Superior Council appoints liaisons to ADOT, RCM

By **Nina Crowder**
Superior Sun

Last week the Superior Town Council took steps to keep talks going and information flowing between the Arizona Department of Transportation and Resolution Copper Mining and the council.

After much consideration and discussion regarding the State of Arizona's plan to widen and expand Highway 60 through Superior, the council appointed Mayor Jayme Valenzuela and Councilwoman Mila Besich Lira to serve as liaisons between

ADOT and the town. The two will help with understanding issues and conveying to the community the details of the Highway 60 expansion project.

The suggestion of appointing the liaisons came from several members of the council who

attended a recent Superior Chamber of Commerce meeting.

"What we are hearing right now is the people would like to see a more unified voice," said Besich Lira. "Right now ADOT is receiving messages, emails, correspondence; they are hearing from different residents of the community and want to be able to hear the concerns. They can't promise to make any changes. But without having some dialog from the Town Council I think we are all a little confused."

According to ADOT, the project is to improve and/or realign US60 from the town of Superior from milepost 222.6 to east of the city of Globe at milepost 258 in Pinal County and Gila Counties. ADOT in conjunction with the Federal Highway Administration (FHWA) has initiated the location concept studies and environmental impact statements (EIS) to evaluate the improvement project. The study has developed the proposed

improvements to enhance safety, traffic operations and regional connectivity and to meet future traffic demands. The plan is to widen the highway to four lanes with a raised median. Additionally, Main St. will be realigned to match the location of the planned Circle K driveway.

Valenzuela, through his conversation with ADOT representative Jesse Gutierrez, affirmed that the project will proceed. "The funding is in place," Valenzuela said.

The Planning and Zoning Commission met earlier in the week, Valenzuela said and reaffirmed moving forward with the realignment.

"There will be other issues," Valenzuela said. "ADOT will listen, but can't make any promises. The main and upmost concern they have is safety." Valenzuela added that he realizes this is a major impact on our community.

"The council is in support of this project and are moving forward on this," Valenzuela concluded. "The town council will give it their all but in the end we have to deal with the cards we have been dealt."

At the same meeting, the council agreed to name Councilmen Gilbert Aguilar and Steve Estatico as liaisons to Resolution Copper Mining. The two, along with interim manager Margaret Gaston and the town's attorneys, will open discussions with the company about economic development. RCM representatives Dave Richins and Andrew Taplin were on hand at the Thursday night meeting. They thanked the council for this decision.

In other business, the council were told of three openings on the Planning and Zoning Commission and approved advertising to fill them. The term for a commissioner is three years. The Town of Superior is actively looking for three qualified people to fill these current openings.

The council was told of the upcoming Let's Talk Trash clean up event on Dec. 7 beginning at 7 a.m. RCM has donated 12 roll-offs to help.

Also on the calendar is Miracle on Main St. on Dec. 7 and the Dec. 19 Superior Town Council meeting at 7 p.m. at the Senior Center. The public is invited and encouraged to attend.

DECA's Fill the Bowl feeds needs at Superior Food Bank; students make \$1,000 donation to SFB

By Mila Besich Lira
Superior Sun

Did you know that one in five children is at risk of hunger in America while one in five Arizonans live in poverty. Every county in America has food insecurity. These are just a few of the somber facts that motivated the SHS DECA club to host the first ever Fill a Bowl event in Superior.

The Superior Junior Senior High quickly filled up on Saturday evening with dozens of residents who were looking to fill their bowls for a good cause. There were four homemade soups to choose from; Posole, Cream of Potato, Chicken Noodle and Minestrone. Salad and bread accompanied the soups. The bowls that were filled were not just your average bowl, the bowls were decorated by community members and students. Each bowl had a somber fact about hunger in America. These facts on hunger are what motivated the DECA members at SHS to host this event.

During the Fill the Bowl event the students announced that after the check was cut they raised additional funds. The student group raised over \$1,000 for the Superior Food Bank. Superior Food Bank representative Manny Ruiz thanked the students

for their hard work. In his speech he explained that current economic conditions in Superior are increasing their clients at the food bank. Last week the Superior Food Bank provided food boxes that provided enough food for at least three days to their clients. "Currently we are serving 20 percent of Superior's population," Ruiz explained.

With the holidays quickly approaching the Superior Food Bank is in great need for both donations of funds and non-perishable food items. If you would like to make a donation to the Superior Food Bank you can contact Manny Ruiz at 520-689-5430 or Dennis VanGorp at 520-827-0988.

Arraignment Continued from Page 2

in Superior. Shortly after initial reports of

the gunshot victim, law enforcement received a call to the desert-area near Highway 177 and Arnette Road to a vehicle

fire. The vehicle was later identified as being that of the gunshot victim, according to the Form 4.

The Probable Cause Statement alleges the victim was lured to an area near the ball fields in Superior, shot in the neck, driven to a desert-area, beaten and left there.

Villalobos has been charged with Armed Robbery of the gunshot victim and Misconduct Involving a Weapon. Additionally, he faces charges of Attempted First Degree Murder, Arson of a Structure. Also, upon execution of the search warrant, the Probable Cause statement

alleges police found what are believed to be methamphetamine and drug paraphernalia, which resulted in charges of Possession of a Dangerous Drug and Possession of Drug Paraphernalia. Six of the eight felony charges Villalobos faces include additional allegations of being dangerous.

Outside of one count, Apodaca, Magallanez, and Estrada face identical charges to include Attempted First Degree Murder, Aggravated Assault with a Deadly Weapon, Kidnapping, Armed Robbery and Arson of a Structure, all charges carrying a

dangerous allegation. Apodaca, additionally, faces one count of Misconduct Involving Weapons.

All four individuals are presumed innocent until and unless proven guilty.

Pinal County Attorney Lando Voyles stated, "No victimless crime exists when involving illegal drugs. Drugs and violence coexist as do turkey and Thanksgiving dinner. From marijuana to meth, we continue to see the violence bred from these substances and my office and law enforcement will continue to fight the danger they pose on our Pinal families."

You."

What kinds of things have you hidden deep inside of your heart? Are they attitudes, thoughts or behaviors such as: anger, hatred, jealousy, bitterness, marital or family problems, secret sins or inappropriate desires?

What needs to be in your heart? Things like: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. There is no law or commandment from God against any of these ideal characteristics.

With the wrong things hidden in a person's heart, we become conceited, provoking and envying each other. That is not a good way to live.

Let your heart reflect the fruit of the Spirit in your life, so that others may be blessed by who and what you really are. Hide God's Word in your heart!

Thank You & Correction

The SHS Hall of Fame Board of Directors would like to extend a Special Thanks to all of the members, sponsors, contributors, and guests, referencing the 6th Annual Superior High School Hall of Fame Induction & Ceremony held October 26, 2013. We thank you for your loyal support and contributions that make this annual event possible. The SHS Hall of Fame Board of Directors would also like to make a correction to all previously published information and material concerning the 2013/6th Annual SHS Hall of Fame Induction, which mistakenly did not list players David Lytle, Eddie Meyer, and Assistant Coach Bill Harold as members of the 1972 Class A State Baseball Championship Team. Corrections will be made recognizing these team members as Honorees, and their Induction into the 2013/6th Annual SHS Hall of Fame. We sincerely apologize to these individuals, their family members, and their close friends for our oversight.

Every day and every night when you feel the need to hold me tight, just blow a kiss into the sky for I will be that close by. In the heavens throughout the day, I watch over you and hear you pray. I see you smile and shed a tear for you know I'm still near. I'm the angel of your eye, your angel in the sky.
