Cool, but I thought that was only for Sun Life patients?

Yea me too, but Lisa told me they are open to the public and have good prices even without insurance. so I tried them!

Nice! Thx for letting me know. I'll check them out to see if I can save some \$\$ too.

CAC cabinetry

Students at the Central Arizona College Aravaipa Campus were saddened to learn that the cabinetry and auto classes would be cancelled in 2019. These classes have been full and in the case of the cabinetry/woodworking class, there has often been a waiting list to join the class. The students do pay a tuition fee which includes an instructor and use of the equipment. Students have to provide their own materials for their auto and woodworking projects.

Many of the students have been enrolled in the class for several years. The auto program has recently seen three generations of a family enrolled to work on a classic car together. One of the woodworking students has been working on building cabinets for her home. For a few of the students, the cabinetry class has become their place for lifelong learning and camaraderie.

The classes are being cancelled to bring in a diesel mechanic and welding program of which are workforce skills that the local mining industry is in need.

Celebrating an early Thanksgiving dinner in the Tri-Community;

Veterans and other locals were welcomed to the San Manuel Elks Lodge on Sunday, Nov. 18, for the annual free Thanksgiving dinner. Volunteers serving the dinner saw a huge rush from 1-2:30 p.m. but folks were still enjoying the turkey with all the trimmings throughout the rest of the afternoon. In Oracle, the Oracle Community Center hosted its annual Thanksgiving dinner from noon to 1:30 p.m. On the menu was turkey (of course) and ham with all the fixings. This event, too, was free to the public.

Keeping your health on track during the indulgent holiday season

(StatePoint) The holiday season can be an indulgent one, full of cookies, candies, heavy meals and eggnog. While no one wants to rein in the fun during the merriest time of year, there are simple ways to keep your health on track during this indulgent holiday season.

- Stick to Routines. To the best of your ability during this hectic time of year, attempt to stick to routines that promote wellness. Set a bedtime and honor it. Hit the gym. Meditate. Do whatever it is that keeps you grounded and feeling your best.
- Drink Up. Many people associate dehydration with the warmer

months. But in winter weather it can be especially easy to forget to stay well-hydrated, especially when you're indulging in alcoholic beverages at all those holiday parties.

Remember, water doesn't need to be the only source of hydration you think about this season. Soups and purees made from hearty winter vegetables, as well as citrus fruits do the trick, too, and their nutritional properties can help keep you

healthy in winter.

- Keep Things Organically Sweet. Staying on track doesn't mean you can't enjoy the sweetness of the season. Instantly boost the flavor of your favorite meals with organic honey. One great option is Organic Honey In The Raw. USDA Organic Certified and Non-GMO Project Verified, it's made from pure nectar
