# Southeast Arizona Land Exchange and Conservation Act approved in the House

By Mila Besich-Lira  
Copper Area News

The Southeast Arizona Land Exchange and Conservation Act was approved by the US House of Representatives yesterday. The bill was included in the National Defense Authorization Act that was approved by the House of Representatives on Thursday afternoon. It is expected to be voted on in the Senate on Tuesday.

The land exchange was included in the defense authorization bill which included a bipartisan agreement under the jurisdiction of the House Natural Resources Committee and the Senate Energy and Natural Resources Committee. The National Defense Authorization Act is passed each year to approve how the military can spend their money and allocate their budget.

There were a few amendments to the land exchange bill which include additional environmental protections. The amendments included that the federal land will not be transferred to the mining company until the environmental studies are completed, it will also allow Native American tribes to access the property until the area is longer safe to use. Another critical amendment designates 807 acres of the Apache Leap Cliffs as a special management area which places it under Forest Service Protection. The designation of the Apache Leap will allow

the Forest Service and other stakeholders to monitor the area and ensure that mine operations are not destroying the cliffs.

Arizona Representatives Ann Kirkpatrick and Paul Gosar introduced this bill in 2013 and worked in a bipartisan effort to see the legislation advance. "Rural Arizona and our entire state won big today. Superior and the Copper Corridor have more than a century's legacy of mining, with generations of families working in local copper mines. And today, they have a future that includes more jobs and economic stability," said Rep. Kirkpatrick. "This project will empower folks to stay in these wonderful small towns, make a living and raise a family. I was honored to work with Congressman Gosar and Senator McCain on this important legislation, and I thank them for their efforts. I urge the Senate to pass it and the president to sign it so we can get the job done for Arizona," said Rep. Kirkpatrick.

Rep. Gosar stated: "This is a great day for America and a great day for Arizona. Copper is once again king in Arizona, and our military and our manufacturing base will be assured of critical domestic copper supplies. I am extremely pleased that the House once again passed my Southeast Arizona Land Exchange and Conservation Act. Attaching to the must pass Defense Authorization makes a lot of sense as my bill will lead to new critical mineral production and paves the way for mining one of the largest copper deposits ever discovered in North America, producing enough copper to meet nearly 25 percent of US demand. It was a true pleasure working

closely with Senator McCain who is spearheading this effort in the Senate."

In addition to including the Southeast Arizona Land Exchange and Conservation act, there were other lands bills included in the act. In a press release from the House Committee on Natural Resources the included bills will help to expand American energy and mineral production, protect jobs and will balance conservation designations with federal land conveyances. The other lands bills included in the bill were H.R. 5205 Northern Nevada Land Conservation and Economic Development Act, and H.R. 4350 Northern Cheyenne Lands Act both of these bills will allow for the expansions of mines in those states.

The Resolution Copper project is expected to create 3,700 jobs and generate \$60 billion dollars in revenue over the life of the mine.

## Panthers prove to be road warriors

By Andrew Luberda  
Superior Sun

The Superior boys' basketball team opened the 2014-15 basketball season with three-straight road games before playing in their home opener on Dec. 9 versus San Manuel. The Panthers defeated Gilbert Classical Academy last week in the last of their season opening road games, 57 – 49. They are now 2 – 1 after the victory against the Spartans.

Freshman Marcos Buena and senior Ricky Longoria led the Panthers' offensive attack, scoring 15 and 18 points, respectively. Longoria finished with a double-

double, adding 10 assists to his 18 points.

Edgar Pacheco (7 points, 11 rebounds) and Matthew Zavala (8 points, 7 rebounds) also contributed to offensive output for the Panthers.

The Panthers' defense recorded 17 steals in the game, including seven by Longoria.

The Panthers will have to continue to be road warriors for at least the next few games. After the home opener on Dec. 9 they'll hit the road again with games at Ray on Dec. 10 and at Globe on Dec. 11 (12:15 p.m.). They return home on Dec. 16 to take on winless Hayden. All games are scheduled for 7 p.m. unless otherwise noted.

## Lady Panthers compete in Copper Cities Tourney

By Andrew Luberda  
Superior Sun

The Superior girls' basketball team played four games in last weekend's Copper Cities Girls' Basketball Tournament in Globe. The Lady Panthers' only victory at the tournament came against Florence as they defeated the Lady Gophers, 25 – 8. Senior Hunter Flanagan led all scorers with nine points,

going 7 for 10 from the free throw line. Freshman Jalisa Murray and sophomore Maribel Castro pounded the glass for the Lady Panthers, finishing with 10 and 7 rebounds, respectively.

Cierra Navarrette filled the stat sheet for the Lady Panthers with 6 points, 4 rebounds, 2 assists, 2 steals, and 1 block.

# Miracle on Main Street

The Superior Optimist Club hosted the 11th annual Miracle on Main St. Light Parade and festival. Mother Nature provided the back drop, with a multicolored sunset that set the stage for the annual event. There were a total of 12 entries in the parade. Winning the parade competitions were: First place, St. Francis of Assisi Church choir, second place, grandchildren of Imelda Vasquez, and third place went to Emma Sanchez the 2014 St. Francis Church Fiesta Queen.

Steven Byrd, a sophomore at Superior High School entertained the crowd for a while with his new rap songs. The young man is a budding performer from Superior. Manny Guzman kept the music flowing and members of the Superior Chamber of Commerce caroled in the early afternoon.

Santa visited with all the children who visited him in Besich Park, each child left with a goody bag full of treats. This year the park received many electrical improvements

that allowed the club to improve the lighting display; the Optimist Club plans to continue improving the display now that the electrical infrastructure has been completed.

The event would not have happened without the support of many sponsors and volunteers. The Superior Junior High Student Council stepped up to help this year. The group helped with decorating the park, filling the goody bags and helped on the day of the event.

Feeding the masses.

# December is a busy time for Superior Head Start

Superior Head Start preschoolers visited Superior His & Her Hair Salon on a walking field trip.

Superior Head Start | Submitted

Superior - What a busy time of the year for Superior Head Start students and staff! Not to worry! Rest and relaxation is coming soon.

December is the month when they focus on preparing to enjoy family time during the upcoming winter break,

which begins on Friday, Dec.19. It's also the time when the children create something unique and say, "Shh! It's a secret!"

"We are certain that the parents, grandparents and family members will certainly cherish everything the children make and take home for years to come!" said Teresita Olmos

Currently, the children are participating in a National Head Start anniversary art challenge. In the process, they are learning about color and the technique of filling in space with color. Inspiration comes from recycled magazines, catalogs, books as well as from the Picturing

America curriculum photos. They are also enjoying using dots of color known as "pointillism."

As they learn about art, Head Start students also learn how to take turns while honing their motor skills. "Dancing has been such a fun activity! The children have enjoyed singing the song "Let It Go" taken from the popular children's movie "Frozen." It's a joy to see them participate in dramatic music and movement." said Ms. Olmos.

As part of the month long busy fun, the children participated in a walking field trip to the Superior His & Her Hair Salon on Wednesday, Dec. 3. They toured the hair salon and interacted with Irene, hair stylist and business owner.

The salon has a indoor Christmas reindeer display, which the children enjoyed viewing and commenting on, in eager anticipation of the Town Light Parade, known as "Miracle On Main Street."

Children commented on what they would tell Santa while sitting on his lap, how long the line might be, who would accompany them and whether they would drink hot cocoa. Many wondered if it would snow.

Now that the year is winding down, so, for a short time, are the activities of Superior Head Start. Even as everyone readies themselves for vacation, there is anticipation in the air, for what activities are waiting the return of students and staff, who will visit and be visited, and, what surprises are in store.

Teresita Olmos stated, "The Superior Head Start staff would like to thank all of the parents, grandparents, family members, and business and community members of the Town of Superior for all they do to help us in our program! The children need and benefit immensely by your presence!"
