Happy
Birthday

Oct. 19

Byrs. "Brother"

I miss you and

I love you -

Nana Lucy

Clyde William McCroskey, 95, of Kearny AZ, passed away the morning of Nov. 3, 2017.

Clyde, also known as Jr., was born June 29, 1922 in Bisbee, Arizona where he lived until the age of 14. His family relocated to Ray, Arizona. There he graduated from Ray High School. After graduation he enlisted into the Army Air Force where he gained experiences of the latter part of WWII.

Clyde finished his education with a bachelor's degree in agriculture

through the University of Arizona. He worked for Kennecott Mineral Company for many years primarily as a surveyor.

In the year 1954, on Aug. 25, Clyde married Virginia Putnam and the couple had three sons thereafter, Michael, Donald Mark, and Guy Mathew.

Clyde retired with Kennecott in the engineering department as a project supervisor. After

retirement he continued to provide his mining knowledge contracting with ASARCO Ray Unit.

Clyde is preceded in death by his sons, Guy Mathew McCroskey, Michael William McCroskey, and great-grandson Caolan Kyle McCroskey.

He is survived by his sister, Sarah E. Zamecki; his wife, Virginia; son, Donald Mark; granddaughter, Brooke;

grandson, Joseph; and six great-grandchildren.

Jr. was looked upon for his courage, strength, and knowledge. A man's man. He will be forever missed.

In Honor of Clyde, Jr., the family asks that in lieu of flowers for you to donate to your local veterans charity.

Memorial services will be held on Saturday, Nov. 11, 2017 at the Fellowship Baptist Church in Kearny. Visitation will be at 10 a.m.

with the funeral service following at 11 a.m.

Early Hayden High School Days

I recently had the privilege of reading a friend's 1941 Hayden, Arizona High School yearbook called "El Burrito", which was said to be the school's first annual. That yearbook has individual small photos of the thirty-two Senior class students and

the thirty-seven Junior class students, but only lists of the names of the thirty-seven Sophomore students and the fifty-two Freshman students. There also were photos of the superintendent, principal, school board members, and the teachers.

According to the yearbook, students were very involved in school activities like the school plays, the Glee Club, the Pep Club, Speech Arts Program, the Junior-Senior Prom, and sports. The students were not only from Hayden, but also from nearby areas. I remember many of the students, although they were quite a bit older than myself.

The many local business ads posted in the last part of the yearbook really proved how busy the Hayden/Winkelman area was then. I was pleased

that the contents of this yearbook can be found online by searching El Burrito, because there must be others who like to reminisce as I do.

Community Pulling Together for Jena Martinez Inzuza

This Saturday the friends of Jena Martinez Inzunza are going all-out to support her as she deals with the difficulties of cancer treatment. Jena is a native of Hayden and has taught at the Hayden-Winkelman Schools for 25 years. A fund raising golf tournament is this Saturday, Nov. 11, which is Veterans' Day. Held at the Hayden Golf Course, registration begins at 6 a.m. and tee-off is at 7:30 a.m. Cart rentals are available. It's a three person scramble with one "A" player per team.

But that's not all. There will be a jumping castle, a cake walk, a disc jockey, raffles, and food and drinks not to mention a corn hole tournament and a horseshoe competition. It will be a full day. Jena's friends want her to concentrate on her health and well-being and not her rising medical expenses. I hope our beautiful weather lately ensures a great turnout. For more information, call Monica Badillo at (520) 591-1122 or Michelle Gonzales at (480) 888-6598.

The Copper Basin Chamber of Commerce and Rip's NAPA Store will present the Fall Festival and the K Town Car Show on Saturday, Nov. 18, beginning at 9 a.m. The car show is best appreciated in the morning, when all the cars will be present. There will be all sorts of events, food and music. The Fall Festival will continue into the afternoon with many other attractions. Invite your out-of-town friends so they can see for themselves what the Copper Basin towns can do.

CVRMC the Kearny Clinic will assume responsibility for all insurances, the maintenance and cleaning of the buildings and grounds, and the securing of new tenants. A percentage of revenue will be given to the Foundation for its work. The board of the foundation is to be commended for charting a strong relationship with the hospital, assuring good health care for the Copper Basin.

The Las Vegas shootings affected the whole nation, and we truly felt it personally in the Copper Basin. Now there has been a mass shooting at a small Baptist Church in Sutherland Springs, Texas. I'm a gun owner. A man in Texas used his rifle to come to the aid of the church people in Texas. These are simple facts. Now, can we take these facts, as well as those from many other tragic events in this nations, and begin to fashion the end to such tragedies? To tell the truth, I don't know how to begin the dialogue that we all need. I'm tired of praying to God for the dead and injured. I'm praying now that their sacrifice will never be needed again.

Ray quartet earns volleyball All Region honors

By Andrew Luberd
Copper Area News

Four members of the state-qualifying Ray volleyball team earned Arizona Interscholastic Association (AIA) 1A East All-Region recognition.

Hitter Shelby Yocum and setter Savannah Rodriguez were named 2nd Team All-Region

while libero Daniella Hinojos and hitter Tara Lorona earned Honorable Mention honors.

The Lady Cats, who were the No. 14-seed at last weekend's state tournament, were defeated in the first round by No. 3 and eventual 2017 State Champion St. Michael, 3 - 0.

The Cardinals won 12 of 13 sets on their way to winning the title.

ADOT addresses Renaissance Festival traffic

The State Transportation board met last week for a work session. On that agenda included an update regarding the special event transportation plan for the Arizona Renaissance festival. Local residents of Gold Canyon, eastern Pinal County and Southern Gila County, had expressed concern to Steve Stratton who represents Pinal, Gila and Graham counties on the State Transportation Board that something needed to be changed.

The success of the festival has at times created up to 11-mile back ups in the area. "This traffic affects our communities and our events that occur during the festival season," explained Mayor Al Gameros of Globe. He along with Superior, Mayor Mila Besich-Lira, attended the meeting to share their concerns on behalf of the communities east of the festival.

Randy Everett, District Administrator for

ADOT shared the plan for the improved traffic flow. The proposed changes include dual right turn lanes in movements from Eastbound US 60 into the event grounds. Increasing the radius of Gate A to facilitate the entrance into the festival grounds and additional message boards will be added. Those attending the event from the east will enter the fair grounds through gate B, which will eliminate those coming from the east from having to merge with those coming from the west.

The next steps for the changes will be for the Renaissance to complete the permit application and for all parties to go over the changes. The Renaissance will need to construct the proposed changes and evaluation of the effectiveness of the improvements in April or May of 2018.

The Renaissance Festival begins on Feb. 10 and runs through April 1, 2018.

On behalf of my brother Rudy and my wife Jessie, I wish to thank everyone for the attention and friendship they gave to our sister, Rosie Casillas Young, during her illness.

We grew up in Superior, and although we have moved away, it is apparent we still have many friends in the area. I visited Rosie frequently during her illness, took her to her doctor appointments, and brought her to San Antonio to spend summers and the holidays with us. She would tell me of all the friends she had, and the many ways they helped her. I wish I could thank all of you personally, but I am afraid I might miss someone. You know who you are.

I do wish to thank, however, her neighbor, Cecilia Lopez, whom I could always count on whenever I could not reach Rosie. Also, Rosie Martinez, her dear friend, who was always there for her, up to the end. And, a special thanks to our cousin, Bobby Y. Casillas, and his wife Carmen, who were constantly looking after her during her illness. I also wish to thank all of you who attended her memorial mass. I could not attend, due to the death of our son that same week, but Rudy attended, and he told me of the generous support in her memory. Also thanks to the Casillas and Lugo families from out of town, who attended.

I will always be grateful.
