OBITUARIES

Robert 'Bob' Tickler

Robert (Bob) Tickler, born in Highland Park, IL on Nov. 25, 1937, passed from this life on Sept. 26, 2019.

Bob was a resident of The Palazzo in Phoenix, AZ, where he was able to watch (and critique) the building of the light rail on 19th Avenue from his prime viewing position on his third floor balcony. Bob enjoyed living in the building (formerly Chris Ridge Senior Living) that he, as a young man, had helped to build.

Bob came to Arizona when he was 18 to work with his father, Herman Tickler, in the door-hanging business. Bob then moved to San Manuel, AZ to raise his two girls, Shannon (Melvin) Boyer and Stacey (Richard) Krogman

while working for Magma Copper Company. Bob retired from BHP, formerly known as Magma Copper Company, to return to his former construction trade in Phoenix, AZ after raising his girls. Bob worked construction for a few years and then went on to specialize in his true love, hunting, fishing, shooting and being in the great outdoors. In addition to his daughters, Bob is survived by his younger brother, David Tickler and was preceded in death by his youngest brother, Roger Tickler. Bob was a loving grandfather to seven grandchildren, 16 great-grandchildren and 1 great-great grandchild.

Per Bob's request, a celebration of his life will be held in June at Big Lake, AZ, one of his favorite spots to camp and fish and view the wildlife.

Bob always said that with the right tool, you can do anything. He proved this many times over with the many things that he made, with the life that he built, and with the legacy of strength and kindness that he left to those of us lucky enough to have known him.

Evangelina R. Plageman

Evangelina R. Plageman, "Angie" as she was known, went home to be with her Lord Wednesday, Sept. 18, 2019. She was born Aug. 20, 1932.

Angie is survived by her husband of almost 36 years, Bob; brother, Jesus; sons, Tony (Linda) and Albert (Nora) Pena; daughter, Alma (Brad) Yani; daughter-in-law, DeeDee Pena; nephew, Andy; grandchildren, Christofer, Lisandra, Sieana and Josh Pena, and Michelle Blackman Haag (Michael); great-grandchildren, Logan, Mikey, Maverik and Mia Haag.

She is preceded in death by her parents, Antonia

Rodriguez Zazueta and Innocente Rodriguez; sister-in-law, Mary Lou; nephew, David; niece, Sylvia; and son, Michael.

Angie retired from Hughes aircraft in 1989. She loved fishing, camping and her Lord. She will be missed by all who knew and loved her.

Graveside services for Angie will be held at Holy Hope Cemetery, 3555 N. Oracle Rd. (at Prince Rd.), Tucson, on Friday, Oct. 4, at 1 p.m. with a pot luck reception following the service at 4 p.m. at 206 E. Avenue G in San Manuel.

Rest in peace, my love.

LETTER TO THE EDITOR

Mammoth Fiesta Cancelled

The Town of Mammoth Fiesta Committee is saddened to say that the Fiesta Event that was to take place on Oct. 19 has been cancelled due to lack of interest.

The applications for King and Queens as well as vendor and parade applications have been available since Aug. 1 and as of Sept. 25 we have had no applications submitted.

If the town residents cannot find enough pride in the town they reside to take an interest in and/or participate in these community events, then we cannot put on a Fiesta worth having.

We will attempt to begin another Fiesta Event for 2020 and hopefully we can get more participation from the Community. It is our hope to bring back the annual fiestas and parades to Mammoth. At one time these were big events for our community and we would love to see that tradition return.

Please keep watch for the next event which will occur in either the Spring or Fall of 2020.

/s/ **Sharon Christiansen**
Town of Mammoth Fiesta Committee

Fire Prevention Week 2019 is Being Observed Oct. 6-12

Did you know that October is known as Fire Prevention Month? Do you know that Fire Prevention Week has been observed since 1922 and is sponsored by the NFPA – National Fire Protection Association. And did you know that in 1925 President Calvin Coolidge proclaimed Fire Prevention Week a national observance making it the longest-running public health observance in the country? But where and when did the event happen that started this observance?

Many of us have heard about the Great Chicago Fire of 1871. The fire started on Oct. 8, 1871 and burned until Oct. 10, 1871 in a neighborhood in the southwest section of the city after a long period of hot, dry, windy conditions and the predominantly wooden building construction of the time helped lead to the conflagration. The fire leapt the south branch of the Chicago River and destroyed much of central Chicago. It then leapt the main branch of the river consuming the near north side.

It has been told through the years that Mrs. O'Leary's cow started the fire by kicking over a lit oil lamp in the barn causing dry hay to ignite. While there is no dispute that the fire started on

the O'Leary property, it has never been proven that the cow was the cause.

During the three days of the fire, approximately 300 people were killed, roughly 3.3 square miles of the city was destroyed approximately 100,000 people were left homeless and it is estimated that 17,400 structures were destroyed. This tragedy started the movement to the fire codes we use today.

The theme of Fire Prevention Week 2019 is "Not Every Hero Wears a Cape. Plan and Practice Your Escape Plan." So, how can you be the "hero" in your family? It's easy just start with sitting down with all family members and doing these simple things together:

1. Plan an escape route. You need to know two ways out of every room.
2. Draw a floor plan of your home marking both escape routes as well as where the smoke alarms are in each room.
3. Practice your fire drill escape plan at least twice a year. While it is sometimes OK to announce "this is a drill" you should never always declare it as being a drill. By doing that, if a real fire were to happen and your smoke alarm went off during a real fire, your family

might not take the warning seriously and delay their escape. When a real fire is occurring you only have one to two minutes in which to escape! It's NOT like in the movies or on TV where people take a long time to get out.

4. Make sure your "Family Meeting Place", the place where your loved ones will gather after they escape, is a stationary object, not something that moves like a neighbor's car or a bike in the front yard. A tree or fence post make good Family Meeting places. Reinforce the rule: "Once you are out STAY OUT!" DO NOT go back in the burning building for anything!!

5. Test Smoke alarms monthly both day and night. Replace batteries in alarms that use a standard 9-volt battery at least twice a year. It is NOT recommended/required to replace the battery in an alarm that has a 10-year lithium battery.

When it comes to maintaining your smoke alarm, get your kids involved!! Helping you help maintain your alarms is a great way to get them used to the idea of fire safety and being prepared. Want a fun family activity that your kids will enjoy as you maintain your smoke alarms? As a family sit down and choose a single date for all your smoke alarms as their "birthday". Mark that date on your calendar

AZ SAFETY SOLUTIONS

By Karen Hauca
Special to Copper Area News

each year. Plan a birthday party for your alarms. Take the kids shopping for the smoke alarm(s) birthday present – a new battery for each alarm. On the alarm(s) birthday sing "Happy Birthday" to the alarms, have an adult help the kids give the alarm(s) their new battery birthday present. Then the whole family can enjoy having a birthday party for the alarm(s).

OBITUARY

Frederico Rodela Alderete

Frederico "Lico" Rodela Alderete passed away in Tucson, AZ on Sept. 13, 2019, at the age of 70.

He is survived by wife, Ruby C. Alderete; and children, Jessica Quesada (Ben), Freddie Alderete (Krystal) and Steven Alderete. He left behind 12 grandchildren, Brianna, Cassandra, Alyssa, Melanie, Yarasette, Benjamin, Raquel, Maricela, Christopher, Rico, Steven and Rodolfo.

He is preceded in death by his parents, Juliana Licano Lopez (Safford) and Monico Alderete (Safford); his son, Christopher Steven Alderete, his brothers, Eugene Alderete, Benito and Guillermo; and his sister, Pauline.

Frederico was born on Sept. 15, 1948 in Safford, AZ to Juliana and Monico Alderete. He graduated from Colorado High School. He joined the Army in 1969 and served to 1971 when he was honorably discharged. He was sent overseas to fight in the Vietnam War. He was a combat medic while serving.

He worked at several mines to include Magma Copper mines, Morenci Mines and Nevada mine. He then freelanced as a

handyman for years and helped people who otherwise could not afford to get many of their household issues fixed. His last job was working at the Copper Basin Railway from where he eventually retired in 2011.

He was the Little League president for several years, a coach for both Little League and the local basketball league. He was also known for having one of the best Halloween Houses in Indian Hills park! People from all over would come to walk through his scary haunted houses!!

A Memorial Service is scheduled for Thursday, Oct. 3, 2019 at noon at Arizona Veterans Memorial Cemetery, 15950 N. Lockett Road, Marana AZ 85653.

A luncheon in honor of Frederico Rodela Alderete will be held at 11 a.m., Friday, Oct. 4, 2019 at the Hayden Golf Club, Hayden, AZ 85135.

Town of Mammoth addresses proposed water and wastewater rate increases

From the Town of Mammoth

The Town of Mammoth has begun the process to increase water and wastewater rates starting Jan. 1, 2020, in accordance with Arizona Statute 9-511.01. In Fiscal Year 2018 – 2019, ending June 30, 2019, the Water Enterprise Fund expenses exceeded Water Enterprise Fund revenues by approximately \$155,552. Total water revenues in FY2019 were \$131,058. The Sewer Enterprise Fund also had a deficit in FY2019, though it was considerably smaller. Sewer expenses exceeded sewer revenues by \$42,310. FY2019 sewer revenues were \$89,578.

At its July 2019 monthly meeting, the Mammoth Town Council was told that the Water Enterprise Fund had a \$653,891 deficit at the end of FY2019, as a result of many years of water expenses exceeding water revenues. In order to adopt a balanced budget in Fiscal Year 2019-2020, the Town was told that the water revenue had to be 235% higher in FY2020 than it was in FY2019. In the short term, without an immediate increase in water rates, the Town will be unable to pay for the operations and maintenance of the water system. In the long term, the Town must be able to generate enough revenue every year to continue to provide services to its residents.

Using the Water Infrastructure Finance Authority (WIFA) Arizona Water and Wastewater Rates Dashboard, the

average Town of Mammoth water bill (assuming a monthly use of 7,500 gallons) is approximately \$35.59/month. For comparison, the residents in Oracle pay around \$59.39 for 7,500 gallons of water, and in San Manuel, they pay about \$53.54. Hayden residents pay approximately \$46.73 and Kearny residents pay about \$35.95 for 7,500 gallons of water a month.

The Town Council issued a first and second notice of intent to increase rates at the regular August and September Monthly Town Council Meetings, and an official copy of the notice was posted on the Town of Mammoth website on Aug. 13, 2019.

Once the Town Council decides on the actual amount of the water and wastewater rate increases, a report supporting the increased rates will be available to the Public on or before Oct. 21, 2019. Per the statute, the report will include cash flow projections that indicate all anticipated revenues from residential and nonresidential customers and the overall expenses for providing water and wastewater services. This report will be available at least 30 days before the scheduled Public Hearing on the rate increases. The Public Hearing is scheduled for Thursday, Nov. 21, 2019 at 7 p.m. at Town Hall and an official notice of the hearing will be posted in the Miner in October. Everyone is invited to attend the meeting and/or submit comments in

Continued on page 12

Fire restrictions lifted Friday on state lands

Recent moisture and cooler temperatures allow the Arizona Department of Forestry Management to lift fire restrictions on state-owned and managed lands across Arizona.

As of 8 a.m., Friday, Sept. 27, the agency will lift Stage I restrictions in Gila, La Paz, Maricopa, Mohave – south of the Colorado River, and Yuma Counties.

Stage I Fire Restrictions went into effect in June, but lingering dry conditions, an abundance of grass statewide, and a scarce monsoon season forced the agency to keep restrictions in place longer than normal.

During an average year, restrictions are typically lifted after the monsoon arrives in mid-July. Those storms bring widespread

moisture, help decrease temperatures, and increase humidity. All of those elements are necessary to reduce fire activity.

Even though restrictions will be lifted Friday, DFFM wants to remind the public to be fire safe when outdoors.

- Never leave a campfire unattended. Always be sure it is out and cool to the touch before leaving.
- If towing a vehicle or trailer, ensure tow chains are secure and never dragging.
- Never burn on windy days and have water nearby if using any type of equipment that throws sparks.
- Target shooting and fireworks are never allowed on state lands at any time of the year.

SPORTS

Slow start, penalties costly in Miners' loss

By **Andrew Luberd**
San Manuel Miner

Last Friday's game at Santa Rita

might have been viewed by some as an opportunity for the San Manuel football team to bounce back from a shutout defeat a week earlier and, perhaps more

importantly, build some momentum heading into region play.

Neither happened.

Santa Rita ended the Miners' hopes of both early, jumping out to 20 – 0 first-quarter lead that was never threatened in a 33 – 14 loss.

"We started off slow," San Manuel head coach Ernie Ivy told the Miner. "Crucial penalties cost us a lot in the red zone."

San Manuel senior quarterback Caleb Quintero threw for 231 yards and a pair of touchdown passes in defeat – one to senior Jose Moreno and the other to freshman

Mathias Medina. Elijah Davis converted both PAT attempts.

TJ Madrid led the Miners' defense with 10 tackles and a sack.

Despite the 1 – 4 start, the Miners still control their own destiny in reaching the playoffs, but they have little, if any, room for error.

According to Ivy, that's the message to the players as they prepare for this week's region-opening game.

Up next: Chandler Prep visits San Manuel on Friday, Oct. 4. Kickoff is scheduled for 7 p.m.

Mountain Vista Cougars running H-O-T with wins over Globe, Ray

By **John Hernandez**
San Manuel Miner

The Mountain Vista Cougars football team are on a hot streak, winning their last two games.

On Sept. 17, they traveled to Globe to play the High Desert Tigers and came away with their first victory of the season 48 – 24. On Sept. 24 they rolled over the Ray Jr. High Bearcats at home to even their record at 2 and 2. They travel to San Carlos for their next game.

The Mt. Vista Lady Cougars sixth and seventh grade volleyball teams remain undefeated after victories over San Manuel, Ray and Eloy. The match against Eloy was a battle of two undefeated teams. The Lady Cougars played hard and came out on top.

Their next game is at Superior with the final game of the regular season at home against Miami on Monday, Sept. 30. The Lady Cougars have a record of 7 wins and 0 losses.

Go Cougars!

Call to artists for Dia de los Muertos

By **John Hernandez**
San Manuel Miner

The Oracle Historical Society is looking for local artists or those with experience to create altars/ofrendas for

An altar for Dia de los Muertos.

a Dia de Los Muertos celebration at the Acadia Ranch Museum on Nov. 2, 2019.

Come and make an altar honoring a loved one, someone you admired, a celebrity you enjoyed, an historic figure (local or world), artists, a cause or group (there have been altars honoring victims of domestic violence, immigrants that died crossing the border, veterans, etc.). There is no limit to your imagination.

If you are interested, contact John Hernandez at 520-896-9019 or email johnh@minersunbasin.com.

A history of Dia de Muertos, La Catrina

By **John Hernandez**
San Manuel Miner

La Catrina has become the symbol for Dia de Muertos, "Day of the Dead" the traditional Mexican holiday where the people celebrate the joy of life knowing the inevitable day of death can come at any time. The image of La Catrina is a skeleton or skull of a well dressed woman. The "Calavera Catrina", the Dapper Skeleton or Elegant Skull is the product of political satire but has links to the indigenous culture of Mesoamerica.

Mictecacihuatl the death goddess was known as the Lady of the Dead in Aztec culture. She was the keeper of the bones and presided over a month long Aztec festival honoring the dead. When the Spaniards conquered Mexico, this commemoration of the dead and its ancient rituals was blended into the Catholic religion's holidays of All Souls and All Saints Day and became Dia de Muertos. The image of skulls and the death goddess is common in pre-Columbian art.

The modern image of La Catrina first appeared in an etching around 1910. The image was the creation of Mexican political printmaker and engraver Jose Guadalupe Posada. Posada is considered the father of Mexican printmaking.

Posada used the images of calaveras (skeletons) to comment on the social and political issues of the time. His illustrations on one-cent papers and flyers are credited with raising awareness of the political injustices and abuses of the Mexican dictatorial government.

La Calavera Garbancera as it was first called was meant as political satire and to make fun of the rich during the oppressive reign of Mexican President Porfirio Diaz when Mexico's wealth was concentrated in the hands of the privileged few. It was during Diaz's reign that the Mexican Revolution (1910 - 1920) began. It was the image of a female skull wearing an elaborate French style hat. Posada poked fun of those native Mexicans that scorned their

Call Linda at the above number. Board meeting will be 5 p.m. Oct. 17 at the Senior Center. Just a reminder that dues are due now. Seniors are saving aluminum cans and pop tops. They can be dropped off at the center. Information can be had by checking our Facebook page, San Manuel Senior Citizens or calling Hazel Cooper at 520-385-4586. Seniors age 50 plus are welcome to join.

Volunteers sought for Oracle Cemetery clean up

The Oracle Cemetery Board of Directors is looking for individuals, groups or organizations to join them on Friday, Oct. 11, 2019 for a clean up of the Oracle Cemetery.

The clean up will be from 7 a.m. until noon. The work will consist of tidying up in the cemetery, cutting grass, weeds, removing trash and brush, etc. Volunteers are asked to bring yard tools if they have some but if not, show up anyway. Make sure to bring sunscreen and water. Please park in the community center parking lot or lower Oracle

Union Church parking area to keep the Cemetery area clear for workers.

The cemetery clean up is in preparation for a Dia de Los Muertos (Day of the Dead) celebration on Nov. 2, 2019. The celebration is being organized by the Oracle Cemetery Board and the Oracle Historical Society and will include a self-guided tour of the cemetery, which will be decorated for the occasion. Families and friends of those interred at the cemetery are all encouraged to come and decorate and visit with their loved ones on Nov. 2.

On Saturday, Oct. 19, 2019, the Oracle Run will be held for the 37th consecutive year. The Oracle Run features a 10K and 5K race on hilly terrain over rural roads along the north slope of the Santa Catalina Mountains at 4,500 feet elevation; 5K walkers are welcome.

Entry fee for the race is \$35 if received before Oct. 5, \$45 thereafter. Entry

fee includes an Oracle Run T-shirt designed by a local artist, food and drink following the race and a chance to win raffle prizes provided by local merchants. Awards will be presented for overall 10K men, women, senior and masters champion as well as awards for each age division of 10K run. First, second and third place awards for overall 5K men and women will be presented as well.

The Oracle run benefits

the Oracle Historical Society, a non-profit organization dedicated to preserving historical artifacts and properties, to encourage awareness and appreciation of the unique cultural-historical heritage of the community and to promote alliances that enhance the Society's ability to influence the future by honoring the past.

The Oracle Historical Society is proud to announce that the Oracle

Run is being sponsored by the Department of Surgery University of Arizona College of Medicine. Thanks to their generous donation, the Oracle Run will be a better and more

successful event.

For more information call (520)896-9609 or email: oraclehistoricalsociety@gmail.com. You can register on line at www.oraclehistoricalsociety.org.

RATE INCREASES

Continued from page 4

writing.

In addition to raising water rates, the Town of Mammoth is also working on other ways to increase water revenue and decrease water expenses. New radio water meters were installed this summer using a Community Development Block Grant (CDBG). The new meters will replace old, inaccurate, manual-read meters and will more correctly measure the amount of water delivered to customers. In addition, all 560 new meters can be read in approximately 15 minutes, saving approximately 40 Public Works man-hours every month.

Improving the operations and maintenance of the water system is another way the Town is working to decrease expenses. Another part of the same CDBG project is the installation of new water pipeline isolation valves throughout the Town. Many of the existing valves do not work properly, making it impossible to repair water line breaks without shutting water off to the entire Town. The new valves will make repairs more efficient and timely, will reduce the amount of water that needs to be drained prior to the repair, and will allow much of the Town to remain on when a portion of a water line is down to fix a broken pipe. Valve installation is in progress and is anticipated to be completed in November 2019.

Yet another water system improvement project currently in progress is a grant from the United States Department of Agriculture (USDA) – Rural Development. An engineering company is studying the entire water system in Mammoth, identifying needed improvements, and estimating the respective costs. Once the study is complete, the Town can use the information to apply for additional grants and loans. One of the priority items in this study is replacing the old transit water pipe, which is continually breaking and leaking. Fixing all the aging water infrastructure is a very large, long term project, but one that is absolutely necessary for the future of the Town of Mammoth.

The Town of Mammoth website (townofmammoth.us) contains all Town Council Meeting Agendas and Minutes, along with budget reports and financial reports. Additional information not posted on the website can be obtained by contacting Town Hall, 520-487-2331.

Have a service man or woman you'd like us to recognize? We are proud to support our military and will publish the information at no charge. Email information to: cbnsun@minersunbasin.com

DAY OF THE DEAD

Continued from page 8

Indian heritage and tried to make themselves look more European by dressing up and using makeup to lighten their skin color. It was also a reminder to the rich that death makes everyone equal in the end. Posada went on to influence a number of noted Mexican artists.

In 1948 the famous Mexican artist Diego Rivera gave the Garbancera a full length elegantly dressed body and the name La Catrina in his mural, "Dream of a Sunday Afternoon in Alameda Park." In the mural, Rivera painted figures representing 400 years of Mexican history, depicting numerous historical figures from the Spanish conquest, the Porfirio Diaz dictatorship through the Mexican Revolution. In this masterpiece, a 10 year old Diego Rivera and Jose Posada are arm in arm with La Catrina. Alameda Park was the first city park built in Mexico City on the grounds that were once an Aztec marketplace. Rivera considered Posada one of his mentors and was heavily influenced by him.

From these skeleton images created by Posada and Rivera a Mexican folk art grew. This art includes brightly colored clay calaveras and images of Calavera Garbancera and La Catrina in paintings, Oaxacan wood carvings, mayolica pottery, black clay and papier mache sculptures. Dia de Muertos is now celebrated in other

countries around the world including the United States. Wherever it is commemorated, the image of La Catrina is notably present. The works of two artists, now deceased, continues to impact the culture and art of Mexico and around the world. Somewhere the Calaveras Posada and Rivera are laughing and enjoying a tequila while they watch La Catrina dance among the tombstones.

SAFETY

Continued from page 3

And speaking of maintaining your alarms, when you change the batteries, take the brush attachment of your vacuum and dust out the alarm while you have it open. Dust and cobwebs can accumulate in the alarm possibly making it sound off a false alarm.

You are home and your smoke alarm sounds off with its warning "Beep! Beep! Beep!" What do you do?

1. Be sure to sleep with your bedroom door CLOSED! When a fire happens it's the smoke that will get you long before the flames will. A closed bedroom door helps protect you from the toxic smoke produced by a fire. This is a hard concept for parents with small children. If you are worried about not hearing your kids at night, invest in a baby monitor and keep their bedroom door CLOSED!

2. If you hear the smoke alarm, get down low and crawl low under smoke! The freshest, cleanest air is closer to the floor than the ceiling.

3. First test the bedroom door to see if it hot by using the back of your hand, NOT your palm, before attempting to open the door to escape. If the door is hot, go to your second way of escape, usually the window. DO NOT break the glass in the window (like they do in the movies or on TV) as this can cause glass shards that can cut you badly as you try to escape. Sit to the side of the window and signal first responders from that position. Let them come to you!

4. Teach kids NOT to hide (under the bed or in a closet). Yes, they will be scared but let them know that is OK. The firemen need to find them and they may not be able to if a child hides.

Want or need more information on fire safety? Contact AZ Safety Solutions at (520) 838-4508 or via email at: info@azsafetysolutions.com. You can also contact your local fire department for additional information.

AZ Safety Solutions is firefighter/EMT owned safety education company dedicated to providing the community we serve the very best in safety education. Our instructors have a combined 85(+) years of field emergency response and teaching experience.

Public Notice

NOTICE TO POTENTIAL BIRTH FATHER (A.R.S. § 8-106)

Notice is given to Levi Riley that you have been identified by Ali Super of Tucson, as a potential father of Baby Super born on or around July 5, 2019 in Tucson, Pima County, Arizona. You are informed of the following: 1. Ali Super is the mother of Baby Super and plans to place the child for adoption. 2. Under Section 8-106 and 8-107 of the Arizona Revised Statutes, you have the right to consent or withhold your consent to the adoption. 3. Your written consent to the adoption is irrevocable once you give it and you cannot withdraw your consent. 4. If you withhold your consent to the adoption and wish to oppose the adoption, you must initiate paternity proceedings under Title 25, Chapter 6, Article 1, Arizona Revised Statutes, and serve the birth mother within thirty (30) days after completion of service of this notice. You must comply with the Arizona Rules of Civil Procedure when serving the birth mother. 5. Should you file a paternity action, you have an obligation to proceed to judgment in the paternity action. 6. You have the right to seek custody of the child during your paternity proceedings, though establishment of paternity does not guarantee that you will be granted custody of the child. 7. If you are established as the child's father, you must begin to provide financial support for the child, whether the child is with you or in the mother's custody. 8. If you do not file a paternity action under Title 25, Chapter 6, Article 1, Arizona Revised Statutes, and do not serve the mother within thirty days after completion of service of this notice and pursue the action to judgment, you cannot bring or maintain any action to assert any interest in the child. 9. If you fail to file a paternity action and do not comply with the requirements as set forth in Section 8-106(G) of the Arizona Revised Statutes, you waive your right to be notified of any judicial hearings regarding the child's adoption or the termination of your parental rights and your consent to the adoption or the termination of your parental rights will not be required. 10. The Indian Child Welfare Act (ICWA) may supersede the Arizona Revised Statutes. 11. For the purpose of service of a paternity action under Title 25, Chapter 6, Article 1, Arizona Revised Statutes, service may be made on the mother at Adoption Solutions of Arizona, 1200 N. El Dorado Place Suite B-260, Tucson, AZ 85715 12. You may wish to consult with an attorney to assist you in responding to this notice. MINER Legal 9/18/19, 9/25/19, 10/2/19, 10/9/19

Cobre Valley Institute of Technology offers programs at CAC Aravaipa Campus

By **John Hernandez**
Copper Area News

On Monday, Sept. 9, Central Arizona College Aravaipa Campus held a Start Up reception for the Cobre Valley Institute of Technology (CVIT) Welding program. The three-year welding program offers high school students beginning as sophomores to get a start on becoming certified welders while earning high school and college credits. It is a partnership between local high schools (Superior, Ray, Hayden and San

Manuel (through a partnership with PimaJTED)), CAC Aravaipa and CVIT. Twenty-four students from Ray and Hayden are currently being bused daily to CAC for the class.

Attending the reception were Mike O'Neal, Director of CVIT; Pete Guzman, Superintendent of CVIT; Professor Samuel Colton CAC Aravaipa Campus Faculty; Maria Munoz, CAC Aravaipa Campus Director; James Busch, Workforce Development Director CAC; Jeff Gregorich, Hayden School District Superintendent; Carlos Armendariz,

Principal Ray High School; and the students of the initial CVIT welding program.

The reception included a visit to the welding classroom to meet with students and welding instructor Samuel Colton. Pete Guzman, Superintendent of CIVIT spoke to the students. He told them that when he started the program that he was told they were wasting their time.

"You're the first class. I am commending you. I will be here in the Spring to congratulate you that make it," Guzman said.

Following the class visit was a tour of the welding shop/lab.

The students in attendance were from Ray High School: Kenny Bailey, Zander Winsor, Alonzo Ruiz-Lopez, Drake Levitt, Christian Day, Nicholas Harmon, Sean Harmon, Eric Manriquez, John Warren, Gilberto Arbizu and Mark Rodriguez.

Hayden High School: Pablo Acuna, Pablo Torrez, Randy Christiansen, Vincente Gallegos, Vincent Cruz, Emiliano Camarena, Diego Rubal, Rene Arbizu and Damion Arbizu.
