LETTERS TO THE EDITOR

Financial difficulties lead to increase in library fees

Over the past several years the San Manuel community has lost many assets such as the grocery store and bank. The San Manuel Library Board of Trustees is fighting hard to keep the library from joining the list of lost community assets.

The San Manuel Library is a private non-profit corporation administered by a five-person elected Board of Trustees. The library is affiliated with the Pinal County Library System and they very generously help us with materials, i.e.: books, DVDs computers, furniture, etc.; but, the maintenance of the building is the responsibility of the library, itself. Maintenance meaning not only the upkeep

of the building, but, the cost of the utilities, insurance, fire and burglary prevention, etc.

The simple facts are that the library brings in approximately \$300 per month, from fees/fines, copies/ prints and faxes, whereas the library's bills add up to approximately \$1,000 per month. We do receive some financial help from Pinal County and, in the past, have received substantial help from corporations in the area. Due to the economy and relocation, our corporation donations have been adversely affected.

Please be aware that there are no salaries paid out by the library, other than a two-hour per week janitorial employee. Our

director is a Pinal County employee paid by the county. All other staff members are volunteers.

In the next few weeks, you may notice some building upgrades and updates occurring at the library. The cost of these is being paid for by a generous donation from BHP which is specifically earmarked for these projects.

We are pleading our case publicly so that the community will understand our need to raise the cost of some of our services, fees and fines.

Effective Nov. 1, Library price changes will take effect. Black and white copies will rise from 20 cents per copy/print to 25 cents per copy/print.

DES applications, formerly free, will now have a flat fee of \$2 for application copies and a \$2 fee for faxing the application. All other DES related correspondence will be charged the regular prices. There are no longer "free" faxes.

Card blocking of library privileges, which is now set at a fine /fee balance of \$5 or more will be lowered to a \$1 or more fine/fee balance, causing any cardholder owing \$1 or more to have library privileges blocked until fee/fine is paid.

The lost card fee will rise from the current

\$1 fee to \$2. Please note: library services will not be provided without a card being presented. Volunteers will not longer be looking up card numbers for patrons who do not have their card or card number memorized.

A guest pass, only available for those out of the community, formerly free, will now have a fee of \$1.

Again, we are a non-profit organization and we are only raising prices to help our financial footing to be a little steadier.

Of course, donations of any amount are welcome. A donation jar is located on the check-out desk for the convenience of patrons. Mail-in donations may be sent to San Manuel Library, 108 5th Avenue, San Manuel 85631.

Rest assured the San Manuel Library Board of Trustees is working hard to maintain this library, so that it will remain as important an asset in this community as it has been in the past.

County to resume caring for alleyways in San Manuel

Here is an update for the people of San Manuel on the alleyways in the town.

After researching numerous map plats and other documents, Pinal County will resume maintaining the alleyways that have not been maintained since 2007

I have talked with our Public Works Department and they will begin scheduling a thorough examination of all the alleyways in San Manuel and designating which ones are in most need of maintenance.

Once the alleyways are examined, the Public Works Department will come up with a plan to maintain them in a regular manner.

I appreciate those citizens who brought this to my attention. I would also like to remind you that if you have any questions or concerns, please feel free to contact

Tax Credits vs. Donations to the Oracle Schools Foundation

From the Oracle Schools Foundation

Are you wondering how your donations to the Oracle Schools Foundation will affect your ability to make tax credit donations to the Oracle School District? In two words, they don't! There is no connection between the two programs except that the monies donated through both programs will help improve the educational programs at the Oracle School District.

Donations to the Oracle Schools Foundations are tax-deductible, donations to a 501(c)(3) charitable organization. This means that when you file your federal income tax returns, any donations you make will reduce your taxable income and therefore, likely reduce the tax you owe. You may donate any amount you desire, and, you can give these donations at any time.

Tax credit donations are however, are entirely different. Any tax credit donations you designate for the Oracle School District, reduce your Arizona State tax dollar-for-dollar up to your \$200 per person limit. To be credited toward the year for which you are filing taxes, you must make the tax credit donation by April 15 of the following year. This is a change from last year when you had to make the donation by Dec. 31 of the same year.

Funding cuts that have placed Arizona last in the nation for K-12 public education funding support have forced school districts to look elsewhere to fund even basic needs. This is why tax credit monies are so important and also why the Oracle Schools Foundation was established to help fill the gaps. The Oracle School District has greatly appreciated past generosity, and hopes students can continue to count on it.

'Pride of our Pride' winner named at Mountain Vista School

Mountain Vista School has already completed their first quarter of the 2015- 2016 school year. This year our Cougar Manners Program included two kindergarten classes making it a grand total of 10 fantastic classes participating in the program. With all the competition in the 'Ps and Qs Minding', one class came out as the clear leader. Mrs. Dedrick's 4th grade class completed the first quarter by earning 35 out of a possible 39 paws to win the first "Pride of our Pride" award. Congratulation Mrs. Dedrick's class and good luck to all classes for our next quarter.

Oracle Schools Foundation members stand ready to serve the district.

 Welcome!**

Bevy of Halloween events set for Tri-Community kids

Trunk or Treat is a perfect time for the budding hauntist to let their inner ghoul or ghost out. Have fun decorating and head over to the upper shopping center in San Manuel to show off your Halloween spirit.

When it comes to seasonal delights, we all know of special places we like to go, to see a special display of autumn foliage or a spectacular neighborhood decked out in Christmas decor. What is less known is where to go to get the daylight's frightened out of you in celebration of All Hallows Eve, before the big day of Oct. 31 looms over our heads and the haunted houses are all manned. Or, is that ghoul'd? Monster'd?

So where should all the ghoulies and ghosties of the Tri Community go to get sweetened up with candy or scared to death at haunted houses?

Maybe the best place to start is at the San Manuel Rotary's Trunk or Treat at the upper shopping center in San Manuel. Get your costume on and parade around the parking lot before going from trunk to trunk gathering goodies to munch. The line up will be at 3:30 p.m. with the parade starting at 4 p.m.

The First Baptist Church in San Manuel at the corner of First and Nichols will also be hosting a Trunk or Treat Saturday, free for all. They will have loads of candy, treats and refreshments starting at 5 p.m. and continuing until 7:30 or until the candy runs out. Everyone is invited.

In Oracle, the festivities start early on Friday, Oct. 30, with the Fall Festival and Haunted House starting at 5 p.m. There will be a costume contest as well as food and game booths.

Of course, there's also trick or treating in all three communities. Remember to only go where the porch lights are lit.

Have fun and Happy Haunting!

The San Manuel cross-country teams competed at two of the largest Southern Arizona Invitationals last week – The Justin Prevatte Classic in Tombstone and the Benson Invitational – as they prepare for the Division IV Sectional Meet later this week.

More than 150 boys and girls competed at the Tombstone event last Tuesday with many of the Miners posting their best times of the season, including Yesenia Arcienega, Esmerelda Zuniga, Rebekah Messing, Yasmin Salas, Mariah Dockum, Carlos Salas, Tylo Montes, Levi Schiffers, and Omar Gallego.

Andrea Castaneda, Patrick Lopez, and Juan Ortega each medaled at the event.

On Thursday, Benson hosted 18 teams and more than 275 runners from Southern Arizona and New Mexico. The top six runners of each grade earned medals.

Andrea Castaneda was the top Miners girls' medalist, finishing fourth overall and first in the girls' senior-grade race.

Patrick Lopez was the top Miners boys' medalist after a sixth-place finish overall and third-place finish in the boys' senior-grade race.

The Miners will compete at the Sectional Meet this Saturday in Marana.

Miners drop sixth-straight game

By Andrew Luberdia
San Manuel Miner

The San Manuel football team lost its sixth-straight game last Friday night after a 36 – 27 defeat at Tanque Verde.

One positive takeaway from the loss was the 27 points scored by the Miners' offense, which is their highest-scoring game of the season.

The Miners will honor their seniors in the team's season finale at home this Friday versus Bisbee. The Pumas enter the game with a record of 6 – 2.

Kickoff is scheduled for 7 p.m.

Miner Swimmers compete at Small School Championship Meet

Miner swimmers traveled to the Small School Championship Swim Meet held at Phoenix Country Day School in Paradise Valley on Saturday, Oct. 24. Since the Arizona Interscholastic Association reorganized Swimming into 2 divisions in 2010, this meet has been known as the unofficial State Championship Meet for the Small Schools (schools of size 1A, 2A or 3A). In the team standings, the Girls finished 12th overall with 92 points and the Boys finished 3rd overall with 191 points. Miners did well hitting personal best times when it was needed the most and finishing with many top 10 places at the meet.

The Girls Medley Relay team of Rebekah Head, Gianna Sweeney, Darien Apuron, and Raya Woods started things off for the Miners with an 8th place finish with an outstanding time of 2:10.3 against a tough field.

A school record time of 2:10.97 by Darien Apuron was fast enough for a 9th place finish in the Girls 200 Freestyle. For the Boys, Taylor Woods and Jacob Christian both broke the 2 minute barrier in the 200 Freestyle for the first time. Woods finished in 1:57.37 for a 6th place finish and Christian finished in 1:59.11 to secure 8th place.

Will Newman posted a school record time of 2:02.29 in the 200 Individual Medley on his way to medaling with a 3rd place finish in a race where all the top 4 swimmers broke the meet record.

Gianna Sweeney swam a great 50 Freestyle on the way to a 5th place finish lowering the School Record by a more than a half a second. For the Boys, Colbey Stratton finished 8th with a school record time of 23.89, breaking the record set by Wayne Newman in 2012.

Taylor Woods held the School Record in the 100 Freestyle earlier in the season, but teammate Colbey Stratton took it away a few weeks ago. On Saturday, Woods swam a sizzling time of 51.80 to take back the School Record and finish in 7th place.

In the 500 Freestyle, the Miners really shined. Darien Apuron swam a School Record time of 5:50.13 on her way to 4th place finish. The Boys finished with three in the top 10: Will Newman placed 4th with a time of 5:04.63 (School Record), Jacob Christian finished 9th with a time of 5:36.82, and Robert Sweeney finished 10th with a time of 5:48.21.

The Girls 200 Free Relay finished 9th with a season best

time of 1:57.94. In what was one of the anticipated events for the Miners, the Boys 200 Free Relay found themselves in a dogfight with teams from Scottsdale Christian, Scottsdale Prep, Wickenburg, and Tempe Prep. With each relay exchange and change in swimmer, the lead would change. The Miners team of Stratton, Woods, Christian and Newman finished in 1:35.52 (School Record) while securing 2nd place to earn silver medals in the relay. Even more impressive was the fact that both Christian and Newman had finished the grueling 500 Freestyle only a few minutes before the relay.

Gianna Sweeney finished 5th in the 100 Breaststroke with a time of 1:14.41.

In the final event of the meet, the Boys 400 Free Relay, the Miners found themselves in one of the center lanes in the fast heat. In a field of powerful relay teams, the Miner team

of Stratton, Woods, Christian, and Newman swam a time of 3:29.42 which beat the School Record by over 4 seconds, beat the previous meet record by 3 seconds and earned a 3rd place finish for bronze medals.

The Miners meet summary included medals in 3 events, 9 new school records, 15 top 10 finishes, and 35 personal best times. The Miners are swimming their best as the meets get more important. After three qualifying meets, the Miners have qualified 5 relay teams (2 Girls, 3 Boys), and 6 individuals in 19 events for the State Championship Meet.

On Friday, Oct. 30, the Miners will swim at the Southern Arizona Regional Qualifier at the Oro Valley Aquatic Center. With a couple of swimmers on the bubble, it will be the last chance for swimmers to qualify for the State Championship meet.

Oracle's visitors center now official

Sue Parra and Alicia Bristow of the Oracle Women's Network are happy to announce the official designation of the Tri-Community Visitors Center.

By **John Hernandez**
San Manuel Miner

The Tri-Community Visitors Center located in Oracle is now designated as Arizona's 62nd Local Visitor Information Center (LVIC). The official designation comes from the Arizona Office of Tourism.

The Visitors Center is managed by the Oracle Women's Network (OWN) and is located on American Avenue across from the Oracle Fire Station.

"It all started with a vote in an OWN meeting in 2011 to create a visitors center in Oracle," said Sue Parra, who was serving as president of that organization at the time. "Now four years later it is official!"

Alicia Bristow, current President of OWN, says the official designation will bring a number of benefits to the Tri-Community as well as the Visitors Center. The official designation will allow Oracle to receive signage from ADOT on Highway 77 directing tourists to the Visitors Center. It will allow the Visitors Center to provide more information about the activities,

places of interest and local businesses of the Tri-Community.

"I think it is going to help Oracle in a great way," said Sue.

As a partner with the Arizona Office of Tourism, it will provide outlets for information about the area through the AOT website and their tourist guidebook. They have a help center that provides tourist information for callers about what there is to do in the area. It will mean more business for the restaurants, hotels, bed & breakfasts, and activities like the new Zipline going in on the back road to Mt. Lemmon. It will provide opportunities for marketing and promoting local businesses to potential visitors from around the state, country and internationally.

This wouldn't have happened without the members of OWN and "especially President Alicia Bristow," said Sue. Sue and Alicia would like to thank the many others who made this possible, including the Oracle Fire Department, lots of volunteer labor, community members and many more.

Oracle Run set for Oct. 31

By John Hernandez
San Manuel Miner

The 33rd annual Oracle Run will be held on Saturday, October 31. Registration and packet pick up for the Dia de Los Muertos/Halloween themed race will begin at 7:30 a.m. in front of the Acadia Ranch Museum. The 10K (6.2 miles) run begins at 9 a.m. followed by the start of the one mile Fun Run/Walk at 9:05. As the event falls on Halloween this year, there will be a special prize for the runner that best expresses the Halloween theme and for a kid's best costume.

Oracle Run T-shirts will be provided to all the race contestants. This year's shirt was designed by Kelly Cathey, a San Manuel

High School graduate and former world class runner. She holds the record time for the women's division of the Oracle Run. Awards will be given for the overall 10K men, women and masters champions as well as the top three finishers in the Fun Run/Walk and the 12 age divisions. Random prizes will be given out to participants courtesy of local merchants. The Oracle Run is made possible by the Southern Arizona Roadrunners (SAR) and the Oracle Historical Society. Race Director is Darrell Klesch.

This is a challenging, fun event that benefits the Oracle Historical Society.

For more information contact Darrell Klesch at 520-896-9609 or visit the SAR website: www.azroadrunners.org.

Safety first at Family First

We hear about Book Fairs, Health Fairs, and so many more events to bring awareness and education to the public.

October is known as National Car Seat Safety month. Family First would like parents to know we care about you and your children. It's been said that 80% of our children's safety seats are installed improperly. At Family First you can have your seat checked out for proper installation and if needed obtain a safety seat for your child as well as a booster seat for up to 13 years old. Call to schedule a car seat class

and be sure your child has the proper seat for his or her age and height. You can schedule for an appointment by calling 520-896-9545 Monday, Wednesday or Friday.

Don't forget you can bring your infants and toddlers every Wednesday at 10 am for Story Time. This is a great opportunity for your little ones to learn and get preschool prepared, learning colors, numbers and socializing with others. Call us at 520-896-9545 with any questions.

Family First is located at 1575 W. American Ave., Oracle.
