# Great Fall Weekend with Events in the Copper Basin

The Copper Basin experienced one great car show, two benefit golf tournaments, and a benefit steak fry. There were many fine vendors at the car show, including the food booth run by the people of Infant Jesus of Prague, who are raising money to continue their good

works. I stopped by a yard sale, and it was a benefit for medical expenses.

This tells me that the people here, even when having a good time, have a great capability to respond in a caring way. All these events benefited the whole area. Good job!

Last month in this column I wrote about the many improvised driveway ramps on our town streets, and about how they impede the flow of water, speed up the deterioration of our roadways, and leave deposits of sand and gravel on the roadway. The Town of Kearny is offering the opportunity for the ramps to be removed. Call Town Hall at 363-5547 and asked to be placed on the ramp removal list. Over the next few weeks the Department of Public Works will take care of your ramp at no expense to you. I hope we will take advantage of this.

This column was composed before Election Day. We have had a passionate presidential campaign and the partisan energy spilled down into the "lower on the ballot" races. I hope that we will shake the dust off our feet, look up, and press on as the Americans that we are. Our form of government was designed to incorporate differences even as cooperation is at the heart of it all. Our lives will go on.

Locally, the Journey for a Clean Kearny group will meet Wednesday, Nov. 16, at 9 a.m. at Town Hall. Interested people are welcome to visit and see if they would like to be a part of it all. This next meeting we plan to work on our new connection with high school students. Some great things are in store.

The regular meeting of the Town Council will be Monday, Nov. 21, at 7:30 p.m. in Town Hall.

The members of the Planning and Zoning

Board will meet on Tuesday, Nov. 29, at 9 a.m. in Town Hall for a training session. Mr. Don McDaniel, the Manager for Gila County, will lead the group through zoning processes and legal requirements and introduce the purpose of planning and zoning.

Sometime after Thanksgiving, Mr. Brad Mecham will meet with the Steering Committee for Kearny's Ten-Year Plan. The committee will review information from Mr. Mecham derived from all the gatherings to date, and make plans for future citizen input.

By the way, our snow birds are returning! We are glad to have them back.

# Ensuring readiness for college and career begins in early childhood

As we recognize Veteran's Day this month, we can begin building in our young children an appreciation of our nation's veterans and their service to our country.

In addition to modeling to young children how to show gratitude to veterans for their service, families of young children can play a crucial role in the future of our nation's military. According to a national organization made of retired top military leaders, 71 percent of today's young adults cannot join the military due to problems including education, obesity, crime and drug abuse.

Mission: Readiness is comprised of more than 600 retired admirals, generals and top military leaders who advocate for high-quality early childhood experiences, including parent coaching and early education, to build a foundation for long-term success.

The nonpartisan organization Council for a Strong America recently released a Citizen-Readiness Index that

graded states on whether their young adults possess the necessary skills to contribute to a strong citizenry. Arizona earned a "D" based on the large number of young adults who are unprepared for the workforce, involved in crime, or unqualified for the military.

"Research shows that high-quality early childhood education can put more children on track for success in school and in life," said retired Air Force Maj. Gen. Terrence A. Feehan, who is an Arizona member of Mission: Readiness. "As a retired U.S. Air Force Major General that served our nation for more than 30 years, I believe that investing in high-quality preschool programs today will help strengthen our economy and national security for years to come."

Ensuring readiness for college and career begins in early childhood. First Things First is doing its part to help Arizona's young kids be ready for success in kindergarten and beyond through high quality early childhood experiences.

Research shows that 90 percent of a child's brain develops before age 5. Critical skills like motivation, self-discipline, focus and self-esteem begin to take root from birth. Ensuring that children have high-quality experiences during these critical early years has tremendous impact on kids and their communities.

Children who are prepared for kindergarten are more likely to do well in school and graduate from high school. As adults, they tend to be healthier and earn more. They also are less likely to become part of the criminal justice system or the welfare system. These are all things that retired generals and admirals point to as strengthening national security by ensuring kids stay in school, stay fit and stay out of trouble.

Early childhood education helps kids later in life.

It is crucial young kids receive support from family and their community, so whether you have a child 5 and younger in your life or not – investing time, energy and resources in helping kids arrive at kindergarten prepared to be successful is not only right, it's smart. Here are just a few ways that we can make a difference in their future – and ours.

## William A. Dunn Jr. ranked sixth in Angus registrations for Arizona during 2016

William A Dunn Jr., Kearny, ranked as sixth largest in registering the most Angus beef cattle in Arizona with the American Angus Association® during fiscal year 2016, which ended Sept. 30, according to Allen Moczygemba, Association chief executive officer.

Angus breeders across the nation in 2016 registered 334,607 head of Angus cattle.

“Our growth this fiscal year continues to demonstrate strong demand for Angus genetics and solidifies our long-held position as a leader in the beef cattle industry,” Moczygemba says. “These results underscore our members’ commitment to providing genetic solutions to the beef cattle industry.”

ANGUS MEANS BUSINESS. The American Angus Association is the nation’s largest beef breed organization, serving nearly 25,000 members across the United States, Canada and several other countries. The Association provides programs and services to farmers, ranchers and others who rely on Angus to produce quality genetics for the beef industry and quality beef for consumers. For more information about Angus cattle and the Association, visit [www.ANGUS.org](http://www.ANGUS.org).

Copper Basin and surrounding localities.

The Medical Eye Unit will be located at Kearny Municipal Court, 355 Alden Rd. on Monday, Nov. 21 from 8:30 a.m. - 3:30 p.m. Appointment and information may be obtained by calling 480-734-4882.

Since only 20 to 30 patients can be examined each day, those who suspect they may have eye problems are urged to phone as soon as possible to be assured of an appointment.

The completely equipped Arizona Medical Eye Unit was donated to the Lions Vision Center, Inc. and is sponsored by the Arizona Ophthalmological Society. The Arizona Ophthalmological Society provided the funding for the Ford F-350 Truck. Members of the Arizona Ophthalmological Society, and Arizona Lions Clubs unite

with other agencies and organizations to bring medical eye services to outlying areas of Arizona where ophthalmic care is not readily available. Arizona Ophthalmologists who are in private practice volunteer their time on the Medical Eye Unit and receive no remuneration.

A large percentage of the Ophthalmologists in Arizona have volunteered their time and service on the “Unit”. The “Unit” has been in operation since January 1976 and travels approximately 13,000 miles per year to serve thousands of patients in the outlying rural areas of Arizona.

The sponsor of the Arizona Medical Eye Unit in Kearny, which is in charge of all arrangements and appointments, is the Kearny Women’s Club. The requested donation per patient is \$40.

The Kearny Women’s Club will be hosting the Arizona Lions Vision Center Mobile Eye Unit on Monday, Nov. 21. The unit will provide vision screening for around 20 residents. Dr. Richard Lewis of the Fishkind, Bakewell & Maltzman Eye Care and Surgery Center in Tucson volunteers his time and service to help those in need of eye care.

# Halloween in Puerto Penasco, Mexico

**By John Hernandez**  
Copper Area News

There is something rather soothing sitting by the beach feeling the warm sunshine and watching the blue waters of the Sea of Cortez ebb and flow with the tide. It is especially nice to be able to do this in late October and early November in the town of Puerto Penasco, Sonora Mexico. Puerto Penasco more commonly known as Rocky Point by Americans was once a sleepy fishing village but is now a bustling tourist town. Many Americans own property and businesses in Rocky Point and many winter visitors from the U.S. and Canada spend time here.

Americans have influenced some of the culture in Mexico just as Mexican culture has made its way into the United States. Halloween is celebrated in Rocky Point much like it is in the U.S. Although, in Mexico it extends to a three-day celebration with Halloween, All Souls Day and Dia De Muertos.

This Halloween I was able to participate in some of their festivities. On Halloween my wife and I watched merrily as hordes

of Trick or Treaters dressed in an assortment of costumes came looking for candy at our trailer park, Playa del Oro. We came prepared this year and brought a lot of candy.

It was great to see friendly Americans and Canadians passing out goodies to the at least 500 kids that showed up. They were dressed as their favorite comic book and cartoon characters as well as Mexican Calaveras (skeletons) and Catrinas. Iron Man, Spiderman, Ninja Turtles, witches, pirates and Freddy Kruger were well represented. The kids showed up shortly after school let out around 3 p.m. and all the candy was gone by 4:30. That left just enough time to take a dip in the surprisingly for this time of year warm ocean and settle down to watch an amazing sunset.

On Nov. 1 we attended the first of what may be an annual event, "Ofrendas Sobre El Mar" Altars at Sea event down by the loading docks at Old Port. The event included food, music, folklorico dancing, Chinelo dancers, hula dancers, the Yaqui Deer Dance and the La Catrina dance with death. Altars with offerings for

their loved ones were created by family members on board "pangas" the small fishing boats used in Rocky Point. The altars usually have a photograph of their loved ones along with items related to the deceased such as their favorite food or drink. They are decorated with sugar skulls, marigold flowers, and candles which allude to pre-Hispanic traditions. Pan de Muerte a sweet bread made for the Dia de Muerte is usually seen on the altars. A black dog appears in some of the

altars to guide their loved one to the after life.

The boats with their decorative altars and lights were launched after dark and paraded in front of a crowd. Judges selected the best altar of the evening. It was an enjoyable evening. Many of the cantinas in town also had costume contests and live entertainment for the Halloween/Dia de Muerte celebrations. If you ever get a chance, visit Rocky Point during this time of year.

## Road closures planned for SR 77 north of Winkelman

Motorists traveling on State Route 77 south of Globe will encounter full closures of the highway beginning and ending earlier than previous closures for a rock removal project in the Dripping Springs area.

There will be no full closures of SR 77 next week, but closures between mileposts 154 and 161 will resume the week of Nov. 6 and continue Sunday nights through Thursday nights between 8 p.m. and 2 a.m. through late January 2017.

Daytime flagging operations will continue daily in the project area Monday, Oct. 31 through Thursday, Nov. 3 and motorists should plan for 15 minute delays.

When full closures for blasting operations resume Sunday, Nov. 6, motorists can use State Route 177 and US 60 to get around the closure. The detour adds approximately one hour to travel times.

After full nighttime closures resume, the daytime flagging operations will continue as well through late January 2017.

# Honorees for Kearny's Yards of the Month

The September Yard of the Month award goes to Peg Radcliffe, 433 Hartford Road, in Kearny. The committee appreciated the "carry through" of the landscaping. With two large trees and a traditional lawn, it reflects the original concept of beauty for Kearny when it was first developed. Peg's planters and porch style are homey and welcoming. Peg, when notified of the award, was apologetic because her lawn, after a hot summer, is a little patchy in appearance. Each October her grandson, Dan Radcliffe Jr., completely rototills and reseeds the lawn. By November the lawn will be lush once again.

The simple, well-kept yard of Herb and Sherry Ortiz at 326 West Fairhaven is Kearny's October Yard of the Month. It is a yard in progress, evolving over the years. It once had two towering palms, but they died years ago. Their stumps now serve as bases for other plants. Ice plant once thrived in the flower bed, but Sherry preferred the lively color of bougainvillea. Well-placed bricks raise the lawn to a flat level above the sidewalk, and a large tree shades the walkway. Nice!

The Yard of the Month for November is at 419 Danbury. What you see depends on what time of year you drive by! In the spring and summer the yard is glorious with hollyhocks, and in the fall it more serenely sports a trim lawn and beautiful tree, with pleasant seating. No matter the time of year, it is a pleasant sight for our eyes. Joe Tovar gives all the credit to his wife, Lala, for her devoted attention to the yard. And the back yard is just as beautiful. Thanks, Tovars, for your love of Kearny.

# Copper Area Realty under new management at new location

By Joshua Delauder  
Copper Basin News

Copper Area Realty has moved to a new location if you're looking to find somewhere to buy a house in Kearny or the surrounding area.

Copper Area Realty has moved to 343 Airport Rd., the building in Kearny that is located next to the barbershop. They have been there for two months, but only recently opened a few days ago.

"We officially opened Nov. 1st," said Karen Collins.

Their previous location was at 377 Alden Rd.

The agency was previously managed by Karen and her sister, Marjorie Page, but ownership and full management passed to Karen when her sister passed away.

Karen decided to move to the location

due to the size and price.

"It was twice the size for the same money," said Karen.

According to the Collins, this is going to be their new permanent location.

"This is a reopening of the realty," said Karen.

Their new office building was built in 1974. Pam Collins, Karen's daughter-in-law, repainted the inside of the building.

In order to be the new designated broker, Karen said she had to take broker (real estate) classes.

Karen Collins is now the designated broker for Kearny; Pam Collins is the office manager (soon to be agent); Jason Collins, Karen's son, is an agent, and Jay Collins, Karen's husband, does the maintenance.

Contact Copper Area Realty by phone at 520-363-7398 or visit them online at [copperarearealty.com](http://copperarearealty.com).
