Obituaries

Joseph Lee Perea

In loving memory of Joseph Lee "Tank" Perea, #40. He had a name and number that has an abundance of importance to us. He was an amazing son, brother, and friend. He loved hunting, fishing, his family and sports.

Joseph recognized in 1999-2000 with awards in both football and wrestling, such as the Spark Plug award and the Outstanding Wrestler award,, which was won in a year when he had a per-

fect record in wrestling and went 38-0 to become State Champ. He continued to excel in sports and strive for better.

In his high school years, as a Ray Bearcat, he stayed active in sports. Then, Nov. 7, 2002, a date that brings family, friends and a community great sorrow, Joseph's life was tragically ripped away from him in a car accident. We were left stunned by the news that the person we loved so dearly had passed.

He was survived by his mom, Lindy; da, Jose; step-father, Julio; brothers and sisters: JoAnn, Michael, Raymond, Adrienne, Amanda and Andrea.

Here we are, 11 years later. We still hurt; and miss and love him, dearly. He's gone, but, most definitely never forgotten. For all his football team and everyone who came together to embrace us, the candlelight vigils, memorials, ones who continue to stop by his family homes,

we want to say thank you. It means more than you would ever know.

So, here's to you, Joe, J.P. #40 on 3! May you, forever, rest in peace.

Joseph Lee Perea

Guillermo Garcia, Jr.

Jan. 17, 1975 - Oct. 11, 2013

Billy Garcia, Jr. 38, or JR as he was known to his family and close friends, passed away on October 11, 2013. He was born to Mary Lee and Guillermo Garcia on January 17, 1975 in Tucson, AZ.

Survivors include his wife Zina, his son Antonio Garcia and stepchildren, Vanessa, Francine, and Mackenzie. JR was step-Tata to Vanessa's children. He is also survived by his parents, and sisters Michele Lee Mendibles and Guadalupe Garcia; nieces and nephews Melanie, Mariah, Aniya, Michael, and Nathaniel. JR had many aunts, uncles, cousins, and friends who loved him.

JR was caring and loving. He had a way of making you think outside the box. He was known for his antics. JR had a love for: hunting, fishing, and anything that involved the outdoors. He enjoyed camping with his wife and

stepchildren. JR loved his Oakland Raiders.

JR was preceded in death by his sister Jennifer Librada Garcia; grandparents Bert and Librada Baldwin, grandfather Victor Garcia and Uncle Roberto Garcia.

Services were held on October 26, 2013 at 10:00 a.m. at Harvest Church in Superior, AZ.

Interment was at Valley View Cemetery in Mammoth, Arizona.

Guillermo Garcia, Jr.

Superior Unified School District receives donations

By Nina Crowder
Superior Sun

The Superior Unified School District receives various donations for several of the programs that the school offers to students. Without these donations the school would have a difficult time providing the courses. Patrick O'Donnell the superintendent and elementary school principal wanted to express how appreciative they are of all the donations and contributors that help make SUSD successful for the students.

The Nature Club is an environmental program for the fifth and sixth graders and the yearly funding is \$5,000. Funding each year is split between Boyce Thompson Arboretum

and SUSD. The funds for SUSD are provided by Resolution Copper Mine. The MAC-Ro Math Achievement Program is math initiative aimed at raising math achievement of elementary grade students. The yearly funding is \$20,000 partnered with Rodell Foundation Arizona. The MAC-Ro work is completed by the students at home to incorporate the help of their parents. At the end of the year the students get to go on a big field trip. Patrick O'Donnell said, "We think the MAC-Ro is part of what is driving the student math scores up."

The First Robotics Program is a global high school robotics program designed to ignite an enthusiasm for discovery of the basic

principles of Science Technology Engineering and Math (STEM). The yearly funding is \$9,000, and is provided by Resolution Copper Mine. The high school students actually get to build a robot where all the materials needed are included in the kit. The amount includes annual registration fees, cost of kit and teacher and mentor stipends.

The First LEGO Program is a global robotics program designed to ignite an enthusiasm for discovery of the basic principles of STEM. The program is for ages nine to 14 and the yearly funding is \$2,500. The amount includes annual registration fees and teacher stipends and the students build a robot out of LEGOS.

The STEM Club is based for elementary

students. The yearly funding is \$12,000 and the program is partnered with Arizona Science Center. The amount includes annual program cost plus teacher stipend for summer STEM camp. Some events are held at the Arizona Science Center.

The River Pathways Program is a biology program to introduce students to native habitats and land management for fifth and sixth graders. The yearly funding is \$12,000 and the funding is partnered with the Audubon Arizona.

The scholarships program awards two year annual scholarships valued at \$3,000 to graduating Superior seniors. The amount

Superior Police Report

According to state law, police may arrest suspected offenders by two methods. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are presumed innocent until proven guilty in a court of law. Only criminal citations are listed. All damage amounts are estimates.

Items are given to The Superior Sun by the Superior Police Department and reflect information available at the time the report is compiled.

Oct. 19

Criminal damage was reported in the 100 block of Ocotillo.

Oct. 20

Theft was reported in the 800 block of Western.

Oct. 21

Theft was reported in the 800 block of Western.

Burglary was reported in the 400 block of Porphyry.

Oct. 22

Burglary was reported in the 300 block of Palo Verde.

Calls not listed include two citizen assists, five welfare checks, three information reports, four animal complaints, three alarm drops, 12 traffic stops, two suspicious activity reports, nine disturbances, one attempt to locate, one juvenile complaint, two civil matters, two threats.

Citizens are reminded to call Silent Witness at 1-800-358-INFO, Crime Stop at 689-5611 or the Information Tip Line at 520-827-0065 if they have information that may help the police department in solving a crime.

House fire under investigation

The Superior Fire Department responded to a structure fire on the evening of October 23 at 236 Heiner Dr. Superior Fire Department Engine 631, Tender 631, and Engine 632 responded to the blaze. Superior Fire reported that upon arrival, the structure was fully engulfed, and two buildings to the east and west of the home were also threatened.

No one was injured, and the department was able to keep the fire from spreading to the other homes and structures that were threatened. The home was not occupied at the time of the incident, however the renters in the home were displaced. Queen Valley Fire responded with an engine, a tender, and a command vehicle. The cause of the fire is under investigation.

Ybarra receives Junior Sailor of the Quarter, Navy/Marine Corps Achievement Medal

Florence - Logistics Specialist Third Class (Surface Warfare) Ruben Ybarra of the United States Navy has been deployed since June, assigned to mine sweeping missions in the Persian Gulf, where he has been embarked on the USS Devastator and the USS Ardent assigned to the MCM Crew Conflict.

Recently, Ybarra was awarded Junior Sailor of the Quarter for

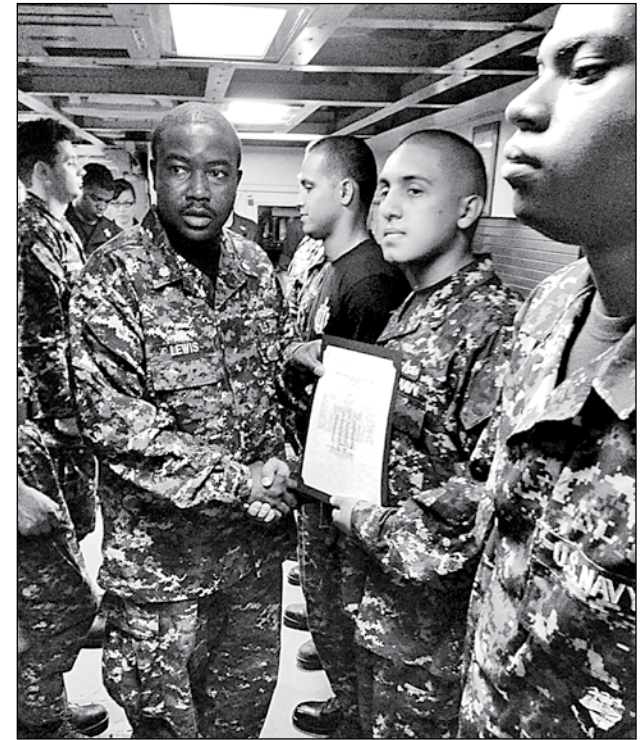

Fourth Quarter 2013 and presented with a citation for commendable service as Storeroom Custodian for MCM Crew Conflict embarked on USS Ardent (MCM 12) and USS Devastator (MCM 6) from July, 2013 to September, 2013.

According to the citation, signed by Lieutenant Commander C.G. Lewis, U.S. Navy "Petty Officer Ybarra performed his duties in an exemplary and highly professional

manner." Mentioned are his attention to detail, keen leadership, selfless devotion and knowledge.

He was also awarded the Navy and Marine Corps Achievement Medal.

Ruben Ybarra, a 2009 graduate of Superior High, is hoping to return home sometime in January for the birth of his second child. His proud wife, daughter, parents and sisters are waiting.

Ruben Ybarra receives two awards for his service.

Dominique M. Castillo

Castillo graduates from basic training

Air Force Reserve Airman 1st Class Dominique M. Castillo graduated from basic military training at Joint Base San Antonio-Lackland, San Antonio, Texas.

The airman completed an intensive, eight-week program that included training in military discipline and studies, Air Force core values, physical

fitness, and basic warfare principles and skills.

Airmen who complete basic training earn four credits toward an associate in applied science degree through the Community College of the Air Force.

Castillo is the daughter of Jessica Castillo of Superior.

She is a 2010 graduate of Superior Junior/Senior High School.

SUSD hosts Fall Family Night

Join the staff and students for the Superior Unified School District Fall Family Night on Wednesday, October 30, 2013. The event begins at 6:00pm at the John F. Kennedy Elementary Multi Purpose Room.

The events for the evening include a pumpkin carving contest, costume parade and contest and a Fall story reading area. Those wishing to participate in the pumpkin carving contest need to bring their carved pumpkin to the multipurpose room by 6:15 p.m. the day of the event.

The prizes for the contest are being provided by the Superior National Junior High School Honor Society. Refreshments will be served. For more information contact the Superior Unified School District at 689-3000.

Superior Fire Dept. to host Open House

The Superior Fire Department will be hosting an open house for the public on Friday, November 1, 2013. The event will be held at the Superior Fire Station on Mary Dr. from 6 p.m. to 8 p.m.

The event is co sponsored by Air Evac 7, Superior Substance Abuse Coalition and the Red Bear Outfitters. The open house will provide prevention information, free food, beverages and fun giveaways.

Pastor's Corner

Becoming the 'Hand of God'

By Rev. Dennis Van Gorp
Family Life Christian Center

In Jeremiah 17:7-8, we are given the description of a Godly person. That person trusts in the Lord and is confident of the Lord's direction and guidance. As such, he is like a tree planted by a vibrant stream of water, always green and fruitful.

As a believer, God plans, positions and plants you where you will fulfill His desire for your life. Even though the going may be tough and rough at times, you will be successful.

God planted you where you live. He expects you to bloom and produce fruit. Fruit is defined as the good works that affect the lives of the people you meet and deal with. Whether you

help them physically, emotionally or spiritually – you make a difference and are a blessing to them.

Recognize your planting and position. Use what God has given you to be a blessing to others. Strive to help others who are less fortunate. Be the 'Hand of God' in their life. Shalom to you as you move and live in the Lord's will.

Sponsored by the Superior Substance Abuse Coalition & Superior Optimist Club

It all started in Superior – SHS Hall

By Mila Besich Lira

Superior Sun

The Manny Ruiz Gym at the Superior Junior Senior High School was filled to capacity on Saturday evening as the community celebrated the induction of the SHS Hall of Fame Class of 2013. There were members of the audience from as far away as Alaska attending this annual event.

This year's class of inductees included educators, nurses, a military colonel and the 1972 State Championship Baseball team. Each speech was unique, all thanking the SHS Hall of Fame Board of Directors for the nomination. Each individual story of success noted that their success in life attributed to all that they learned in Superior and the impact that the community had on their lives.

Belia Castro-Cruz was a member of the Class of 1950. She was actively involved with school activities and went on to work as an accountant, school teacher, administrator and principal. She was instrumental in the organizing of the California Association for Bi-Lingual Education (CABE). Castro-Cruz credited her mother's encouragement for much of her success, her mother would tell them as children that "Nothing is Impossible." Those words continue to inspire her today.

Kathleen Chafey, PH.D, RN, FAAN was a member of the SHS Class of 1958. Chafey has been instrumental in developing and designing health and education programs for Native Americans. Her program Caring for Our

Own has been recognized as an exemplar by HRSA and the Indian Health Services. She has received numerous honors and awards during her storied career. She has published more than 20 articles in nursing and public health journals. Chafey attributes her long career by stating it all started here in Superior. "Living in Superior was a great place for a kid to grow up," she said. She talked about how the diversity of the community during her childhood helped to prepare her for the world that she would work in.

Judith J. Houtchens was a faculty member at SHS from 1971-1995. Houtchens taught business classes at Superior High School for 25 years serving as department chair for 15 of those years. One of her accomplishments during her tenure was helping the district to acquire an \$80,000 grant to implement the Business Management Technology model program, offering a coherent sequence of classes. The program allowed SHS students to go into entry level positions or higher following high school graduation. "I loved every minute of working in Superior," she said. "I am humbled to be elected." Houtchens explained to the audience that she originally moved to Arizona to further her education at Arizona State University. They delayed her admission to the University so she began looking for work and was hired in Superior where she worked for 25 years. Many of her former students were in attendance at the banquet to celebrate her induction.

Virginia L. Mitchell, was a faculty member at

SHS from 1974-1984. During those years she taught Geography. Mitchell was an active member of the community, she and her husband John co-owned the Mitchell's retail store for 40 years. She worked alongside many other community members to incorporate the town of Superior. She served on the Superior Town Council as an organizing member and then as a councilmember for 13 years. She also served on the Superior Library Board; during her 15 years of service she was instrumental in fundraising to build the library building, hire a librarian and purchase books. During her speech Mitchell talked about the changes that Superior has faced over the years; she talked about the importance of accepting change. She referenced Barry Goldwater in her speech and how he addressed change. "When you want change, you must have imagination, you must plan and you have to expect that you will run into opposition," she said.

Fred Navarro graduated with the SHS Class of 1953. He was the winning pitcher when the Panthers won the East Central Conference and led the Superior baseball team with a batting average of .440. He was also the Honorable Mention All Conference Football. He is a University of Arizona Alumni and received his Master's degree from San Diego State University. He has been recognized by LULAC as the 1997 Orange County Outstanding Hispanic Educator of the Year. He credited his mother's insistence that he and his siblings attend college as his key to success.

Arthur Provencio graduated with the SHS class of

Preciado Family attending the banquet JoAnn Besich, Angel, Desi, Billy, Chella and Mikee Preciado. Billy was the manager of the 1972 Championship baseball team.

SHS Hall of Fame Board Member David Lira along with his Verna and granddaughter Aja DeZeeuw.

of Fame inducts new members

1951. Provencio traveled the world as a member of the US Air Force, where he retired as a colonel. His wife, Helen Jacott, died when the youngest of their four children was six years old. He raised the children on his own while traversing the world with the Air Force. He served in Vietnam, Thailand, Antarctica, Spain, North Africa, South America, New Zealand and Puerto Rico. Provencio earned many military honors including the Distinguished Flying Cross, Meritorious Service Medal with five oak leaf clusters, the Air Force Commendation Award Medal and many other awards. In spite of all his honors, Colonel Provencio is most proud that each of his children have graduated from college. He considers himself a very lucky man and enjoyed serving in the military so much, "I would've done it for free," he said.

Joseph Charles Santa Cruz, Ed.D is a graduate of the SHS Class of 1969. He received his bachelor's, master's and doctoral degrees from Arizona State University. He began teaching English at Arizona State University in their Upward Bound program, then moved to Marcos de Niza High School in Tempe where he also taught English. Santa Cruz was hired by Gilbert High School where he worked as a teacher, assistant principal and principal. He was also the Gilbert School District Director of English as a Second Language, and served as the District's Public Information Officer. He recognized his family for his success, and thanked them for their sacrifices.

Bertha Sepulveda, class of 1964, proudly wore her class sweater, something many can't easily do. She was inducted into the Hall of Fame for her long career in nursing. She was employed for the Maricopa County Health Services for 28 years. She retired as the Vice-President of Business Development for Integrated Health Systems. After retirement she started a health care consultation company to teach nurses how to skillfully communicate with Hispanic patients. In 2012 Bertha was awarded Profiles of Success by the National Association of Hispanic Nurses, Valle del Sol Phoenix Chapter by awarding a scholarship in her name. She was

SHS Culinary Arts Students, prepared a Mexican feast, enchiladas, rice, beans chicken fajitas and mini deserts. The Hall of Fame chose the student group to prepare the food to help tie in the students to the hall of fame.

1972 Championship Baseball Team

named Hispanic Nurse of the year 2009 by the National Association of Hispanic Nurses. She explained that her parents had always encouraged her and her siblings to go to college. Her father would stress to their family that they could go to school, but they could not quit, he would say "suck it up, you are not quitting." Her sister was a nurse as well, which encouraged her to pursue nursing.

Albert Valenzuela graduated with the SHS Class of 1953. Valenzuela made the junior varsity football team as an eighth grader. As a high school athlete he earned Honorable Mention All-State in 10th grade. His senior year he was named First Team All-State Class B. He earned several other high school athletic awards. Following high school he was awarded a full football scholarship to the University of Arizona but decided to attend Arizona State University. He played two semesters for ASU then transferred to Palo Verde Junior College in California for one semester. He was a Little League coach in Superior and Mesa. He and his wife coordinate trips for the Safari Superiorities with outings in the outlying deserts around Superior in the Fall and Spring seasons.

Joe Vasquez a graduate of the SHS Class of 1956 was recognized posthumously. He earned many athletic awards in both high school and college. He graduated with a Bachelor of Science in Education degree from New Mexico Western University and earned an Administrative Degree from the University of New

Mexico. He served the Navajo Nation throughout his career as an educator and administrator. He was the Director for the Navajo Southern Region in Gallup, New Mexico; he also served as a major lobbyist and advocate in Washington D.C. for the funding of project money for the Navajo Nation and education system. His brother accepted the award for him. "Joe Vasquez' induction into the SHS Hall of Fame will be a tribute to Mrs. Angelita Vasquez and her older children who persevered and dedicated their lives to all the Vasquez children."

In addition to the individual inductees, the 1972 State Baseball Championship team was inducted into the Hall of Fame. The team had a season record of 15 wins and 6 losses. Members of the team were Jesus Apodaca, Richard Assyd – Manager, Laurence Arroyos, Louie Barreras, Dan Besich, Ernie Carcamo, Eldefonso Duarte, Louie Duarte, Eugene Florez, Frank Florez, Mike Flanagan, Frank Gil, Guillermo Gomez, Alex Padilla, Billy Preciado-Manager, Mark Rabago, George Santa Cruz, Billy Ybarra, Frank Ybarra, Leo Ybarra, and coach Joe Diaz.

The Superior High School Culinary Arts students prepared and served the banquet. Corporate sponsors for the annual banquet are: Cobre Valley Clinic, Resolution Copper Mining, JCCR Electric LLC, Rita Wentzel Consulting Services, Rose's Roses Flowers Gifts and Printing, Red Bear Outfitters, Save Money Market, United Superiorites, Los Hermanos, and Oak Realty.

action needed

properties in the affected area. They also conducted the voluntary bio metric study to ensure that residents were not harmed by the accident.

In addition to the clean up, BHP also conducted a bio monitoring study, which analyzed and tested arsenic level in the urine of several residents in the area. In 2011, 11 residents participated in the voluntary study and in 2012 eight residents participated.

Arsenic is an element that is commonly found in Arizona. It is often found in drinking water as well as

food sources such as fish and rice, which are considered organic sources of arsenic. Those who participated in the study were asked to limit or avoid consumption of fish and rice to ensure that the study was accurate. The study also looked for inorganic sources of arsenic, which would have been caused by other environmental exposure such as soil or dust. The study concluded that residents in the area were not harmed by the tailings dam break and that any arsenic in the body of those who participated was from natural sources.

Donations

Continued from Page 3

to date, contributed by Resolution Copper, is \$58,000 since 2002. Resolution Copper to date has given out \$427,000 in scholarship funds throughout the United States. Superior students interested in the scholarship must apply and the funds are available for any college of the students choosing. This year Superior has 16 to 18 seniors that will graduate.

The Corporate Giving Program is a philanthropy program that provides quarterly grants to local organizations. This program began in 2007 and presently the amount to date is \$20,190. The donations are provided to the athletic program, FCCLA,

DECA, Prime the Pipeline Math Programs and other requests.

The Professional Development mathematics foundations center for teacher success and summer workshops in Pinal County started in 2012. The funding to date is \$2,830. This funding helps with registration fees for teacher and donations to the Center for Teacher Success on behalf of SUSD.

Much of the funding and donations are provided by Resolution Copper Mine and O'Donnell wanted to express his sincere appreciation in the help provided by Resolution Copper Mine and other contributors. Our children are our future and education is an important role in shaping the future of our children's lives.

Call 520-363-5554 to place your classified ad today!

Write your own word ad

1. Choose Your Classified Section

Using the index choose the section that best fits your ad

2. Write your ad

Minimum word is 15 words for \$4.20. Every word there after is 28¢.

3. Circle your Attention Getter (optional)

ONE of these graphics can be added to your word ad for additional \$2.00

4. Add up total cost

We charge by the word. A word is anything with a space before or after it. Punctuation is free. Phone numbers with area codes and prices are considered 1 word each.

| | | |
|-------------------|----------------------|--|
| | \$4.20 | For the first 15 words. Minimum charge |
| + (_____ X 28¢) | _____ | Number of additional words. (If ad has more than 15 words.) |
| | _____ | Attention Getter \$2.00 |
| = | <input type="text"/> | Cost for your word ad for one week. |
| X | _____ | Number of weeks to run the ad |
| = | <input type="text"/> | Total cost of ad |

4. Send the Ad to the Copper Basin News/Superior Sun

Cards of Thanks

The family of Carmela Renteria would like to acknowledge and express their sincerest gratitude and thanks to all the family and friends for their comfort, support, flowers & food after the recent passing of our mom. Our sincerest thanks to Fr. Matthew for the beautiful Mass; Jo Ann Amavisca, Rita Peña & Maria Gonzales for catering the luncheon; Copper Rose for the beautiful floral arrangements; and Bulman Miles Funeral Services (Griffith Mortuary). The last two months Mom had been under in home hospice so our deepest thanks to Casa De La Luz Hospice in Tucson, AZ. We couldn't have done it without their expertise, support and compassion.

Thank you all from Henry & Jerri Valencia and Maria Renteria.
God Bless.
