Lupe Palacios

January 1, 1954 - November 14, 2013

Lupe Palacios, 59, passed away on Nov. 14, with family and friends by her side.

She is preceded in death by her father, Manuel Benavides; mother, Mary Trenerio; and, her brother, Manuel (Candy) Benavides Jr. She is survived by her husband Apolinar "Polo" Palacios; daughter, Mona (Sam Horton Jr) Benavides; son, Manny Palacios and her two gordas, Azalya Jimenez and Nevaeh Horton; siblings, Guillermo (Alice) Magdaleno, Hector Magdaleno, Barbara (Richard) Amaro, Antonio Benavides, Raymond (Luz) Benavides, Ruby (Humberto) Marquez and Nancy Alvarado.

Lupe was born in El Paso, Texas and graduated from Jefferson High School. She moved to Arizona in 1978, when she married Polo. She was a waitress at El

Sonorense, owned by her "patroncito" Martin Corona. The experience many customers had there depended on what kind of mood she was in. She was also known for her volunteer services for the Salvation Army, first under the care of Senator Barbara McGuire and, more recently, one of her "Besties" Lora Snow. She also volunteered every month for the food bank at the courthouse. She loved to cook and bake for the whole town, especially during the holidays.

She was a very caring, nonjudgmental, humble woman. Her presence, including her grumpy expressions, will be truly missed by many.

Services were held on Tues., Nov. 19 at Infant Jesus of Prague in Kearny, with Mass by Father James Aboyi.

Letter to the Editor

Kudos to Kearny Health Mart

I have another kudo to give, this one for the Kearny Health Mart. Not only are their employees friendly and helpful, but, they have always treated me in a fair and welcomed way.

My latest experiences had to do with pricing of my prescriptions. Due to a convenience issue, a couple of months ago, I had to have prescriptions filled at a chain pharmacy in Globe. Upon picking up the scripts, I noted the prices were much higher than I was getting at Kearny Health Mart. Although the chain pharmacy called to verify the prices, and then met the prices, I think I learned a less to stay local.

This week I had to get a prescription refilled for my dog,

and the Vet. told me that the price for the medication was "much higher now." Kearny Health Mart had the medication in stock and, without me asking, told me that the price had gone up by 10 times more than what it used to be.. However, they did have a major portion of the quantity I needed on hand, and only charged me at the old price. My next refill will cost me more, but, the pharmacist was honest and didn't jack up the price.

A great big KUDO to our local pharmacy, their employees, pharmacist and owners! SHOP LOCAL.

Winter Wonderland approaching – Jingle Bell Rock and Smurfs

Jingle bell, jingle bell, jingle bell rock! Rock your way to the former Ray cafeteria ramada to experience Winter Wonderland 2013, Saturday, Dec 7. Shop with your local entrepreneurs who will be selling jewelry, crocheted towels and scarves, hand crafted wood projects, In Memory ornaments and much more. So far Gary Hill, Amy Laiklam, Dottie Schaub, Joan Baxter, Barbara Munoz, Tina Carrillo and Sylvia Lechuga have registered as merchandise vendors. Merchandise vendors still have time to submit an application.

The Knights will be selling their popular hamburgers and hotdogs, and enjoy the Magees funnel cakes and Indian fry bread. Posole and menudo will be sold during the parade.

All of the action begins at 11 a.m. There will be a variety of Christmas crafts for children that includes decorating Christmas stockings, beading, pompom projects, and a candy cane reindeer. All of the projects can be made for one dollar per child. It is anticipated that Event Wizards will be here with games where everyone wins a prize.

Santa and Mrs. Claus will arrive by helicopter at 2 p.m. courtesy of Native Air. They will be escorted by Junior Chamber elves, the Grinch, and Marvin the Christmas Moose (or maybe he's a reindeer).

Join in the spirit of Christmas and prepare a float for the Electric Light Parade. Check with Anna Flores at the Kearny Town Hall for entry information. It can be individuals, bikes, wagons, single vehicles, motorcycles, or a regular float. Be sure your lights have sufficient batteries so you do not march in the dark. Sign in on Allen

Street across the highway before 5:30 p.m. It is important that entries are there early, unregistered late comers are placed at the end and possibly might not get announced as they pass the judges stand. The parade starts at 6 p.m. on Allen, crosses highway 177 to Upton, right on Alden. Each entry needs to stop in front of the judges stand to perform and give the judges time to evaluate the entry. Proceed to Tilbury. The parade then goes down Tilbury to the 400 block of Danbury and will turn right, proceed up Danbury to the Ray cafeteria ramada where winners will be announced.

The movie Smurfs 2 will be released to the public Friday, Dec. 6 and will be shown at the ramada at approximately 8 p.m., after the parade awards are presented to the winners.

Luminarios and Love Light angels may be purchased that day and even decorated in preparation for the Love Light ceremony to be held on Alden Street, Friday, Dec. 20. These are in honor or in memory of someone special. The Mc Callister family has spearheaded the Love Light project for many years and the Junior Chamber members are in charge of the luminarios which will light up Alden Street Dec. 20.

Volunteers are needed at the children's craft tables and to help with other necessary work to get the day going.

There are time slots for entertainers from 11 a.m. to 3 p.m. Call or drop by the chamber office to see what you can do or the time you can perform.

During the holiday season it is important to keep our local businesses in mind. Avoid the crowds. Shop Small

Business Day is Saturday, Nov. 30. Shop local and include those who are participating in Winter Wonderland the following weekend. Hand crafted items are always appreciated. Gordon's will be offering 10 percent off purchases over \$50 on Nov. 30 as part of this nationwide campaign.

Shop local and enjoy Winter Wonderland.

A Time to Be Depressed

**By Pastor Joe Palmer
Fellowship Baptist Church**

Let me encourage anyone who is depressed by telling you that though there are reasons to be depressed, there are also ways to escape depression.

For a small number of us, the reason for our depression is physical. Diabetes, anemia, cancer, thyroid disease, prescription drug side effects, sleep apnea, traumatic brain injury, perimenopause/menopause, chronic medical illnesses, vitamin D deficiency are all physical causes for depression. If you think that your depression is physically caused, see your doctor. Much relief can come through treatments.

For the majority of us with

healthy brains, relief can be experienced if we trust God with our worries and choose to focus on caring for other people. Forgiveness and eternal life are a free gift, through Christ's death and resurrection, to be taken if we are honest enough to admit we need it. If we are reconciled to God through Christ, we can trust God to cause all things to work together for our good. – This is all the security we need to take our eyes off of ourselves to care for others.

Come and join us at Fellowship Baptist Church. We can encourage you.

If you would like to talk with me (Pastor Joe Palmer of Fellowship Baptist) about it, email me at joeandsuzypal@yahoo.com.

Are you getting enough sleep?

The CV Cardiopulmonary Sleep Center can help.

Please contact Will Purcella at

for more information
regarding your sleep study.

Sleep Disorders dramatically increase the risk of heart attack, stroke, diabetes, and high blood pressure. Sleep Disorder symptoms include snoring, fatigue, daytime sleepiness, forgetfulness and lack of concentration. Talk to your doctor about your concerns.

Happy Thanksgiving from some Copper Basin Kiddos!

By Vicki Clark

Copper Basin News

Okay everybody, it's that time of the year again (already) turkey time, gobble, gobble. And the star of the show, according to six Ray Elementary students is the turkey. The bird was the word when it came to listing favorites for the Thanksgiving feast.

But there were other thoughts and ideas concerning the holiday including the best way to get the turkey to the table.

Ashton Solis is a fourth grader in Mrs. Stuart's class and is the son of Christy Sims and Juan Solis. He lives in Kearny with his Nana Samantha Solis.

He said we have Thanksgiving to celebrate family and the Pilgrims arrival. He will be celebrating in two places, first at his Grandma's and then at his Aunt Roberta's, but not both on the same day.

At each feast, his aunt and grandma will be cooking, but added he might help.

On the menu for both dinners will be roast turkey, stuffing, biscuits and mashed potatoes. His favorite is the turkey, but coming in second is pumpkin pie.

While dinner is cooking, Ashton will spend his time playing with his family outside, but offered his take on getting the bird on the table. First put it a crockpot and cook it to warm it up and then throw it in the oven at 350 degrees for about one or two hours.

Ashton is most thankful this Thanksgiving for having a house, family, food and water.

Ashiya Varley is the daughter of Teri Varley of Kearny and is a fourth grader in Mrs. Stuart's class. Her take on the first Thanksgiving deals with the Indians and Pilgrims getting together and having a big feast.

She will be staying at home this year for the celebration with her mom, grandma and brother and will be helping with the cooking of the dinner. And also will be playing with her brother and cousin while dinner is being prepared.

Featured for dinner will be turkey, ham, mashed potatoes, pumpkin pie, and green bean casserole.

When asked for her recipe for cooking a turkey, she said, "Put it on a cookie sheet and stuff it, then put it in the oven at 350 degrees for like one hour."

Ashiya is most thankful this season for family, her house and for not being poor.

Isabella Wernett is the daughter of Angela and Jason Wernett, is in the third grade and her teacher is Mrs. Camacho.

She said we celebrate Thanksgiving

because, "To like remember the Pilgrims and Indians."

She's not really sure where she will be going for dinner, but thinks maybe her Nana's and then her Grandma's where probably all the family will be.

On the menu will be turkey, chicken, mashed potatoes and pie. She likes everything except the pie.

While Isabella plans on helping with dinner, she will also be playing with her cousins.

To cook the turkey she suggested that you should put it a crockpot, defrost it and then put it in the oven at 350 degrees for a 1,000 minutes or maybe 10, she's not sure.

She's thankful for a roof over her head, her family, her brothers, her dog and everything her family gives her and also for having food on the table and for everyone who takes care of her.

Mason Celis-York is in the third grade, his teacher is Mrs. Camacho and he is the son of Kerri and Justin Hune and Estevan Celis.

He said we celebrate Thanksgiving because of the Pilgrims and the Mayflower.

On Thanksgiving Day, he says, "Me and my Dad will be going hunting to get the feast and then we're going to eat and then will be going to grandma's."

His Mom will be doing the cooking along with his grandma and aunts and he might help by gathering his friends to go to the store for the ingredients.

Turkey, steak, pumpkin pie with whipped cream and everything else will be on the table and he likes everything!!!

While dinner is cooking he probably will be playing with his cousins and maybe he'll go to Queen Creek.

His recipe for the turkey includes defrosting it, then putting it in a pan that fits, popping it in the oven and waiting as long as it takes. But be sure to keep an eye on it and when it's the right color, take it out and eat it.

Mason is most thankful this season for his parents, his house, his dog Cooper and his family, and stores so he can buy food, clothes and video games.

Rilley Sosa is also in the third grade. Her teacher is Ms. Bustamonte and she is the daughter of Nichole and Rick Sosa.

As far as why we celebrate Thanksgiving, she said she has no idea, but she likes it.

She thinks her family will be going to her Tio David's and will probably stay for two days.

Her Tio David, her dad and sometimes

A very joyful and happy Thanksgiving to all from the mouths of our babes, clockwise from left, Jocelyn, Isabella, Rilley, Mason, Ashiya and Ashton. (Vicki Clark photo)

her brothers will be cooking while she plans to either swim or play the Wii.

Turkey, chicken, potatoes, salad and pea salad will be served and she likes them all, but as far as pie goes, she said she "hates" pecan pie.

Her take on getting that turkey to the table includes taking the frozen bird and defrost it. Then put it in a crockpot or grill it. Wait 'till the other food is ready, then take it out and eat it.

She is thankful for her family, her brothers and sisters, her cousins and for food. She is also thankful for everything her parents give her and added a footnote, love Rilley.

Jocelyn Gennicks is the daughter of Jeremiah and Felicia Gennicks and is in Mrs. Stuart's fourth grade class.

According to Jocelyn we celebrate family at Thanksgiving and give thanks for food and stuff.

She thinks she's going to her Grandma

Donna's for dinner or maybe staying home, she's not sure, but she plans on helping her Mom with the cooking.

Ham, deviled eggs and pie will be served and her favorite is the deviled eggs.

During the day she will be playing outside with her sisters, watching TV and of course helping with dinner.

As far as that turkey is concerned she says you need to find one that is big enough, defrost it and put it in tin foil. Next you put it in the oven at 350 degrees for 10 minutes and then let it cool down while waiting for the other food. When all the food is ready, it's time to eat.

This Thanksgiving she is most thankful for having a cat that kills bad insects, her house and food to eat. She also is thankful for being able to have a shower and to have a loving family.

So there you have it!! Have a safe and Happy Thanksgiving...gobble, gobble, gobbleicious.

Hayden to purchase professional Geographic Information System

By Mila Besich Lira
Copper Basin News

The Hayden Town Council approved the purchase of a professional Geographic Information Systems (GIS) services. The cost for the services is \$60,000. The vote to approve the purchase was not unanimous with 5-1 vote. Councilmember Ruiz voted no on the item. The funds to purchase the services are coming from remaining CDBG funds that

were not used in the previous year's funding. The GIS services will allow for layering of information critical for the further development of Hayden, these services are not being paid for with general fund dollars.

The GIS services will create a data base of address points, residential completions, employers, land ownership, land use including open space, municipal properties, parks and recreation, subdivision boundaries,

town council districts and will also allow for the Town of Hayden zoning laws to be included in the data bases and maps.

GIS is used in many communities throughout Arizona and the country. The planning process will create layers of information that can be used by the town to identify areas for growth, employment and preservation.

In addition to this business item

the council also voted to change the regular meeting dates for January and February to the third Tuesdays due to the Martin Luther King and Presidents' Day holidays. They also approved that Town Hall will close from noon to 12:30 p.m. each work day starting in January. This scheduled close will allow staff to have their lunch break.

The council also approved new board contacts. Mayor Vega will be

the contact for the senior center and administration; Vice Mayor Munoz, administration and police; Councilmember Lopez, fire and senior center; Councilmember Ruiz, library and public works; Councilmember Cooper, public works and magistrate; and Councilmember Smith, police and library.

The next Hayden Town Council meeting is scheduled for Monday, Dec. 16, 2013 at 5:30 p.m.

Town of Kearny approves street closure for Wonderland Electric Light Parade

By Mila Besich Lira
Copper Basin News

The Kearny Town Council approved the road closures for the annual Electric Light Parade for Saturday, Dec. 7, 2013. The parade is hosted by the Copper Basin Chamber of Commerce. They are re-

questing that the route be approved with the following road closures, Allen Road, Alden Road, Tilbury Road and the 400 Block of Danbury up Senator Chastain Road to Bearcat Boulevard. The Kearny Police Department will be assisting with the road closures and parade escorts.

Councilmember Radcliffe commented that this route has limited seating areas from routes used previously, he encouraged the chamber and town to make sure everyone understands the route. The parade ends at the school ramada, parade prizes will be given out there and Santa

will be there to greet the children.

The council also approved the Fire Department to write off \$200,649.62 in Ambulance Receivables. This write off was at the request of the town auditing firm Colby and Powell. The bills that are being written off are bills that will

more than likely never be collected on due to the federal and state regulations that operate the Medicare and Medicaid system. The statute of limitations on collecting these bills also comes into effect which does not allow the bills to be collected.

Ray Jr. 'Cats ready to open their season

By Andrew Luberd
Copper Basin News

The Bearcats' boys' seventh and eighth grade teams are coached by the school's athletic director, Ramon Rubalcaba Jr. He'll have double duty as both teams prepare to open their season. The eighth grade team is the defending league champions.

Coach Rubalcaba said there is excitement surrounding the basketball teams as the season approaches. Despite the fact that most of the players on the seventh grade are new to basketball, Coach Rubalcaba is looking forward to working them and seeing them develop.

"The seventh grade boys will be filled with a host of fast ball handlers, and basically no height," he said in describing the team. "These boys will be fun to watch, they will make up for their lack of size with their speed and ball handling skills."

Rubalcaba expects Stone Patterson and Danny Flores-Garcia to play the center position. Both players could see playing as forwards also. Romeo Williams-Varley, Guillermo Ortega, EJ Baca, and Tyler Goodwin are the other forwards on the team. Skyler Hughes, Jaden Pace, Dakota Willis, Daniel Ortiz, and Morgan Bray will play at the guard positions.

While the seventh grade may be short on height (no pun intended), the eighth grade league champions are not. Rubalcaba has four players who approach six-feet tall in his lineup including, Bobby Meza, Fabian Valenzuela, Julian Cruz, and Francisco (Cisco) Martinez-Lopez. Cole Yocum, Nathan Molar, Chandler Coleman,

James Goad, and Dyllin Sanders-Lopez are the guards on the team. Gavin Torrez will be used as a forward for the Jr. Bearcats.

Coach Rubalcaba said fans will see how well they play as team, which accounts for their success.

Coach Rubalcaba said he expects his players on both teams to display respect and discipline on and off the court. He believes those two qualities teach lessons for life.

"They need to be able to participate successfully in their academics, like in

Thank You & Correction

The SHS Hall of Fame Board of Directors would like to extend a Special Thanks to all of the members, sponsors, contributors, and guests, referencing the 6th Annual Superior High School Hall of Fame Induction & Ceremony held October 26, 2013. We thank you for your loyal support and contributions that make this annual event possible. The SHS Hall of Fame Board of Directors would also like to make a correction to all previously published information and material concerning the 2013/6th Annual SHS Hall of Fame Induction, which mistakenly did not list players David Lytle, Eddie Meyer, and Assistant Coach Bill Harold as members of the 1972 Class A State Baseball Championship Team. Corrections will be made recognizing these team members as Honorees, and their Induction into the 2013/6th Annual SHS Hall of Fame. We sincerely apologize to these individuals, their family members, and their close friends for our oversight.
