Great Groups Helping Our Area

We don't often hear about some groups which are doing good work in the Copper Basin. I have mentioned the Winkelman Natural Resource Conservation District before, but I have said little about the Copper Corridor Economic Development Coalition (known as CCEDC) or the Mayors' Group, which has grown to eight mayors in two counties, Pinal and Gila, in the past three years.

The CCEDC works to foster new jobs, job training, and a thriving economic climate. This has been a tough, very tough, job for the past eight years of economic recession and low copper prices. Mila Besich-Lira, the Mayor of Superior, serves as the Director of the CCEDC and Michael Carnes is President of the Board. The group meets about 10 times a year, and is now working on the Food Hub (which I have mentioned before), support for blight eradication, and new job opportunities. Last week Gila County Supervisor Woody Cline met with the group to publicize and seek support for his youth intern program, which provides funds for young people to work during the summers on jobs which fit their interests and future abilities. More funding would be very helpful, especially for expanding this program into Pinal County. If you are interested in helping, please contact Director Mila Besich-Lira or Supervisor Woody Cline.

The CCEDC is also working with the Arizona Office of the Arts and The Smithsonian Institution on a traveling exhibit about the importance of water. The exhibit will travel around Arizona and is

scheduled to be at Central Arizona College at Aravaipa in 2019. Other activities will include the recording of oral histories and the involvement of our public schools.

The Mayors' Group began three years ago with the towns of Hayden, Winkelman, and Kearny. It has grown since then. It is an unofficial group with no power of its own. The power it does have is the sharing of problems, solutions, knowledge and support. The mayors have drawn closer in friendship, and have found many ways to share support and reduce costs in the towns. Over the past year, the group has been working on blight eradication in the towns. It might be surprising for many of us to learn that blight eradication is filled with legal difficulties and the opposition of powerful people. Working together, the towns are finding encouraging venues for

Hayden Police taking back unwanted prescription drugs

On Saturday, Oct. 28, from 10 a.m. to 2 p.m., the Hayden Police Department (Hayden PD) and the Drug Enforcement Administration (DEA) will provide the public an opportunity to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your unwanted pills to the Hayden Police Department, 601 Hayden Ave. The DEA cannot accept liquids, needles or sharps; only pills or patches. The service is free and anonymous, no questions asked.

Last April, Americans turned in 450 tons (900,000 pounds) of prescription drugs at almost 5,500 sites operated by the DEA and more than 4,200 of its state and local law enforcement patterns. Overall, in its 13 previous Take Back

events, DEA and its partners have taken in over 8.1 million pounds - more than 4,050 tons - of pills.

This initiative addresses a vital public safety and public health issue. Medicines that languish in home cabinets are highly susceptible to diversion, misuse and abuse. Rates of prescription drug abuse in the U.S. are alarmingly high, as are the number of accidental poisonings and overdoses due to these drugs. Studies show that a majority of abused prescription drugs are obtained from family and friends, including from the home medicine cabinet. In addition, Americans are now advised that their usual methods for disposing of unused medicines - flushing them down the toilet or throwing them in the trash - pose potential safety

and health hazards.

Chief Samantha Villar said, "It is my hope that the members of our towns, Hayden and Winkelman, take advantage of this worthwhile event in an effort to make our community safer. We will continue to work with our Law Enforcement partners to ensure we take proactive measures to do our part to address the nationwide opioid epidemic, right here in our communities."

For more information about the disposal of prescription drugs or about the October 28 Take Back Day event, go to the DEA Diversion website at www.dea diversion.usdoj.gov/drug_disposal/takeback/index.html or contact the Hayden Police Department at 520-356-6205.

Depleted Bearcats crush Valley Union in playoff opener

By Andrew Luberda
Copper Area News

Playing with less than 16 players in uniform, the No. 7-ranked Ray football team still looked dominant in a 50 – 0 whitewash of No. 10 Valley Union in last Saturday's first-round playoff game.

Already without starting quarterback Jaden Pace, who is in a walking boot, the Cats were missing other players from the lineup as well. Seniors Nathan Molar and Fabian Valenzuela picked up the slack in their teammates' absence.

Valenzuela threw for two touchdowns and ran for two more. Molar, who rushed for 165 yards, added four touchdowns, three of them in the first quarter, which ended with Ray leading, 22 – 0.

"We performed very well with the very little guys we had," Molar told Copper Basin News. "We had people play positions they haven't played before and they stepped up big time and got the job done."

Valenzuela threw for 151 yards on 12-of-23 passing and rushed for 52 yards on 13 carries. One of Molar's four scores came on a reception. Sophomore Alex Bravo also had a touchdown reception.

The Ray defense came up with seven interceptions in the

game, including two each by Valenzuela and Tino Barragan. Schwartz, Chandler Coleman and Dakota Willis had one apiece.

Dyllin Lopez led the Cats' defense with 14 tackles along with a pair of sacks. Gabriel Schwartz had 11, including a team-high three sacks. Molar contributed 10 tackles.

The Cats will face No. 2 Bagdad this Saturday in the second-round.

"We are ready for this challenge because we are a hungry team," said Molar, looking toward the Sultans. "Our coaches will set us up for success and we believe in them like they believe in us."

Saturday's kickoff is scheduled for 7 p.m.

Hayden advances in playoffs with win over Ft. Thomas

By Andrew Luberda
Copper Area News

The No. 9-ranked Hayden football avenged a 56 – 42 loss to No. 8 Ft. Thomas just two weeks ago by defeating the

Apaches when it mattered most in last Friday's first round playoff game, 30 – 20.

The Lobos took advantage of seven turnovers and ran over and through the Apaches' defense on the way to victory. Running back Joel Rodriguez did the most

damage for the Lobos, rushing for four touchdowns in the game.

"We played well," Hayden head coach John Estrada told the Copper Basin News. "We beat a tough team and I was very proud of our performance."

The Lobos' win sets up a matchup versus top-ranked Mogollon this Saturday.

"Mogollon is No. 1 for a reason," Estrada said. "We'll need to play our best game of the season."

Saturday's kickoff is scheduled for 6 p.m.

Frightful Halloween Fun is Looming

It is coming, the darkness, the madness, the mayhem as a fearful rushing of adrenaline courses through veins, hearts beat wildly, eyes glaze over, and with a glistening smile, a smacking of lips, the candy is found and consumed.

Not that candy is all that Halloween is about. The Hayden-Winkelman School Halloween Fun Night, on Thursday, Oct. 26, will certainly have a lot more to

offer. From 5:30 p.m. - 8:30 p.m., there will be music from a D.J., a jumping castle for \$1, games, a photo booth, and a costume contest. For those looking for less tricks and more treats, there will be a cake walk and food for sale: green chili burros - \$3, bean burros -\$2, posole - \$3 and \$5, nachos- \$2, nachos supreme -\$3, popcorn- \$1, popcorn ball -\$1, and sodas or hot chocolate -\$1 each.

As All Hallow's Eve draws closer,

The Great Punkin Trunk or Treat and Costume Contest will begin at 4 p.m. on Saturday, Oct. 28. Those participating will need to set up between 3 p.m. - 3:30 p.m. Dave Orzell will announce The Great Punkin and the start of festivities.

While candy will be distributed and food and drink will be sold, there will be many fine activities to keep all the young bones rattling. Dozer Sand Pit Candy Dig, Pitch at the Witch, Pumpkin Hoola Hoops, Goblin Toss, Candy Bar Bingo and Lolli Pop Pumpkin Pull are some of the games that will be played. There will also be a haunted house. Tickets for

the games and haunted house will be available at this event.

There will also be costume contest with prizes for cutest, funniest, scariest, most creative and best group. Age groups are 0-3 yrs, 4-6 yrs, 7 -10 yrs, and 11 yrs and up. So, don't forget to dress up in your finest or most frightening!

This event is still in need of more candy, cash and prize donations, to make it even more of a treat. For information or to donate call 520-363-7607, donate through PayPal.com via membership@copperbasinaz.com or visit online at www.copperbasinaz.org.

Fun from last year's Great Punkin.

Pavement Rehabilitation Project for State Route 77

Supervisor Pete Rios reports that the Arizona Department of Transportation (ADOT) informed Pinal County that the contract bid has been awarded for the "Pavement Rehabilitation Project for State Route 77."

Again, State Route 77 is a State Highway, not a county

road. Construction is expected to begin within the next few weeks and anticipated to last for 150 days (5 months). The planned rehabilitation project will begin at MP (mile marker) 113.7 approximately 1 mile south of the Town of Mammoth city limits and continues

to milepost 120.4, approximately 3 miles south of the Aravaipa Bridge.

An ADOT representative has stated: "We can expect to see the contractor mobilizing equipment to the site any day now."

Asarco employees volunteer with Hayden beautification project

ASARCO employees paint the outside of the Hayden Library as part of Asarco Day. Joe Wilhelm and his staff volunteered earlier this month at the Town of Hayden. The group of volunteers also wanted to refurbish the Eagle Memorial at Garms Park and they notified the town that they would pay the artist to repaint it. The Town of Hayden staff are very grateful to Wilhelm and the Asarco employees for helping make the town a little bit brighter and more colorful.

GEORGIE DIGS!

By Georgie Wood
Special to Copper Area News

It really is a learning experience to be a member of the online social site “Facebook”, in which people can post their thoughts about so many things, including politics, which can lead to dissension, even among family members. I admit that I am one who probably shouldn’t have stated some of my political

thoughts, one being that if our president-elect did us harm, those who voted for him were as guilty. One Facebook Friend, who I had enjoyed, “blocked” me after that post. I also admit that I was guilty about fixing it so that I wouldn’t receive comments from a few people.

On the pleasant side, I think it is great that there

are many Facebook Groups that a member can belong to. Being that I had been born and raised in Hayden, Arizona (long ago!), I enjoy the group called Growing Up In Hayden/Winkelman because of the comments made by those who share the memories of those two towns, their surrounding areas, and their people. Among

the other Facebook Groups enjoyed is the Dudleyville/Aravaipa Group; Growing up In Globe; Ray, Sonora, and Kearny Memories; and Memories and Photos in Arizona. The photos posted are so interesting, and

bring back so many memories. That, and making more Facebook Friends, is the best part of being on Facebook.

cleaning up and restoring both business and residential areas, improving the climate all the way around. I promise to write more about this as things develop.

The next meeting of the Mayors’ Group is Tuesday, November 14, in Superior.

Ballots have been sent to all Pinal County residents for the decision on whether or not to approve the road plan (and other activities) of the Pinal Regional Transportation Authority and the funding mechanism of a ½% county sales tax to support the venture. Read the proposals carefully and make your vote be counted.

At the same time, ballots will be sent out to residents of the Ray School District concerning the issuing of \$3,000,000 in bonds to pay for needed school improvements. Again, read the issue pamphlet closely and make your decision. As for me, I urge a “yes” on the bond issue. I know our school board has considered this closely

and would not ask for your support unless there is a real need.

Finally, don’t forget the Copper Basin Chamber of Commerce’s Trunk or Treat and Great Pumpkin celebration this Saturday, Oct. 28, beginning at 4 p.m. on Alden Road in Kearny. There are many new things this year. And, please, support the baseball tournament on Friday and Saturday, Oct. 27 and 28, at Kearny’s Little League field. It’s a benefit for Jovanna who was severely wounded by the Las Vegas terrorist. There is also a raffle with some great prizes. There are three chances to win, and the tickets are \$5 each or 5 for \$20. There will also be a Free Haunted House in Winkelman, courtesy of local citizens and the Town of Winkelman, on Saturday and Sunday, Oct. 28 and 29, 7 p.m., in Chuy’s Barbershop, the green building across the street from the Town Hall on Giffin Avenue. There will be food and goodies for sale.

THE TOOTH FAIRY DOESN'T BUILD NEW ROADS & FREEWAYS

No one likes taxes, but they are necessary to pay for essential government services like jails, roads and freeways.

Some suggest all of the transportation improvements in Propositions 416 and 417, including more Dial-A-Ride services for seniors and the disabled, can happen with existing revenues.

Impossible. Not only that, but existing revenues for existing county roads and maintenance are set to expire in 2025.

So who will pay for the new roads to make us safer? What will stop the increasing number of fatalities and serious accidents? There have been more just this month. Who will pay for the new freeways to make sure future growth doesn't suffocate our streets?

The tooth fairy?

We can either get ahead or get more behind, including behind a lot more traffic.

Whatever new road project you like in Propositions 416 and 417, or if there is another one you want to see happen near you, they can't happen without new revenues. There's no magic money laying around, or under your pillow.

So let's keep Pinal County moving in the right direction. Let's stand with every mayor in Pinal County, all members of the Board of Supervisors, our Sheriff and County Attorney, many Chambers of Commerce and residents everywhere who understand that if there was a better, easier way that road would have been chosen. But there's not. And if we want more jobs, more freeways and safer roads, the 24 cents per day for the average Pinal County household that Propositions 416 and 417 will cost us is a very cheap way to make them happen, now.

YES!
416 & 417
