## OBITUARIES

# Terry L. DeGraff

Terry L. DeGraff, 68, passed away on Nov. 3, 2015.

He was born in Globe, Arizona on Aug. 13, 1947 to George C. DeGraff, Sr and Ruby Faye DeGraff. He was one of four sons, one of whom was his fraternal twin brother, Jerry L DeGraff. In his very early years, his family moved many times from the Globe-Miami area to California and back to Globe-Miami before they settled in Hayden in 1950 where his father worked as a boilermaker at ASARCO. Even then, they lived in 5 separate ASARCO company-owned houses until they finally settled in the present home. Terry grew up and attended grammar and high school in Hayden. He participated in sports and other activities. He graduated from Hayden High School in 1965.

Terry's life after that reflected his desire to "do things his way", and ultimately led to his being an itinerant worker. His most

gainful job seemed to be working as a "rough-out" carpenter. Although he had numerous friends as he grew up and lived, he started to close down his associations until, at last, he became quite the recluse. He never married, but was a good son, brother, and uncle for a long time. His dedication to his parents was evidenced by his becoming the caregiver as they aged. All-in-all, the good side of his life outweighs the negative side.

Other than his parents, he was preceded in death by his twin brother, Jerry. He is survived by his brothers, George DeGraff Jr. of Augusta, Georgia, and Michel DeGraff of Kingman, AZ.

Family and friends are invited to a memorial service to be held in the Griffith Mortuary Chapel, 101 Johnston Drive, Kearny at 2:00 PM on Saturday, November 14, 2015.

Please sign the guestbook at [www.griffithmortuary.com](http://www.griffithmortuary.com).

# Ralph Edwin Pebworth

Ralph Edwin Pebworth walked into the arms of the Savior on Thursday, Nov. 5, 2015 at home, surrounded by his loving family.

Ralph was born Nov. 19, 1946 in Ajo, Arizona to Delbert and Lois Pebworth. He graduated from Ajo High School in 1965 and was a Vietnam veteran, serving in the U.S. Army from 1966 to 1968.

He married his high school sweetheart, Joan Williams, on Sept. 14, 1968. The family has made their home in the Kearny area ever since. Ralph was a retired pipefitter, having worked at the Ray Mines for about 31 years.

Ralph was a faithful member of the Church of Christ and a devoted husband, father, and grandfather, who enjoyed taking his children and grandchildren camping, hunting, and fishing. Another special joy was watching cartoons with his children and their friends.

Ralph is survived by his wife of 47 years, Joan; his son, Ty (Veanna) of Cornville, Arizona; daughter, Terra Ballard of Kearny; four grandchildren, Katelyn and Allison Ballard of Kearny, and Brook and Ethan Pebworth of Cornville; and one niece and two nephews. He was preceded in death by his parents and his brother Charles and sister Quintilla.

The family asks that in lieu of flowers, donations be made to: Manuellito, Navajo Children's Home Inc., Gallup, New Mexico 87305-0058.

Services for Mr. Pebworth will be held Saturday, Nov. 14, at 11 a.m. at the Church of Christ, 200 Hammond Rd., Kearny.

## LETTER TO THE EDITOR

# CCAB: Making a positive difference in our community

A group of like-minded people remembered how our areas looked when they were growing up, and, decided to get together and form the group Copper Community Action Board (CCAB).

CCAB is trying to make a positive difference in the Copper Basin area, by uniting the communities and making them

a better place to live. We want to clean up our areas, encouraging businesses and people to move to our communities; but, money is needed for our efforts.

CCAB is hosting its Third Annual Community Concert on Saturday, Nov. 14 at 5 p.m., at the Hayden High School Auditorium. The cost of admission is

\$5. Proceeds will go towards community improvements. Concessions will be available, supporting the Hayden-Winkelman Unified School Students in their fundraising efforts for their trip to New York City.

Come out and have a great time, listening to local talent! If you cannot attend,

volunteer! Find out when the CCAB is having their next project, roll up your sleeves and join us! Together, we can be part of the solution instead of the problem.

Sincerely,  
/s/ **Martina Burnam**

## Kearny's Water System Aging

Arizona's cities and towns have a big problem, a problem growing under our feet. Water and sewer lines installed fifty or more years ago are rusting away, and the financial resolve to fix or replace them is lacking. In the last two years, water line breaks substantially increased in Kearny. Our water filtration plant, which takes out the large metal particles after chlorination takes place, has struggled to do its job. The struggle comes from poor engineering in the first place, which did not take into account elevation-caused water pressure changes which cause water hammering and damage to pipes and equipment.

When excavating to repair the water break on Alden Road this summer, the age damage was evident. Branches off the main water line are severely rusted, and pipes coming off the main are clogging with mineral deposits.

Last year, as the town was planning for new fire hydrants, Fire Chief Kenny Piggott remarked that one of the difficulties we will face is affixing the new hydrants to old lines which are in bad repair. We have the grant to pay for the new hydrants, but what will be found as we install them?

Over fifty years ago, when Kearny came about,

all of Arizona was growing. It was easier for Arizona towns to build new water and sewer lines and treatment plants. People figured that new equipment would require less maintenance, and population growth would provide new water users to pay the rates required.

## Knights to host taco dinner in Mammoth

Since local Knights of Columbus do not have a Fry's or Safeway store, they will sponsor a taco dinner this Saturday, Nov. 14, to support People with Intellectual Disabilities.

Most KofC Councils hand out Tootsie Rolls in front of grocery stores or other businesses, taking donations from generous passers by, according to KofC District Deputy Drew Mansager.

"Our taco dinner last year allowed us donate nearly \$600 to help people with intellectual disabilities in our area. We should top that this year. Everyone is invited," said Grand Knight Johnnie Seballos.

"We will be selling three tacos, rice and beans for \$7 from 4 to 7 p.m. at Blessed Sacrament hall in Mammoth. We will have take out too," he added.

Funds from the PID drive are donated to

public schools' special education programs, according to Mansager.

Last year, statewide, the Knights of Columbus donated over \$150,000 to numerous organizations who help people with intellectual abilities.

"We want to do our part, even if we are a small Council," Seballos said.

Council 5542 serves Mammoth, San Manuel and Oracle.

## 14 CCAB Community Concert is Coming

Come to the Community Concert on Saturday, Nov. 14, starting at 5 p.m. at the Hayden High School Auditorium in Winkelman. It'll be a great time and you'll be helping to support the Copper Community Action Board. Entrance fee is \$5.

## MAYOR'S CORNER

Continued from page 4

But in some places, especially in copper towns, the economic growth stalled. Kearny did fine for 20 or 25 years, but eventually the growth stopped and the town began cutting maintenance staff and staff salaries in order to balance the budget. These actions have come back to haunt us, big time! Now we do not have enough workers or enough money to keep things going.

Our water rates are part of the problem. They have remained at pretty much the same low rate, not at all keeping up with the cost of living much less covering all the maintenance required.

We have been working with state and federal agencies on grants and loans to improve our water holding tanks and

improve our supply lines. But grants are as scarce as hen's teeth, and we are having a hard time getting the low-interest and long payment period loans that we require. Arizona's Water Infrastructure Finance Authority (WIFA) stated that our water rates are too low to pay off the loans and cover future maintenance costs, so they consider us a poor financial risk (we have to pay the loans off, after all). Our water rates are, indeed, much below those of almost all towns and cities in Arizona.

I hope that we, as a town, will develop the financial resolve to fix our problem. I think we can develop a stepped increase in our water rates to allow us to get the loans we require. Paying more for our

water is better than not having water at all.

Now, on to brighter things. We have just come off the wonderful car show, with people from all over Arizona coming to Kearny. Thanks, Rip and Katie Vache of NAPA, for the new spark of life you bring to us. This Saturday is the third Farmer's Market and Swap Meet next to Rail and Copper Park, and it is growing. This Saturday is also the night of the concert sponsored by the Copper Community Action Board, which will take place at the school auditorium in Winkelman at 5 p.m. It's a fund raiser to help them acquire non-profit status to continue their fine work.

Finally, a big "thank you" to all who helped clean up the trash remaining from our over-successful Journey

for a Clean Kearny event.. Jerry Tomerlin ran Bill Dunn's green loader and Jeff Ramirez ran the town's big scoop as Anna Flores, Gary Hill, Chris Misita, Samantha Misita, and ROTC students Erika Godoy, Cody Gotto, Mary Cantell, Edward Boea, Jr., and Alicen

Baca raked and shoveled and lifted to get it all done. It took almost four hours of hard work.
