## OBITUARIES

# Jesus 'Lucero' Ross

Jesus "Lucero" Ross was born in Eloy, Arizona June 20, 1919. He went on to build an amazing legacy. With his hard work he sent his deep love as far and bright

as a century old star could. Like the setting sun, our beloved pillar of light will set beautifully like the western skies of Arizona's evenings, to rise as often as our fondness wills.

Jesus started school in Klondike in the Gailuro Mountains, where he would ride his horse to the one-room schoolhouse for his learning. He travelled to and from Arizona to San Lorenzo, Mexico with his family and eventually met his bride, then settled in Dudleyville.

From a gardener at El Conquistador to a smelter supervisor at Hayden where he retired, raising a family, building homes, ranching, being a brother, father, son, uncle, padrino and much much more, "nothing was impossible" as he was wont to say when challenged.

Jesus always had a ready smile that would be followed

by playful rascality towards his siblings and family.

The last of his generation and knowing his brothers, sisters, father, mother, and his wife were waiting for him he drew his last breath Oct. 1, 2020 and did not tarry to join them.

Jesus loved all his family - gone before and the ones he leaves behind now. This is temporary and we will all see each other again.

Services for Jesus were held Wednesday, Oct. 7, 2020, at Griffith Mortuary. He was laid to rest at Florence City Cemetery. Family was assisted by Griffith Mortuary.

# Benjamin Hernandez

Benjamin Hernandez, 69, passed Sept. 26, 2020 at home in Superior, Arizona. He was born on Dec. 14, 1950 in Prescott to Benjamin and Katie Hernandez.

He was a lifelong resident of Superior and graduated from Superior High School in 1970. He worked at Kennecott and Magma mines, followed by a career change to the Department of Corrections. He retired after 30 years.

Benjamin was a loving husband, father, grandfather, and great-grandfather. He loved sports and was an avid fan. Throughout his life, he was very involved with Superior Little League, coaching, umpiring, calling games, and serving on the board. He later enjoyed watching his grandchildren play as well. He was a devoted member of St. Francis of Assisi Parish.

Benjamin is survived by his loving wife of 51 years, Virgie Campos Hernandez; son, Benjamin Hernandez III (Donnie); daughter, Sherry Tapia (Eddie); daughter, Jessie Hernandez; 12 grandchildren and 14 great-grandchildren. He is preceded in death by son Anthony, his parents Benjamin and Katie, and his brother Richard. He is also survived by many brothers and sister-in-laws, nieces, nephews, godchildren, and numerous family and friends.

Services for Benjamin were held at St. Francis of Assisi Catholic Church on Friday, Oct. 2, 2020. He was laid to rest at Fairview Cemetery. The family was assisted by Superior Funeral Home.

Copper Area News is committed to providing our readers with as much information as possible. We post a daily update on our Facebook page with the total positive COVID-19 Data. This graph shows the daily counts of positive cases for the past week as of press time on Oct. 6, 2020.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: <https://bit.ly/3inh280>

**Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6 feet apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.**

## Free COVID-19 saliva testing offered

Gila County Public Health and Emergency Management and Arizona State University's Biodesign Institute will provide SARS-CoV-2 (Covid-19) testing, utilizing a simple saliva collection method for the Copper Corridor.

Two testing days are offered: Friday, Oct. 9, and Friday, Oct. 16, 1-6 p.m. both days. Tests will be administered at Hayden High School, 824 Thorne Ave., Winkelman.

You must schedule an appointment prior to arriving at the test site.

### Schedule an appointment

- Register for appointment with your cell phone, tablet, laptop or desktop computer.
- Log in: <https://asubioemportal.pointnclick.com/>
- Agency code: SALIVATEST
- Once logged-in to the portal, click on "Appointments" to request an available appointment time.

Arrive no more than 15 minutes prior to your appointment.

If you have any scheduling issues, please email [COVID19info@asu.edu](mailto:COVID19info@asu.edu).

### Important guidelines

- You must wear a protective face covering - either cloth or surgical mask.
- Bring the QR code you receive after scheduling your test appointment.
- Thirty (30) minutes before your appointment, rinse your mouth with plain water for 20-30 seconds and then spit the water out.
- Do not eat, drink (even water), smoke, vape, or chew gum for 30 minutes prior to your appointment time (any of these factors may cause an invalid test and/or your test may be rejected by clinical personnel at site collection).
- Tip: Staying well hydrated by drinking water the day before and up to 30 minutes prior to your test will speed your saliva collection process.

Results will be available via the portal approximately 48 hours from your testing time.

Individuals will be available at the COVID-19 testing site to address questions you have pertaining to the sample collection process.

## LETTER TO THE EDITOR

### A Loyal Democrat

Kevin Cavanaugh is a complete fake. His real name is Kevin Smith, who changed his name when he was terminated from a midwest law enforcement job. He fled to Arizona to run for Pinal County Sheriff, congress twice, Justice of the Peace, and now County Supervisor. Kevin Smith worked for Sheriff Lamb and

failed to pass a DPS background investigation which tells us something, I don't have anything to do with this man and he should know it's illegal to promise political jobs. I ran against Pete Rios, but I'm a loyal Democrat and I will vote for Mr. Rios.

# Hispanic Heritage Month – The History of Hispanics in Wars

**H**ispanics have honorably served in all the military branches of the United States. More than 300,000 Latinos enlisted in the armed forces during World War II. It is estimated that 3,070 Hispanics died in the Vietnam War. Latinos earned 14

Portrait of Bernardo de Gálvez

Medals of Honor in Vietnam. They have served in every American conflict from the Revolutionary War to the present war against terrorism in the Middle East.

I was surprised to learn that Latinos were involved in the Revolutionary War. During the American Revolution and the founding of the United States, Spain still had numerous territories and interests in land that is now part of the United States.

In 1777, Bernardo de Galvez was appointed Governor of Louisiana with instructions from Spain to make friends with the United States. The American rebel colonists and France were at war with the British. During this time the British had blockaded the ports of the 13 colonies. Having control of the port of New Orleans, Galvez was instructed to sell badly needed supplies to the American rebels including muskets, gunpowder, food, and medicine. A supply route was established from New Orleans up the Mississippi River to rebel outposts.

On June 21, 1779, Spain officially declared war on Great Britain. Spanish troops commanded by Galvez captured West Florida. His military campaign defeated British colonial troops at Fort Bute, Baton Rouge and Natchez, freeing up the Mississippi Valley from British control. His armies recaptured Mobile in what is now Alabama. In 1781, the Spanish defeated the British and took the port of Pensacola, Florida. This meant the British had no bases along the Gulf Coast. Galvez's military campaign kept the British occupied so they could not encircle the American rebels from the south.

## HISTORICAL PERSPECTIVE

By John Hernandez  
Copper Area News

In 1783, the Treaty of Paris which ended the Revolutionary War, granted Spain the entire territory of Florida which had been in British control. In 1785, Galvez would be appointed Governor of New Spain which included what is now Mexico and the southwest United States, Texas and California. In 2014 the U.S. Congress conferred Honorary Citizenship on Galvez. In the citation he was called "a hero of the Revolutionary War who risked his life for the freedom of the United States people and provided supplies, intelligence, and strong military support to the war effort." The city of Galveston, Texas is named for him.

# Pinal Rural Fire District celebrates the history of Fire Prevention Week

Ninety years ago President Calvin Coolidge proclaimed the very first Fire Prevention Week in 1923. This year, Pinal Rural Fire District celebrates 90 years of fire prevention and life safety events in the United States.

Fire Prevention Week is observed each year during the week of Oct. 9 in commemoration of the Great Chicago

Fire, which began in the evening on Oct. 8, 1871, and caused devastating damage. This horrific conflagration killed more than 250 people, left 100,000 homeless, destroyed more than 17,400 structures, and burned more than 2,000 acres of land.

The Great Chicago Fire of 1871 started in the barn behind the cottage of Patrick and Catherine O'Leary at 137 DeKoven St., on

the south side of Chicago. Although the popular story is that a cow kicked over a lantern to start the fire, Michael Ahern, the Chicago Republican reporter who created the cow story, admitted in 1893 that he had made it up because he thought it would make colorful copy. At the time of the fire, the street was in a less prosperous neighborhood of Chicago.

In the 1990s, a team of forensic fire investigators recreated the neighborhood where the O'Leary's lived. Their research provided information that a neighbor, Daniel Sullivan, was the last one in the barn that evening and was the likely cause of the fire. However, the investigators were not able to completely prove this hypothesis.

The Great Chicago Fire undoubtedly is the most famous fire in American history; however, it was the smallest of the many fires that burned on Oct. 8-10, 1871. On that very same night, some 250 miles

north of Chicago, another inferno raged as well; this one in Peshtigo, Wisconsin. Although widely eclipsed in history by the Great Chicago Fire, the Peshtigo Fire proved even deadlier than its neighbor to the south, and in fact gained the infamous status of the deadliest fire in recorded history.

When the flames eventually died out, the damage of the Peshtigo Fire was staggering: The conflagration had consumed 1,875 square miles, obliterated 12 communities, and caused the deaths of between 1,500 and 2,500 people.

Fire Prevention Week is observed in the United States and Canada, during the week (from Sunday to Saturday) in which Oct. 9 falls. In the United States, the first Presidential proclamation of Fire Prevention Week was made in 1925 by President Calvin Coolidge.

The theme for Fire Prevention week this year is "Serve Up Safety in the Kitchen."

# Kearny Council fires town manager

The Kearny Town Council held a special meeting on Friday afternoon to discuss and vote on the employment of Town Manager Jeff McCormick.

After an executive session, the council voted to terminate him immediately and appointed Town Clerk Martina Burnam as the interim manager. McCormick was still under probation and did not have an employment contract with the Town of Kearny.

McCormick began his position as Town Manager in April of 2020 following the

retirement of former manager Anna Flores. Rumors began swirling about McCormick when the Parker Pioneer newspaper contacted Copper Basin News about McCormick's candidacy for La Paz County Supervisor. McCormick consistently ignored requests from Copper Basin News for updates on his candidacy, employment and townwide updates.

The council will host its next scheduled meeting on Monday, Oct. 19, 2020. They are expected to discuss their options for hiring a new manager.

# Wallace Garden at Boyce Thompson Arboretum – OPEN

The Boyce Thompson Arboretum has announced that the new Wallace Garden Desert Collection has opened at the Boyce Thompson Arboretum on Oct. 1. Over the weekend members of the Town Council and Town staff attended a scaled back grand opening celebration. The mini events recognized all of the partners who helped to support the move of the HB Wallace collection of plants and the development of the garden.

“What is most unique about this new segment is that it was arranged in a way that makes it appear that the trails were built around the native landscape. The Arboretum is a cornerstone of our community and we are all proud of this new addition,” said Mayor Mila Besich.

The new Wallace Desert Garden, at 13 acres, is situated adjacent to Queen Creek in a natural setting that offers spectacular views of Picketpost Mountain and the Superstition Mountains. It includes 1.5 miles of new trails and loops, two water crossings, and gathering areas. For the opening, the main trail will guide visitors in a single direction, to avoid “traffic jams” and help maintain physical distancing.

The Arboretum had planned to celebrate the grand opening with a gala in March, however COVID-19 restrictions and the raging pandemic forced the

postponement of the event and opening of the garden. Sponsors for the mini gala celebrations included: Pinal County, Resolution Copper, Kalamazoo Materials Inc. Site One Landscape Supply, Stablizer Solutions, Historic Hotel Magma, Arizona Wilderness Brewing Company, Straight Plate Catering, Bruzzi Vineyard and Bouquets on Broad.

You can book a guided tour of the garden by visiting the Boyce Thompson Arboretum webpage: <https://www.tbarboretum.org/wallace-desert-garden>. The Boyce Thompson Arboretum is also hosting its annual Fall Plant sale starting this weekend; members do receive a discount and there are a variety of membership options including a “Neighborhood” membership.
