Resolution Copper to demolish Magma Copper smelter chimney stack

Resolution Copper Company in Superior has committed to reclamation of the Historic Magma Copper Smelter Complex and on Nov. 10, 2018, the company will usher in the end of an era.

The smelter chimney stack is scheduled to be demolished, pending optimal weather conditions, between 8 a.m. and noon. The smelter's other buildings have been safely demolished and cleanup of contaminated

waste materials is ongoing.

Reclamation is a commitment as part of a voluntary consent decree administered by the Arizona Department of Environmental Quality, to remedy and clean up environmental impacts from previous mining and smelting operations. As part of the decree, Resolution Copper has committed to completing the reclamation project in 2020.

The Historic Magma Copper Smelter Complex in Superior. The stack is set to be demolished this weekend.

Go Panthers! Our team is rooting

After poor start, great finish propels Superior to second-straight championship game

By **Andrew Luberda**
Superior Sun

The second-ranked Superior football team made its fourth-consecutive appearance in the 1A semifinals last Saturday at Maricopa High School, and after trailing No. 3 Mogollon 14 – 0 at the end of the first quarter, a second-straight berth in the 1A championship game was in doubt. It didn't last long.

Behind senior quarterback Steven Ybarra's six touchdowns – three rushing and three passing – the Panthers outscored the Mustangs 50 – 6 over the final three quarters to earn the chance to win their first football state championship since 1954.

"It's not how we start but how we finish," Ybarra said after the 50 – 20 win. "That's probably the best second half I've ever played in my football life."

Ybarra's 17-yard touchdown run midway through the second quarter got the Panthers on the scoreboard. He later tied the game just before halftime with a one-yard touchdown pass to senior Cedric Mendoza. That play proved to be a 14-point swing following Adam

Navarrette's interception in the endzone that prevented the Mustangs from increasing their lead.

The Panthers took the lead for good in the opening minutes of the third quarter, when Ybarra found Navarrette for a 93-yard touchdown. It was all Superior from there.

After allowing a couple of big plays, the Panthers' defensive performance was as it's been all season – dominant.

"I think (Mogollon) came out and surprised us," Superior head coach Ryan Palmer said. "We got our second wind; down 14 – 0, we (outscored them) 50 – 6 over the last three quarters. I couldn't be prouder of our kids for their grit and toughness."

Mendoza finished with a team-high six tackles in addition to six receptions for 101 yards and a pair of touchdowns. Daniel McConnell (2) and Gabriel Castillo combined for three sacks, Sammy Lopez, who had three tackles, also recovered a fumble.

Gabriel Otero rushed for 120 yards and a touchdown. Navarrette led the Panthers with seven catches for 126

yard and a touchdown. Ybarra totaled 432 yards on offense, including 239 passing, 165 rushing and 28 receiving.

The Panthers will play Hayden for the second time this season for the opportunity to bring the state title back to Superior for the first time in nearly 65 years. The Panthers defeated the Lobos in September, 46 – 6.

“It’s going to be a tough, physical game,”

Palmer said. “We’ve come too far, we’ve worked too hard, so we’re going to focus on ourselves. We’re going to play at a championship level leave no doubt who the best team in 1A is.

“We’ve been too close too many times and this group is going to do it.”

Saturday’s kickoff is scheduled for 6 p.m. at Maricopa High School.

International mining delegates visit Town of Superior

The United States Forest Service conducted the International Mining Symposium in October. Twenty five delegates from 18 different countries participated in the symposium. The week long seminar included a comprehensive look into the American mining regulations, permitting, community engagement. The symposium provided an in depth look at the Resolution Copper project along with other mining projects in Southern Arizona for the international students.

In addition to meeting with officials from Resolution Copper and the Tonto National Forest, they also met with members of the Apache Stronghold who oppose the Resolution Copper project, and they met with members of the Community Working Group who shared how the CWG provide input to Resolution

Copper management.

The Town of Superior hosted the international delegates during their tour. Mayor Mila Besich, Councilman Bruce Armitage, Sue Anderson, Superior Chamber of Commerce/ Rebuild Superior Inc. President and Todd Pryor, Town Manager hosted a round table panel discussion for the students, the topics ranging from how does the Town manage the mining projects and what is the Town working on to plan for the construction and development of the Resolution Copper mine.

“This is our third year hosting the delegates, it is fascinating to hear some of their stories and learn from their experiences. Each year we have more to share with the delegates. They are often impressed at how much volunteerism there is in Superior,” said Mayor Besich.

Superior's Steven Ybarra (30) prepares to throw the ball.

Magma Copper Smelter multimedia exhibition at Boyce Thompson Arboretum; historical display pays tribute to the smelter's cultural significance in the Superior community

In collaboration with Resolution Copper, Boyce Thompson Arboretum is hosting a temporary multimedia exhibition to coincide with the removal of the last buildings and structures of the historic

Magma Copper Company smelter at Superior. The 6-month exhibition honors the Magma Copper smelter's cultural significance as a landmark in the community, its place in Superior's mining

history and the generations of local families connected to it.

The exhibition, titled *Images to Remember: The Magma Copper Company Smelter at Superior*, consists

of large reproductions of historic and recent photographs, a video display, maps and construction drawings of the historic smelter complex. The exhibition is installed in the Gibson House at the Arboretum and will be open to the public free of charge from Nov. 20, 2018, through May 20, 2019 during scheduled business hours (Fall-Winter hours: Monday-Sunday, 8 a.m. to 5 p.m., October through April).

Images to Remember: The Magma Copper Company Smelter

at Superior was made possible by a cooperative agreement between Resolution Copper and Boyce Thompson Arboretum. The exhibit was curated and installed by WestLand Resources, Inc. of Tucson.

For more information on Boyce Thompson Arboretum, please visit www.btarboretum.org or call (602) 827-3000.

Jazz & Wine Night at the Depot Nov. 15

Gila County's own Bruzzi Vineyard is winning awards and acclaim - sample a few rare varietals and talk with winemaker James Bruzzi while chatting with Globe-Miami friends amidst the backdrop of stylish live jazz during a 6-9 p.m. evening at the historic, and acoustically optimal, 'Copper Spike' Train Depot in downtown Globe.

Cost is \$20 at the door and includes two samples of your choice from four varietals that Young, AZ winemaker James Bruzzi will pour throughout the evening - while chatting with guests about the art and science of wine and unique terroir of his vineyard in Young, AZ.

Bruzzi's website lists reviews of his unique Vidal Blanc; he will also pour and

discuss his Merlot, Cabernet Sauvignon, Petit Sirah and Symphony.

Bottles of Bruzzi's limited release wines will be available for purchase during the Nov. 15 evening - a relaxed Thursday night that's also the debut of Satin Jazz - a new quartet featuring musicians Keith Gustafson on saxophones; Joe Sanchez on keyboards, Nolan Frost on alto flute and percussionist Linda Gustafson. The foursome offer their own 'smooth jazz' take on standards by George Benson, Herb Alpert, Chuck Mangione and Grover Washington. The musicians are donating their time; admission and wine sales are a fundraiser for the Cobre Valley Center for the Arts, and for upkeep of the historic Depot building.
