Sun Life: Managing the opioid crisis locally

**By Dr. Matthew Bertsch and
Dr. Chinwe Chukwurah, M.D.**
Sun Life Family Health Center

The opioid crisis has had an effect on many people around Arizona, and around the country. Although the problem with opiates is not a new one, it certainly has developed much traction recently. With governors, legislators, our national congressional representatives, our senators and even our president talking about the issue, it has garnered a lot of mainstream attention. Opiates/opioids, often used interchangeably, are not new, and neither is drug abuse. However, the attention on the crisis has made health care challenging, even to Sun Life Family Health Center.

Patient education

It really is not all about the opiates though. Drug abuse, legal and illegal, has run rampant for decades. People who abuse have abused promethazine with codeine for its pleasurable and sedative effect; have abused dextromethorphan for its mild euphoria or extreme hallucinations depending on dose; and have abused other medications meant to treat neuropathic pain for its marijuana-like effects. Drug abuse is not new.

The laws and technology in our state have changed, and there is now an Arizona Controlled Substances Prescription Monitoring Program for the safety of patients. Prescribers are now required to check the prescription monitoring program. Prescribers will also be required to prescribe addictive medications electronically. Continuing education will be required for providers as a part of maintaining their license. Prescription doses will also be limited and new opioid packaging requirements have been implemented.

The scrutiny around opiate prescribing has led to opioid refugees, those who have had to abandon their addictions to prescription opiates and have turned to illegal street drugs. Patients have turned to both methamphetamine and heroin. Because of all of these overdoses, both legal and illegal, access to the life-saving overdose drug naloxone has increased as well.

Sun Life

At Sun Life Family Health Center, we practice pain management responsibly.

While our primary care providers have autonomy in pain management, their decisions are guided by policy and proper clinical judgment using guideline-based therapy.

What makes us unique, however, is our integrated approach to pain management. We have a team of integrated behavioral health specialists who work with our patients, as many times symptoms can be managed at a behavioral level as opposed to prescribing a medication. This is where our Mindful Alternative Pain Program comes into play. MAPP is a series of classes that focus on alternative and natural ways to cope with issues associated with pain.

Clinical pharmacy has made a huge impact on the approach to pain management within Sun Life. Clinical pharmacy has teamed up with primary care providers to review dosing of pain medications of the patients we serve. Clinical pharmacists also provide education to patients about opiates, discuss pain goals with patients, check dangerous drug interactions and consult with providers to ensure proper therapy for patients. The goal of this collaboration is that patients learn to manage their pain and reduce their dependency solely on medications.

Looks are deceiving in Miners' loss at Chandler Prep

By Andrew Luberda
San Manuel Miner

Sometimes looks can be deceiving.

Such was the case in San Manuel's 36 – 14 loss at No. 17 Chandler Prep last Friday, according to Miners' head coach Damon Lovato.

"We played our best game of the year," he said. "On offense, we moved the ball very well. We played with

tempo and mixed it up.

The Miners held a 14 – 0 lead before being outscored, 36 – 0.

"We ran our "Nascar" package two possessions in-a-row," said Lovato, accounting for the Miners' two quick scores. "Our defense was dominating them."

What changed?

Lovato refrained from giving specifics about the circumstances that took his team "out of their flow."

Julian Hernandez and Caleb Quintero scored the Miners' touchdowns.

Up next: San Manuel hosts Tempe Prep this Friday for Homecoming. The Knights, who reportedly only have 13 players on their roster, lost at Miami last week, 16 – 14.

"Really, it's more about us," Lovato said. "I told our guys to focus on what their coached to do and not let Tempe Prep's situation affect us."

Friday's kickoff is scheduled for 7 p.m.

Miner Swimmers win against Cholla and Coolidge

The Miner Swimmers traveled to the Coolidge Pool to compete with swim teams from Cholla High School and Coolidge High School last week. In a close meet, the Miner Boys Team won with 65 points, Coolidge 62 points, and Cholla 42. The Miner Girls won with 71 points, Cholla 64 points, and Coolidge 6 points. For both the Boys and Girls teams, the Miners were outnumbered but made up for it by winning a majority of races.

Out of the 11 events at the meet, the Miner Boys won 7 events. Michael Primero-Predgo won both Freestyle sprint events (50 and 100 Freestyle) against a tough field. Evan Apuron was easily the best in the 100 Butterfly and 100 Breaststroke. Jayden Smith won the 500 Freestyle. An easy win in the Medley Relay by the Miners at the beginning of the meet made it clear that the 200 Freestyle Relay would determine which team would win the meet

between Coolidge and San Manuel. Michael swam the lead off leg and will be the first to tell you that his flip turn was less than perfect. At the first relay exchange, the Miners were 3rd when Daniel Garcia entered the water. An outstanding swim by Daniel put the Miners in 1st place at the second exchange as Jayden entered the water. Moments earlier Jayden had finished the grueling 500 Freestyle and even though he was exhausted, he swam an outstanding leg to keep the Miners close. At the final relay exchange Evan entered the water in 3rd place and quickly caught Cholla and nailed the flip turn to give him the momentum to pull ahead of Coolidge on the final length and finish first to secure the meet victory for the Boys.

The Miner Girls won 8 events out of 11 events at the meet. Star Chavez won the 500 Freestyle and 100 Breaststroke. Rianna Estrada won the 200 IM and 100 Butterfly. Darien Apuron won the 50 Freestyle and 100 Freestyle. The Miner Girls won the both the Medley Relay

and 200 Freestyle Relay to give the Miners the chance to win. The Miners were in an unusual position where they could win 8 events but still lose the meet. Great swims by Bonnie Bridges to finish 2nd in the 200 Freestyle and by Alyssa Riekofski to finish 2nd in the 100 Backstroke were enough to accumulate the points needed to secure the win for the Miners.

Head Coach Alex Gort was thrilled with the wins.

"It is very satisfying to win close meets by both the boys and girls," Gort said. "As outnumbered as the Miners were, they had to swim great to win the meet and they did!"

The Boys Record advanced to 5-2 and the Girls Record advanced to 4-4.

The Miners will compete at the Ft. Lowell Pool in Tucson at 4 p.m. on Thursday, Oct. 4. The meet will feature the Miners against St. Augustine, Morenci and The Gregory School.

FAM Fest (Food, Art, Music Festival) is a noon to 7 p.m. event at Arizona Zipline Adventures, nestled in at the base of the Catalina Mountains just outside the town of Oracle. FAM Fest features food vendors, artist displays, and live music along the venue's trails, in the corral, and on the expansive covered patio of Arizona Zipline Adventures lodge building at 35406 S. Mt. Lemmon Rd. A portion of the proceeds from the event will be used for purchasing art supplies, musical instruments, and to pay for art and music teachers at the Oracle Community

Center, according to Emily Goff and Brandon Luthy, owners of Arizona Zipline Adventures. This is the first FAM Fest in Oracle in what is hoped to become an annual event.

Those attending the festival will be able to stroll the Arizona Zipline Adventure grounds, enjoy the music, have an opportunity to purchase local art, and sample food from area vendors. Tickets good for food samples at all vendors will be sold on site for \$4 each. Food tickets may be purchased with credit cards, but attendees are advised to bring cash for art purchases and tips for the musicians.

Three-vehicle accident claims two lives near Winkelman

Highway 77 at milepost 134 near Winkelman was closed for more than five hours as emergency crews worked first to rescue the victims and later clear the roadway from a three-vehicle fatal accident.

According to the Arizona Department of Public Safety, the accident occurred Monday at 12:18 p.m. when a three-wheeled motorcycle collided with a semi. A third vehicle was also involved. All lanes of traffic were blocked and the semi ended up in a ditch.

The semi's fuel tank ruptured in the collision and a fire ensued. Local firefighters extinguished the fire.

Both the driver of the semi and the driver of the third vehicle sustained injuries and were transported to nearby hospitals. The driver and passenger of the motorcycle were deceased on scene.

"Notification has not yet been completed so I am unable to release their identities at this time," said DPS Public Information Officer Bart Graves.

Graves confirmed that the roadway reopened at 5:30 p.m.

The semi was towed from Winkelman to Hayden and the parking lot of Eddie Tire following a fatal accident Monday.

Storm-damaged water lines and roads in Mammoth, Arizona are being upgraded with the help of state agencies; rapid response by Arizona's Water Emergency Team helped the town quickly find funding for a fix

Monsoon downpours severely damaged two main water lines in the Town of Mammoth, cutting off water to around 1,500 people in late July. Arizona's Water Emergency Team (WET) immediately responded to provide technical assistance, emergency funding and other resources to assist town officials with fixing and

upgrading the broken pipes.

In August, Governor Doug Ducey declared a State of Emergency in Mammoth, directing \$200,000 in emergency funds to aid in immediate emergency protective measures and permanent waterline repairs. The United States Department of Agriculture (USDA) also awarded the Town of Mammoth with a \$150,000 emergency grant for repairs.

The Arizona Department of Environmental Quality (ADEQ) is assisting the Town of Mammoth by hiring a contractor to assess the severity of the damage and estimate the cost of replacing the broken portions of the

water mains. ADEQ is also funding the preparation of a design report, construction drawings and application so the town can direct more of the grant money straight to waterline replacement and road repairs.

"Our water crews were working around the clock to mitigate the immediate impact to our residents and did an admirable job patching lines to restore service," said Don Jones, the Mammoth Town Manager. "But it became rapidly clear that the aging water mains that broke needed replacing or this would happen again. We are grateful to ADEQ and the rest of the Water Emergency Team for helping us identify resources and quickly developing a plan to upgrade the lines."

ADEQ and the Arizona Corporation Commission created WET to help improve the state's response to water emergencies and also develop preventative measures

A corporation or an LLC may also be represented by an attorney. If you represent yourself, you have the responsibility to properly complete your court papers and to file them when they are due. The clerks and staff at the court are not allowed to give you legal advice. If you would like legal advice, you may ask the court for the name and phone number of a local lawyer referral service, the local bar association, or a legal aid organization. 2. Within forty (40) days after your answer has been filed, you and the plaintiff are required to provide a disclosure statement to each other. The disclosure statement provides information about witnesses and exhibits that will be used in the lawsuit. A party may also learn more about the other side's case through discovery. Read the Justice Court Rules of Civil Procedure for more information about disclosure statements and discovery. 8. The court will notify you of all hearing dates and trial dates. The Department of Child Safety, (DCS or the Department), by and through undersigned counsel, has filed a Dependency Petition pursuant to Title 8, of the Arizona Revised Statutes, Rules 4.1 and 4.2 of the Arizona Rules of Civil Procedure; and Rule 48(D) of the Arizona Rules of Procedure for the Juvenile Court.

2. The Court has set an Initial hearing on the 18th day of September, 2018 at 2:00 p.m. and a Publication hearing on the 20th day of November at 2:00 p.m., at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable DeLana J Fuller for the purpose of determining whether any parent or guardian named herein is contesting the allegations in the Petition.

3. You and your children are entitled to have an attorney present at the hearing. You may hire your own attorney or, if you cannot afford an attorney and want to be represented by an attorney, one may be appointed by the Court.

4. You have a right to appear as a party in this proceeding. You are advised that your failure to personally appear in court at the initial hearing, pretrial conference, status conference, or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. In addition, if you fail to appear, without good cause, the hearing may go forward in your absence and may result in an adjudication of dependency, termination of your parental rights or the establishment of a permanent guardianship based upon the record and the evidence presented to the court, as well as an order of paternity, custody, or change of custody in a consolidated family law matter and an order for child support if paternity has been established.

5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. The DCS Central Registry is a confidential list of DCS findings that tracks abuse and neglect. If the court finds your children dependent based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-804.

6. If you are receiving this Notice by publication, you may obtain a copy of the Dependency Petition, Notice of Hearing, and Temporary Orders by submitting a written request to: JOSHUA M MONTAVON, Office of the Attorney General, CFP/PSS, 120 W. 1st Avenue, 2nd Floor, Mesa, Arizona 85210. The assigned case manager is Elizabeth Clark and may be reached by telephone at 480-373-2182.

7. Requests for reasonable accommodation for persons with disabilities must be made to the court by parties at least three working days in advance of a scheduled court proceeding and can be made by calling (520) 866-5400.

8. You have the right to make a request or motion prior to any hearing that the hearing be closed to the public.
