Hayden Police to host national night out, domestic violence walk Oct. 19

Hayden, AZ - What constitutes domestic violence? Most of us know it as when someone loses their temper and hits their partner or a child, and that it can escalate further in physical violence to encompass physical damage to the point of the victim needing medical care. Since most of us do know that, why is there a need for an awareness night or walk, to bring it further into the public eye?

Domestic violence is often a discernible pattern of abusive behavior, such as the family knowing that, when a certain one of them comes home looking like they had a bad day at work, it's best for all concerned to make sure the house is clean, dinner is on the table and no one says anything; and, since they are stewing in their own anger, that still won't be enough to avoid someone being yelled at, at least, and, probably, worse will occur. In this scenario, often there are friends and family that know it, maybe others. Yet, it goes on and if it is not stopped or pointed out as being wrong, the children growing up in that home can grow up with the belief that this is what they have caused, that this is the way life is supposed to be for all children, that this is how a person of that sex should be expected to act, or something of a similar, life-destructive description.

Many patterns are more hidden. Sexual violence, such as incest or raping one's own spouse in the privacy of a shared bedroom, are seldom known by others and are very often not mentioned publicly, because, they are horrible actions. No one wants to think about them. Yet, the victims have to know about them, and they need to know that they are wrong, no matter what excuse the perpetrator gives for why such things occur.

Domestic violence is a pattern of abuse, whether secret

or known by many, which is used by one or more persons in a domestic living situation to gain power and control over one or more other persons. This pattern can be psychological, such as what is known as gaslighting. It can be threats used to influence another out of fear of actions that might be taken. It can, of course, be physical violence, unwanted sexual contact, and even economic. If it is behavior that is about physically hurting, injuring, wounding, intimidation, manipulation, humiliation, isolation, coercion, threatening, or, an oppressive and unfair assignment of blame, in a home situation, it is domestic violence. Many of us are not aware of that depth or breadth. All of us should be, whether it is as a victim who is made to feel like they are just too sensitive or demanding, or, a perpetrator who needs to look in the mirror and see who they really are and turn around and change.

On Saturday, Oct. 19, Getting Arizona Involved Neighborhoods (G.A.I.N.) and the Hayden Police Department will be holding the 2019 Hayden G.A.I.N. Public Safety Night Domestic Violence Awareness Walk at Garms Park, 173 Fifth St. in Hayden. Members of the Hayden Police Department will be participating, along with other agencies.

The Domestic Violence Awareness Walk will begin at 3 p.m. and end at 5 p.m. This will be followed by family fun activities, such as free food, a bounce house, D.J. and music, and games from 5 p.m. to 8 p.m. To end the night, a candlelight vigil will be held from 8 p.m. - 8:30 p.m.

For more information on this event, please contact Sergeant Marquez at the Hayden Police Department at 520-356-6205.

Stop Vandalizing Our Beautiful Town

Abbie McDougall was a long-time resident of Kearny who really made a difference in our Town. She painted the library and the back of the buildings behind the business district uptown all by herself and of course, volunteered for many activities too numerous to mention. She painted beautiful mountains and when the colors started to fade, her daughter and several people in the community decided to brighten the colors and they painted the beautiful purples, blues, and oranges that we have today.

Unfortunately, the Town has had a wave of vandalism and people have graffitied the beautiful walls. We have a lovely town and a lovely artist who wants to make our town more enticing and beautiful to look at for everyone so she has taken it upon herself to paint the Kearny Library Activity Center and the Pool building.

When she discovered the graffiti on the library walls, she decided to paint over the graffiti, however, as soon as she painted over the graffiti, within 24 hours someone

damaged her painting, because of the vandalism, extra precautions are now being taken.

A reminder that "Recklessly drawing or inscribing a message, slogan, sign or symbol that is made on any public or private building structure or surface, except the ground, and that is made without permission of the owner is a criminal offense and can be prosecuted." (A.R.S. § 13-1602A5)

Please remember to be respectful of others and of people trying to make our Town a little brighter and little more colorful for you. They are hoping you will appreciate the nice things that the many volunteers do for you that are too numerous to mention. There has been an outpouring of love and respect for this person because she has been painting the library for two weeks. If you haven't driven by, please do so and give her a "honk" or a "thumbs up." She is really making a difference in our Town and please be respectful of her art.

Superior wins championship rematch with Hayden

By Andrew Luberda
Copper Area News

Last Friday's rematch of the 2018 1A State Championship Game might feature the same teams in this year's title game.

No. 3 Superior and No. 5 Hayden started out like a heavyweight fight with the fighters moving around the ring without many punches being thrown, as the first quarter ended without any points being scored.

But things changed in the second quarter when Superior landed a couple of haymakers, scoring 24-unanswered points before halftime. The Panthers outscored the Lobos 22 – 12 in the second half to secure a rather decisive victory, 46 – 12.

"We made a lot of mental mistakes early on," Superior head coach Ryan Palmer said afterwards. "Once we settled down and started doing the little things right, we played much better."

Superior senior captain Sammy Lopez did it all Friday night. He scored a pair of touchdowns – one receiving and the other a pick-six – with three interceptions and a fumble recovery to go along with 98 yards receiving. Lopez now leads the 1A Division

with seven interceptions.

"Sammy had an outstanding game and is having a great senior season," Palmer said. "Sammy works hard and has a great attitude. He leads by example, which is exactly what you want from a captain. He has stepped up nicely into a leadership role both on and off the field."

Superior junior Adam Navarrette also scored a pair of touchdowns – one receiving, one rushing – and finished with 138 all-purpose yards and an interception. On defense, Matthew Diaz-Gonzales (13), Navarrette (14) and Gabe Castillo (13) all totaled double-digit tackles. Junior Marc Mendoza recorded two sacks and senior Gabriel Otero recovered a fumble and returned it for a touchdown.

Hayden, which was without starting quarterback AJ Castillo for a third-straight game, suffered its first loss of the season.

"We didn't play well," Lobos' head coach John Estrada said. "We didn't stick to our game plan and got beat."

Hayden senior Gibby Carmelo rushed for a touchdown and threw for another to junior Manny Guillen.

Ray's playoff chances take a hit with loss

By Andrew Luberda
Copper Basin News

The Ray football team will have to do it the hard way if it's going to qualify for the 2019 1A State Championship Playoffs.

The Bearcats entered last Friday's game against visiting Arete Prep knowing they need to win one of their final two games to secure a playoff berth, and with the regular-season finale looming at defending state champion Superior in the battle for The Copper Helmet, beating the Chargers at home certainly seemed the easier path to

the playoffs.

Last Friday's result came down to the end of a back-and-forth game, as Ray erased a 10-point second-half deficit with a chance to take the lead on its final possession, but a failed fourth-down conversion turned the ball over to Arete Prep, which held on for the 54 – 52 victory.

"I thought we played well all around," Ray assistant coach told *Copper Basin News*. "We had our opportunities to win but it didn't go our way."

Ray junior Alex Bravo, who made the start at quarterback, threw a pair of touch-

downs to senior Eric Manriquez, who also returned a kickoff for a touchdown. Bravo also rushed for 202 yards and two touchdowns. On defense, Bravo returned two interceptions for touchdowns.

"Alex Bravo stepped up big at quarterback for us," Fessenden said. "He threw the ball well and had a huge game running the ball.

"Arete never kicked deep again after (Manriquez' kickoff return)," he added.

"They were giving us great field position because they didn't want the ball in Eric's hands."

Now things get exponentially tougher. It

won't be easy, but the Cats are up to the challenge in front of them.

"We do need this one to make playoffs," Fessenden said. "It's going to be difficult to get the (win) but not impossible.

"We need everyone committed 100-percent during the week of practice, study film and be focused. We lack numbers as far as how many football players we have, but we do not lack talent."

The Cats will need all of that and maybe more to beat the champs.

Up next: At Superior this Friday, Oct. 11. Kickoff is scheduled for 7 p.m.

Halloween hijinx are upon us

The Great Pumpkin is readying for his ride across the midnight sky, things of creepy, scuttling, slithersome propensities are ready to grab ankles, and, parents are out buying large bags of candy just like they tell children to stay away from the whole rest of the year.

Yes, it's that time again, when Halloween brings out the merry mayhem and schools are transformed, in the twinkling of an eye, from institutions of learning to institutions for costumed madmen.

Leonor Hambly Elementary K-8, in that vein, presents Halloween Fun Night on Thursday, Oct. 24, from 5 p.m. - 8 p.m. Tickets for all events may be purchased at the K-8 office and if you reserve them, now, you will save yourself the trouble of long lines, later.

There will be a DJ Ghost pumping out manic vibes to make you jitter, an enforced exercise prison (jumping castle), people throwing things (games), an attempt to capture

your essence (photo booth), hidden personalities lurking behind false fronts (costume contest), and all manner of other gruesome activities. For the timid of heart, there will also be food, raffles and a cake walk. Of course, there will also be food for sale: green, red, and bean burros; hamburgers; nachos; popcorn; posole; menudo; popcorn balls; candy apples; and, to drink, water, soda and hot cocoa.

At the Wolf Den, from 7 p.m. - 10 p.m., a howling bad time will be had by all who dare to enter the Haunted House. You must pay the toll of \$3 to enter.

If this is not enough to freeze your blood, Hambly K-8 will also be holding a Halloween Spook Walk on Halloween, aka: Thursday, Oct. 31, beginning at 8:30 a.m.

Later that evening, the Town of Winkelman will present fresh, new horrors on Thursday, Oct. 31, from 6:30 p.m. - 10 p.m. at their 3rd Annual Free Haunted House. They invite you to come

trick or treat at the Carn-Evil Hunted House. Diabolical games and a return of that ghostest with the mostest, DJ Ghost, will be part of the terror inflicted. Beware of the clowns!

On a less frightening note, a costume contest for all ages will be held. You must be present and signed in before 7:30 p.m. to participate. Also, you may enter the raffle to win free gifts by Dirty Sno, Kearny Glass & Auto and Sharels Decal.

Vendors for this event will include Dirty Sno, Sidewalk

Alternatives, Maria's Cafe and other locals. You may look forward to ice cream, candy, apples, burros, menudo and much more for sale, if you enter the haunted house and survive long enough to make it out and taste them, that is.

School shows support for their classmate

Roberto "Wiki" Gallego, a third grader at Leonor Hambly School, was diagnosed with leukemia recently. He is unable to attend school at this time as he is in chemotherapy treatments. He does his studies at the hospital and at home.

His classmates and the school's staff wanted him and his family to know that he is thought of and prayed for daily.

In fundraising efforts at the school, students and teachers sold "Wikistrong" T-shirts

and wore them or the color orange that symbolizes the fight against leukemia to show their support.

The Leonor Hambly School third grade class and staff presented a check for \$600 at the football game Friday to Wiki and his family from the profits of the T-Shirt sales. The class hopes this will help with medical cost.

"We know your fight is our fight," they said. "Your Lobo family will be with you every step of the way."

WORKING GROUP

Continued from page 6

It's important that Hayden rebounds to maintain a top-seed in the playoffs, perhaps even a first-round bye.

"Last week's game is over," Estrada said. "We need to learn from it and move on. It'll be challenging from here on out. We need to continue to work hard and get ready to play on Fridays."

Superior will host Ray, which faces a must-win game to earn a playoff berth. The Panthers don't need any extra motivation. "The Copper Helmet is up for grabs,"

Palmer said. "(We) love the tradition of the rivalry and will be excited to play for it on our home field. We also have a chance to secure our fifth-consecutive Region Championship, which is a great milestone for our program."

Up next, Superior: Versus Ray this Friday, Oct. 11. Kickoff is scheduled for 7 p.m.

Up next, Hayden: Versus NFL Yet Academy this Friday, Oct. 11. Kickoff is scheduled for 7 p.m.

Natural Gas Safety

Wherever you live, work, or play.

NATURAL GAS LINES

can be buried anywhere, even in areas where homes don't use natural gas. So it's important that EVERYONE knows how to recognize and respond to a natural gas leak, wherever they are.

A LEAK MAY BE PRESENT IF YOU:

SMELL:

a distinct sulfur-like odor, similar to rotten eggs, even if it's faint or momentary.

HEAR:

a hissing or roaring coming from the ground, above-ground pipeline, or natural gas appliance.

SEE:

dirt or water blowing into the air, unexplained dead or dying grass or plants, or standing water continuously bubbling.

IF YOU SUSPECT A LEAK

- **Exit the area or building immediately.** Tell others to evacuate and leave doors open.
- From a safe place, call 911 and Southwest Gas at **877-860-6020**, day or night, whether you're a customer or not. A Southwest Gas representative will be there as soon as possible.
- Don't smoke or use matches or lighters.
- Don't turn on or off electrical switches, thermostats, or appliance controls; or do anything that could cause a spark.
- Don't start or stop an engine, or use automated (garage) doors.

For more information about natural gas safety visit
