## OBITUARIES

### Kerry Hernandez

Kerry Dee Hernandez of Superior passed away on Saturday, Nov. 3, 2018. She was 48 years old.

Kerry was born Dec. 11, 1969 in Murray, Utah. She located to Arizona as a child in 1982. Kerry had a very loving, nurturing and compassionate heart. She loved children, although she did not have any of her own. She also loved animals. She also enjoyed gardening and taking care of her plants. She was also very artsy and creative and loved doing crafts and other projects.

Kerry is preceded in death by her husband, Robert Hernandez, to whom she was married for 23 years.

Kerry is survived by her mother, Vicki Allen, her brothers John Allen and Edward Allen. She is also survived by every member of her large extended family, including the family she was married into that accepted her with open arms, and whom she loved dearly.

Kerry's family will be doing a private family service to be announced at a later time. She was loved by all who knew her and will be missed dearly.

Superior Funeral Home is providing exceptional family service. 379 Ray Rd., Superior, AZ 85173. Ph. (520) 689-2692. SuperiorFuneral.com.

### Michael Ernest Nunez

Michael Ernest Nunez, 81, peacefully passed in his sleep on Oct. 28, 2018. He is survived by his daughter Michelle; sons Mark and Gabriel; and granddaughter Jillian.

Michael's early education was completed in Superior before attending college courses at Eastern Arizona College as well as Arizona State University. He is an honorably discharged veteran of the United States Army. He was employed as a professional Home Development Advisor throughout Arizona. His favorite pastimes include attending and watching baseball, basketball and football games. In earlier years, Michael played basketball in college and softball with company leagues.

Michael created a very special and meaningful life.

His personal and professional achievements have all been led by his desire to help and his compassion for family, friends and acquaintances. Michael enjoyed life to its fullest and was always first in line to show respect and honor for the beliefs and celebration of others.

Services will be held at St. Francis of Assisi Catholic Church, 490 W. Main St. in Superior on Friday, Nov. 16, at 10:30 a.m. Interment will occur with military honors at Florence City Cemetery following Memorial Mass.

### Encarnacion 'Guera' Gomez

Encarnacion "Guera" Gomez, 82, passed away on Nov. 6, 2018 in Mesa, AZ.

She is survived by her daughters, Ida Salomon, Malena Miranda, Guadalupe Gomez, Luz Sandoval, Patricia Peru and Laura Gomez; sons, Mario, Guillermo, Robert and Ernesto Gomez; and her grandchildren, nieces and nephew.

Encarnacion was employed at Pinal County Hospital in Florence. She enjoyed crocheting, sewing, going

to the casino and visiting her grandchildren.

Services will be held at St. Francis of Assisi Catholic Church in Superior on Friday, Nov. 16, 2018 with Rosary at 1:30 p.m., Mass at 2 p.m. and interment to follow. Join the family for dinner at the family home, 213 Stansberry, Superior.

# Cham-Panther-ship:

By **Andrew Luberd**

The Superior football team won its first state championship since 1954 with a decisive 70 – 20 victory against upstart Hayden last Saturday night at Maricopa High School.

It wasn't quite the 108-year championship drought that long-suffering Chicago Cubs fans had to endure before winning the 2016 World Series, but 64

years was long enough between state titles for the Panthers and their fans. Capping an undefeated season with a championship was an added bonus.

Following last week's win over Mogollon, Superior head coach Ryan Palmer said "this group" of Panthers was going to win the title. It took four-straight trips to the semifinals and a second-consecutive appearance in the championship game for "this group" to achieve its long-awaited goal.

It was worth the wait.

"There have been a lot of kids that laid the foundation that (this year's) kids have followed," said Palmer, adding that

bringing a state championship to Superior fulfilled a professional-career goal. "I couldn't be prouder of the alumni but especially this group.

# Superior wins 1A Title

“They were on this field one year ago, and we sat there and watched Williams hoist the trophy. We looked at each other and said, ‘That’s ours next year.’ We set a goal and I (outlined) what it was going to take to get there and asked if they could do it and they said, ‘Yes, sir.’”

Not only did the Panthers do it, but they left no doubt.

Superior’s soon-to-be-named Player of the Year Steven Ybarra, a senior, accounted for eight – that’s right, EIGHT – touchdowns in the first half, including six passing and two rushing, in addition to 443 of the Panthers’ 560 total yards. After a poor first half in the semis a week

ago, Ybarra guided the Panthers to four first-quarter touchdowns and a 28 – 6 lead. He had a hand in four more scores before halftime, helping the Panthers to a lopsided 58 – 12 advantage.

“(I) came out pumped,” Ybarra said about the difference between the starts of both games. “(We) really wanted it bad. We came too far to come short, so we knew we had to leave it out there.”

Seniors Jesus Castellanos (125) and Cedric Mendoza (160) combined for 285 receiving yards and four touchdown receptions – two apiece. Jared Moreno and Adam Navarrette hauled in Ybarra’s other touchdown throws. Ybarra finished 20-of-

27 for 365 yards and had a team-high 78 rushing yards on 14 carries.

“I couldn’t be prouder of that kid,” said Palmer, referring to Ybarra. “He really worked on his leadership this year and he led by example.

“He’s probably one of the toughest kids I’ve ever coached, and he’s a quarterback. That says a lot about him. He’s got such a strong will to win.”

Hayden ended its own drought, appearing in a state championship game for the first time in 30 years. Lobos’ head coach John Estrada credited Superior afterwards, calling them an “elite team” that only “comes around once in a long while.”

“Palmer did a heck of a job with his kids,” Estrada said. “Their stud, Ybarra, he led that team to a championship.”

Castellanos, who led the Panthers with nine receptions, shared his feelings – and likely those of his teammates – after winning the final 1A football game of the 2018 season.

“It’s means the world to me (and) it’s one of the best feelings ever,” he said. “We knew we had to play for each other to be successful. We worked really hard all season for this moment and we finally got what we deserved.”

Good things come to those who wait...and work for it.

The 1A State Champions, Superior Panthers, pose with the trophy. Superior hasn’t won a championship since 1957.

## Magma Copper smelter chimney stack safely demolished

Resolution Copper's demolition contractor has safely and successfully completed the controlled demolition of the Magma Copper smelter's chimney stack, which was structurally unsound and posed a significant threat to safety. Resolution Copper's number one priority is ensuring the health and safety of our employees and the community, and finalizing this latest phase of the 15-year reclamation effort is a vital step in fulfilling our commitment to health, safety and environmental stewardship.

In addition to proactively addressing the safety threat posed by the crumbling chimney stack, it was also necessary to remove smelter structures in order to clean all contaminants out of the soil that had accumulated during five decades of the Magma Copper Company's smelting

operations, which started in 1924 and ended in 1971. Safe removal and cleanup of the smelter complex is a major milestone in Resolution Copper's broader reclamation of the West Plant property adjacent to Superior, which began in 2005 and is on schedule for completion in 2020.

"Being a good neighbor is extremely important to Resolution Copper. We are dedicated to making Superior a cleaner and safer place to live and work," said Andrew Lye, Resolution Copper Project Director. "When the company took over the West Plant property in 2004, restoring the land was a top priority, and the safe removal of the smelter was unfortunately required for us to finish the job. The Town of Superior has been an important partner throughout the reclamation process, and

# MAGMA

Continued from page 6

we'll continue to coordinate our efforts with Superior's public officials as we move forward."

Superior Mayor, Mila Besich offered the following statement: "As we bid farewell to the smelter stack, we are reminded of all that it has represented to generations of our citizens. It is an iconic reminder of every miner, engineer, craftsman and staff who have worked the Magma mine. It has been a symbol of our mining history, the industry that created Superior and the families which made Superior a community. We will miss seeing this important and historic structure from our skyline, but we also celebrate the new era that is before us today – a new mine, abundant economic and community development opportunities and our community working together to create greater opportunities for the benefit of all – not only for today, but for future generations. Superior's best days are truly ahead of us, and together we will establish Superior's growth and prosperity in the 21st century."

The next major phases in the West Plant reclamation project are:

- Removal and disposal of contaminated debris in December 2018
- Reclamation of surrounding soils in spring of 2019
- Seeding and rehabilitation of smelter site in summer of 2019

Resolution Copper understands the cultural significance of the Magma Copper smelter complex for the Superior community, and the company is funding a study for a legacy project to commemorate the town's rich mining history. Resolution Copper proactively sought this opportunity to work with the community, including residents and elected officials. Under an agreement with the Town of Superior, Resolution Copper will review three project proposals, which are based on several months of gathering feedback from residents on how they would like to see Superior's mining history preserved.

Resolution Copper is also funding major improvements to Superior's US Highway 60 Park & Caboose Visitor Center, known for its feature landmark, a train caboose converted into a visitor center. Resolution Copper is collaborating with the Town of Superior on the park improvement project. The scope includes working with the Town to enhance the mining history trail, upgrading existing playground equipment to include new mining themed elements and landscaping.

Another part of Resolution Copper's ongoing effort to celebrate the history of the Magma Copper Company smelter has been the work of our contractor, WestLand Resources, Inc. (WestLand). WestLand carried out detailed architectural documentation of the smelter,

using an aerial drone to take high-resolution photographs and video of each structure. The drone imagery was processed with specialized computer software to generate both conventional architectural drawings of individual structures as well as three-dimensional models of selected buildings. The drawings and other documentation have been used to complete the standard Historic Property Inventory Forms for individual structures typically required by the Arizona State Historic Preservation Office.

WestLand has consulted a wide variety of early maps, photographs, company records and other documents. These sources together provide a better understanding of when the different parts of the complex were built and used, along with new details on the smelter's role in the history of both Magma Copper and the community of Superior. WestLand has also been conducting oral history interviews with former Magma employees who worked either at the smelter or in other parts of the Magma operation. The interviews have been recorded by a professional videographer, and excerpts of the recordings will be used to produce a video history of the smelter for public distribution.

WestLand has presented its research in a series of public meetings in Superior over the last few months.

## MAGMA

Continued from page 9

In addition, WestLand is working on a booklet about the history of the smelter that will include historic and recent maps and photographs. The smelter history booklet will be available for public distribution on December 21, 2018.

In the interim, Resolution Copper has collaborated with the Town of Superior and Boyce Thompson Arboretum to celebrate the smelter's connections to the community by displaying a collection of historical photographs of the smelter complex at Boyce Thompson Arboretum. The exhibition, titled Images to Remember: The Magma Copper Company Smelter at Superior, consists of large reproductions of historic and recent photographs, a video display, maps and construction drawings of the smelter. The exhibition is installed in the Benson House at the Arboretum and will be open to the public free of charge from November 20, 2018, through May 20, 2019, during scheduled business hours (Fall-Winter hours: Monday-Sunday, 8 am to 5 pm, October thru April). For more information on viewing the smelter exhibition, contact Boyce Thompson Arboretum at (602) 827-3000.

### CENTRAL ARIZONA GOVERNMENTS Public Notice

The Central Arizona Governments (CAG) is providing a preliminary DRAFT copy of the CAG and SCMPO (Sun Corridor Metropolitan Planning Organization) FY2019 Human Services Transportation Coordination Plan update for public review and comment. The public comment period will start from November 14, 2018 through December 14, 2018.

Federal Transit Law requires that projects selected for funding under the Elderly Individuals and Individuals with Disabilities (Section 5310) programs be derived from a locally developed coordinated transit human services transportation plan. The purpose of this type of plan is to identify the transportation needs of individuals with disabilities, older adults, and people with low incomes, provide strategies from meeting these needs and prioritize transportation services for funding and implementation.

The documents will be available on the CAG website at [www.cagaz.org](http://www.cagaz.org) and during normal business hours at the CAG offices, located at 2540 West Apache Trail, Suite 108, Apache Junction, Arizona 85120.

If you have comments, please email them to or call:

Superior, AZ  
Facility Type – State Vehicle Maintenance & Refueling  
Emissions: V.O.C., HAPS (BTEX)  
Under A.R.S. § 49-480, any person who may be adversely affected by the permit may file a written objection to the issuance of the permit and may request (in writing) a public hearing. Objections, comments or a request for a hearing are due during the public comment period, which ends upon the latter of thirty (30) days from the first publication of this notice, or close of business on the date of any hearing that may be held. Send objections/comments/requests to Pinal County Air Quality Control District, P. O. Box 987, Florence, AZ 85132 or deliver to 31 N. Pinal Street, Building F, Development Services, Florence, Arizona. The telephone number is (520) 866-6929.

Any objection shall state the name and mailing address of the objector, be signed by the objector, their agent or attorney, and clearly set forth the reasons why the permit should not be issued. Grounds for objections are limited to whether the proposed permit meets the criteria for issuance prescribed in A.R.S. § 49-480 or in § 49-481. The permit package, all comments and objections will be available for public inspection and/or copying at the above address Monday through Friday from 8:00 a.m. to 4:30 p.m. excluding Holidays.
