Halloween Events and a Softball Tournament for Jovanna

The river communities all had a great observance of Hallowe'en. The Great Pumpkin and Trunk or Treat sponsored by the Copper Basin Chamber of Commerce was one of the best (and best attended) events in years. Good planning paid off, as there were fewer lines to stand in and something for everyone to enjoy.

The Town of Winkelman sponsored a haunted house and other activities at the old barber shop, thanks to the work of local residents. The San Pedro Valley Lions held a Trunk or Treat in Mammoth.

On top of all, local residents sponsored Ballin' for Jovanna, a softball tournament to benefit the family of Jovanna Martinez Calzadillas, who was severely wounded

Arizona looks to make a penny on copper industry

By Leah Gilchrist
Arizona Sonora News

Copper's value is on the rise, and equipped with new mining technology, Arizona has a promising future in producing the nation's copper.

The value of copper hit \$3.20 in mid 2014, before taking a dive to \$2.50 in early 2015. It took a significant dip into an all time low of \$1.60 in 2016. Now, copper value is rising again, passing \$3 for the first time since 2014, according to the NASDAQ stock exchange.

Arizona produces 65 percent of the nation's copper, leading the copper industry in the U.S. As mining continues to become economically feasible, new mine sites have been proposed across the state.

New technology for mining had made the production process more sustainable after the U.S. Environmental Protection Agency set the Clean Air Act into place in 1970 and the Clean Water Act in 1972.

"We better hope it's very sustainable, because mining is in the foundation of society," said Brad Ross, the Co-

director of the Lowell Institute for Mineral Resources.

Ross said technology to pull copper from the ground is always changing and improving as new technology is created. Copper has become a staple not only in its consumption, but also as a source for jobs and the economics of the state.

"We use the most up-to-date technology, and control on technology helps sustainability." Ross said, describing methods modern technology used to keep environmental impact low.

Ross said technology developed for mining today helps keep dust down to keep the air clean, and keeps water clean through checking for water contaminants.

There are five proposed copper mining sites in Arizona, including the Resolution Copper Project, Rosemont Copper, Florence Copper, Gunnison Copper and Mineral Park Copper Mine on the way, according to Suzanne Kinney from the Arizona Mining Association.

Mining companies have faced the challenge statewide of producing copper without doing significant damage to the environment around the site.

Save the Scenic Santa Ritas is a non-profit organization, which assembled in 1996 to protect the scenic area on and around the Santa Rita mountains. The proposed Rosemont mine has challenged the group because of the environmental impact it would have on the region.

"It would be a regional disaster," said Gayle Hartmann, the president of Save the Scenic Santa Ritas.

Hartmann said the new mine would impact clean water, air quality, local economics and traffic.

The organization is against the proposed Rosemont mine, and has worked with members of the community to ensure education and awareness is spread on potential harm the project might cause.

"The damage is permanent," Hartmann said, "We as human beings need to learn to coexist with our environment."

Remaining rock from Copper Queen mine in Bisbee, Ariz. on Sept. 11. Bisbee's Copper Queen mine produced a significant amount of the state's copper until production shut down in 1975.

Lane restrictions on State Route 77 near Mammoth

The Arizona Department of Transportation advises drivers to plan for the following restrictions on SR 77 near Mammoth.

The \$4.3 million, 120-day project is located in Pinal County, north of Mammoth, between mileposts 113 and 120. The work includes milling the existing asphalt and replacing it with new asphalt and a double chip seal coat application.

North- and southbound traffic on SR 77 has intermittent shoulder closures from milepost 113 to milepost 120 through April 2018.

Southbound traffic on SR 77 has a lane closure from milepost 114 to milepost 116, stop and go traffic (flagging operation) for curb and gutter, sidewalk, and ADA ramps through Nov. 7, 2017.

North- and southbound traffic on SR 77 is reduced to one lane from milepost 115 to milepost 119 for bridge deck repair through Nov. 3, 2017

Drivers should proceed through the work zone with caution, slow down and watch for construction personnel and equipment.

Schedules are subject to change based on weather and unforeseen factors. For more information call the ADOT Project Information Line at 855-712-8530 email ADOT at Projects@az.dot.gov or for real-time highway conditions statewide, visit ADOT's Traveler Information Site at www.az511.gov, follow ADOT on Twitter (@ArizonaDOT) or call 511, except while driving. For more information, you may also visit online at bit.ly/2z7sili.

Hartmann said Save the Scenic Santa Ritas is working to educate members of the surrounding communities of the harm mining can cause to the environment.

The Florence Copper Project, a Florence based copper mining project, is using new technology in-situ copper recovery in order to preserve the environment above the bedrock. The company is looking to tap into copper in the Historic Copper Corridor in Arizona.

by the Las Vegas killer. A great number of teams, several of them from out of town, came to play. There were two days of softball and raffles and food and music, all taken in by lots of caring people.

Well, things will stay busy in our part of the world. On Friday, November 3 from 4 p.m. to 7 p.m., Normans IGA in Kearny is sponsoring a free social for retirees. Come to talk. Come to see your friends. Share some of your old pictures of the area. Yes, there will be good refreshments too.

The next day, let's all head to the Hayden/Winkelman Schools auditorium for the CCAB (Copper Communities Action Board) concert that evening. Who knows? You might know several of the performers, and the cost of your ticket benefits the CCAB's work.

We'll talk more about this next week, but the Fall Festival and Kearny Car Show in Kearny will be on Saturday, November 18, Veterans Day. Remember, the cars arrive early and leave around noon, so don't miss the action. The Fall Festival will continue through the afternoon. This is an event sponsored by the Copper Basin Chamber of Commerce for all the towns, with the great help of the NAPA Store in Kearny.

One sign of a healthy community is a healthy, active Chamber of Commerce. The Copper Basin Chamber is sponsoring a membership drive this month, and

is seeking businesses and individuals who want a more vital area in which to live. Stop in and see Kelly Towne at the chamber office in the Pinal County Courthouse in Kearny, or speak with current chamber members, especially Ginger Chester, president of the chamber board. The chamber is growing, thanks to the response of so many people.

A healthy community displays its health with clean streets, nice yards, and good areas for recreation. In Kearny, a group of volunteers, under the banner of "Journey for a Clean Kearny" has sponsored cleanup days, done plantings around town, and encouraged the painting of some of our public buildings. The young people in the Ray Schools have been involved too.

On Wednesday, November 15, at 10 a.m. the clean up group will have a meeting for the express purposes of making plans for future events and for gaining new members of the group. If you care for Kearny and want to help clean it up, please consider attending. And if people from other copper towns want to pick up some ideas, gather some of your friends and come join in. For more information, contact Town Manager Anna Flores at 520-363-9781.

By the way, it's Trekker Season on the Arizona Trail, and our winter members are also on their way South.

COPPER

The project is in permitting stages and will then enter a 1 to 2 year testing process.

“What makes us unique is we do this in-situ copper recovery,” said Stacy Gramazio, the Manager of Communications for Florence Copper.

The process will leave very little environmental damage when the mining wells are removed. The in-situ recovery method digs beneath the bedrock and injects a solution, which dissolves the copper and allows it to be pulled up through the ground.

This method will allow the company to recover 55 million pounds of copper a year the first six years of the project and 85 million pounds of copper a year the final 14 years of the project. The project is expected to last around 25 years, following passing regulation and a testing period.

The Florence Copper Project is expected to create over 700 direct and indirect jobs in Arizona, with 480 jobs directly related to the mine. The Florence Copper Project is expected to bring a \$3.4 billion in economic uplift to the state, with \$2.1 billion economic uplift to Pinal County.

According to Kinney, the hard rock mining industry has created 31,800 jobs in the state, with 12,000 directly related to

the mines. In 2014, mining brought a total economic impact of \$4.29 billion.

While mining is deeply rooted in the history of Arizona, it won't be returning to any of the historic mining boomtowns any time soon. The proposed mining sites are new sites built with new technology to pull untapped copper.

“There's a very slim possibility,” said Carrie Gustavson, the director of the Bisbee Mining and Historical Museum.

In many of the towns in the southeastern region that originally supported the state's copper mining, there are now environmental reclamation processes taking place to recover the environment after years of practice that was not sustainable.

“There's a huge difference between the mining we see now and the mining we saw 100 years ago,” Gustavson said.

Bisbee, home to the Copper Queen mine, was built on mining copper. The mine that served as the foundation of the town shut down in 1975, and is now used for tourism and education

Jr. Miners win CJHL football championship;

By Andrew Luberda
Copper Area News

San Manuel and Hayden battled it out last week for the CJHL Football Championship. San Manuel got the win and the first place trophy. Hayden placed second.

Photos by Apuron Photography

The San Manuel Jr. High football team wrapped up a nearly perfect season by winning the Central Jr. High League Championship, defeating Hayden 46 – 8 on Oct. 24, in San Manuel.

The Jr. Miners were undefeated in league play (6 – 0) and finished the season 6 – 1, their only loss to Miami in what amounted to be no more than 11-man exhibition game.

“We played very well, considering we played (Hayden) just two weeks ago,” San Manuel first-year head coach Freddy Burnham told Copper Basin News. “I was concerned we would enter the game a little overconfident.”

The Jr. Miners squelched Burnham’s concerns early in the championship game, blocking Hayden’s punt on its first possession. Julian Vargas, an eighth-grader, scooped it and returned it for a touchdown.

On San Manuel’s first offensive series, Noah Huerta took a double-reverse play 45 yards to increase the Jr. Miners lead and the rout was on.

According to Burnham, the key to his team’s success this season was the offensive line, which allowed leading rusher Vargas to put up big numbers all season, including leading the league in touchdowns.

Seventh-grade quarterback Isaiah Ramirez, was second on the team in rushing and led the San Manuel defense in tackles.

The Jr. Miners’ defense was stingy all season, as it was in the championship game. It limited five opponents to 14 points or less, including on shutout. Defensive back Isaac Castillo had four interceptions on the season.

San Manuel last won the CJHL Championship 10 years ago.

it's been 10 years since last championship win

"We came together as a team," Burnham said about his team's success. "Everybody was eligible all year, so that played a big part too in winning this season."

"The kids trusted each other and could count on their teammate to care of their responsibility, no matter what

it was," he added.

Congratulations to the San Manuel football team: Coaches – Freddy Burnham, Jr. Bejarano, Jeff Booth, and Earl Andrade. Players – Michael Cross, Ralphy Valencia, Isaiah Lopez, Isaiah Ramirez, Mathias

Medina, Jose Atrian, Julian Vargas, Noah Huerta, Julien Stanford, Isaac Castillo, Andres Rodriguez, Anthony Aronson, Victor Fitts, Cristian Borboa, Rocky Andrade, Anthony Henson, Adrian Valencia, and Braydon LeGrand.

San Manuel misses playoffs after loss

By **Andrew Luberda**
Copper Area News

The San Manuel varsity football team ended its season with a 49 – 6 loss to No. 4-ranked Santa Cruz last Friday night in Eloy.

The Miners, who once seemed a lock for a playoff berth,

followed a six-game winning streak with three-straight losses, the most devastating against Willcox and Bisbee. Those two losses knocked the Miners out of the top-16, making Friday's game against the undefeated Dust Devils their last chance to secure a playoff spot.

Santa Cruz put the game away early, scoring 21 points in the first quarter on their way to 49 unanswered points

through three quarters. The Miners scored a meaningless touchdown in the fourth quarter.

Knights of Columbus host successful benefit dinner

The Knights of Columbus are grateful for the tremendous local support for their taco dinner last Friday to benefit People With Intellectual Disabilities (PID) according to chairman, Frank Gonzales.

"We tripled our success from last year," he said.

PID funds will help the nearby ARC program in Kearny. A portion of the funds raised will also benefit Arizona Special Olympics according to Gonzales.

"Fr. Rudy and his visiting relatives from Eloy sat in the San Manuel home stands, but it didn't help the Miners enough last Friday," Gonzales said.

"I graduated from Eloy, but I'm a Miner now," Fr. Rudy Rosales said.

Calm before the storm. Fr. Rudy Rosales and Frank Pierson grab a minute to talk to diners before the big rush at the Knights of Columbus' taco dinner last Friday.

Erin Fry is the final Varsity Cheerleader to be featured during this year's football season.

Miner Swimmers put on stellar performance at regional swim meet

Twenty-four high school swim teams competed at the Southern Arizona Regional Qualifier Swim Meet in Oro Valley on Oct. 27-28. It was the final opportunity for the teams from Southern Arizona to achieve qualifying times for the State Championship Meet this weekend. In the team scores the Miners finished in the middle of the pack (Girls 10th with 94

points, and Boys 14th with 60 points), but since the Miners represented one of the smaller schools at the meet, the team was proud of their results.

The preliminary session was held on Friday. The goal in prelims was to advance to the finals held on Saturday. With 24 teams at the meet achieving a top 16 finish is great accomplishment. Some

stellar performances by the Miners did just that, earning spots for 5 relays and 8 individual events. The fact that every Miner swimmer at the Meet swam in the Finals on Saturday had Coach Alex Gort very happy.

The Girls Medley Relay Team of Sophomore Bailee Hill, Junior Bonnie Bridges, Freshman Aubrey Bridges, and Freshman Alyssa Riekofski finished in 13th place to get things going for the Miners. The Boys Medley Relay Team of Junior Michael Primero-Predgo, Freshman Jayden Smith, Freshman Evan Apuron, and Junior Daniel Garcia swam to a 15th place finish.

Senior Raya Woods finished 16th in the 200 Freestyle.

Evan Apuron put in a great swim to win the 200 Individual Medley (IM) in a time of 2:05.85. Later in the meet, Evan swam a School Record time of 1:04.61 in the Breaststroke on his way to a second place finish. The previous record was held by Wayne Newman and was set in 2012.

Junior Darien Apuron had an outstanding swim to finish 2nd in the 100 Butterfly. Darien achieved a new School

Record time of 1:02.18, taking nearly a full second off the record she already held. Darien also had an 11th place finish in the 100 Backstroke.

Junior Gianna Sweeney bettered her own School Record with a time of 57.21 to finish 3rd in the 100 Freestyle. Gianna also swam to a 5th place finish in the 100 Breaststroke.

Michael Primero-Predgo put together his best race ever to finish 12th in the 100 Backstroke.

The Girls 200 Freestyle Relay team of Gianna Sweeney, Raya Woods, Freshman Star Chavez, and Darien Apuron finished 10th. The same four girls swam to a 9th place finish in the 400 Freestyle Relay.

With 3 new school records, and some great individual and relay swims, the Miners look ready to compete in the Division III State Championship Meet. The Division III State Swim Championship will be held at Phoenix Country Day Aquatic Center in Paradise Valley beginning on Friday, Nov. 3 at 3:30 p.m., with Finals scheduled for 2 p.m. Saturday, Nov. 4. Fantastic Phantasmagoria in Oracle

Dr. Stephen Cook and others in the Oracle Piano Society celebrated an early Halloween with Phantasmagoria. John Hernandez | Miner

By John Hernandez
San Manuel Miner

While paranormal researchers were investigating the Acadia Ranch Museum, other specters and ghostly visions were playing at the Oracle Center for the Arts. This spectacular masquerade and spectral featured music of the macabre performed by Dr. Stephen Cook, pianist, Founder and Director of the Oracle Piano Society. The concert, Phantasmagoria, was well attended

by many goblins, ghouls, werewolves, witches and their friends.

Along with the music and masquerade, there were ghost stories, supernatural poetry and ghostly images on the wall and screen.

Following the performance, an early Halloween party and costume contest were held. The concert was sponsored by the Lynn Cooper Harvey Foundation and Coralee Thompson and presented by the Oracle Piano Society.

Everyone had a phantasmic time.

NEW JOBS, ROADS, FREEWAYS AND ACCOUNTABILITY.

It's fair to say there's a lot of excitement in Pinal County about all the new roads and freeways in Propositions 416 and 417 on the November 7th ballot.

- ✓ Better infrastructure means more jobs, both during construction and the new businesses and customers that flock to new roads. That's why so many Chambers of Commerce support a Yes vote.
- ✓ Better roads mean better public safety according to Pinal County Attorney Kent Volkmer and Pinal County Sheriff Mark Lamb. And better roads mean safer roads. That's critical as I-10 gets worse and fatalities and serious traffic accidents increase everywhere, including several this month.
- ✓ More freeways lift home values. That's according to top Arizona real estate expert Jim Belfiore.

But it's more than fair to ask if the countywide sales tax is raised by one half of one percent to pay for all of these improvements, will the money be spent wisely?

YES! That's because of new safeguards built into the propositions themselves. Indeed, the plan now before voters was demanded by the people, frustrated with traffic throughout our county. And the people also demanded a seat at the table to see that the money would be spent wisely, if these propositions pass. That's why a Citizens' Oversight Committee, to be made up of citizens in incorporated and unincorporated areas, will oversee the decisions and expenditures made by Mayors and Supervisors.

Propositions 416 and 417 are plans by the people, and for the people. And, if passed, the people will be able to hold the politicians accountable.

This is just one more way, and one more reason, to keep Pinal County moving in the right direction.
