Kudos to all!

On Nov. 5, another cooperative effort of

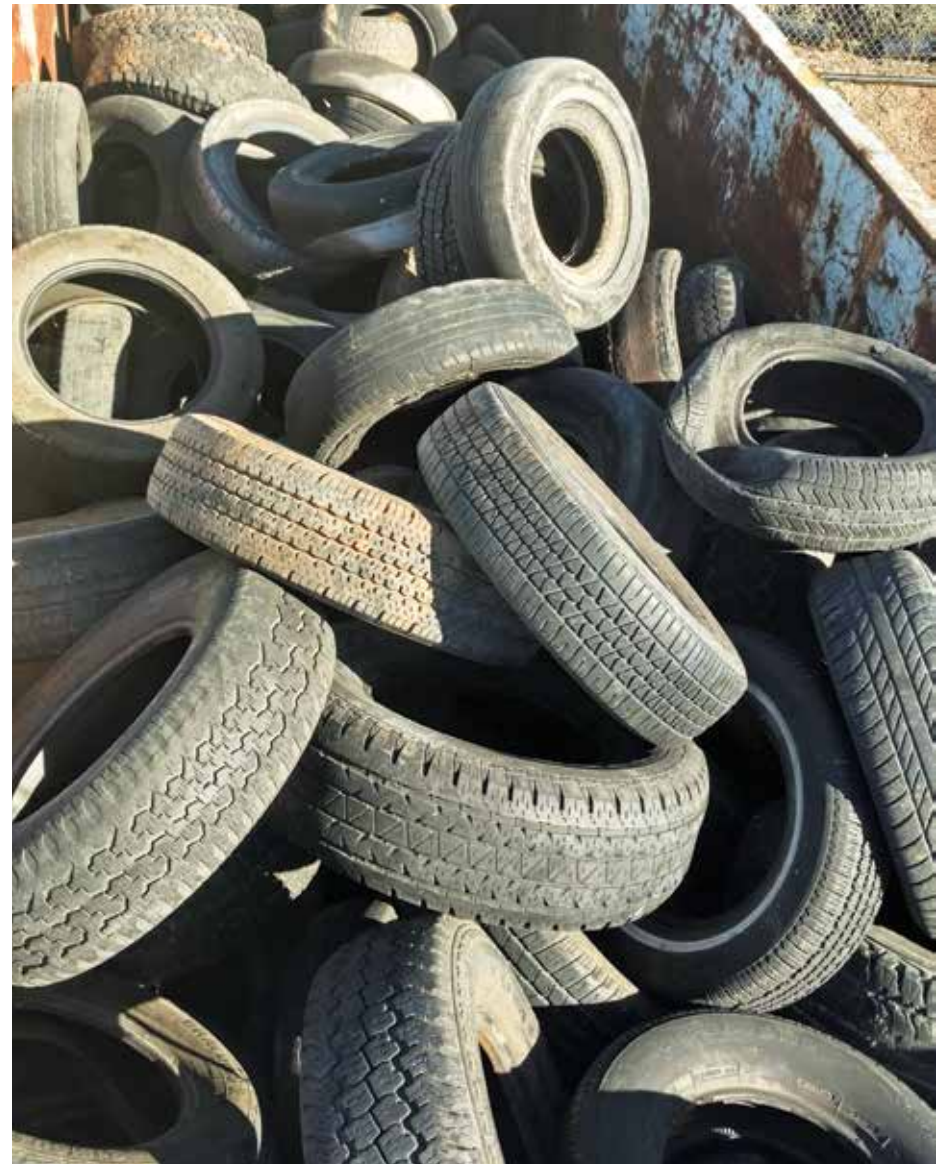

the Chamber and the town will lead to a free cleanup day for municipal and green waste to celebrate the Transfer Station's grand opening. Household waste and appliances and clean yard waste will be accepted free of charge for the entire day on a first come first served basis. The town has arranged for 10 roll-off containers, and no more trash will be accepted after they are full. No construction waste will be allowed on the free dump day. There is no limit on the amount of green waste you may bring, but it must be clean of any other form of waste.

Rebuilding Superior one project at a time. Be a part of it! Call the Chamber of Commerce for more information and to find out how you can help, 520-689-0200.

Volunteers move tires collected in Superior to a collection bin.
