OBITUARY

Carl Hereford Jr.

Long time Oracle resident, Carl Hereford Jr., 85, passed away October 4, 2014 at Heritage Manor in Catalina. Carl was born June 15, 1929 in Kiowa, Oklahoma to Carl Sr. and Julia Hereford. Carl joined the U.S. Navy at age 16 to

catch the end of World War II and was initially stationed on the East Coast, but, had the opportunity to travel the world, including Italy, Greece, France and Spain, to name a few.

After the Navy, Carl used the GI Bill to further his education in geology and mining through the University of New Mexico. This education prepared Carl for all types of mining, including uranium, gold, silver and copper. Carl was a Federal Mine Inspector from 1957 to 1966.

Later in 1966, Carl took a job as the mine superintendent for the Khetri Copper Project in Rajasthan, India for three years. Since Carl had great success in India with copper mining, Arizona's copper mining industry was in his future. Carl took a position as shaft superintendent with Cementation to "sink" shafts for Magma Copper Company in San Manuel.

After Magma Copper, Carl continued his career in mining, working in sometimes remote areas, including Chile and the states of South Dakota, Nevada, Texas, Utah, Alabama, Oklahoma and others, however he always maintained Arizona as his "home base".

To many, Carl was a workaholic, a man dedicated to his mining profession. However, he enjoyed hunting and shooting, and loved the outdoors. He had many stories about hunting Blue Bull in India, deer in Arizona and even raccoons in Oklahoma, using his hunting dogs. Carl was an independent, intelligent man that loved to read, especially books about history and politics.

Carl was a very loving husband, father and grandfather, and will be missed by all. He is survived by his wife, Phelsadine; three daughters: Carla Graham, Denise (Skipper) Chambers, Brenda (George) Widugiris; Phelsadine's three children: Mark (Teri) Anderson, Pam (Dan) McClure, Trinkia (Mark) Henderson; eight grandchildren: Andrew Wilson, George Chambers III, Joy Chambers, Dan Jr. (Amber) McClure, Nate (Mandy) McClure, Todd (Monica) Anderson, Tobi (Clayton) Seavey and Mariah Henderson; and, eight great-grandchildren.

The family requests, in lieu of flowers, that contributions be made to further the research to find a cure for Dementia and Alzheimer's: Alzheimer's Association, Desert Southwest Chapter, 1028 E. McDowell Road, Phoenix, AZ 85006-2662.

San Manuel Airport Master Plan to be finalized by December

By **Andrew Luberda**
San Manuel Miner

The second and final Public Information Meeting (PIM) took place last Wednesday at the Terminal Building at the San Manuel Airport. The purpose of the meeting was to inform members of the local community about the airport's future plans, and to solicit input from the public concerning the plans.

Wednesday's meeting represented one of the final steps in the planning process, which began

last October, before the Master Plan is completed and presented to the Pinal County Board of Supervisors in December.

An Executive Summary of the Airport Master Plan was formally presented to more than 20 airport planning consultants, county officials and local community members.

The Airport Master Plan covers all aspects of the planning process, in accordance with the current requirements of the Federal Aviation Administration (FAA) and the Arizona Department of Transportation (ADOT).

Nicholas J. Pela, the Airport Project Planner, summarized the Executive Summary during a 90-minute presentation.

The Executive Summary is a concise overview of the contents of the Airport Master Plan.

Among the hundreds, and perhaps thousands, of pages included in the Master Plan is an

assessment of the existing airport infrastructure and an evaluation for compliance with current FAA design standards, aviation demand, land use, airport plans, and much more.

The majority of the plan, which covers the next 20 years, addresses scenarios that may or may not occur. However, there are immediate maintenance needs and improvements that are scheduled within the next four years.

Being prepared to make changes when necessary is an important component of the plan. An increased number of operations or an upgrade to the airport's classification, requiring an extension to the runway to accommodate larger aircrafts requires the plan to be flexible.

"We don't predict the future," Pela said about developing the Master Plan. "What we try to do is give a set of tools that are flexible going into the

future and there are things that happen that you have to react to."

One of the first tasks of the project was an inventory or assessment of the airport in its current condition. This is an important step, especially in determining compliance with federal requirements and potential funding.

"If you accept a federal or state grant you have to be in compliance with design standards," said Pela.

According to the Executive Summary, the airport was found to be in generally good condition. Maintenance and other facility needs were identified.

Currently the Airport is leased from BHP. While the Master Plan does not

recommend buying the land, Jim Petty, the Pinal County Airport Economic Director, is negotiating a potential purchase. The process to purchase the land will take three years, including an environmental assessment because FAA and/or ADOT funding will be used.

The first five years of the plan (2014-19) is split in two phases: the Immediate (2014-16) and Short Term Development (2017-19) Phasing Plans.

The work in these phases consists primarily of maintenance, rehabilitation, capacity, and safety projects that will allow the airport to better accommodate its existing activity.

This includes a program

of pavement maintenance, apron construction with shaded aircraft parking, runway and taxiway rehabilitation, access road relocation, 2-5 unit tee hangars and aprons, taxiway lighting, auto parking, and more.

The access road location is necessary in order to comply with FAA guidelines that require roads not to be within the limits of the Runway Protection Zone (RPZ), a trapezoid area at each end of the runway.

As previously stated, FAA compliance is important in securing future funding.

Update on Resolution Copper Project

By Mila Besich-Lira
Copper Area News

Officials at Resolution Copper recently announced that the sinking of the number 10 shaft is almost complete. Crews need about 60 feet or less to reach the bottom of the shaft. At completion the shaft will be the deepest shaft in north America.

While there is much to celebrate about this milestone, the company also learned of an application submitted by the San Carlos Apache tribe to designate the Oak Flats Campground and Apache Leap as a historic and culturally significant site. The application was submitted to the Tonto National Forest in September. The official process to make this designation takes about six months to a year and is finalized by the

keeper of the historic register in Washington, D.C.

Pinal County Supervisor Pete Rios was invited by the Forest Service to comment in either support or against the designation as part of the process. Rios submitted a letter opposing the designation and also submitted comments and letters written by community members in Superior as well as elders at the San Carlos Apache Tribe who opposed the designation.

The designation would create additional permitting processes through the National Environmental Protection Act (NEPA) before the mine could open. Rio Tinto and BHP, the joint owners of the project, are both members of the United Nations Indigenous Peoples and Human Rights pacts. The historic designation could pose a threat to both companies' corporate ethics.

First graders trick or treat for food bank

By Annie Martinez
Special to the Miner

On Oct. 31, 2014 the first grade children of First Avenue Elementary did something amazing. They went trick or treating for the Tri-Community Food Bank. They did not ask for candy but instead for a can of food to help those in need this year. The children dressed up in their Halloween

costumes and went door to door around the school collecting food.

Each child was all smiles as they walked around the neighborhood. The families that live around the school participated and the combined effort of this community was 200 cans of food for the Tri-Community Food Bank.

The teachers also used the food collection as a wonderful teaching tool involving the students with the tallying of cans. Each child got to take turns forming "rods" (groups of 10 cans) and once the final number was in, everyone

was all smiles.

I want to take a moment to thank not just the children of First Avenue for their community service, but the teachers Mrs. Mansager, and Mrs. Austin, as well as all the families who donated their time and food to help this great cause.

I love the fact that the children were excited to help out those in need, and that our teachers and staff saw a way to allow them the opportunity to help. I am grateful to have been able to witness this act of community service and hope to see it again.

I'm thankful to be a chicken.

Happy Thanksgiving

from our family to your family!

Oracle Schools sponsor Halloween Festival and Haunted House

By Nina Crowder
San Manuel Miner

The Oracle School District held a Halloween Festival including a well put together and scary haunted house. The youth from Oracle and surrounding area attended and had plenty to do. The young and older people were dressed for an evening of excitement and scary times. Oracle allowed everyone an opportunity to participate in jumping castles, food of many varieties they had the

chance to win gold fish, candy, by throwing darts at balloons, bean bag toss and many other activities. It was a wonderful turn out and everyone seemed to have a great time!

The Haunted House was freaky, scary and everything a haunted house should be. Actors and props can only go so far, so it's important to approach the haunted house the right way, you have to play into the fantasy of the haunted house. Play into being a victim a little bit or rescue a friend who is scared. No one is going to hurt you even if

it seems like it especially when they run after you with running chain saws and clowns that don't move until you are right up on them. The Oracle Haunted House had all this and more it was certainly worth the adventure. Some of the sponsors to make this event possible were: Oracle School District Administration, Saddlebrooke Community Outreach, Sycamore Canyon Representatives and the generous volunteer time of the Oracle Teachers. Thank you all for putting forth the hard work to make this special festival available for the community!

San Manuel has annual Halloween Parade

By **Nina Crowder**
San Manuel Miner

The San Manuel Volunteer Fire Department led the annual Halloween parade. The community looks forward to such events. It's nice to see everyone getting together dressed up and enjoying all the sights. The parade was well attended and successful. It's the volunteers of the community and their time they give that make these events possible.

Children of all ages dressed up and the judges had a difficult

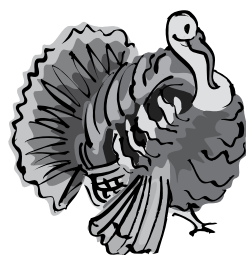

time deciding the winners but finally came to the conclusion of these winning contestants: for Kinder and under first place was Mia Bravo as Queen of Hearts, second place was Annie Nieman as the Punken, third place went to Dario Estrada as Monster Ink; first through third graders, first place was Isacc Halbert, second place was Abigail Valdez, third place was Mikala Hirojos; fourth through sixth graders, first place was Riley Gillis, second place was Eric Valasquez and third was Tyson Hogan; the best family went to the David Family for the Zombie Family where the father followed on a motorcycle, second place for best family was the

Valenzuela Family with Frankenstein baby and dad.

Everyone seemed to have a good time as laughs and smiles filled the air. There were some terrific and creative costumes. Thank you all who help make these events possible.

The youth are currently participating in Flag Football and Cheerleading/Pep Squad. Look for the Polar Plunge in December. Information will be coming out soon. If you have specific questions or need additional information, please refer to MSM Community Schools Facebook page at: MSMCommunitySchools.

Central Arizona College holds successful Palooza Day

By **Nina Crowder**
Copper Area News

Arizona State University. The representatives from the schools enjoyed the

day spending time with the younger generations and informing them about

what is available for their futures.

The community looks

forward to events such as the Palooza Day and this was certainly a successful

day filled with excitement, learning and even a little relaxation!

The Central Arizona College (CAC) Aravaipa campus hosted a fun and informational Palooza Day. The youth from Mammoth STEM School and Hayden High School attended and enjoyed themselves. Visiting students were able to participate in jumping castles, physical and mental games, playing pool, eating, and relaxing in lounge chairs. The youth also met with many representatives from different colleges and the advisors of CAC along with some of the instructors.

Thank you to the sponsors for their support: Central Arizona College, Northern Arizona University, Grand Canyon University, University of Phoenix and

Miners' cross country advances to state

By **Andrew Luberd**
San Manuel Miner

The Miners boys' and girls' cross country teams competed at the Division IV, Section III meet at Marana High School last Saturday. The Miners were among 18 teams competing for a berth in the state meet.

The Miners boys' team qualified for

the State Championship this Saturday, November 8 at 8:45. The state meet will take place at the Cave Creek Golf Course in Phoenix.

Patrick Lopez and Juan Ortega were the top boys' runners.

Andrea Castaneda, who is making her second trip to the state meet, medaled with a sixth-place finished at the sectional meet.

A total of eight runners will represent the Miners at the State Championship Meet this weekend. They are: Andrea Castaneda, Patrick Lopez, Juan Ortega, James Duarte, Colton Stratton, Jared

Gonzales, Carlos Salas, and Marco Salas. "We are very proud of all our runners this season," said head coach Maria Lopez, speaking for the entire coaching staff. "It will be hard letting all the seniors go."

Varsity and JV volleyball teams wrap up seasons

By **Andrew Luberd**
San Manuel Miner

The Lady Miners were shutout at San Carlos on Oct. 23, 3 – 0. But they got right back after it the next day, competing in the Florence Volleyball Invitational Tournament on Oct. 24-25. They finished with a record of 7 – 6 in the tournament, competing against teams in higher divisions. The tournament provided good experience for the Lady Miners.

The Lady Miners played their final match of

the season last Tuesday, defeating Santa Cruz to avenge a loss earlier this season to the Dust Devils.

Senior captain Kadi Monfred had 15 kills and five blocks in the win. The Lady Miners' other senior captain, Felicia Medina had 21 serve points. Juniors Ashley Vargas and Angela Navarro each had eight assists.

"I am pleased the Lady Miners continued to play hard and improved their records," head coach Cindy Navarro said.

Poor fourth quarter dooms Miners

By Andrew Luberd
San Manuel Miner

The Miners hung tough with the ninth-ranked Sabercats in last Friday's home football game, trailing only 14 – 7 heading into the fourth quarter. But the Sabercats poured it on in the final quarter, outscoring the Miners 29 – 0 on their way to a 43 – 7 victory.

The loss effectively ended any hopes the Miners had of reaching the playoffs. Even a win against the Sabercats may not have earned a playoff berth.

Despite the loss in the season finale, the Miners' season should be considered nothing other than a success in head coach David Ward's first year at the school.

The Miners won four-straight games after starting the season with consecutive losses. They finished their season with a record of 6 – 4, including 4 – 2 in sectional play, which was good enough to finish third behind playoff teams Pusch Ridge Christian Academy and San Tan Foothills.

Miner swimmers finish fourth at Regional Swim Meet

Miner swimmers competed in the Southern Arizona Regional Qualifier Swim Meet in Oro Valley at Canyon Del Oro High School on Oct. 31- Nov. 1. It was the final opportunity for 23 teams from Southern Arizona to achieve qualifying times for the state championship meet to be held Nov. 7-8. Miner swimmers were at their best swimming against some of the best swimmers in the state from much larger schools like Salpointe, Catalina Foothills,

Ironwood Ridge, Canyon Del Oro, Cienega, Sahuaro, Rincon, Buena, Tucson, Mountain View, and Douglas. The Girls 18th place was respectable for the level of competition. The Boys had an exceptional meet and finished tied for fourth place with Buena High School from Sierra Vista. Only swimming powerhouses Salpointe, Catalina Foothills and Ironwood Ridge beat the Miners.

Preliminaries were held Friday with the top 16

swimmers advancing to the finals on Saturday. The Miners swam well enough in preliminaries to advance all three Boys relays and one Girls Relay to the finals on Saturday. The Miners also shined in the individual events. Each of the seven boys on the team advanced at least one individual event to the finals. Against the tough competition from the 22 other teams, none of the girls were able to advance to finals in individual events.

The Boys Medley Relay team of Will Newman, Taylor Woods, Colbey Stratton, and Robert Sweeney achieved a state qualifying consideration time and new school record in the prelims with a 1:56.66 and went on to swim a 1:54.37 in finals to greatly improve the chance of swimming this relay at the state championship meet.

In the finals, Jacob Christian swam a personal best of 2:08.61 to finish 14th in the 200 Freestyle. In the 200 Individual Medley, the all-around event in swimming, three Miner swimmers finished in the top 16. Taylor Woods finished seventh with a time of 2:26.80, Michael Garcia finished 13th in 2:44.53 and Alec Newman finished 15th in 2:59.42.

Colbey Stratton showed he can sprint with the upperclassmen, finishing 14th place with a time of 24.84 in the 50 Freestyle.

Will Newman finished fourth in the 100 Butterfly with a new school record time of 57.06 (and Automatic State Qualifying Time). Michael Garcia showed the Miner depth in the Butterfly finishing 15th in 1:15.14.

Colbey Stratton broke the school record in the 100 Freestyle finishing with a time of 55.04 on

his way to an impressive eighth place finish. In the always exciting 200 Freestyle Relay, most of the top eight teams were seeded within a second of each other after prelims. In a flurry of sprints and relay exchanges, the Miner team of the Stratton, Woods, Christian, and Will Newman finished fourth with a new school record time of 1:37.68 (state qualifying consideration time).

After a very short rest, Will Newman finished second in a close 100 Backstroke race in school record time of 57.53 (automatic qualifying time). Taylor Woods finished 13th with a personal best time of 1:09.38 in the 100 Backstroke.

The 400 Free Relay team of Christian, Garcia, Alec Newman, and Robert Sweeney all swam personal best times to finished 10th with a time of 4:07.78.

The Miner Girls made their only event in finals count. The 400 Freestyle Relay Team of Raya Woods, Cita Sweeney, Elyssia Aguilar and Fernanda Vasquez swam to an 11th place finish with a time of 5:10.82.

With five new school records, and some great individual and relay swims, the Miners Boys look ready to compete in the Division II State Championship Meet at Skyline Aquatic Center in Mesa on Nov. 8 and 9. Will Newman is scheduled to compete with automatic times in the 200 Individual Medley and 100 Backstroke. The Miners have consideration times in all three relays and hope to be among the top 24 that compete. Miner swimmers will have to wait until seeding is done later this week to determine which relays they will be swimming.

Blessed Sacrament Church has terrific turnout for annual All Saints Day Pilgrimage

By **Nina Crowder**
San Manuel Miner

A wonderful journey made to a scared place as an act of religious devotion was performed by the members, parents and youth of the Blessed Sacrament Church Saturday morning. They began their walk at the Mammoth Kidney Dialysis Center escorted by Pinal County Police Department, then stopped at the Blessed Sacrament Church for a prayer circle, everyone gathered and held hands after the beautiful prayer some people spoke the name(s) of the one's they were walking for. Then the group continued walking the rest of the way to the Mammoth Cemetery.

Some of the group made signs with pictures, names, drawings on them to show people who they have lost in their lives. It is heart-warming to see so many people join together to honor and reminisce about their

loved ones. In life we all are going to experience death in some way, it is a very difficult part of life but we make the best and continue forward with our lives.

At the top of the Mammoth Cemetery, Leane Garcia, who led the group with compassion and enthusiasm told everyone, "Thank you for coming and the people who sponsored each person and for the youth who carried the cross all the way. Come out again next year we will do this again." Everyone dispersed some people went to visit grave sites and others received a ride home from the long walk.

Many cultures throughout Mexico and around the world celebrate as a holiday The Day of the Dead where gatherings of family and friends pray and remember friends and family who have died. Thank you all who participated with the Blessed Sacrament Church honoring of the dead.

Lunches, great company offered at Mammoth Senior Center

By **Nina Crowder**
San Manuel Miner

Nancy Large the treasurer of the Mammoth Senior Center Group helps prepare lunches

on Tuesday's and Thursday's at noon at the community center in Mammoth. The cost is \$5. Large said, "The group tends to leave politics at the door and enjoy light and

friendly conversations during lunch and usually games afterwards. We are about having a good time and sharing good food."

Many people in the commu-

nity are unable to travel long distances so the Mammoth Senior Group tries to help out people by offering an inexpensive lunch and a good time to get out and meet with others in the community. Some of the games they play, such as bingo, can help stimulate the mind and keeps reactions sharp. The sense of camaraderie amongst this group runs deep. It's amazing how much they enjoy each other's company and share information they have to help each other.

The Mammoth Senior Group participated in the light parade last year and they have other special events that they plan to participate in the future. If you know of any seniors or anyone interested in attending these luncheons and making plans for future events, please feel free to contact via email

at ecls7576@hotmail.com. All community members are welcome, Dave Plummer from Pinal Rural Fire enjoys attending even though he is not a

senior yet, but he said, "I enjoy the company and always have a good time." The friendships and information that can be gained are irreplaceable.

LADY MINERS

Continued from Page 12

The Lady Miners finished with an overall record of 16 – 10, including 9 – 4 in sectional play.

The JV Lady Miners ended their season with a record of 7 – 8. Despite a record under .500, the team put in some hard work and showed dedication throughout the season. They were eager to learn and made a lot of progress along the way.

"(They) never quite and they fought for every point," Navarro said. "The future for Miners' Volleyball looks very promising."

Two sophomores and eight freshmen made up the JV Lady Miners. The JV Lady Miners' roster included Captain and Offensive Player of the Year, Desiree Gallardo; Defensive Player of the Year, Cassandra Guerrero; Captain and Most Inspirational, Hannah Reidhead; and Most Improved Player, Alyssa Olsson; and Clarrissa Lizarraga, Alicia Guerrero, Alizae Croci, Angelica Garcia, Angel Jennings, and Emily Riekofski.

Veteran's Day is a United States holiday to honor the men and women who have served in the United States of America Armed Forces. Most people know that much, but, do you know why Veteran's

Day is celebrated when it is? The official ending of World War I was June 28, 1919, when the Treaty of Versailles was signed. Seven months before that, fighting ceased with an armistice between Germany and the Allied nations, which took effect on the 11th hour of the 11th day of the 11th month in 1918. In other parts of the world, celebrations occur on this same day, but, are called Armistice Day or Remembrance Day.

"To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the country's service and with gratitude for the victory, both because of the thing from which it has freed us and because

of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations."], President Woodrow Wilson stated, as he first proclaimed the holiday, then known as Armistice Day.

On June 4, 1926, the United States Congress passed a resolution requesting then President Calvin Coolidge to issue a proclamation to observe November 11. On May 13, 1933, a Congressional Act made November 11, in each year, a legal holiday.

The difference between Veteran's Day and Memorial Day is that the former celebrates all the men and women who have served in the Armed Forces of our country, while the latter is dedicated to the remembrance

of those who died while serving their country, largely due to World War II veteran Raymond Weeks.

It was in 1945 that Mr. Weeks led a delegation to General Eisenhower to seek the expansion of Armistice Day into a celebration of all veterans, rather than exclusively the ones who died in World War I. Mr. Weeks led the first national celebration in 1947, which took place in Alabama, and continued to lead them until his death in 1985.

On Monday, Nov. 10 Mammoth- San Manuel schools will be hosting their annual Veteran's Day Assembly, beginning at 9:15 a.m. in the District Auditorium. Community members are welcome to attend, especially those who are veterans.

In preparation for the assembly, photos of community members who have served in, or, are currently serving in any branch of the military are being collected. They may be dropped off at the front office of First Avenue, Jr./Sr High, or Mammoth STEM.

If you have photos to share, please bring them to the front office of First Avenue, Jr./Sr. High or Mammoth S.T.E.M. and ask that they be given to Ms. Joliat or Ms. Trejo. A brief biography of the person pictured is needed, including their name, branch, rank, years of service, special recognition and the conflicts they served during.

First Avenue Elementary School will be continuing the celebration of our Veteran's with a Patriotic Presentation by the students on Monday, Nov. 10 at 4 p.m. in the District Auditorium. Local veterans are invited to attend, so that they can be recognized for their service to our country during this event, as well.

PINAL COUNTY

Public Hearing Regarding Use of CDBG Funds

The County is expected to receive approximately \$104,276 in FY2015 federal CDBG funds from the Arizona Department of Housing Regional Account (RA). The County also intends to apply for approximately \$300,000 in FY2015 CDBG funds from the State Special Projects (SSP) account. CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address urgent need. Public hearings will be held at locations throughout Pinal County on the following days and times to gather citizen input on the use of the CDBG funds:

Thursday, December 4, 2014, at 2:00 P.M.

- Pinal County Housing Authority, 970 N 11 Mile Corner Rd, Casa Grande, AZ 85194

Thursday, December 4, 2014, at 5:30 P.M.

- Pinal County 1891 Historic Courthouse, Ironwood Conference Room (Side Door Entrance), 135 N. Pinal Street, Florence, AZ 85132

Wednesday, December 3, 2014, at 9:30 A.M.

- Pinal County 1891 Historic Courthouse, Board of Supervisors Hearing Room, 135 N. Pinal Street, Florence, AZ 85132

Examples of possible uses include the following:

1. Public infrastructure (e.g., water, wastewater, street improvements);
2. Community facilities (e.g., health clinics, senior centers, food banks, supportive housing facilities);
3. Housing (e.g., owner-occupied or multi-family rehab, utility connections on private property);
4. Public services (e.g., paying the salary of an additional staff person to expand a Head Start program, purchasing a van to transport persons with disabilities, equipment and rent to start a new job training program); and
5. Economic development (e.g., a loan to a business for job creation, micro-enterprise development, acquisition of land for an existing business expansion).

SOUTHWEST GAS

natural gas
SAFETY

Whether you're a Southwest Gas customer or not, it's important to know how to recognize and respond to a natural gas leak.

A leak may be present if you:

SMELL: An odor similar to rotten eggs, even if it's faint or momentary.

HEAR: A hissing or roaring sound coming from the ground or above-ground pipeline.

SEE: Dirt or water blowing into the air, discolored vegetation surrounding a pipeline, or standing water continuously bubbling.

If you suspect a leak:

- Leave the area immediately.
- From a safe place, call **911** and Southwest Gas at **1-877-860-6020**, day or night, whether you're a customer or not. A Southwest Gas representative will be there as soon as possible.
- Don't smoke or use matches or lighters.
- Don't turn on or off any electric switches, thermostats, or appliance controls; or use automated doors.
- Don't start or stop an engine.

For more information about natural gas pipeline safety, visit swgas.com/safety or call **1-877-860-6020**.

The 32nd annual Oracle Run was held on Saturday, Oct. 25. There were 149 runners competing in the 10K run. The overall winner was Brian Folts of Denver, Colo. running in his first Oracle Run. Last year's winner Brian Hall of Tucson finished second. The overall women's champion was Tia Accetta of Tucson. Seventy-

four year old Sue Smith took first in the women's 70-99 age division. Sue has run in all 32 Oracle Runs.

Two local runners finished second in their age division, Alicia Peoble of San Manuel and Mike Wilson of Oracle. Local runners who competed include Monique Hauweghen, of San Manuel, Kerbey Wright, Charla Wright, Jane Redmann, John Wasley and David Jaffrey all of Oracle.

Start of Fun Run for the 32nd annual Oracle Run.
