Disappointed in the override outcome

The early morning after. After the loss of the Oracle Elementary School District 2 override election. What is a person to think?

It would be smart to believe in educating our children. The tax is already in place - it's not a new tax: \$28.00 a year for a \$100,000 home. Truthfully, it's almost \$29.00. A small price to pay to have teachers and equipment to help our children. Children are our future and if people can't understand that, I don't get it.

Arizona is 47th in the nation for the amount of money it spends on educating each child. This is no surprise. And I called the AZ Dept of Education to verify this is true. How sad. How tragic. How disgusting.

How embarrassing? But do the folks in AZ really care? Obviously not.

I hope the folks who didn't vote for the override come to their senses some day. But it just makes those of us who did vote yes stronger - we will try even harder to make our District the best, and our children the best. It won't stop us in doing what is right and best for our young ones.

El Centro Youth Center moving to Superior;

By John Hernandez

Copper Area News

Betty Chavez of Adelante Juntos Coalition (AJC) has announced that the El Centro Youth Center will be closed in San Manuel and moved to the town of Superior. The youth center will be moving in November. Betty is moving to Colorado Springs, Colo. to take care of her mother. Adelante Juntos will be moving their office out of the B Avenue School building and returning to their old location until the first of the year. Diane Polanco, project assistant will be running the office. The closure of the office and youth center in San Manuel is due

to the loss of funding. Money and grants have dried up in part due to the sequestration and government shutdown. There is a possibility that the youth center may reopen if new funding becomes available.

Betty has been involved with Adelante Juntos in San Manuel since 2005. She has been active in substance abuse prevention and working with youth in the Tri-Community and Copper Corridor. The STOP! Underage Drinking program has been a success in the area. "We have had good results and outcomes in the prevention of underage drinking and want to duplicate this in other areas like Superior and the Florence school districts," said Betty.

Betty said that when she started, she did not understand community mobilization and coalition. She has been instrumental in establishing partnerships with law enforcement and other agencies that have resulted in more services for families along the Copper Corridor. Project STOP and National Night Out provided opportunities to build relationships with local law enforcement which has helped provide a safer, healthier, drug free community. In partnering with the Pinal County Sheriff's Office they were able to raise community awareness of the crystal meth problem through town hall meetings and community forums. Sheriff Paul Babeu and Lt. Tami Villar have helped immensely.

The Neighborhood Meth Watch Program garnered Betty and Adelante Juntos Coalition national honors. AJC designed and implemented the program in many rural communities in Pinal County. The Pinal County Attorney's Office and Sheriff's Office have helped fund AJC programs with donations from their RICO funds.

Betty is proud that she has empowered others to be successful. She is "humbled and honored" to have been involved with the community in working with Safe Journey House, Copper Town Days, and the youth center. Her proudest moment was when the El Centro Youth Center opened its doors. This gave the youth in San Manuel a

safe place to spend time after school and was used for many positive activities and

events. Betty has given much to the community especially the youth in area. She will be

Life lessons are sometime messy ...

By Jennifer R. Carnes

Copper Area News

On Nov. 22, 2013, our nation marked the 50th anniversary of the assassination of President John F. Kennedy. It's hard to comprehend that it's been 50 years.

I remember asking my parents where they were when it happened. Without even a second to think about it, they both had the answers. My mom was in English class. My dad was in shop class.

I'll bet that you, dear reader, if you are old enough, can answer the question without any hesitation.

I don't remember the assassination except as a history lesson. I wasn't even a gleam in

my daddy's eye at that point in time. But my generation, too, has its memories.

I was a senior in high school and in my yearbook class when the Space Shuttle Challenger exploded, killing teacher Christa McAuliffe and the other six astronauts on board.

I was sitting at my desk working on a story for the *Copper Basin News* when the Twin Towers were struck by terrorists in New York. I and everyone else in this country watched in horror as they came crashing down several hours later.

My grandparents' generation remembers where they were when they heard about the attack at Pearl Harbor, where they were when the bombs were dropped over Japan and where they were when they heard about the invasion at Normandy. Equally memorable would be where

they were when victory was declared in Europe and Japan.

Lives are defined by these moments.

It makes me wonder what my daughter will remember. Or my grandchildren. I'd like to think that their lives wouldn't be defined by war or disasters. I'd like to believe that they will remember where they were when the cure for cancer was found. Or when first contact with an alien race was made (Star Trek, anyone?). Or when the Republicans and Democrats on Capitol Hill come to an agreement on taxes, health care and budgets (did I mention I was a fan of science fiction?).

What would you like your children or grandchildren to remember? Let us know on Facebook: www.FB.com/copperarea.

missed.

Elizabeth Magallanez is the Adelante Juntos Coalition Project Coordinator in Super-

rior. She is working on finding a location for the youth center. She will be under the supervision of Dr. John Zhang. "The

center in San Manuel is very nice," said Elizabeth. "I hope we can find a good location, getting the right location is

key." Elizabeth has been the chairperson of the Superior Substance Abuse Coalition (SSAC) for five years. She has worked for Resolution Copper and the Town of Superior. She is also involved with the Copper Corridor Economic Development Coalition.

Elizabeth and Adelante Juntos will be looking for volunteers to help with the Youth Center and other programs. She will have AJC partner with existing programs such as the Culinary Arts School at Superior High School. AJC started up in Superior and is returning to the area. Although the loss of the youth center in San Manuel will hurt, Superior will be gaining a well established program to

help the youth of the area. For more information about Adelante Juntos Coalition and the

Youth Center or to volunteer contact Elizabeth at emagallanez@luzsocial.com.

It's time to be winter safe!

From the Pinal Rural Fire Rescue

Sadly, many do not take the time to prepare before using their heating sources in winter and lose everything they own in a fire. In 2011, heating equipment was involved in an estimated 53,600 reported U.S. home structure fires, with associated losses of 400 civilian deaths, 1,520 civilian injuries, and \$893 million in direct property damage. These fires accounted for 14% of all reported home fires.

Facts & figures

Based on 2007-2011 annual averages:

Space heaters, whether portable or stationary, accounted for one-third (33%) of home heating fires and four out of five (81%) of home heating fire deaths.

The leading factor contributing to home heating fires (28%) was failure to clean, principally creosote from solid-fueled heating equipment, primarily chimneys.

Placing things that can burn too close to heating equipment or placing heating equipment too close to things that can burn, such as upholstered furniture, clothing, mattress, or bedding, was the leading factor contributing to ignition in fatal home heating fires and accounted for more than half (53%) of home heating fire deaths.

Half (50%) of all home heating fires occurred in December, January and February.

(182), and Miguel Gonzalez (220). Freshman Michael Sanchez will wrestle at heavyweight.

Tamayo, Lopez, Medina, Wright, and Guerrero are state qualifiers from last year. Senior Colten Smith has had three consecutive top four finishes at state over the past three seasons.

Freshman Franky Renteria and Colby Stratton are the newcomers on the Miners' wrestling team. Renteria joins the team coming off a second-place finish at state in Jr. High School.

The team's managers are seniors Latryce

Rodriguez, Kiara Mancha, and freshman Rhiannon Morneweg.

Coach Najera is excited about his team and knows they must put in the work to be successful.

"Our goal is always to put 14 wrestlers on the mat, practice hard every day and compete," he said. "Our kids are working hard and all we expect is effort and dedication. We're very excited and looking forward to get back on the mat."

The Miners next match is Dec. 4 at Benson versus Bisbee, Baboquivari, Morenci, and Pima.

Charlotte's Way Rescue to hold fundraiser

By **Nina Crowder**

San Manuel Miner

Cher Heath of Charlotte's Way Rescue plans a fundraiser in December at Catalina Rawhide Hay and Feed Store! Cher runs the non-profit organization of Charlotte's Way Rescue in Oracle. The purpose of the fundraiser is to help for funding of the non-profit certification 501 (c) (3) which will allow the organization to be tax exempt through the Internal Revenue Code. The non-profit status will also allow Charlottes Way Rescue to have liability protection. The non-profit certification is vital for Cher to continue her work saving animals.

There will be a number of raffles by various vendors including a candle gift basket, a Tea Life basket, a certificate for a one hour massage by Healing Pathways Massage, a certificate for a Tarot Card reading, a ZORT (Zombie Outbreak Response Team-Arizona Sector) shirt and other items. Camp Bow Wow will be on hand to answer questions and help with the fundraiser. Homemade dog treats will be available with part of the proceeds going to Charlotte's Way Rescue.

Cher does many things for the animals she rescues, to date she has spent over \$15,000 just on medical bills. Recently a dog had a broken leg and the surgery cost was around \$4,000, so costs do add up quickly. Some feral pigs got into her yard recently and

tore up a cat very badly. Cher had to pay for the surgery for this as well. Any and all donations can help this rescue effort. She not only provides spay and neutering for the animals adopted, but helps people in the community that can't afford spay and neutering costs. This year she has already had 1,180 dogs and cats spayed and neutered.

When adopting an animal from Charlotte's Way Rescue the animals are spayed/neutered, fecal tested, up to date on shots and they are even taught manners. Many of the animals are house trained with Ceasar Millan dog training. Cher is dedicated to reducing euthanasia of adoptable pets. She helps bring a quality of life to all abandoned, abused and neglected animals that are in the Tri-Community area.

When you choose to adopt a pet, you are saving a life, and saving money. The adoption costs are less then purchasing from

an animal breeder or pet shop. Animals of all breeds, sizes, and shapes are available and can become your best friend. Many of these animals just need a second chance.

Volunteer Connection

Volunteers provide all types of community services and assistance. There are volunteer health care professionals, firemen, coaches for youth sports, tutors, teachers, food bank workers, grant writers and more. Just about every job skill available out in the community can be used by volunteer groups and organizations in our communities.

The San Manuel Miner is sponsoring this regular feature that hopes to connect non-profit organizations, churches, schools and events with volunteers. To have your volunteer opportunity posted here, please submit:

- Name of organization
- Contact information
- Type of volunteer(s) you are seeking
- A brief description of the volunteer's job
- The number of hours expected from your volunteer
- Any other relevant information

Send your information to editor@minersunbasin.com.

Safe Journey House

Volunteers are needed for Safe Journey House, a program of Against Abuse, Inc. Volunteers may be asked to answer phones, watch children, gather supplies, or assist with similar light duties while an Advocate is talking with a client. We ask for a minimum of two 4-hour shifts a month and also to be on-call in case a substitute is needed. Requires an understanding and agreement to maintain confidentiality of services rendered and also passion for assisting victims of domestic violence. If interested please call 520-385-4970 or email: SJH-Donna@against-abuse.org. The center is located at 212 E. Fifth St., San Manuel.

San Manuel Library

The San Manuel Library is seeking volunteers for up to three hours once per week. Computer skills are helpful but not necessary as training is provided. Volunteers will learn valuable new skills and meet people from not only the Tri-Community but also other states and countries. If interested, please apply with Kathy Smith, library director at 108 W. 5th Avenue in San Manuel or call 520-385-4470 for more information.

Tri-Community Visitors Center

Looking for friendly people who love the Oracle, San Manuel, and/or Mammoth area. You will greet people from all over the world, including your neighbors, and will tell them what's to see, do, buy and enjoy in our towns. We are open Tues-Sat 1:00 - 4:00 PM and have flexible openings. Please contact Debi either by phone (520) 400-5772 or email NatrevHealth@yahoo.com.

"Volunteering is an act of heroism on a grand scale. And it matters profoundly. It does more than help people beat the odds; it changes the odds." – President Bill Clinton

Mammoth Christmas Light Parade plans Disney showcase for December 21 on Main St.

By John Hernandez

San Manuel Miner

A group of Mammoth citizens are busy organizing a Christmas Light Parade. "It is something to do for the kids," said Pedro Young. "We thought about doing a parade last year and this year we wanted to get it started." Pedro, Kevin Waddell and others have been getting the word out on Facebook on the 2013 Mammoth Christmas Light Parade Facebook page. A meeting was held on Sunday, Nov. 24 at the Mammoth Community Center. Representatives from the Mammoth Town Council, Lions Club, senior citizens, and some others were in attendance.

The Christmas Light Parade will be held on Saturday, Dec. 21 at 6 p.m. The theme for the inaugural parade is Disney characters. It was voted on by people on the Light Parade Facebook page. Floats should have a Disney theme and be illuminated. Entry forms for the parade are available at Shear Expression and Mammoth Towing. The deadline for float entries is Dec. 16.

Get out your Christmas lights and decide on your favorite Disney character. Parade entries being sought for first Mammoth Electric Light Parade. (File photo)

There is no entry fee. The parade is open to everyone in the Tri-Community.

The parade will begin lining up at the Old Mammoth Jail House at 5:30 p.m. At 6 p.m. the parade will begin and make its way to the Lions Club. At the Lions Club the kids will be able to visit with Santa

Claus. There will be food available at the Lions Club. The seniors will be selling menudo. Other food such as cookies and hot chocolate may be available.

Another meeting is scheduled for Sunday, Dec. 8 at 6 p.m. at the Mammoth Community Center. At the meeting, the details of the

parade will be finalized. For more information about the parade or to offer ideas contact Pedro Young at 520-203-3943 or Kevin Waddell at 520-483-0001. Interested parties can also stay updated on the 2013 Mammoth Christmas Light Parade or Mammoth AZ Bulletin Board Facebook pages.
