Panthers remain undefeated after another lopsided win

By Andrew Luberda
Superior Sun

Another game, another lopsided win for the No. 2-ranked Superior football team, which improved to 6 – 0 after defeating Duncan last Friday night, 58 – 24.

Senior quarterback Nicolaus Cruz threw for four touchdowns and ran for another two while racking up more than 500 yards of total offense – 330 passing and 194 rushing.

Superior, as they have in each game so far this season, overwhelmed their opponent early, jumping out to a 44 – 8 halftime lead against Duncan. The Panthers led 52 – 8 after three quarters before the Wildkats scored a couple of meaningless touchdowns in the final quarter.

Senior receiver Jalon Murray, who finished with a team-high 85 yards receiving, was one of four Panthers with touchdown receptions in the win. Marcos Bueno, Steven Ybarra and Austin Navarrette were the others.

The Panthers were again dominant on defense, with four players finishing with more than 10 tackles each. Ybarra had a game-high 19 tackles while Dominic Perea, Joseph Diaz-Gonzalez and Jesus Catellanos added 18, 13 and 10 tackles, respectively.

Steven Denogean, Murray, Perea, Diaz-Gonzalez and Daniel McConnell combined to register five sacks for the defense, which also forced four turnovers. Perea had two interceptions and Navarrette another. Freshman Gabriel Otero recovered a fumble.

Next up is game this Friday against Hayden, a team that should not be overlooked by the Panthers. The Lobos started the season with consecutive losses but have won four-straight since. Their average margin of victory during the winning streak is 36 points per game.

Friday's kickoff is scheduled for 7 p.m. in Hayden.

Correction

In the Sept. 28 issue of the *Superior Sun*, Allison Martinez was listed as the 2016 Homecoming Queen. This was incorrect. The Queen was Maribel Castro. This was an error on the Sun's part, not the school district's.

Congratulations to Maribel.

The Superior Little League held its annual meeting and elections meeting last week. Unfortunately no one attended the meeting to be nominated as board members for the league. Many of the current board members have been serving for at least 10 years and they all plan to retire as board members.

If a new board is not elected by the end of November then the 2017 Superior Little League will be cancelled. The positions of President,

Vice President, Secretary and Treasurer must be elected in order to get the season organized and scheduled. There are also the positions of Player Agent and Safety Officer that need to be filled as well.

The exiting board is willing to assist with volunteering, coaching and consulting to the new board but they do not wish to serve as board members for the 2017 season.

If you are willing to serve on the 2016-17 Little League Board please contact Virginia Alonzo at 480-215-9144 or virgalonzo@gmail.com.

In your Biz

In the days of big box stores and one stop shopping it is often easier to run into those stores and gather what you need. We often forget that in Superior the original big orange hardware store is Superior Lumber Co. owned by Arnold and Margaret Salazar. Their motto is “If we don’t have it, they either don’t make it or you don’t need it”.

Arnold began his career in the hardware business in 1962 when we worked for Foxworth Galbraith in Superior. They moved him to a store in Nogales in 1962 but he knew he could do better for himself so he returned to Superior and opened Superior Lumber.

For 50 years the store has provided handymen and homeowners the supplies

they need to get their jobs done; they have also been a supplier to local municipalities and the mining industry. Often times, for those repairing or remodeling older homes, the larger chain stores do not have the older pipes or fixtures that are available at Superior Lumber.

You can find everything from paint, pipes, lumber, tools and lots of other equipment you may need. It is worth a trip to the Superior Lumber before driving to the Valley. Another plus is that you will more than likely meet up with a friendly face and a few neighbors while you are there.

Arnold’s advice to his fellow business owners and future entrepreneurs: “Use common sense and plan to do a lot of hard work,” he said.

Arnold and Margaret would like to sell their store to another aspiring entrepreneur or business owner soon. “We would like to travel and go on vacation,” explained Arnold. “We can’t do that until we sell the store.”

Superior Lumber is owned by Arnold and Margaret Salazar.

The “In Your Biz” column is sponsored weekly by the Superior Chamber of Commerce in an effort to further promote their business members. To learn more about the Superior Chamber of Commerce you can visit their website www.superiorarizonachamber.org or call them at 520-689-0200. The Chamber meets the third Wednesday of every month at their building 165 Main St. in Superior, Arizona. Those planning on attending the Chamber luncheons do need to RSVP prior to the meeting, please call Deb McKee to RSVP at 520-827-1773.

Pinal County Public Health flu shots available starting Oct. 10

FLORENCE - Influenza (also known as flu) causes thousands of deaths each year. The Center for Disease Control and Prevention (CDC) recommends that everyone six months and older gets a yearly flu shot. Getting vaccinated each year against flu protects you and the people around you who may be more vulnerable to serious illness due to the flu, such as pregnant women, young children, people age 65 and older, and people with asthma or other chronic medical conditions.

To prevent the spread of flu and protect your family, you can take the following steps:

- Get vaccinated as early as possible!
- Wash your hands with soap and water often.
- Disinfect surfaces.
- Cover your cough or sneeze.
- Stay home from work or school when you are sick.

Pinal County Public Health Services District will begin providing flu vaccine to the public on Monday, October 10, 2016. Due to limited availability, appointments are recommended

for adults and will be available October 10 through October 22. Flu shots are available at no cost for uninsured and under-insured residents based on eligibility. Adults and children should bring their immunization records and insurance information if available with them to their visit.

Please call 1-888-431-1311 for flu shot appointment availability at one of the following (local) Pinal County Public Health Clinic locations, from October 10 through October 22:

- Kearny Clinic at 355 Alden Rd.; open the third Wednesday of month from 8 a.m.-6 p.m.
- Mammoth Clinic at 110 Main St.; open Thursday-Friday from 8 a.m.-6 p.m.
- Superior Clinic at 60 E. Main St.; open the second Wednesday of month from 8 a.m.-6 p.m.

Public Notice

Notice of preparation of a management plan for the Apache Leap Special Management Area
U.S. DEPARTMENT OF AGRICULTURE, FOREST SERVICE, TONTO NATIONAL FOREST

The Tonto National Forest (TNF) is preparing a management plan for the Apache Leap Special Management Area (SMA) as directed by the Carl Levin and Howard P. "Buck" McKeon National Defense Authorization Act (NDAA) for Fiscal Year 2015.

The plan will establish desired conditions, objectives and standards to guide future management of the area. The management plan will be prepared in consultation with affected tribes, the Town of Superior in Pinal County, Arizona, Resolution Copper, and interested members of the public.

The Apache Leap SMA currently includes lands under federal and private ownership. Upon completion of the Southeast Arizona Land Exchange (also included in the NDAA), the Apache Leap SMA will include only federal lands. The NDAA directs the exchange of the 110-acre Apache Leap parcel presently owned by Resolution Copper – the operating company and project proponent for a proposed underground copper mine near Superior – to the TNF. This parcel will be added to an existing 697-acre area of TNF to form the approximately 807-acre Apache Leap SMA, which encompasses the Apache Leap escarpment, east of Superior.

The purpose of the Apache Leap SMA, as set forth in the NDAA, is as follows: (1) to preserve the natural character of Apache Leap, (2) to allow for traditional uses of the area by Native American people, and (3) to protect and conserve the cultural and archaeological resources of the area.

To assist with the management plan's development, a public workshop will be held on October 20, 2016, in the Superior High School multi-purpose room located at 100 Mary Drive, Superior, Arizona. The purpose of the workshop is to inform the public about the SMA plan development process and to receive input from the public on development of the plan. The meeting will take place from 5 to 8 p.m. A presentation by a TNF representative will begin at 5:30 p.m., followed by an interactive public workshop.

In addition to the public workshop, the TNF is inviting public input into the SMA plan development process. Submit inputs to the TNF by mail at Apache Leap SMA, P.O. Box 34468, Phoenix, AZ 85067-4468. Further information concerning the development of the management plan can be found online at www.ApacheLeapSMA.us. Public input will be most useful if received by November 21, 2016.

Upon completion of the management plan, the TNF will conduct a National Environmental Policy Act Environmental Assessment (EA) of the plan. There will be opportunities for public comment on the proposed management plan during the EA process in early 2017.

For additional information regarding the project, contact TNF's Mary Rasmussen at (602) 225-5200 or email her at mcrasmussen@fs.fed.us.

Comments received in response to this notice, including names and addresses of those who comment will be considered part of the public record for this project and will be available for public inspection and will be released if requested under the Freedom of Information Act. Volunteers remove trash from Tonto National Forest

About 40 volunteers from Superior and throughout the state spent their Saturday morning helping to remove trash from the Tonto National Forest, south of the Airport near Superior. The clean up filled four dumpsters with everything from

furniture, shingles, tires, glass, green waste, drink cans and every day trash. There were approximately four sites that were identified for clean up, crews used heavy equipment to load the trash and transport it to the dumpsters. Dumping

in the desert is illegal and is a punishable offense.

The clean up was coordinated by state wide non-profits Natural Restorations and Footprints Matter to Us. Both groups work throughout the state to

combat illegal dumping in the forest. Local companies, Resolution Copper, Odonetto Construction, and OMYA assisted with roll offs, volunteer staffing along with heavy equipment use and operators.

Volunteers receive instructions before heading out into the desert near Superior to clean.
