LETTER TO THE EDITOR

CFFT, CAC Board recall and closure of Aravaipa campus

In the past few weeks, have you seen or heard of petitioners hanging around the copper corridor with a sign reading, "45% PROPERTY TAX INCREASE FOR ALL OF PINAL COUNTY BY CENTRAL ARIZONA COLLEGE," I am writing this editorial to inform you, from a student's perspective, what this means to me and why it happened.

On May 19, 2015, the Pinal County Community College District Governing Board voted to accept the CAC budget for fiscal year 2015-2016.

This vote followed a truth in taxation hearing where board members voted to increase the current tax rate from \$1.91 to \$2.76 per \$100 of net assessed valuation. In response to concerns expressed by local citizens, the CAC Governing Board voted on June 9 to change the tax rate to \$2.30 per \$100 of net assessed valuation.

A response to this tax rate included a committee called

Citizens for Fair Taxation and chairman Garland Shreves to take action to recall and re-elect CAC's governing board to make cost saving measures. With great sadness, I am writing because the committee received enough petitions to recall two of the four targeted board members. Petition signatures are currently undergoing verification.

I feel that most of the signatures from our side of the county were acquired through misinforming the public. From Mammoth's La Casita to Kearny's Norm's Grocery, petitioners purposely advertised their sign in a way that was interpreted for all of Pinal County property taxes to increase by 45%, and that if you sign their petition, it won't happen. Note CAC's share of the property tax is only 14%, and CAC's board voted their rate to 20%. Yet, petitioners advertised otherwise.

The initial rate increase was made from a 2-year period of careful consideration to Pinal County residents and CAC's future. Before this, many cost containment measures were instituted. Please understand that CAC's state funding was nearly lost this fiscal year. Also, since the year of 2006, state funding for CAC has decreased 80% and tuition has increased 64%.

What the people advertising for the recall in eastern Pinal county DID NOT tell you is that one of the so-called cost saving measures to keep from increasing taxes is to close the Aravaipa Campus.

To the recall supporters, the Aravaipa campus is seen as unnecessary and that its services could be given completely online.

As a student of the Aravaipa campus, I feel targeted. I am furious.

Aravaipa's location is rural, serves the copper corridor, and aids students like me who cannot afford to attend the Signal Peak campus, or initially transfer to university.

Know this, the Aravaipa campus has yielded the best foundation of my academic career, an ultimate collegiate experience. This is true for many others and myself as

students of the Copper Corridor. Advancement of my extremely rural area DEPENDS on Aravaipa as our ONLY access to higher education.

This facility offers vital services such as a learning center and library that teaches research methods, counseling services that assist students far beyond classrooms, financial aid, and many outreach programs. All of these services could never be substituted by online methods.

Closing the Aravaipa campus will terminate access to higher education, leaving my community of Pinal County behind to compete economically.

Why would anyone sign a petition to take away success from future Aravaipa attendees and myself? It's vindictive. What saddens me is that signers of the petition did not know this. For the supporters of the recall, the message I receive is that higher-ed seeking students in eastern Pinal County are not worth the investment.

LETTER TO THE EDITOR

Respecting our San Carlos Apache Tribal Elders: Leading from Truth

Since it has been stated and made clear by myself and other tribal members of the San Carlos Apache Tribe that Oak Flat has no religious or cultural significance to our tribe, nor does it threaten our livelihood, it's now the time to continue on with what will ultimately happen with Resolution Copper. In the past couple of months, rather than listening to hearsay, I decided to seek out the answers to the questions many of us had. In taking initiative, I found that the answers were right at my fingertips – it was as simple as attending public meetings, taking advantage of the tours being offered and communicating my concerns. Through this, it was made clear that there are strict laws and detailed regulations that the NEPA process requires and that special mining permits must be obtained. It was also made clear that as members of our community, we have a voice and an opportunity to engage with the company and the federal government who oversees the process of NEPA. We should also be aware that above all, the safety and well-being of all involved (workers and communities) is the most important. It is only after these things are considered that this mining project could begin.

I have to share with my community and neighbor friends that in my home it was brought up for discussion how block cave mining sounded scary and what the result of that environment might look like. I had to reassure my son and daughters that yes, with the most intelligent and sophisticated mining techniques that will be implemented it will be up to mother earth how the outcome will be. That's why it is very important that we all come together and PRAY for a successful outcome. I remind my family and also encourage all that fear tactics that are used to prevent any project is a form of manipulating for one's own gain. As tribal members with a strong cultural traditional core of prayer,

we must stay informed and involved with Resolution Copper. Coming to the table of discussion and concerns, all based on facts promotes a unity of strength. So that all involved in the mining work force and families at home are safe.

When I mention safe at home, which in itself is a handful as our communities are faced with many sensitive issues. I encourage all tribal members not to fear our Tribal Government Leaders, as they must remember that the oath they took was to serve their people, serve with facts, fairness and honesty. I continue to applaud the tribal council members who have weighed out the facts, and lead with fairness and honesty. Though a special interest group with several of our leaders and tribal members decided to travel to Washington D.C. to speak out against the project, I commend the leaders and tribal members who made the decision to stay home and continue to address the more important issues facing our community today.

I extend my apologies to the mother/daughter from Washington State - who walked to support what they believed was the truth. I only wish that they were introduced to our elders who have provided truth to us. Our healings continue and our concerns and issues are still in need of being addressed. There is so much we have to deal with as a tribal community that we need to come together to combat the social ills and come together to make decisions that benefit the greater good of our community. I humble my little mind so that I along with many who gracefully accept change do not allow fear to cripple us as a community but rather allow truth to lead and guide us.

Always in the spirit of Peace, Charity, Hope and Love, a San Carlos Tribal Member,

Respectfully submitted,
/s/ **Karen Kitcheyan Jones**

Pinal County gives \$40,000 to Hayden Senior Center

Pete Rios, Pinal County Supervisor and vice-chairman, last week made a sizable presentation to the Hayden Senior Center.

He was greeted warmly by Annie Hinojos, Hayden Senior Center, Jeremy Garcia, Hayden Town Council and Gloria Ruiz, Hayden Town Council. Rios presented the Town of Hayden a donation of \$40,000 to assist the town with services for the senior citizens.

"I wanted to thank Hayden Senior Center for helping our elderly," Rios said,

"when I say our elderly I include Hayden, Winkelman. They also serve Pinal County elderly. When (the) Superior Senior Center was in trouble, Hayden Senior Center bailed them out and they are still working on it. They service people in Kearny, Dudleyville, Mammoth, San Manuel, Oracle, Catalina and all the way to the SaddleBrooke line."

After the check was awarded, Rios met with some of the local seniors at the Hayden Senior Center and even had lunch with local residents.

Mountain Vista School celebrates community effort in building concession stand

By John Hernandez
San Manuel Miner

On Friday, Oct. 2, a barbecue was held at the new concession building at Mountain Vista School in Oracle. The barbecue was to thank all the businesses and people that helped make the building possible.

School staff, Governing Board members, volunteers, donors and their families attended. The building houses the concession stand and includes a kitchen and rest rooms. There are picnic tables and a barbecue grill. The concession building is located by the Mtn. Vista athletic fields.

The building has been seven years in the making. Construction started two years ago with people volunteering their time on weekends. Everything was the result of donations and volunteers.

"It was an unbelievable community effort," said Superintendent Dennis Blauser. More than \$25,000 was raised in five years through fundraising efforts of the PTO and others. It is a great addition to the Oracle School District.

The Oracle School District would like to thank everyone that contributed in making the building a reality.

Mountain Vista School last week celebrated the completion of the concession stand at the MVS athletic fields with a community barbecue.

The Miner women's swim team used the home pool advantage late last month as they pulled off a win for San Manuel.

On Tuesday, Sept. 29, the Miner Girls Swim Team hosted the team from Immaculate Heart High School. The Miners won the meet with a final score of San Manuel 95 and Immaculate Heart 26.

The Miner women won all 11 events at the meet. The Medley Relay team of Darien Apuron, Elyssia Aguilar, Gianna Sweeney, and Raya Woods started things off with a win. The wins kept coming as Rebekah Head won the 200 Freestyle, Darien Apuron won the 200 Individual Medley, and Gianna Sweeney won the 50 Freestyle. After the break, Mariela Canisales won the 100 Butterfly, Rebekah Head won the 100 Freestyle and Darien Apuron won the 400 Freestyle. The 200 Freestyle Relay team of Elyssia Aguilar, Stephanie Morris, Rebekah Head and Mariela Canisales

won by a large margin after being close for the first two legs. The final two individual events the 100 Backstroke and 100 Breaststroke, were won by Stephanie Morris and Gianna Sweeney respectively. The meet ended with the Miners winning the final relay, 400 Free Relay, uncontested (Apuron, Head, Woods, and Sweeney).

Seniors Mariela Canisales, Stephanie Morris and Rebekah Head all won individual events at the final home meet for the Miners.

"Seniors always find a way to come through when the opportunity presents itself, and this group of Senior Girls did exactly that at this meet," said head coach Alex Gort.

On Thursday, Oct. 8 the Miners will travel to the Udall Pool in Tucson to face Sahuaro and Tucson High Schools at 4 p.m.

Swimmers compete against Salpointe and Marana

On Thursday, Oct. 1, the Miner Swimmers traveled to Marana High School to compete in a three way meet against Salpointe Catholic High School and Marana High School. While they didn't manage to win the meet, they did gain some valuable experience. The final scores for the women's teams were: Salpointe 161, Marana 82, and San Manuel 56. The men's scores were: Salpointe 147, San Manuel 85, and Marana 70.

Salpointe is one of the powerhouse schools in swimming, and swimming against them at this point in the season gave the Miners some great experience. Winning any events against a team of that caliber is a great achievement. The Miners were able to win 4 events at the meet. Sophomore Will Newman won both the 200 Individual Medley and 100 Backstroke. Freshman Gianna Sweeney won the 100 Breaststroke. The 400 Freestyle Relay team of Junior Colbey Stratton, Senior Taylor

Woods, Senior Jacob Christian, and Will Newman won against some very good teams.

The Miners had some remarkable swims at the meet. Freshman Darien Apuron set a school record of 2:32.35 in the 200 Individual Medley, breaking the record held by her older sister Amara set in 2013. Will Newman shaved a few hundredths of a second off his 100 Backstroke record with a time of 56.94 to better the time he sat at the State Championship Meet last year. The Medley Relay team of Will Newman (Backstroke), Taylor Woods (Breaststroke), Colbey Stratton (Butterfly) and Jacob Christian (Freestyle) swam faster than any team in school history breaking the record set last year by Newman, Woods, Stratton and Robert Sweeney by more than 1 second.

The Miners continued their success in the Boys 400 Freestyle Relay. They have won it at every meet this

Tombstone runs past San Manuel

By Andrew Luberd
San Manuel Miner

The Yellow Jackets rushed for nearly 400 yards during last Friday's game against the Miners, including seven rushing touchdowns in a 49 – 21 victory at San Manuel.

Tombstone senior running back Christian Wilridge did the most damage, rushing for 240 yards and four touchdowns versus the Miners.

The Miners trailed 14 – 0 at the end of the first quarter and 21 – 7 at halftime. The Miners were able to score in each quarter after the scoreless first, but they couldn't keep pace on the field nor the scoreboard with Yellow Jackets.

The Miners host top-ranked and undefeated Benson this Friday.

Kickoff is scheduled for 7 p.m.

Alejandro Camacho prepares to pass the ball in Friday night's Homecoming game against Tombstone. Ramon Ruiz caught the pass.

Oracle Schools declines Neighborhood Watch services

By John Hernandez
San Manuel Miner

At the Oracle School District Governing Board meeting held on Sept. 17, 2015, the agenda included a recommendation that the governing Board discuss the Oracle Neighborhood Watch Alliance (ONWA) involvement with the Oracle School District.

The items to discuss were listed as:

- Possible development of guidelines by Superintendent in conjunction with ONWA regarding patrols: weapons, political

activity, trespassers, etc.

- Possible future action regarding use of vacant office space at the Oracle Ridge campus by ONWA

- Other concerns

According to Governing Board member Steve Brown, concerns brought up at the meeting were liability issues and what Brown says were racist and vulgar comments made by Ron Thompson, Coordinator/Safety for ONWA, on his Facebook page. The Board agreed to continue the discussion at the October meeting. In the meantime, ONWA could continue their security watch on school

grounds after hours and weekends.

It has been found out that the security watches have been discontinued at the school district's request. The ONWA was scheduled to do a presentation to students on Oct. 8, but that has been cancelled also. The neighborhood watch sign has been removed from the Mtn. Vista School fence.

When asked about the stopping of the watches, Superintendent Dennis Blauser said, "I respect that the Neighborhood Watch wanted to keep an eye on the school grounds but at this time, the school district has to respectfully decline their services."

Oracle celebrates Fiestas with St. Helen's

The crowning of a queen, great food and even better music were the culmination of many weeks of planning for St. Helen's Church in Oracle as Saturday they celebrated the annual Fiestas.

Folks in the Tri-Community didn't just have to choose the Fiesta, though, as Ore House Hilltop Tavern had its first Miners Reunion complete with a mining competition including jackleg drilling, hand mucking and more.
