Oracle and San Manuel.

According to the Pinal County Sheriff's Office, the driver of a passenger car lost control and hit a school bus head on. "The bus driver reported it was raining that morning and the roadways were wet," said PCSO Public Information Officer Lauren Reimer.

The school bus had 13 students on board and was on its way to San Manuel High School. No student injuries were reported.

"(The students) were checked by paramedics at the scene," Oracle School Superintendent Crystle Nehrmeyer told the Miner. "Thirteen of the students were transported to school in a second bus from the Oracle School District. Two of the students were picked up by parents at the scene of the collision."

"The driver of the passenger vehicle was transported

to a hospital via helicopter for injuries sustained in the collision. The driver was cited for speed," said Reimer.

"Bus #17 is a new bus, purchased specifically for our Willow Springs route (mainly dirt road) and the safe transportation of our students to San Manuel High School," Nehrmeyer said. "We are working with our insurance company and plan to replace the bus soon. The bus was originally paid for with capital bond funds, made possible by our supportive community in November 2019."

Nehrmeyer expressed gratitude for the first responders at the scene.

"The San Manuel Fire Department, Pinal County Sheriff's Department, San Manuel High School staff, and Oracle School District staff all came together to make sure everyone was safe at the scene of the collision."

US Forest Service approves Pinto Valley Mine Plan of Operations

Pinto Valley Mining Corp. is pleased to announce that it has received final approvals from the US Forest Service (USFS) for plans that will keep the Pinto Valley Mine operating another 19 years. The mine plan of operations, approved by the Tonto National Forest Supervisor Neil Bosworth, allows Pinto Valley to utilize an additional 229 acres of National Forest System lands surrounding the mine.

“This is truly a historic day for Pinto Valley,” said Mike Wickersham, General Manager of the mine, “getting to this approval took more than 5 years. We want to thank the Forest Service employees that helped keep this project on track.”

Expansion of the mine will maintain 690 jobs and protects the related economic activity, largely in Gila County, for nearly 20 years. “This is a huge win for Globe-Miami and surrounding communities. Both our local businesses and our local workforce have an abundance to gain from this,” said Tianna Holder, executive director of the Globe-Miami Chamber of Commerce, “and the cherry on top is seeing two entities that do so much for our community work together to form this agreement.”

“As Gila County’s second largest private employer, Pinto Valley’s continued operation is critical to the region,” said Gila County District 2 Supervisor Tim Humphrey, “we can all breathe a sigh of relief knowing the future is so much clearer and brighter.”

To get to this decision, the Tonto National Forest looked at all the potential impacts associated with the mine’s expanded footprint. Prior to making the approval, the Tonto National Forest solicited input through written and verbal comments from interested stakeholders and evaluated volumes of data provided by Pinto Valley Mining Corp. that was also reviewed by independent technical experts.

The approval charts a course for the continued operation of the mine. The plan includes additional environmental controls and financial assurance that will protect the taxpayers for the company’s use of public land. In addition, the mine plan adds extra monitoring and mitigation measures that address potential environmental impacts from the continued operation of the mine.

Expansion of the mine is expected to produce 2.5 billion pounds of copper. Copper is heavily used in industrial,

agricultural and energy applications and is a common component of electronics. “With this, Arizona can keep adding to the supply chain and fueling the green economy. There is no green future without copper,” said Mignonne Hollis, executive director of the Arizona Regional Economic Development Foundation, a non-profit focused on rural economic development.

About Pinto Valley Mine

Copper concentrate production facilities include a primary crusher, secondary and tertiary crushers, six ball mills, copper concentrate and molybdenum flotation circuits, as well as a SX/EW facility that produces copper cathode.

About Capstone Mining Corp.

Capstone Mining Corp. is a Canadian base metals mining company focused on copper. Capstone’s two producing mines are the Pinto Valley copper mine located in Arizona, US and the Cozamin polymetallic mine in Zacatecas State, Mexico. Recently, State and National media have reported an increase in positive COVID-19 Cases. The communities of the Copper Corridor have also started to see an increase in positive cases. The new Delta variant of COVID-19 has been reported as highly transmissible. The CDC and other health officials warn that those who are not vaccinated should continue to practice physical distancing, wear masks in public and avoid crowded places and is also strongly recommending everyone wear a mask indoors and in group settings.

Governor Doug Ducey has signed executive orders that prohibit Cities and Towns from mandating mask wearing, limiting restaurant capacity or other enacting other physical distancing requirements. At this time there is no indication that there will be any restrictions put into place. Local schools are also prohibited from requiring masks be worn on campus.

COVID Vaccines are readily available at local clinics in the region including Cobre Valley Clinics in Superior and Kearny, Pinal County Public Health and Sun Life Clinics. Other chain pharmacies such as Walgreens, grocery store pharmacies and CVS also have vaccines available.

We last reported daily COVID-19 case increased on Nov. 1, 2021. Above is a chart showing our last reported number and the current number of total cases for each of the Copper Corridor communities through Nov. 8, 2021. Keep in mind that zip code data also includes unincorporated areas around a community. For instance, Riverside/Kelvin area is included in the Kearny zip code. Aravaipa and Dudleyville are included in the Winkelman zip codes, etc.

Those experiencing COVID-19 symptoms should seek testing and quarantine until they can confirm a negative test.

Working together, we can slow the spread of the virus across the Copper Corridor. Wear a mask in public, remain physically distant (6ft apart or more), practice good hygiene (wash your hands frequently, sanitize high touch areas) and stay home if you are not feeling well.

It's time to think about cars. Why? It's always time for thinking about cars! I'm starting with songs. There is a song that says, "My pappy said, "Son, you're gonna' drive me to drinkin' if you don't stop drivin' that Hot Rod Lincoln." It was released in 1972. Count up the years between then and now. It's almost 50 years old and still gives many people a reason to smile and reminisce. However, there was a version before that one, from 1955, when everybody was in love with a very big car and people definitely still listen to that first song, too. America loves her songs about cars!

There are other songs about other cars: *Little GTO; Little Red Corvette; Fun, Fun, Fun; Drive My Car; Mercury Blues; Makin' Thunderbirds; Grease Lightning; Get Outta My Dreams, Get Into My Car* and so many more. Even when gas prices rise and people point to bikes, with or without motors, the songs remain. People sing about and listen to songs about what they love. America loves her cars!

Few things that your mothers and fathers did, grandparents did, great grandparents did still exist in a

recognizable form, without having been watered down until the meaning is lost or at least become something that is no longer as family friendly as they were once upon a time. Car Shows, however, are for everyone. America loves her car shows!

You don't have to be any particular kind of person, except the kind of person who loves to own, show off or at least admire a thing of automotive beauty to enjoy your time at a car show. You can take your family, you can come alone, you can dress up or slouch on in. Just don't forget to polish your fender before heading out to see what all the other fenders are attached to!

There is nothing not to like about a well-planned car show. It's like a museum of art and history that can be contributed to by anyone who has the entrance fee and something to enter, whether near broke or extremely rich. Even people who aren't "car crazy" often enjoy the views and pick up some surprisingly helpful information, from time to time.

Support Local San Manuel Senior Center

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are

hanging on as best they can. *Copper Area News* wanted to give something back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 121 businesses and groups in the Copper Corridor.

As the COVID-19 Pandemic took its toll, businesses, families and even local non-profits had to adjust their strategies to keep their missions moving forward while working through the pandemic. Meetings were moved to Zoom and fundraisers had to become creative as in-person events were not allowed. Senior Centers across the nation, Arizona and in the Copper Corridor were closed to prevent the spread of the virus to our vulnerable populations. As the vaccines became more accessible, and the infection rate started dropping the centers slowly started reopening.

The San Manuel Senior Center has been a longstanding foundation of San Manuel. They have been in their current building, located at 210 Avenue A, for 29 years. They currently have 50 members and are looking for more.

The Center hosts activities that bring the elders of the community together. They host a Thanksgiving potluck with a pie fundraiser. They host monthly potlucks. They host games: bridge on Tuesdays and general card games on Wednesday. They also have a silent auction ongoing,

to all years of cars, trucks, motorcycles and tractors. There will be 60 sponsor awards, no classes. Sponsors will choose a car of their choice! Dash plaques will be given out for the first 150 cars.

A 2015 Challenger will be raffled and drawn the day of the show. Is there a song about this vehicle? Not to the best of my knowledge. Give it time! Contact Virgil at 480-266-8216 to join in the raffle. Cost is \$10 each or

six tickets for \$50. You need not be present to win. An advance purchase of an event t-shirt will cost \$15. To sponsor an award and choose the car of your choice costs \$30. Contact Virgil about these things, as well, both by the number given above and by email:

thompson52k@hotmail.com

In the meantime, there is car wax and good music to get you in the mood to enjoy a full day of viewing all sorts of forms of steel beauty. Ask your parents, your grandparents even. They probably know quite a few ditties to sing while polishing up their favorite ride!

auctioning off some unused furniture.

They also have some new activities planned. The center will be open on Mondays for crafters. There will be scheduled day trips, and game days. A trip to Golden Goose with lunch included and movies in the afternoon are also in the works.

Members of the Senior Center have been working hard to make their building accessible to all of their patrons. They have installed a new walkway from the sidewalk to the door. They have widened the bathroom doorway so walkers can get through. However, they need help to continue this work. Call (520) 400-5691 and leave a text if you can help out with pouring cement and such.

“Our new leaders are full of enthusiasm and are looking forward to working with the people in the Tri-Community. Come see us!” said Dorothy Van Dielen, President. “Everyone over 50 is welcome! Please come and make some new friends.”

If you have any questions, you can contact the center’s treasurer, Hazel Cooper, at (520) 385-4586. You can also find a calendar of the center’s monthly events in the “On the Agenda” in the *Miner*.

New federal requirements for CDL applicants coming in February; applicants must be trained by a registered provider

Beginning Feb. 7, 2022, the Federal Motor Carrier Safety Administration

(FMCSA) will require new commercial driver license (CDL) applicants and

those seeking to upgrade their CDL to receive training from a certified organization on the national registry of Entry-Level Driver Training (ELDT) providers.

ELDT training includes curriculum in three areas: theory, range and road. To process and issue a CDL, the Arizona Department of Transportation Motor Vehicle Division will need to validate that an applicant has completed these training requirements.

This requirement impacts drivers attempting to:

- Obtain a Class A or Class B commercial driver's license (CDL) for the first time.
- Upgrade an existing Class B CDL to a Class A CDL.
- Obtain a school bus (S), passenger (P), or hazardous materials (H) endorsement for the first time.

The ELDT regulations are not retroactive and do not apply to individuals holding a valid CDL or an S, P, or H endorsement

issued prior to Feb. 7, 2022.

If an organization or business currently trains its drivers and is interested in becoming a certified training provider on the national registry, visit fmcas.dot.gov to learn how to register as a provider.

For more information, visit azdot.gov/CDL.

2. The Court has set an initial hearing on the 2nd day of November, 2021 at 3:30 p.m. and a Publication hearing on the 11th day of January, 2021, at 2:30 p.m., at the Pinal County Superior Court, 971 North Jason Lopez Circle, Florence, Arizona 85132, before the Honorable Jessica Dixon for the purpose of determining whether any parent or guardian named herein is contesting the allegations in the Petition.

4. You have a right to appear as a party in this proceeding. You are advised that your failure to personally appear in court at the initial hearing, pretrial conference, status conference or dependency adjudication, without good cause shown, may result in a finding that you have waived your legal rights and have admitted the allegations in the Petition. 5. Notice is given that DCS is proposing to substantiate any allegations of abuse and/or neglect contained in the dependency petition for placement in the DCS Central Registry. If the court finds your child dependent based upon allegations of abuse and/or neglect contained in the dependency petition, you will be placed in the DCS Central Registry. See A.R.S. § 8-804.
