SaddleBrooke burglary suspect taken into custody

On Monday, Aug. 12, 2013 at 8:05 a.m. deputies from the Pinal County

Sheriff's Office responded to the SaddleBrooke Country Club Center,

located at 38725 S. Mountain View Blvd., regarding a burglary which had occurred sometime during the evening.

When deputies arrived on scene, it was determined suspect(s) unknown had forced entry into a storage room at the complex sometime during the evening. Once inside, the suspect(s) had stolen three new 55 inch televisions which were still in their boxes. Each television was valued at approximately \$1,000.

According to the reporting party, employees had moved 11 new televisions into the storage room two weeks prior.

PCSO Property Crime detectives were assigned the case. Detectives felt this burglary was possibly done by an employee who moved the televisions. The televisions, the reasoned, were not visible from outside of the storage room and only the individuals who moved them into the room knew about them being in there.

On Sept. 19, 2013, detectives spoke with an employee identified as Rudy Leeth, 35, San Manuel, at his residence. Rudy was one of the

Rudy Leeth

employees who helped move the televisions into the storage room. Rudy was evasive in his answers and denied being involved with the burglary.

"After speaking with Rudy," Pinal County Sheriff Paul Babeu said, "detectives watched him leave the residence and go to work. Detectives then knocked on the door of the residence and spoke with his father who was home. They asked him if Rudy had a 55 inch television which he brought home recently. The father said his son did have one and proceeded to show the detectives the television. The serial number on the television matched one of the televisions which had been stolen from the storage room."

Detectives then went to the SaddleBrooke Country Club and arrested Leeth for burglary, theft and possession of stolen property. The investigation is still active as detectives are trying to determine if other suspects were involved and where the other two missing televisions are. Leeth was booked

into the Pinal County Adult Detention Center for burglary, theft and possession of stolen property. The investigation is still active as detectives are trying to determine if other suspects were involved and where the other two missing televisions are.

One killed, one injured in hit and run accident

Winkelman, AZ – The Pinal County Attorney's Office and Arizona Department of Public Safety are asking for help from the public in identifying two young males who walked away from a fatal collision on Highway 77 between Mammoth and Winkelman on Sunday, Sept. 29, 2013.

According to a spokesperson for the County Attorney's Office,

the collision occurred at 8:30 a.m. A Dodge Intrepid and a Harley Davidson motorcycle collided approximately 10 miles south of Winkelman. The collision resulted in the death of a woman believed to be in her 50s/60s. A male, also in his 50s/60s, sustained severe life threatening injuries.

The occupants of the Intrepid appear to have walked away from the

scene.

Authorities are asking that any member of the public with information about the accident or having seen two young males in shorts and t-shirts on foot in that vicinity should contact AZ Department of Public Safety by calling 9-1-1.

Pinal County Attorney Lando Voyles said, "When innocent life is snatched from a family and a community, it's a moral

and legal duty for those with knowledge to call authorities to help bring justice to all of us."

At press time, no other information was available. A possible reward is being offered for information leading to the identity of the two young men who walked away from the accident. Please contact the Pinal County Attorney's Office for more information.

Army Corps of Engineers begin permitting process for ASARCO tailings

By Mila Besich Lira
Copper Area News
The US Army Corps of Engineers began the public participation

process for the development of the ASARCO tailings expansion. ASARCO has identified state trust land

in the Ripsey Wash area as the future tailings pond. The process to begin selecting and permitting tailings sites for ASARCO has begun, in anticipation for the closure of the Elder Gulch tailings site. ASARCO officials explained that the Elder Gulch tailings pond has six to ten years left, before they exceed the height limits.

Officials from ASARCO explained that the company had explored other areas including Granite Mountain, Copper Butte, Devil's Canyon and areas behind Hayden. Ripsey Wash was chosen as the site due to its proximity to the Ray pit mine, the hydrology and geology of the area. The site once permitted will require the Kelvin-Florence Highway and the Arizona Trail to be rerouted and will also require the relocation of a Salt River Project power line. The tailings site will be located close to the A-Diamond Ranch and will be transported by a slurry pipeline that will be constructed along the

Kelvin-Florence Highway.

Ripsey Wash is a tributary to the Gila River and in order to protect the Gila River, ASARCO will construct a seepage dam that will allow any runoff water from the tailings to be stored on the tailings site then pumped back to the pit. Once the water reaches the pit it will be processed

through wastewater treatment plants and will then be reused for mine operations. This process will be required to keep the Gila River from being contaminated.

The Army Corps of Engineers conducted the public permitting process, which explained all of the permits and public participation processes that will have to occur before final approval is given to construct the tailings site. The Corps expect to have a draft Environmental Impact Statement (EIS) by September of 2014 and by October of 2015 they expect to have a decision statement.

The studies and public participation facilitated by the Army Corps of Engineers will determine if the site can be permitted for tailings. Their permitting process will address all direct, indirect and cumulative impacts to the area. Those impacts will include environmental impacts, socioeconomic and wildlife impacts.

After the permitting process is complete the Corps may decide not to take any action or make any recommendations, they may accept the permit or they may approve and request other mitigation efforts to take place.

Several members of the public attended the meeting, however comments made by members of the public were not stated publicly. Those speaking were encouraged to record their comments with the court reporter assigned to the public hearing. Anyone wishing to make a comment or address a concern on the project are encouraged to contact Michael Langley at 602-230-6953 or via e-mail at michael.W.Langley@usace.army.mil.

You can learn more about this tailing project and the permitting process by visiting the public notice regarding this project at: <http://1.usa.gov/1dTfYCb>. See more photos online at <http://bit.ly/17pgpSS>.

Construction to start soon on Aravaipa bridge replacement

By John Hernandez
Copper Area News

A replacement project for the Aravaipa Creek Bridge has been planned by the Arizona Department of Transportation (ADOT). The bridge located on State Route 77 is approximately 10 miles north of Mammoth between mile marker 123 and 124 in Pinal County. The project will also include minor roadway improvements between the mile markers.

The Aravaipa Creek Bridge replacement project is scheduled to begin this fall. ADOT plans include widening the bridge and replacing the piers, bridge deck and abutments. Construction is expected to take approximately 12 months to complete and will be done in two phases. This will allow traffic to be maintained during construction.

During the project construction, temporary

traffic signals will be installed at both ends of the bridge and will be adjusted periodically to allow efficient movement of traffic across the bridge. There will be one travel lane open at all times with traffic controls in place to allow alternating north and southbound traffic. Drivers should expect delays of five to ten minutes but no more than 15 minutes throughout the construction.

Miners keep rolling in San Carlos with 59-0 shut out; will host Canyon State for Homecoming

By Frank Smith
San Manuel Miner

The San Manuel High School Miners varsity football team headed out to San Carlos on Friday and posted a shut out win 59-0 over the Braves. San Carlos has improved this year, picking up a couple of valuable wins over Alchesay and Tanque Verde and entering the game at 2-2 while the Miners had a 1-3 record. With the win the Miners now sit at a 2-3 overall and a 2-0 section record.

San Manuel's stout defense flexed their muscle in the first quarter as defensive end Jonathan Croci recovered a fumble and ran it in from 26 yards out for the touchdown. The point after touchdown kick was no good for a 6-0 Miners lead.

The Miners offense was not far off to get on the scoreboard and shortly responded as running back Shane Kelly ran the ball in from 33 yards out – heading around the left side for 'Pay-Dirt'. The point after touchdown by Anthony Garcia was good for a 13-0 lead in the first quarter.

The Miners defense continued their dominance forcing the Braves to give the ball back to the San Manuel where running back Richard Romo took the ball up the middle six yards for the touchdown. The PAT kick was good by Garcia for a 20-0 first quarter lead.

In the second quarter, the Miners picked up right where they left off in the first quarter. This time quarterback Bryan Valdez connected with wide receiver Alvaro Alvarez for 29 yard touchdown pass for the touchdown. The PAT

was no good to add to the lead 26-0.

On the next offensive possession, the Miners continued to take to the friendly skies as Daniel Medina hauled in a 50 yard pass from Valdez for the touchdown. The kick was no good for a 32-0 score in the second quarter.

San Manuel aired it out once again with tight end Jonathan Croci grabbing the 25 yard pass from Valdez for touchdown. The kick was no good for the 38-0 score in the second quarter.

The Miners took the 38-0 lead into the half and did not miss a step in the third quarter as Kelly took the hand-off, sprinting 45 yards around the left side for the touchdown. The kick by Garcia was good to bring the score to 45-0 in the third quarter. The clock would now start to run as imposed by the AIA Mercy Rule, when a team is ahead by 42 points – the clock will continue to run except for injuries and time outs.

In the fourth quarter, running back Isidro Wasko ran the ball around the right side for the one yard touchdown run. The kick was no good by Manny Chavez to add to the score 51-0.

The Miners would get onto the scoreboard once more as Wasko would take the ball in from 39 yards out on a punt return for the touchdown. The two point conversion was good for the 59-0 final.

Offensively for the Miners, on the ground Shane Kelly rushed for 151 yards on 10 carries with two touchdowns; Richard Romo rushed for 84 yards on eight carries with one touchdown; Ben Quijada

rushed for 23 yards on five carries; Isidro Wasko rushed for eight yards on two carries with one touchdown.

In the air, Bryan Valdez went 5 for 6 for 119 yards with three touchdowns. Hauling in the passes were Daniel Medina with one catch for 50 yards and one touchdown; Alvaro Alvarez had two catches for 42 yards and one touchdown; and Jonathan Croci had two catches for 27 yards and one touchdown.

On Special Teams, Isidro Wasko had a 39 yard punt return for a touchdown.

Defensively for the Miners, Armando Sierra had seven tackles with one quarterback sack; Jordan Peasley had five tackles with three sacks and one interception; Arian Rodriguez had five tackles; Jonathan Croci had one tackle and a 26 yard fumble recovery for a touchdown; Gabriel Sierra had three tackles; and Alvaro Alvarez had two tackles.

Head Coach Steve Elmore said, "It was a good win for us against a well-coached San Carlos team. We still have a lot of work to do this week getting ready for the Homecoming game on Friday night against Canyon State. We look forward to the challenge and look forward to the stands be packed."

The Miners will host the Canyon State Academy Rams for Homecoming on Friday night with kick off slated for 7 p.m.

The Rams will enter the game with a 3-2 overall and a 2-0 section record with the wins coming over North Pointe Prep 37-9, Baboquivari 62-0, and San Tan Foothills 36-32.

Reigning over the Homecoming festivities are: Freshmen attendants - Avery Downing, Andrew Gomez (tie) & Leitica Vargas; Sophomores - Peter West & Theresa Sweeney; Juniors - Roberto Guerrero & Diana Medina; Seniors - Jordan Peasley & Ana Zuniga; King & Queen - Jonathan Croci & Maria (Angelica) Zuniga. Miner swimmers look good in home meet

The Miner swimmers hosted a three way meet against Florence High School and Arizona College Preparatory School on Tuesday, Sept. 24. The final scores for the girls teams were: Arizona College Prep 90, San Manuel 73, and Florence 34. The Miner Boys got edged out in a very close meet: Florence 88, San Manuel 85, and Arizona College Prep 36.

Miner swimmers won several races during the meet.

Miner Girls won 6 of the 11 races. The Girls Medley Relay team of Amara Apuron, Cierra Austin, Nicole Primero, and Angela Navarro won a close race to get things started. Senior Amara Apuron then won the 200 IM.

As the meet progressed, the girls won four races in a row: Senior Nicole Primero won the 100 Butterfly, Senior Cierra Austin won the 100 Freestyle, and Amara Apuron won the 400 Freestyle. The

relay team of Apuron, Austin, Primero, and Junior Jazelle Sanchez won the 200 Freestyle by the tightest of margins. It looked as if the Miner Girls might have enough points to win the meet, but a strong showing by Arizona College Prep in the final three events and solid team depth was enough to outscore the Miners.

The Miner Boys were able to keep the score close despite only winning three events,

individual events and one relay. Senior John Bribiescas won both the 200 Freestyle and 400 Freestyle by over 20 seconds in each race. Freshman Colbey Stratton won a close 100 Freestyle with a surge at the finish. In the final event of the day, the Miners relay team of John Bribiescas, Colbey Stratton, Senior Colten Smith, and Sophomore Taylor Woods was able to win the 400 Freestyle Relay. Miner Coach Alex Gort

pointed out that if the boys and girls team scores were combined the Miners would have won the meet.

Miner swimmers are look-

ing forward to the next meet against Florence and Combs at the Merrill Ranch Pool in Florence on Thursday, Oct. 3 at 4 p.m.

Sea Lions participate in Oro Valley Meet

Over the weekend of Sept. 21-22, the Sea Lions Swim Team competed in the Patriot Swim Meet in Oro Valley. 12 teams from Southern Arizona attended the meet and the Sea Lions finished fifth overall with 205 points.

All of the 16 swimmers on the Sea Lion Team achieved personal best times in nearly every race they swam.

The Sea Lions swam a total of 128 events during the meet and many performances stuck out as being

exceptional.

Against a tough field, Evan Apuron, 10, won the 50 Butterfly, 100 Butterfly, and 50 Free. Evan swam a total of 10 events finishing no worse than third place and achieving a state qualifying

time in each. Tabitha Kellam, 10, notched her place as one of the best swimmers in the state by qualifying for state in six events and finishing in the top six in all nine of her races. Riley Stewart, 9,

OWN awards music scholarships

By John Hernandez
San Manuel Miner

The Oracle Women's Network (O.W.N.) presented a scholarship on Wednesday, Sept. 18, at Sierra Oaks School in Oracle.

The \$600 scholarship

was presented to Jaden Palmer, a student at Sierra Oaks, by Debbie Pfaff and Elaine Helzer, members of O.W.N. The scholarship will pay for piano lessons for Jaden for the entire year from Helzer, a local music teacher. The money

for the scholarship came from community donations and a fund raising event at the Oracle Community Center.

Andrew Robles received a \$300 scholarship which will provide him with piano and voice

lessons for six months. Congratulations to Andrew and Jaden. O.W.N. hopes to be able to provide six music and voice scholarships per year to local students so they can nurture their music interests.

Ten applications were received this year with the women from O.W.N. selecting the recipients of the scholarship. O.W.N. is trying to get more schools and students interested in the scholarship program. O.W.N. and the Tri-

Community Visitors Center will be hosting the "Taste of Oracle" event on Oct. 12 from 1 to 5 p.m. in front of the Tri-Community Visitors Center at the Village Square parking lot 1995 W. American Ave., Oracle.

earned five state qualification times and finished in the top nine in all of his races. Gianna Sweeney, 12, achieved state qualifying times in the 50 Breaststroke and the 100 Breaststroke and swam a great 1650 Freestyle.

Darien Apurton, 12, completed the three toughest events in swimming (commonly called the "Brute" events) finishing fourth in the 200 Butterfly, fifth in the 400 Individual

Medley (IM), and seventh in the 1650 Freestyle. She did this on top of completing in seven other events with personal best times in virtually all of them.

A group of 7-8 year old boys, gave Southern Arizona a glimpse of the future of San Manuel Swimming. Rocky Andrade, 8, finished third in the 25 Butterfly. Joey Castellanos, 8, finished sixth in the 100 yard Backstroke. Mason Stewart, 8, finished fifth in the 25 Breaststroke and 25 Backstroke. Ethan Kellam, 7, showed he can swim all the strokes well,

finishing in the top eight in 100 Individual Medley, as well as the 25 Free, 25 Fly, 25 Breast, and 100 Back. Ben Fister, 8, looked great in the Freestyle and Backstroke events. Head Coach Alex Gort smiled when talking about this group, "We have a great group of eight and unders, I am looking forward to the next meet in October where they can swim together on a Relay team."

Several swimmers on the team are new to USA swimming and all swam the 200 IM. This event requires the swimmers

to be successful in all the competitive strokes (Butterfly, Backstroke, Breaststroke, Freestyle) and to swim a considerable distance. Andres Valenzuela, 11, Jayden Smith, 11, Raquel Ortiz, 13, Nate Fister, 11, Rianna Estrada, 9, and Briana Castellanos, 9, all completed in the 200 IM at the meet.

The Oro Valley Pool will be the site of the 2014 Age Group State Championship Meet in March, so it is great to see the Sea Lions swimmers perform well at the facility.

Volunteer Connection

Volunteers provide all types of community services and assistance. There are volunteer health care professionals, firemen, coaches for youth sports, tutors, teachers, food bank workers, grant writers and more. Just about every job skill available out in the community can be used by volunteer groups and organizations in our communities.

The San Manuel Miner is sponsoring this regular feature that hopes to connect non-profit organizations, churches, schools and events with volunteers. To have your volunteer opportunity posted here, please submit:

- Name of organization
- Contact information
- Type of volunteer(s) you are seeking
- A brief description of the volunteer's job
- The number of hours expected from your volunteer
- Any other relevant information

Send your information to editor@minersunbasin.com.

Safe Journey House

Volunteers are needed for Safe Journey House, a program of Against Abuse, Inc. Volunteers may be asked to answer phones, watch children, gather supplies, or assist with similar light duties while an Advocate is talking with a client. We ask for a minimum of two 4-hour shifts a month and also to be on-call in case a substitute is needed. Requires an understanding and agreement to maintain confidentiality of services rendered and also passion for assisting victims of domestic violence. If interested please call 520-385-4970 or email: SJH-Donna@against-abuse.org. The center is located at 212 E. Fifth St., San Manuel.

San Manuel Library

The San Manuel Library is seeking volunteers for up to three hours once per week. Computer skills are helpful but not necessary as training is provided. Volunteers will learn valuable new skills and meet people from not only the Tri-Community but also other states and countries. If interested, please apply with Kathy Smith, library director at 108 W. 5th Avenue in San Manuel or call 520-385-4470 for more information.

Tri-Community Visitors Center

Looking for friendly people who love the Oracle, San Manuel, and/or Mammoth area. You will greet people from all over the world, including your neighbors, and will tell them what's to see, do, buy and enjoy in our towns. We are open Tues-Sat 1:00 - 4:00 PM and have flexible openings. Please contact Debi either by phone (520) 400-5772 or email NatrevHealth@yahoo.com.

"Volunteering is an act of heroism on a grand scale. And it matters profoundly. It does more than help people beat the odds; it changes the odds." – President Bill Clinton

Rotary honors Student Rotarians

By John Hernandez San Manuel Miner

The San Manuel Rotary Club honored the September Student Rotarians of the month at their weekly meeting on Wednesday, Sept. 25. The Student Rotarians were Alvaro Alvarez and Braden Main.

Alvaro Alvarez is involved in the Student Council, sports where he plays basketball, football and baseball. He volunteers to give back to his community, is active in his church and is taking classes at Central Arizona College to get a head start in his education. He plans on going to college where he will take pre-med classes in hopes of becoming a Physicians Assistant. He also ranks #2 in his class.

Braden Main ranks #1 in his class at San Manuel High School. He participates in track and cross country. Braden was a Boys State

Representative. He does volunteer work and wants to continue his education to become a sign language interpreter. He has already studied sign language for four years.

Bill Rowe, owner of

77north Marketplace in Catalina was the guest speaker. He talked about communities working together to promote the area. The San Manuel Rotary is working to recruit more members

and continue programs such as Student Rotarians, the Rotary Track Meet, scholarships, and participation in supporting the local communities. They currently have 13 members.
