LETTER TO THE EDITOR

Setting the record straight on recall

The recall of members of the governing board of the community college centers on their fiscal irresponsibility and their violation of the Open Meeting Law. The recall has nothing to do with the Aravaipa campus nor any intent to close the campus.

Pinal County has not recovered from the recession, people are still being laid off, and tax payers have already been burdened by high tax rates. Oblivious to these economic conditions the CAC governing board voted on May 19 to increase taxes by 45% on that portion directed to the college. Immediately a committee, Citizens for Fair Taxation (CFFT), filed recall petitions. The filing of the recall petition and community backlash to this exorbitant, unnecessary tax increase of 45% resulted in the CAC Board holding a special meeting on June 9 during which they rescinded the 45% increase and literally pulled the number

20% out of a hat. The signs, with the crossed out 45% increase and a 20% percent figure added, is a reminder to all taxpayers of what occurred and what will happen in the future if recall is not successful.

The initial 45% increase was the largest increase ever passed by a community college in Arizona.

The Vice President of the College admitted that the college did not need this large increase for 2015-2016. He stated that not knowing what the future would bring the administration wanted the money in case. The CFFT has a different philosophy regarding taxes. The worker keeps his money in the event he needs it in the future.

Pinal County supported CAC in 2008 by passing a \$99 million bond for the repair of the Signal Peak Campus and to expand.

The board was fiscally irresponsible with

this \$99 million.

During the recession CAC purchased 203 acres in San Tan Valley from a party who 10 months previously had paid \$23,000 an acre for the land. CAC paid \$43,000 an acre. An appraisal was not done. According to the Vice President of the College an appraisal was not required. This fiscally irresponsible purchase for \$8.3 million made headlines in the Wall Street Journal.

When the San Tan Valley Campus was ready to open, CAC requested a 35% increase in taxes because "they forgot to budget for the maintenance and operation of the new STV campus." Because of community backlash CAC settled for 16% increase. The taxpayers suffered as the result of their incompetence.

Consequently in a 3 year period your taxes directed to the college have increased by 36% and you are still paying and will pay until 2034 for the \$99 million you gave

then in 2008.

Their rationale for the increase. They need \$45 million to repair the Signal Peak Campus. Interestingly the same reason for the \$99 million bond. The administration complained about lack of state funding. CAC received \$2,023,900 in state funding in 2014 and \$1,903,500 in 2015.

Please note that 15 administrators earn a salary between \$110,000 to \$200,000 plus the benefit of a Cadillac health coverage. The CAC Board voted these administrators and full time instructors a 3% increase in pay when they increased your taxes.

Recall is about fiscal irresponsibility and the violation of the Open Meeting Law. All campuses, including Aravaipa, will benefit by having a fiscally responsible CAC board.

LETTER TO THE EDITOR

Cuts to CAC budget, recall could force closure of Aravaipa

From Pre-School to Community College, our state legislature has done everything they can to cut funding so they can proclaim that they do not raise taxes. Unfortunately, that leaves the burden upon county taxpayers to make up this shortfall with higher taxes.

I'm like many of you, I don't want to see my taxes raised. But I do not want to see our future citizens harmed by legislators who are penny wise and pound foolish.

Our own Central Arizona College has been put in a very precarious situation through these funding cuts.

A group of citizens now wants to help the legislature cut funding to our college-they want to recall two of the Board of Directors

so they can place their people in these seats.

The effects would be harmful for the students in the eastern part of Pinal County. If CAC were to cut any more from their budget-the Aravaipa Campus would be the first to close. Many students from Oracle to Superior would be left without a nearby school to attend. Not everyone can afford to stay in the dorms at Signal Peak.

Join me and other education friendly citizens by saying no to this recall.

Sincerely,

/s/ **Pete Rios**

Superior Panthers

By Andrew Luberda
Superior Sun

The No. 3-ranked Superior football team completed its regular season undefeated after a 53 – 0 Homecoming victory against Hayden last Friday on Senior Night.

The win secured a first-round playoff bye for the Panthers, who will start their quest for a State Championship on Saturday, Oct. 31 at home.

Junior quarterback Nicolaus Cruz threw touchdown passes to Edgar Galindo and Eli Olmos in addition to rushing for a 77-yard touchdown.

Galindo, a junior, rushed for 138 yards and two more touchdowns in the win. Michael Salazar and Steven Ybarra also rushed for two scores against the outmanned Lobos.

Cruz and backup quarterback Ybarra, a freshman, combined to go 9-of-11 passing for 131 yards while the Cruz and Galindo combined for 215 of the Panthers' 289 rushing yards.

On defense, the Panthers were led by Galindo, who had a team-high 10 tackles, and Jalon Murray, who had two-and-half sacks in the game and now has 11.5 sacks for the season.

Oriel Garcia, Austin Navarrete, and Jared Moreno each recovered Hayden fumbles.

The Panthers, who scored no fewer than 53 points in any game this season and held six of eight opponents to eight points or less, will await the winner between No. 11 Ajo and No. 6 Gilbert Christian, which faceoff in the first-round of the playoffs this week at Gilbert Christian.

The winner of that first-round playoff game will travel to Superior for a second-round playoff game on Saturday, Oct. 31.

Kickoff for the playoff game is scheduled for 6 p.m.

A yard of fun, a Superiorly spooky place

Superior, Arizona - When it comes to seasonal delights, we all know of special places we like to go, to see a special display of autumn foliage or a spectacular neighborhood decked out in Christmas decor. What is less known is where to go to get the daylight frightened out of you in celebration of All Hallows Eve, before the big day of Oct. 31 looms over our heads and the haunted houses are all manned. Or, is that ghoul? Monstered?

Whatever the case, one resident of the town of Superior has been setting out Halloween treats for the children, for over 30 years, right in her front yard, to enjoy throughout the month of October.

These are not mere toothsome bites of sticky sweetness, but, an autumn answer to the glorious, cutesy joys of winter lawn ornamentation. Laura Lopez on Sonora St. creates different scenes to display in her front yard for every night of October, unless it is raining.

She builds dozens of mechanical creatures to inhabit a spooky graveyard setting, complete with eerie noises and, yes, candy for the little ghouls and goblins that gather about.

Said Leslie Martin, Superior resident, "I was so impressed with her creativeness and all the work it takes every day to create a different theme in the yard that I had to contact you. Last night was horror dolls, tonight it will be creepy clowns. There will be a finale on Halloween."

If you are in the mood to see a spectacle that will give you a little shiver down your spine, while warming your heart, nip on over to Laura's place and check out the frightsome

display made all for the joy of delighting and entertaining the younger members of the community.
