OBITUARIES

Joy Brooks

Mrs. Joy Brooks, 85 years of age, and a longtime resident of San Manuel, passed from her earthly dwelling to her heavenly home on Sept. 30, 2020. Joy has been in declining health in the past year culminating in emergency abdominal surgery on Sept. 11, 2020. Her passing has left a huge hole in the lives of her family, her Assembly of God church family and the many friendships accumulated throughout her 64 years living in San Manuel.

In the early years of her marriage, along with her homemaking skills, Joy was also an excellent bookkeeper whose handwriting skill was a true thing of beauty. She was a faithful member and congregant of the San Manuel Assembly of God Church, who knew how to joyfully worship the Lord. She was a true friend to all and a confidant to many. She loved to laugh and have a good time. She amazed and possibly shocked some folks one

Saturday morning at the Farmers Market when she and great-grandson Isaac were observed doing the "Twist" to the tune of "Rockin' Robin".

Joy was born on Feb. 20, 1935 to Noel and Hettie Wright in Erick, Oklahoma. She was the last of eight siblings.

She is survived by daughter, Karen Hogg (Lee); granddaughter, Ashlee Hogg (Roy); great-grandson, Isaac Halbert; and her longtime husband of 65 years, Lynn Brooks. Though we miss her painfully for now, we are comforted in the knowledge that we will be together again. Our hope and confidence is in Jesus Christ and no other.

Lillian Dickson

Lillian Dickson, 81, passed away from natural causes on Sept. 10, 2020, in Tucson.

Lillian is preceded in death by her son, Anthony (Pam) Urrea.

She is survived by Kathy Flores-Valle, Fernando Garibay, Gabriel Garibay and Vivian (Gary) Garibay-Presa.

Lillian was a resident of San Manuel, then Mammoth, for over 30 years. She graduated from San Manuel High School in 1957, and earned her certification as a Medical Assistant. Most of her career was in Social Services. She worked for Pinal County's Grassroots and WIC programs. Lillian always took her job to the next level, even if it meant working after hours to ensure families had food, clothing and shelter. She also worked as a Home Health Aid for Pima County's Tuberculosis Clinic and Kelly Home Services, serving her community for over 20 years before retiring in 2007.

Lillian was an avid bingo player. This is where she spent time with her close friends. She won a lot, but spent just

as much if not more. Lillian loved her plants. She took pride in the variety of flowers and plants she cultivated in her potted garden. She loved her crafts. She crocheted, made dish towels, baskets and doilies. Most crafts she gave away.

More than these, she loved her 10 grandchildren, 11 great-grandchildren and her great-great granddaughter. They, in turn, loved her and leave these messages in remembrance of her:

She was the nicest sweetest happiest Great Nana I knew –

Maia, great-granddaughter

She was very independent, feisty and very hilarious –

Brittany, granddaughter

She was very vivacious – Kayla, granddaughter
 Her life has had a lasting impact that will continue through the love she had for her children and grandchildren. Mom and Nana Lilly, we were blessed to have you in our lives. You will be missed.

Services were held at Evergreen Cemetery, 601 E Ft. Lowell Rd in Tucson, on Sept. 20, at 11 a.m. Padre Gonzalo Villegas of Sacred Heart Catholic Church officiated.

OBITUARY

Jesus 'Lucero' Ross

Jesus "Lucero" Ross was born in Eloy, Arizona June 20, 1919. He went on to build an amazing legacy. With his hard work he sent his deep love as far and bright as a century old star could. Like the setting sun, our beloved pillar of light will set beautifully like the western skies of Arizona's evenings, to rise as often as our fondness wills.

Jesus started school in Klondike in the Gailuro Mountains, where he would ride his horse to the one-room schoolhouse for his learning. He travelled to and from Arizona to San Lorenzo, Mexico with his family and eventually met his bride, then settled in Dudleyville.

From a gardener at El Conquistador to a smelter supervisor at Hayden where he retired, raising a family, building homes, ranching, being a brother, father, son, uncle, padrino and much much more, "nothing was impossible" as he was wont to say when challenged.

Jesus always had a ready smile that would be followed by playful rascality towards his siblings and family.

The last of his generation and knowing his brothers, sisters, father, mother, and his wife were waiting for him he drew his last breath Oct. 1, 2020 and did not tarry to join them.

Jesus loved all his family - gone before and the ones he leaves behind now. This is temporary and we will all see each other again.

Services for Jesus were held Wednesday, Oct. 7, 2020, at Griffith Mortuary. He was laid to rest at Florence City Cemetery. Family was assisted by Griffith Mortuary.

LETTER TO THE EDITOR

A Loyal Democrat

Kevin Cavanaugh is a complete fake. His real name is Kevin Smith, who changed his name when he was terminated from a midwest law enforcement job. He fled to Arizona to run for Pinal County Sheriff, congress twice, Justice of the Peace, and now County Supervisor. Kevin Smith worked for Sheriff Lamb and

failed to pass a DPS background investigation which tells us something, I don't have anything to do with this man and he should know it's illegal to promise political jobs. I ran against Pete Rios, but I'm a loyal Democrat and I will vote for Mr. Rios.

Important guidelines

- You must wear a protective face covering - either cloth or surgical mask.

Add Oracle State Park to your online destinations

The Friends of Oracle State Park continue to engage with the Oracle State Park during these challenging times. The Board of Directors reportedly meets often to talk about how to best serve the park and the community.

Deborah Gaines, President of the Friends of the Oracle State Park, stated, "We have created two ad hoc committees. One is exploring ways to restore the sisters' cottages for limited use, and the other is looking at rebuilding the nature blind."

With months of more persons being home from work and school, with social distancing in effect, there are not many distractions and forms of recreation left to enjoy. Most of the events that not only entertained the locals, but defined the Tri-Community area to the world at large, are big social affairs; and as such, have been at least temporarily stripped away.

Getting out in nature with your loved ones, perhaps seeing others enjoying the park from the small but important distance that must be maintained, may be a good way to add normalcy back into this strange new way of life, as well as a good method of getting in exercise.

She continued, "Attendance at the park has been high, although most events have been put on hold. We are excited to have a Virtual Star Party on Friday, Oct. 9."

While events are being scheduled, it must be noted that social distancing and the use of masks are still in effect and the Oracle State Park is no exception. For information about Arizona State Parks Covid protocol go to azstateparks.com/coronavirus.

If you are not a member of Friends of Oracle State Park, but would like to be there are a few methods open to you. If you have internet access, you may want to visit online at friendsoforaclestatepark.org and select "Become a Friend" on the left side of the page. Alternatively, you may contact Deborah Gaines at friendsoforaclestatepark@

gmail.com to have a membership form emailed to you. For those without internet access, a membership form may be requested at the Oracle State Park.

Currently, the hours at which Oracle State Park is open to the public are 8 a.m. through 5 p.m. with the Kannally Ranch House Gift Shop open from 9 a.m. through 4 p.m.. The Mt. Lemmon Road entrance gate closes at 4 p.m. and the exit gate is closed and locked at 5 p.m. As always, the American Avenue Trailhead is open daily, sunrise to sunset for hikers, equestrians and mountain bikers; and nightly for stargazers. No camping will be permitted, either in tent or vehicle, no water will be available and no fires are allowed.

Every day the park is open you are welcome to visit the park and take a self-guided tour of the historic Mediterranean-Revival style Kannally Ranch House which was built in 1929 through 1933 and is listed on the National Register of Historic Places. Wearing a mask and social-distancing is required, without exception to tour the house. A maximum of six persons are allowed to tour the house at one time, for your safety.

Beginning Monday, October 12 COVID-Safe Guided Bird Walks will head out at 8:15 a.m. Due to limited space, with no more than five participants able to join each walk, call ahead to make your reservation. Everyone must agree to wear a mask and socially distance on the trail during the entire guided bird walk.

For this walk, you will join volunteer guide Mary Ellen at the Kannally Ranch House upper patio, in the beautiful Oracle State Park. The park is a quiet place elevated both in height and experience. At 4500 feet elevation, it offers a different habitat to explore than that which can be found around Tucson, which means different species of birds which dwell in these higher climes.

The bird walk is free for AZ State Parks Annual Pass

Sister's Cottage at the Oracle State Park.

holders, or with park admission of \$7 per vehicle. Bird Walk dates include Oct. 19 and 26, 2020. Call Oracle State Park to make a reservation: (520) 896-2425.

Ah, but what of the star party mentioned earlier in this article? On Friday, Oct. 9, from 7 p.m. to 9 p.m. (Arizona/PDT) the Tucson Amateur Astronomy Association (TAAA) Virtual Star Party, which will be recorded in advance, shall be streamed on Facebook and YouTube and will be on both Chats, for the answering of questions and allowing public interaction. The focus of this party will be the Solar System.

By **John Hernandez**
San Manuel Miner

On Tuesday, Sept. 29, 2020, Pinal County workers were in Mammoth and San Manuel to help

residents sign up for the Census and register to vote.

District 1 Supervisor Pete Rios was also in attendance at the outreach events held in front of Salt & Pepper in San Manuel and at General Dollar

in Mammoth. In Mammoth, members of the Town Council and the new Interim Town Manager, John Schempf were in attendance. Free sno-cones were available and Pinal County workers handed out free Pinal County face masks.

Hispanic Heritage Month – The History of Hispanics in Wars

Hispanics have honorably served in all the military branches of the United States. More than 300,000 Latinos enlisted in the armed forces during World War II. It is estimated that 3,070 Hispanics died in the Vietnam War. Latinos earned 14

Portrait of Bernardo de Gálvez

Medals of Honor in Vietnam. They have served in every American conflict from the Revolutionary War to the present war against terrorism in the Middle East.

I was surprised to learn that Latinos were involved in the Revolutionary War. During the American Revolution and the founding of the United States, Spain still had numerous territories and interests in land that is now part of the United States.

In 1777, Bernardo de Galvez was appointed Governor of Louisiana with instructions from Spain to make friends with the United States. The American rebel colonists and France were at war with the British. During this time the British had blockaded the ports of the 13 colonies. Having control of the port of New Orleans, Galvez was instructed to sell badly needed supplies to the American rebels including muskets, gunpowder, food, and medicine. A supply route was established from New Orleans up the Mississippi River to rebel outposts.

On June 21, 1779, Spain officially declared war on Great Britain. Spanish troops commanded by Galvez captured West Florida. His military campaign defeated British colonial troops at Fort Bute, Baton Rouge and Natchez, freeing up the Mississippi Valley from British control. His armies recaptured Mobile in what is now Alabama. In 1781, the Spanish defeated the British and took the port of Pensacola, Florida. This meant the British had no bases along the Gulf Coast. Galvez's military campaign kept the British occupied so they could not encircle the American rebels from the south.

HISTORICAL PERSPECTIVE

By John Hernandez
San Manuel Miner

In 1783, the Treaty of Paris which ended the Revolutionary War, granted Spain the entire territory of Florida which had been in British control. In 1785, Galvez would be appointed Governor of New Spain which included what is now Mexico and the southwest United States, Texas and California. In 2014 the U.S. Congress conferred Honorary Citizenship on Galvez. In the citation he was called “a hero of the Revolutionary War who risked his life for the freedom of the United States people and provided supplies, intelligence, and strong military support to the war effort.” The city of Galveston, Texas is named for him.

Let's Have a Civil Election

I have received reports from several very reliable sources, that Biden-Harris campaign signs have been run over, knocked down and stolen, both in Oracle and San Manuel. One wonders of the mentality of the people who would do this. I can understand you Trump followers being upset that things aren't going so well for your candidate. Trump is down by double digits in national polls and even in Arizona. McSally appears that she will not be in the Senate much longer and the President and First Lady have both contracted COVID-19. Then there will be more coming out about Trump's taxes and his business ventures.

There is some good news as it seems that President Trump may survive the virus and return to the White House. However, if his poll numbers go up while he is in the hospital, he will probably check himself back in. Republican leaders in different states are doing their best to suppress voter turnout and mail in ballots. Throw in Russian interference and the odds are much improved for the impeached candidate.

If you believe in law and order which Trump keeps preaching about, then you will not break the law by tampering with campaign signs. Then again, if you believe as Trump does that all is fair in keeping him out of jail, go ahead and be you!

Author's Note:

I have been given the opportunity to express my

opinion and viewpoints on politics, national, state, and local issues as well as life in general. I hope to inform you as well as entertain you, make you smile or make you mad. I will use humor, sarcasm and occasionally anger to express my views. My intention is to hold

politicians accountable sometimes bringing some heat on them and if my views make you angry or hot, remember that like my humor, it is a dry heat. These opinions are entirely my own and do not reflect the views of Copper Area News Publishers.

Copper Area News is committed to providing our readers with as much information as possible. We post a daily update on our Facebook page with the total positive COVID-19 Data. This graph shows the daily counts of positive cases for the past week as of press time on Oct. 6, 2020.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: <https://bit.ly/3inh280>

Florence, AZ 85132 Re: Loss of October 17, 2018 Dear Ms. Quintero: We appreciate your choosing our firm to help you with your personal injury case. We regret that due to the lack of response and your failure to communicate with us as stated in the fee agreement, we now have to cancel our Contingency Fee Agreement. You should know that the statute of limitations in Arizona for a tort action is generally two years from the date of injury, or when you knew or should have known of your injury. If your claim involves a state public entity such as a city or town or school district, then the statute of limitations is only one year, and you must also properly serve notice of your claim on the state public entity within 180 days from the date of injury. Also, if your claim involves a worker's compensation claim, or a claim that arises by statute (such as a dog bite claim), you may have only one year from the date of injury to preserve your claim. These and other time periods, subject to several exceptions, may cut off your right to claim for your injury. We appreciate the opportunity to have represented you. We regret we cannot proceed further for you. If we can help you or a loved one in the future, please let us know. Sincerely, GOLDBERG & OSBORNE Amanda L. Pinal Rural Fire District celebrates the history of Fire Prevention Week

Ninety years ago President Calvin Coolidge proclaimed the very first Fire Prevention Week in 1923. This year, Pinal Rural Fire District celebrates 90 years of fire prevention and life safety events in the United States.

Fire Prevention Week is observed each year during the week of Oct. 9 in commemoration of the Great Chicago

Fire, which began in the evening on Oct. 8, 1871, and caused devastating damage. This horrific conflagration killed more than 250 people, left 100,000 homeless, destroyed more than 17,400 structures, and burned more than 2,000 acres of land.

The Great Chicago Fire of 1871 started in the barn behind the cottage of Patrick and Catherine O'Leary at 137 DeKoven St., on

the south side of Chicago. Although the popular story is that a cow kicked over a lantern to start the fire, Michael Ahern, the Chicago Republican reporter who created the cow story, admitted in 1893 that he had made it up because he thought it would make colorful copy. At the time of the fire, the street was in a less prosperous neighborhood of Chicago.

In the 1990s, a team of forensic fire investigators recreated the neighborhood where the O'Leary's lived. Their research provided information that a neighbor, Daniel Sullivan, was the last one in the barn that evening and was the likely cause of the fire. However, the investigators were not able to completely prove this hypothesis.

The Great Chicago Fire undoubtedly is the most famous fire in American history; however, it was the smallest of the many fires that burned on Oct. 8-10, 1871. On that very same night, some 250 miles

north of Chicago, another inferno raged as well; this one in Peshtigo, Wisconsin. Although widely eclipsed in history by the Great Chicago Fire, the Peshtigo Fire proved even deadlier than its neighbor to the south, and in fact gained the infamous status of the deadliest fire in recorded history.

When the flames eventually died out, the damage of the Peshtigo Fire was staggering: The conflagration had consumed 1,875 square miles, obliterated 12 communities, and caused the deaths of between 1,500 and 2,500 people.

Fire Prevention Week is observed in the United States and Canada, during the week (from Sunday to Saturday) in which Oct. 9 falls. In the United States, the first Presidential proclamation of Fire Prevention Week was made in 1925 by President Calvin Coolidge.

The theme for Fire Prevention week this year is "Serve Up Safety in the Kitchen."
