LETTER TO THE EDITOR

Setting the record straight on recall

The recall of members of the governing board of the community college centers on their fiscal irresponsibility and their violation of the Open Meeting Law. The recall has nothing to do with the Aravaipa campus nor any intent to close the campus.

Pinal County has not recovered from the recession, people are still being laid off, and tax payers have already been burdened by high tax rates. Oblivious to these economic conditions the CAC governing board voted on May 19 to increase taxes by 45% on that portion directed to the college. Immediately a committee, Citizens for Fair Taxation (CFFT), filed recall petitions. The filing of the recall petition and community backlash to this exorbitant, unnecessary tax increase of 45% resulted in the CAC Board holding a special meeting on June 9 during which they rescinded the 45% increase and literally pulled the number 20% out of a hat. The signs, with the crossed out 45% increase and a 20% percent figure added, is a reminder to all taxpayers of what occurred and what will happen in the future if recall is not successful.

The initial 45% increase was the largest increase ever passed by a community college in Arizona.

The Vice President of the College admitted that the college did not need this large increase for 2015-2016. He stated that not knowing what the future would bring the administration wanted the money in case. The CFFT has a different philosophy regarding taxes. The worker keeps his money in the event he needs it in the future.

Pinal County supported CAC in 2008 by passing a \$99 million bond for the repair of the Signal Peak Campus and to expand.

The board was fiscally irresponsible with this \$99 million. During the recession CAC purchased 203 acres in San Tan Valley from a party who 10 months previously had paid \$23,000 an acre for the land. CAC paid \$43,000 an acre. An appraisal was not done. According to the Vice President of the College an appraisal was not required. This fiscally irresponsible purchase for \$8.3 million made headlines in the Wall Street Journal.

When the San Tan Valley Campus was ready to open, CAC requested a 35% increase in taxes because "they forgot to

budget for the maintenance and operation of the new STV campus." Because of community backlash CAC settled for 16% increase. The taxpayers suffered as the result of their incompetence

Consequently in a 3 year period your taxes directed to the college have increased by 36% and you are still paying and will pay until 2034 for the \$99 million you gave then in 2008.

Their rationale for the increase. They need \$45 million

Mammoth Police Report

According to state law, police may arrest suspected offenders by two methods. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until

proven guilty in a court of law. Only criminal citations are listed. All damage amounts are estimates.

Items are given to the San Manuel Miner by the Mammoth Police Department and reflect information available at the time the report is compiled.

Oct. 10

Criminal damage was reported in the area of S. Rolfs Ave.

Oct. 11

A suspicious vehicle on Main St. was reported. A lady said the vehicle was parked on her property. Contact was made with the owner of the vehicle who was doing work next door. He moved the vehicle off of the woman's property.

Oct. 12

A report of alleged sexual exploitation of a minor was received. The incident is under investigation.

Calls not listed include: medical (7), animal complaint (3), fingerprints (4), warrant served/cleared (1), vacation house watch/welfare check (1) and fire (3).

LETTER TO THE EDITOR

Cuts to CAC budget, recall could force closure of Aravaipa

From Pre-School to Community College, our state legislature has done everything they can to cut funding so they can

proclaim that they do not raise taxes. Unfortunately, that leaves the burden upon county taxpayers to make up this

shortfall with higher taxes.

I'm like many of you, I don't want to see my taxes raised. But I do not want to see our future citizens harmed by legislators who are penny wise and pound foolish.

Our own Central Arizona College has been put in a very precarious situation through these funding cuts.

A group of citizens now wants to help the legislature cut funding to our college-they want to recall two of the Board of Directors so they can place their people in these seats.

The effects would be harmful for the

students in the eastern part of Pinal County. If CAC were to cut any more from their budget-the Aravaipa Campus would be the first to close. Many students from Oracle to Superior would be left without a nearby school to attend. Not everyone can afford to stay in the dorms at Signal Peak.

Join me and other education friendly citizens by saying no to this recall.

Sincerely,

/s/ **Pete Rios**

Vice Chairman

**Pinal County Board of Supervisors,
District 1**

Shred-A-Thon coming for Oracle residents

On Saturday, Oct. 24, from 10 a.m. to 2 p.m. at the Oracle Fire Station, Oracle residents can drop off their paper to be securely and safely shredded.

Thanks to the Oracle Firewise Board and Canyon Community Bank, a professional truck will be at the station to pick up the papers which will be taken to a secure warehouse facility for shredding and disposal.

The public is encouraged to bring their papers in a bankers box with a lid or

dump their papers into a bin which will be provided. Paper clips, rubber bands and staples on the paper are fine. Cost for Oracle residents is \$5 per box or 2-3 cans of food which will be donated to a food bank. This is a good opportunity for a business or individuals to securely get rid of those papers that contain personal or confidential information.

Those attending are asked to limit their boxes to three.

LETTER

Continued from page 3

to repair the Signal Peak Campus. Interestingly the same reason for the \$99 million bond. The administration complained about lack of state funding. CAC received \$2,023,900 in state funding in 2014 and \$1,903,500 in 2015.

Please note that 15 administrators earn a salary between \$110,000 to \$200,000 plus the benefit of a Cadillac health coverage. The CAC Board voted these administrators

and full time instructors a 3% increase in pay when they increased your taxes.

Recall is about fiscal irresponsibility and the violation of the Open Meeting Law. All campuses, including Aravaipa, will benefit by having a fiscally responsible CAC board.

Oracle Firewise Awards 2015

The Oracle Firewise Board recognized homeowners John and Karen Medley and business owner Bradley O. Kaiser DMD PLLC for their continued efforts in making their property "Firewise" by reducing vegetation around their home and business.

Along with trimming and weed eating, they have reduced ladder fuels and have a defensible space around their home and business.

They were awarded the 2015 plaques and signs at the September FireWise Meeting.

Oracle residents and business owners can recommend future recipients of this award by submitting a recommendation to the Oracle Firewise Board. Along with the Brush Dump that is available for Oracle residents, there are other tips on how to make your home or business Firewise at Oraclefire.org.

The Firewise Property of the Year Award was presented at a recent Oracle Fire District Board meeting. From left are: Mary Harris, Dr. Bradley Kaiser, Brian Kirkpatrick and Tina Acosta.

Miners finish third at Marana Invitational swim meet

The Miner Swimmers attended the Marana Tiger Invitational on Saturday, Oct. 17. It was a good chance to see how good the Miners are and since it was a qualifying meet, swimmers could qualify events for the State Championship Meet on Nov. 6-7.

Seventeen teams from throughout Arizona attended the meet. Even though the Miner Swim Team is small by High School standards, they packed a powerful punch finishing in 3rd place in the overall combined (Boys and Girls) standings with 360 points. Only Deer Valley High School (Glendale) and Cienega High School (Vail) finished ahead of the Miners. The Miners finished ahead of the following high schools: Marana, Ironwood Ridge, Pusch Ridge Christian Academy, Walden Grove (Sahuarita), Mountain View, Kellis (Glendale), Florence, The Gregory School (Tucson), Goldwater, Sahuarita, Odyssey Institute, Palo Verde, Green Fields Country Day, and St Augustine.

The Miners started things off with a 2nd place finish in the Girls Medley Relay. The team of Rebekah Head, Gianna Sweeney, Darien Apuron, and Raya Woods showed

that they were among the best at the meet and matched the State Qualifying time they had achieved the previous week.

In the Boys Medley Relay, the Miners beat all teams in what turned out to be an exciting race with Ironwood Ridge High School that had several lead changes. The team of Will Newman, Taylor Woods, Colbey Stratton and Jacob Christian each swam a personal best leg of the relay to better the School Record by over 2 seconds with a time of 1:50.53 on the way to victory and a State Qualifying time.

Jacob Christian finished 4th in the 200 Freestyle with a time of 2:01.88, dropping several seconds from his personal best, but narrowly missing the provisional State Qualifying time.

In the 200 Individual Medley (IM) Gianna Sweeney (2:25.67) and Darien Apuron (2:30.74) both swam faster than the school record (2:31.61) and both qualified for State. Sweeney and Apuron finished 2nd and 3rd in the all-around event in high school swimming. Will Newman swam a time of 2:08.76 in the 200 IM to win with a several second lead.

Cowboys deal Miners fifth-straight loss

By Andrew Luberda
San Manuel Miner

The San Manuel football team now has a five-game losing streak after its 18 – 6 loss at Willcox last Friday night.

The win was the Cowboys' first after starting the season with six-straight defeats.

San Manuel, now 1 – 6 on the season, last won on Sept. 11 at Antelope.

The Miners travel to Tanque Verde this Friday to play the 2 – 5 Hawks before closing out their season next week home versus Bisbee on Senior Night.

This Friday's kickoff is scheduled for 7 p.m.

Miner runners host four-team multi-meet

By **Andrew Luberda**
San Manuel Miner

The San Manuel cross-country team hosted a four-team multi-meet on Wednesday, Oct. 14, where the Miners boys' team finished second and the Miners girls' team took third.

Florence finished first on both sides.

Every member of the Miners girls' team finished in the top-20 including Mariah

Dockum (20), Rebekah Messing (18), Esmerelda Zuniga (17), Yasmin Salas (14), Yesenia Arcienega (8), and Andrea Castaneda (2).

The Miners boys' results were: Omar Gallego (21), Levi Schifferns (20), Tylo Montes (11), Carlos Salas (9), Juan Ortega (5), and Patrick Lopez (2).

The Miners' cross-country team competes at Tombstone and at Benson this week.

Learning fire safety from the Mammoth Fire Department

By **Nina Crowder**
San Manuel Miner

Students at the Mammoth STEM School learned the importance of fire prevention and safety from some extra special visitors.

The Mammoth Fire Department visited the students of Mammoth STEM school last week and taught such lessons as checking for fires, smoke alarm batteries, pre planning escape routes and the ever important stop, drop and roll.

Following the classroom lessons, students got an up close view of the fire truck and equipment on the truck such as hoses, nozzles, jaws of life, self contained breathing apparatus (SCBA) and ladders. The most important things discussed

communication, responsibilities and team work.

The Mammoth Fire Department even demonstrated the use of a fire extinguisher on some tree branches. One of the firemen dressed in his turnout gear to show the students what the fire department typically wears when they are called to a fire.

Both the students and firefighters enjoyed the opportunity to learn and share this information that could possibly save their lives and the lives of friends and family. Special thanks to the Mammoth Fire Department attendees (Lisa Casillas, Frank Delgado, Alert Alameda, Miguel Gonzales, Marty Ponce and Cisco Delgado) for their time donated and helping to teach our young students skills to help save lives.

Mammoth Fire Department spends time with students at Mammoth STEM School.

Nina Crowder | Miner

**Wherever you live...
Natural gas is your neighbor.**

Natural gas lines can be buried anywhere, even in areas that don't use natural gas, like all-electric or propane neighborhoods. So it's important that EVERYONE knows how to recognize and respond to a natural gas leak, wherever they are.

A leak may be present if you:

SMELL: An odor similar to rotten eggs, even if it's faint or momentary.

HEAR: A hissing or roaring coming from the ground or above-ground piping.

SEE: Dirt or water blowing into the air, unexplained dead or dying grass or vegetation, or standing water continuously bubbling.

If you suspect a leak:

- Leave the area immediately.
- From a safe place, call **911** and Southwest Gas at **1-877-860-6020**, day or night, **whether you're a customer or not.** A Southwest Gas representative will be there as soon as possible.
- Don't smoke or use matches or lighters.
- Don't turn on or off electrical switches, thermostats, or appliance controls; or do anything that could cause a spark.
- Don't start or stop an engine, or use automated doors.

For more information about natural gas safety, visit swgas.com/safety or call **1-877-860-6020**.

Students getting ready to tour the fire truck while a firefighter explains what all the equipment on the truck is used for.

Ballet Folklorico de Mountain Vista performs during the talent show.

John Hernandez | Copper Area

Oracle Schools has new dance troupe: Ballet Folklorico de Mountain Vista

By John Hernandez
Copper Area News

Thanks to the wonderful volunteers that help provide and support the Oracle School District arts programs, a ballet folklorico group has been formed at the school.

Suzy Smith has helped form the group with Danielle Maestas who is the instructor. Suzy has been teaching dance in all forms for over 40 years. She has taught in Superior, Kearny, Hayden and Globe. She last taught at Mountain Vista School in 2006 but volunteered last year to teach dance.

The Ballet Folklorico de Mountain Vista has performed at the school's talent show

as the entertainment. More students are now interested in the dance class and they expect more students to sign up next semester. The class includes students from second to sixth grade. They are practicing hard to perform at the new Oracle Schools Foundation "Gala 2015 - Toast to Teachers". The Gala will be held Saturday, Nov. 14, at the Vistas at SaddleBrooke Home Owners Association #1. Tickets are still available for the event and to see the Ballet Folklorico de MVS. Buy tickets or learn more at www.OracleSchoolsFoundation.com.

The folklorico dance troupe will be available to perform for events. Contact the school at 520-896-3000 for more information.

Ballet Folklorico de Mountain Vista

Active military and veterans' photos sought

San Manuel, Arizona - Last year the Mammoth-San Manuel School District began a project to honor local military men and women, including those in active duty and veterans.

Photos of these men and women have been sought since the start of the project and are still being collected to date. The goal is to use them when honoring the military at the annual Veteran's Day Celebration.

To participate, you may bring your photos to any school site in the area to be scanned by the secretaries. Schools are Mammoth STEM, First Avenue, or San Manuel Jr./Sr. High School. The secretaries will also need the name of the person or persons in the photo.

To be included in this year's presentation photos need to be scanned by Friday, Nov. 6. Photos will still be accepted after this date for future presentations.

What is really going on in San Manuel? Be a part of the candy conspiracy

San Manuel, Arizona - There are places and times when great events transpire. Sometimes, the places are quiet and the events seemingly unassuming, but, the impact they bring can be far reaching as covert activities lead to planned assaults on the populace.

Halloween is such a time that inspires some minds to turn to thoughts that they would not ordinarily entertain and to actions that even they would see as madness on a more ordinary day.

People like to say, "That sort of thing doesn't happen here." The fact is, though, that not only can it happen in our community, but, it is happening. While others are making innocent plans for indoor parties and costume contests, there are some among us who are making other sort of plans for their own version of Halloween celebration.

Imagine a small group of people meeting in secret, making their plans that will affect not only their own family and neighbors, but, the effects of which will

reach out and curl the neighboring communities in the grip of what they have wrought due to their clandestine machinations. Imagine the innocent children whose lives will be touched as they are lured to a certain area, at a certain time, with promises of sweet delights, only to find open car trunks and masked men waiting ...

Now, imagine it being the San Manuel Rotary Trick or Trunk event, planned and executed to bring delight to young and old children, alike, from the surrounding Tri-Community on Saturday, Oct. 31 in San Manuel.

Do you want to be part of the candy conspiracy? If so, call Karri Martz at 520-250-0198, or, join the San Manuel Rotary at their 7 a.m, Wednesday meeting at the Sun Life Health Center.

Oracle Piano Society delivers piano to six-year-old, announces next concert event

Keeping true to its youth education and community outreach mission, Oracle Piano Society showcased local young musicians at its season opener in October, and the following day delivered a donated piano to a six-year-old piano student in San Manuel.

The works of Maurice Ravel, performed by OPS founder and artistic director Dr. Stephen Cook, headlined the first-ever dinner/concert at the new Oracle Center for the Arts. In addition, performances by five young people delighted the sold-out audience. Featured were: Elena Hendrix, pianist, and Annalupe Rodriguez, vocalist, from Mountain Vista School in Oracle; Gianna Everette, pianist, and Andrew Robles, vocalist, from Basis in Oro Valley; and George Rivas, pianist, from Ironwood High in Oro Valley.

It was a homecoming of sorts for the donated piano delivered to Kayla Lambiottes by members of the Society. The Hamilton by Baldwin had been purchased 50 years ago by Cheri Rennie's mother, who then lived in San Manuel and later moved to Oracle. According to Ms. Rennie, who made the donation, and Elaine Helzer, who teaches young Kayla, it has seldom been

played, but lovingly cared for over the past 30 years.

This was the second piano donation this year managed by the Society. Fred and Debra Moss of Oro Valley donated a piano which was given to a Redington family with two piano students.

"Donations of well-cared-for pianos or other instruments sitting in homes and not being used can be passed on to families to support music education for the youth of our communities," noted Mrs. Helzer, a Society board member.

Sunday, Nov. 15, is the date for the Society's second capital fundraising concert scheduled in the Center's performance hall. Dr. John Milbauer, coordinator of keyboard studies at the University of Arizona School of Music, will perform a mix of old and new arrangements on the Society's Baldwin concert grand, then meet and greet with the audience. The 3 p.m. event will open with a silent auction. Dr. Milbauer, a member of the Society's artist advisory committee, has performed frequently across the Americas, Europe, and Asia.

Ticket information for the Nov. 15 concert/silent auction and details about the not-for-profit Society and its

Continued on page 16

Dr. John Milbauer, associate professor of music for eight years at the University of Arizona, will headline the second capital fundraising program of Oracle Piano Society on Sunday, Nov. 15, in the Oracle Center for the Arts. Tickets for the 3 p.m. concert (on the Society's concert grand, not a miniature!) are \$30, available by calling (623) 295-9677. The not-for-profit Society was founded three years ago and is widely known for presenting high-caliber classical music performances.

Submit information to miner@minersunbasin.com or call 520-385-2266. Listings are free. The Miner reserves the right to edit or refuse submissions. Submissions are due the Friday before Wednesday publication.

SWIMMING

Continued from page 8

Will has already qualified the in 200 IM for the State Meet.

The 50 Freestyle is the sprint event in swimming and the Miners had two Swimmers in the top 4. Colbey Stratton (24.17) finished in 2nd place, 0.01 second behind the winner while Taylor Woods (24.31) finished in 4th place 0.15 seconds behind the winner. Both swimmers had personal best times and since the provisional State Qualifying Time is 24.25, Stratton found himself qualifying and Woods found himself less than a tenth of a second away.

Stratton and Woods were in a similar situation in the 100 Freestyle finishing in 4th and 5th place. With the qualifying time of 54.39 Stratton's time of 54.23 was good enough to make the cut and Wood's time of 54.45 (a personal best) was painstakingly close.

Jacob Christian swam an outstanding 500 Freestyle with a time of 5:40.39, again dropping several seconds, but this time finished ahead of the qualifying mark (5:41.83) to qualify for State on his way to a 4th place finish.

It was the 200 Girls Freestyle Relay that had coaches excited. The team of

Sweeney, Mariela Canisales, Raya Woods, and Apuron swam a season best time of 1:58.99 to get under the provisional qualifying time of 2:00.97 on their way to an 8th place finish.

In the 100 Backstroke, Apuron went on to finish 4th on short rest with a time of 1:08.90, an event she has already qualified for State in. Will Newman won the 100 Backstroke with an Automatic State Qualifying Time and School Record time of 56.70.

Sweeney finished 4th in the 100 Breaststroke with a time of 1:17.56, an event she has already qualified for.

The Miner Boys 400 Freestyle Relay team of Stratton, Taylor Woods, Christian, and Newman won with a time of 3:33.93.

After two qualifying meets, the Miners have qualified 5 relay teams (2 Girls, 3 Boys), and 5 individuals in 13 events for the State Championship Meet. With several swimmers on the bubble, Miners hope to qualify for even more as the season progresses. Next Saturday, (Oct. 24) the Miners will attend the 1A 2A & 3A Invitational, which has become the unofficial championship meet for small high schools (3A and smaller) since the

AIA reorganized the swimming divisions in 2010. The meet will begins at 1 p.m. and will held at Phoenix Country Day School.

On Thursday, Oct. 22, the Miners will

travel to Sahuarita to compete against Walden Grove and Sahuarita High School at the Sahuarita Aquatic Centater. The meet begins at 4 p.m.

Jacob Christian swims the Free during the Tiger Invitational Meet.

PIANO

Continued from page 13

fundraising for the new center for the arts is posted on the website: www.oraclepianosociety.org or by calling (623) 295-9677.

The Society is working to raise \$200,000 by mid-January to purchase the former Masonic lodge building at 700 E. Kingston St. in Oracle. In addition to the building's performance hall with theater seats, it has a spacious lobby that will double as an art gallery, modern kitchen, and large parking area. Lectures, a film series, theatrical performances, classes, and musical story-time for young children are among the activities that could be held there.

Donations are also being accepted at GoFundMe.com/oracleartscenter.

Treasure and Junk at Visitor Center

Oracle, Arizona - Decorating? Looking for that unique item or a special gift? Attend the first of what is planned to be an annual event, the Treasure and Junk Mart, a fundraiser for the Oracle Women's Network: a nonprofit working for the community.

On Saturday, Nov. 7, 10 a.m. - 4 p.m., at the Tri-Community Visitors Center across from the Fire Station, 1470 W. American Ave. in Oracle, you'll find many treasures. Sue & Jerry's Trading Post and Cricket Avenue are participating. There will be vintage items, collectibles, knick-knacks, arts and crafts, metal art, salvage and recycled items, jewelry and more. Just Tacos will be serving lunch.

Interested in being a vendor? There is still time to sign up for a table. Email alicia.bristow@q.com or call 520-241-1142.

Provide your name, email and telephone contact information, and the number of tables to be set up. Cost is \$10 per table. Bring your own table and shade. Setup will be between 8:30 a.m. - 9:30 a.m., with parking available across the street at the Fire Station or at Family First/Environment Services, west of the Visitor Center.

If you would like to set up the afternoon before, pick your spot anywhere on the property. There are some lovely locations. Depending on the number of vendors, space surrounding the Visitor Center along the nature trail, the Patio and, possibly, the inside will be available for use. Vendors are asked not to close up until 4 p.m. or until it is decided by the host to close early. To set up early, set up the table only and put your name on a card, taped to the table.

Revival in San Manuel

San Manuel, Arizona - For those who feel they are floundering, the message from the First Baptist Church of San Manuel is:

"Are you really living? Or, do you just exist from day to day? Do you feel hopeless, alone, depressed, angry, defeated, like your life doesn't really matter? Do you feel like you're just chasing the wind? Or, caught in the whirlwind of chaotic life? Are you tired

of everything? There is a way out! "

Oct. 25 through Nov. 8, starting at 6 p.m. each evening at the First Baptist Church San Manuel, located at First Ave. and Nichols, there will be a Revival. You are invited to come and refresh, renew, rejoice, reconcile, restore and more. A nursery will be provided for children 0-4 years of age.

Call 520-385-4655 for more information.

Resolution Copper Core Processing Facility Tour

Resolution Copper cordially invites you to a special tour providing a rare, inside view of the geological and geotechnical logging program at our Core Processing Facility. Geologists will be on hand to talk about the drilling program, answer questions and discuss how core samples support information gathering for engineering, planning and permitting.

The tour will be on Wednesday, Oct. 21 from 6 p.m. to 8 p.m. at the Core Processing Facility, 2 N. Mesquite Rd., Superior 85173.

Please note, closed toed shoes are required for the tour.

Light refreshments will be provided.

If you have any questions about the public meetings, we invite you to call our information line at 520.689.3409, visit our Community Information Office at 402 W, Main St. in Superior, or visit ResolutionCopper.com.

Follow us on Facebook, Twitter and Instagram
