LETTER TO THE EDITOR

Save Rural Arizona Voting Power

Every 10 years, mostly ignored by the major media, every voting district of every state in the country is redrawn. A new Census means new population and demographic numbers. These new numbers make us redraw our voting districts. Voting districts must have equal population, not section off groups deemed "minorities" under federal law and realign like communities.

However, there is one minority group in the State of Arizona that is not protected by law, and too often gets trampled on during "redistricting". That minority group is the rural citizens of Arizona. When metropolitan centers like Phoenix and Tucson are excluded, and urban population centers such as Flagstaff, Sedona, Prescott, San Tan Valley, Casa Grande, and Sierra Vista are removed, the rural towns and neighborhoods equal less than 25 percent of the total state population.

Our mayors and councilmembers and many of our county supervisors know the struggles of competing against metropolitan areas for a share of the revenues and resources. Besides our local elected officials, there are no laws protecting our people group. We produce the wealth of the world in minerals, crops, and cattle,

yet we fight and labor for what we have. We have ourselves. It is up to us to make sure that our rural voice and voting power is returned to our state government.

The Arizona Independent Redistricting Commission is charged with redrawing the district lines for our state legislature. This means, they will decide the territory that we get to choose legislators from in our next elections for another ten years. We get to tell them what we want, though. We get to tell them that Rural Arizona will not be a back seat to Metro Arizona. We require our own voice in the Sate Legislature. Give us our solely rural and undivided legislative district in rural Eastern AZ.

Visit <https://bit.ly/3wcNke2> to a comment on the Redistricting Commission Website. Tell them: "I support keeping the 5 Eastern Rural Counties united!"

In the Month of November, a public hearing maybe coming to your community. Make every effort to attend and give this message to the commissioners in person. We have proposed to them that the 5 East Counties of Gila, Graham, Greenlee, southern Navajo and Apache, along with the Copper Corridor, the Verde Valley, and

LETTER TO THE EDITOR

Kearny Councilwoman Tenders Resignation

After much consideration, I have decided it is best as Council Member I resign my position on the Town of Kearny Council Board. Effective October 31, 2021.

It has been an honor and a privilege to have had the opportunity to serve my community for seven years. I have witnessed great teamwork and leadership through my years of service; many tough decisions were made and it was never easy. I did learn that when both Council and Town Employees work together as a team and work towards the same goal, good

things come to our community.

I will not get into the reasons for my decision; I feel it is time for me to step down. I want to keep this decision on a positive note and I would like to wish the Town of Kearny Mayor and Council and Town Employees all the best.

In conclusion I would like to end this letter by thanking those who voted for me and supported me through my years of service.

Sincerely,
/s/ **Nancy Hinojos**

Kearny to host annual car show this weekend

Kearny, AZ - It's time to think about cars. Why? It's always time for thinking about cars! I'm starting with songs. There is a song that says, "My pappy said, "Son, you're gonna' drive me to drinkin' if you don't stop drivin' that Hot Rod Lincoln." It was released in 1972. Count up the years between then and now. It's almost 50 years old and still gives many people a reason to smile and reminisce. However, there was a version before that one, from 1955,

when everybody was in love with a very big car and people definitely still listen to that first song, too. America loves her songs about cars!

There are other songs about other cars: *Little GTO; Little Red Corvette; Fun, Fun, Fun; Drive My Car; Mercury Blues; Makin' Thunderbirds; Grease Lightning; Get Outta My Dreams, Get Into My Car* and so many more. Even when gas prices rise and people point to bikes, with or without motors, the songs

remain. People sing about and listen to songs about what they love. America loves her cars!

Few things that your mothers and fathers did, grandparents did, great grandparents did still exist in a recognizable form, without having been watered down until the meaning is lost or at least become something that is no longer as family friendly as they were once upon a time. Car Shows, however, are for everyone. America loves her car

shows!

You don't have to be any particular kind of person, except the kind of person who loves to own, show off or at least admire a thing of automotive beauty to enjoy your time at a car show. You can take your family, you can come alone, you can dress up or slouch on in. Just don't forget to polish your fender before heading out to see what all the other fenders are attached to!

The late Tim Kanavel

The Arizona Association for

(PHOENIX – Oct. 28, 2021) – The Arizona Association for Economic Development (AAED) has awarded the William Lampkin Award for Long Term Excellence posthumously to Tim Kanavel, former economic development director for Pinal County. The award was presented at the Economic Development Distinguished by Excellence (EDDE) Award Ceremony held during the organization's annual Fall Forum held in Flagstaff earlier this week.

This award recognizes outstanding achievements by an individual that has made significant contributions to economic development efforts in Arizona and demonstrated a sustained commitment to AAED. Nominations are evaluated based on the overall economic impact of the individual's efforts to Arizona, contributions of the nominee to AAED, the development of strong

relationships and community support, and contributions to the economic development profession.

Kanavel was a member of AAED for 20 years, serving on the Board of Directors and chairing the Rural Economic Development Committee. He joined Pinal County in 2009 to create the county's first economic development department.

Kanavel's passion for economic development was evident as he was involved with various economic development initiatives throughout Arizona during his illustrious career. In 2010, he was appointed to the Arizona Governor's Rural Business Advisory Council where he managed a grant budget of more than \$2.5 million in two of the four years there. He also served on the Board of Directors for the Pinal Partnership Economic Development Coalition and Arizona@Work and served as

CAR SHOW

Continued from page 4

There is nothing not to like about a well-planned car show. It's like a museum of art and history that can be contributed to by anyone who has the entrance fee and something to enter, whether near broke or extremely rich. Even people who aren't "car crazy" often enjoy the views and pick up some surprisingly helpful information, from time to time.

On Saturday, Nov. 13, the 21st Annual Kearny Fall Festival Car Show will be

held on Alden Rd. (aka: Main Street) in Kearny, from 9 a.m. to 2 p.m., with set up starting at 7 a.m. This event, sponsored by Copper Basin Chamber of Commerce, is free to enter and open to all years of cars, trucks, motorcycles and tractors. There will be 60 sponsor awards, no classes. Sponsors will choose a car of their choice! Dash plaques will be given out for the first 150 cars.

A 2015 Challenger will be raffled and drawn the day of the show. Is there a song about this vehicle? Not to the best of my knowledge. Give it time! Contact Virgil at 480-266-8216 to join in the raffle. Cost is \$10 each or six tickets for \$50. You need not be present to win.

An advance purchase of an event t-shirt will cost \$15. To sponsor an award and choose the car of your choice costs \$30.

Contact Virgil about these things, as well, both by the number given above and by email: thompson52k@hotmail.com

In the meantime, there is car wax and good music to get you in the mood to enjoy a full day of viewing all sorts of forms of steel beauty. Ask your parents, your grandparents even. They probably know quite a few ditties to sing while polishing up their favorite ride!

Economic Development honors Tim Kanavel

a member of the Copper Corridor Economic Development Coalition, Pinal Alliance for Economic Growth, Pinal County Industrial Development Authority and Central Arizona Association of Governments. Kanavel passed away in February 2021.

According to Richard Wilkie, economic development director of Casa Grande, Kanavel was a strong proponent of education and professional development. As such, the AAED Board established the Tim Kanavel Memorial Scholarship Fund in his memory, to provide financial assistance to economic developers across the state to pursue their Arizona Economic Development Professional (AZED Pro) certification through AAED.

"Tim always encouraged his staff to participate in AAED programs and events and to avail themselves of the many continuing education opportunities. This a fitting legacy and one that I know Tim would be very proud of," said Stephanie Maack, economic development program manager at Pinal County.

Kanavel's wife and sons were in attendance. His son, David, accepted the award on behalf of his father.

"Thank you for the kind words about my dad," said Kanavel. "I know my father loved the state and the people he worked with in Pinal County. Our family will be giving this award to them so that they can display it in his honor."

"We couldn't be happier to acknowledge Tim Kanavel and his dedication to economic development by awarding him the William Lampkin Award and announcing the establishment of a scholarship in his memory," said Carrie Kelly, executive director of AAED. "And this was made even more special having his son there to accept it on behalf of the Kanavel family."

Tim Kanavel's family receives the award on his behalf: Lynn Kanavel, Elaine Kanavel, David Kanavel, Rolly Kanavel.

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something

back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News, Superior Sun and San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 121 businesses and groups in the Copper Corridor.

It is hard enough making it as a small business in a small town during normal times. But to balance those difficulties

Copper Corridor Communities Seeing Increase of COVID-19 Cases

Recently, State and National media have reported an increase in positive COVID-19 Cases. The communities of the Copper Corridor have also started to see an increase in positive cases. The new Delta variant of COVID-19 has been reported as highly transmissible. The CDC and other health officials warn that those who are not vaccinated should continue to practice physical distancing, wear masks in public and avoid crowded places and is also strongly recommending everyone wear a mask indoors and in group settings.

Governor Doug Ducey has signed executive orders that prohibit Cities and Towns from mandating mask wearing, limiting restaurant capacity or other enacting other physical distancing requirements. At this time there is no indication that there will be any restrictions put into place. Local schools are also prohibited from requiring masks be worn on campus.

COVID Vaccines are readily available at local clinics in the region including Cobre Valley Clinics in Superior and Kearny, Pinal County Public Health and Sun Life Clinics. Other chain pharmacies such as Walgreens, grocery story pharmacies and CVS also have vaccines available.

We last reported daily COVID-19 case increased on Nov. 1, 2021. Above is a chart showing our last reported number and the current number of total cases for each of the Copper Corridor communities through Nov. 8, 2021. Keep in mind that zip code data also includes unincorporated areas around a community. For instance, Riverside/Kelvin area is included in the Kearny zip code. Aravaipa and Dudleyville are included in the Winkelman zip codes, etc.

Those experiencing COVID-19 symptoms should seek testing and quarantine until they can confirm a negative test.

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.

More than a decade added to mine life; US Forest Service approves Pinto Valley Mine Plan of Operations

Pinto Valley Mining Corp. is pleased to announce that it has received final approvals from the US Forest Service (USFS) for plans that will keep the Pinto Valley Mine operating another 19 years. The mine plan of operations, approved by the Tonto National Forest Supervisor Neil Bosworth, allows Pinto Valley to utilize an additional 229 acres of National Forest System lands surrounding the mine.

“This is a truly a historic day for Pinto Valley,” said Mike Wickersham, General Manager of the mine, “getting to this approval took more than 5 years. We want to thank the Forest Service employees that helped keep this project on track.”

Expansion of the mine will maintain 690 jobs and protects the related economic activity, largely in Gila County, for nearly 20 years. “This is a huge win for Globe-Miami and surrounding communities. Both our local businesses and our local workforce have an abundance to gain from this,” said Tianna Holder, executive director of the Globe-Miami Chamber of Commerce, “and the cherry on top is seeing two entities that do so much for our community work together to form this agreement.”

“As Gila County’s second largest private employer, Pinto Valley’s continued operation is critical to the region,” said Gila County District 2 Supervisor Tim Humphrey, “we can all breathe a sigh of relief knowing the future is so much clearer and brighter.”

To get to this decision, the Tonto National Forest looked at all the potential impacts associated with the mine’s expanded footprint. Prior to making the approval, the Tonto National Forest solicited input through written and verbal comments from interested stakeholders and evaluated volumes of data provided by Pinto Valley Mining Corp. that was also reviewed by independent technical experts.

The approval charts a course for the continued operation of the mine. The plan includes additional environmental controls and financial assurance that will protect the taxpayers for the company’s use of public land. In addition, the mine plan adds extra monitoring and mitigation measures that address potential environmental impacts from the continued operation of the mine.

Expansion of the mine is expected to produce 2.5 billion pounds of copper. Copper is heavily used in industrial, agricultural and energy applications and is a common component of electronics. “With this, Arizona can keep adding to the supply chain and fueling the green economy. There is no green future without copper,” said Mignonne Hollis, executive director of the Arizona Regional Economic Development Foundation, a non-profit focused on rural economic development.

About Pinto Valley Mine

Gila County’s second largest private employer, the Pinto Valley Mine is in the Globe-Miami mining district in Arizona, one of the oldest and largest copper districts in the country. Copper concentrate production facilities include a primary crusher, secondary and tertiary crushers, six ball mills, copper concentrate and molybdenum flotation circuits, as well as a SX/EW facility that produces copper

Community Development Block Grant Program

Public Meeting Notice

Pinal County Public Meetings on the use of HUD Program funding FY2022 Annual Action Plan

The U.S. Department of Housing and Urban Development (HUD) requires Pinal County to publish an Annual Action Plan outlining the use of HUD funds for the Community Development Block Grant Program (CDBG), HOME Investment Partnership (HOME), and Emergency Solutions Grant (ESG) funds.

Pinal County, in conjunction with the cities of Eloy, Florence, Mammoth, and Maricopa would like to invite you to a public meeting. The meetings are to solicit ideas for potential projects. All Pinal County citizens are invited to voice their comments regarding housing and community development needs, strategies to meet identified needs, and identifying barriers to those needs. Public input is an essential component of this planning effort.

CDBG projects must benefit low to moderate income residents and address one of the national objectives of the CDBG program. Sample projects include public facilities, infrastructure, housing, and public services. HOME projects must provide housing opportunities for low and moderate income residents. Sample projects include owner-occupied housing rehabilitation, down-payment assistance, and housing development. ESG projects must benefit persons experiencing homelessness or at-risk of homelessness. Sample projects include homelessness prevention and rapid re-housing. Information may be found on our website at www.pinal.gov/grants.

For the fiscal year 2022, Pinal County will receive approximately \$2 million in CDBG funding, \$650,000 in HOME funding, and \$150,000 in ESG funding. Please contact Connie Alvarado at (520) 866-6266 or by email at Consuelo.Alvarado@pinal.gov with questions, comments, or project ideas. Comments must be received prior to the last public meeting date.

Programa de Subvenciones en Bloque para el Desarrollo Comunitario

Aviso de Audiencia Pública

Reuniones públicas del condado de Pinal sobre el uso de los fondos del programa de HUD Plan de acción anual del año fiscal 2022-2023

El Departamento de Vivienda y Desarrollo Urbano de los EE. UU. (HUD) requiere que el Condado de Pinal publique un Plan de Acción Anual que describa el uso de los fondos de HUD para el Programa de Subvenciones en Bloque de Desarrollo Comunitario (CDBG), la Asociación de Inversión HOME (HOME) y fondo de la Subvención de Soluciones de Emergencia (ESG).

El condado de Pinal, junto con las ciudades de Eloy, Florence, Mammoth y Maricopa, le gustaría invitarlo a una reunión pública. Las reuniones son para solicitar ideas para proyectos potenciales. Se invita a todos los ciudadanos del condado de Pinal a expresar sus comentarios sobre las necesidades de vivienda y desarrollo comunitario, las estrategias para satisfacer las necesidades identificadas y la identificación de las barreras a esas necesidades. La opinión pública es un componente esencial de este esfuerzo de planificación.

Los proyectos CDBG deben beneficiar a los residentes de ingresos bajos a moderados y abordar uno de los objetivos nacionales del programa CDBG. Los proyectos de muestra incluyen instalaciones públicas, infraestructura, vivienda y servicios públicos. Los proyectos de HOME deben brindar oportunidades de vivienda para residentes de ingresos bajos y moderados. Los proyectos de muestra incluyen rehabilitación de viviendas ocupadas por propietarios, asistencia para el pago inicial y desarrollo de viviendas. Los proyectos ESG deben beneficiar a las personas sin hogar o en riesgo de quedarse sin hogar. Los proyectos de muestra incluyen la prevención de la falta de vivienda y el realojamiento rápido. Puede encontrar información en nuestro sitio web en www.pinal.gov/grants.

Para el año fiscal 2022, el condado de Pinal recibirá aproximadamente \$2 millones en fondos CDBG, \$650,000 en fondos HOME y \$150,000 en fondos ESG.

Comuníquese con Consuelo Alvarado al (520) 866-6266 o por correo electrónico a Consuelo.Alvarado@pinal.gov si tiene preguntas, comentarios o ideas para proyectos. Los comentarios deben recibirse antes de la fecha de la última reunión pública.

First Things First serves as a ready resource for parents of babies, toddlers and preschoolers

Babies don't come with instruction manuals. That's why First Things First, Arizona's early childhood agency, works to help families of young children feel confident in their role as their child's first and best teacher.

From birth to age 5, a child's brain grows

more than any other time in their life. And the early years are the best opportunity to develop the brain connections they need to be healthy, capable, successful adults. That's why FirstThingsFirst.org has tons of resources for raising babies, toddlers and preschoolers. Everything from tips

on how to support tummy time for infants to learning how every day back-and-forth interactions help to build early literacy skills.

One of the most unique things about First Things First is that they fund early childhood programs that are locally focused to ensure that families in communities throughout Pinal are getting the services that local parents need most. In the FTF Pinal Region, this includes supports such as home visitation programs through Child and Family Resources (<https://www.childfamilyresources.org/>), parenting education programs, such as the Fun Van (<https://www.ajpl.org/funvan/>) through Apache Junction Library and Strengthening Families (<https://extension.arizona.edu/pinal-strengthening-families>) through U of A Cooperative Extension and the Quality First program, which helps families have access to quality child care and preschool programs.

Children with access to quality early learning environments, whether at home

or in an early childhood program, are more prepared for kindergarten and do better in school. Research shows that when babies, toddlers and preschoolers have caregivers that are engaged in their development, the better they'll do in the long run. Not only academically, but in their relationships with their classmates. Visit FirstThingsFirst.org to find out about the free programs offered in your area, to read about families being helped in your community or for ways to get involved. Whether you have a child age 5 and younger in your life or not – investing time, energy and resources in helping kids arrive at kindergarten prepared to be successful is not only right, it's smart.

About First Things First – As Arizona's early childhood agency, First Things First funds early learning, family support and children's preventive health services to help kids be successful once they enter kindergarten. Decisions about how those funds are spent are made by local councils staffed by community volunteers. To learn more, visit FirstThingsFirst.org.

During Medicare's Open Enrollment you can make changes to your Medicare coverage options which take effect January 1, 2022.

For plan comparisons, please provide a list of prescriptions and Medicare ID card information. Counselors will also screen for "extra help" programs to assist with out-of-pocket costs for Medicare Prescription drugs, and Medicare Savings Programs (MSP) which will pay monthly Part B premium.

SHIP Counselors are not insurance agents, they do not sell, recommend, or endorse any insurance product or company.
