# Pinal County completes one year of success reducing prescription drug abuse; drug disposal box dedicated

On Monday, the new MedReturn box was dedicated. Pictured from left are: District 8 Representative T.J. Shope, Jim Stephens (Volunteer Triad Coordinator), Kearny Mayor Sam Hosler, Kearny Police Chief Robert Ingulli and Pinal County Sheriff Paul Babeu. (Annette Barajas photo)

Florence - In November, to celebrate the first year of the Arizona Prescription Drug Misuse and Abuse Initiative in Pinal County, the Arizona Criminal Justice Commission, Pinal County Sheriff Paul Babeu, Pinal County Attorney Lando Voyles, Arizona Substance Abuse Partnership and the Pinal County Substance Abuse Council met to share statistics regarding the success of the program.

Designed as a multi-agency collaborative approach to reduce drug abuse in Arizona, the Initiative operates in three pilot counties: Yavapai, Pinal and Graham/Greenlee. currently operates in three pilot counties – Yavapai, Pinal and Graham/Greenlee

- currently, and will be introduced into additional counties in the second phase of the Initiative.

ACJC credited experts from law enforcement, the prevention field and medical community, who participated in the development of the Initiative and creation of a set of data- and research-driven strategies.

There are five key strategies which these counties strive to achieve: reducing acquisition and diversion of prescription medication, education of prescribers and pharmacists, enhancing prescription drug practice and policies in law enforcement, increasing public awareness about the risks of prescription drug misuse; and building a resilience in children and adults.

Most notably, the public may recognize this initiative as it relates to the prescription drug drop-off box program, which has deployed 16 boxes that are currently operational throughout the county including at the Kearny Police Department and the Pinal Rural Fire Rescue station in Mammoth, and has collected 1,800 pounds of prescription medications, so far, in six take-back events.

Other accomplishments include Casa Grande Regional Medical Center, Banner Ironwood and Florence Hospital at Anthem implementing Emergency Department Guidelines; over 350 prescribers receiving quarterly report cards; and 75 professionals having received comprehensive "Best Practice" training or door-to-door approach

The Initiative reaches out to educate the public. 201 Law Enforcement Officers have received Rx Crimes

curriculum. 1,951 youth and 441 adults have received the Rx360 curriculum. 5,096 people have been reached via community events. Over 175,749 people have been reached via public messaging and media methods

Pinal County Attorney Lando Voyles said, "Nearly an entire ton of unused and unnecessary prescription pills no longer pose a danger for abuse in our county. The significance of the number of incidents of accidental overdose and with reports linking abuse of prescription medications to heroin use – one report from Substance Abuse and Mental Health Services Administration stating those who abuse are 19 times more likely to use – provide insight as to the importance of the success of this initiative. Pinal families benefit from knowing how to properly and safely store and dispose of unused prescriptions and doctors, pharmacists and law enforcement possess new tools and training to improve prevention and reduce abuse."

Sheriff Paul Babeu said, "According to the Center for Disease Control and Prevention, deaths from drug overdose and abuse now exceed deaths from motor vehicle accidents in the United States. Elected officials and community leaders should be doing all we can to help address this national problem. Unneeded and unwanted prescription drugs need to be kept out of the hands of our children. Having Prescription Drug Drop-Off Boxes conveniently available to citizens throughout the year will have a tremendous impact on this problem."

# Community Schools Flag Football comes to Hayden

By **Nina Crowder**  
*Copper Basin News*

Community Schools Flag Football came to Hayden this past Saturday where over 20 football teams from Mammoth, San Manuel, Oracle, Hayden and Kearny along with their cheer squads met for an exciting day of flag football action. Age groups were kindergarten/down, first/second grades, third/fourth grades and fifth/sixth grades. All teams were coached by volunteers of the communities and it has been an exciting season to date. Delicious concessions were available at the games and proceeds benefited the program of that schools choice. There are two more opportunities to watch some fun filled flag football. On Thursday night in San Manuel games begin under the lights at 5 p.m. With the championships being held in San Manuel this Saturday starting at 9 a.m. This will be a single elimination tournament.

There are over 200 students involved in the flag football and cheer squad programs. Over 1,000 people attended the flag football event this past Saturday throughout the course of the day. These programs allow the youth in our communities to learn about teamwork, sportsmanship and responsibility at an early age. They also teach the youth to compete with each other in a skillful and supervised environment.

Thank you to everyone who has volunteered and participated this season! The Community Schools Basketball Season will begin registration in early January. If you have the opportunity to watch any of the upcoming games, please do so. If you have questions or need additional information, please refer to MSM Community Schools Facebook page at: [Msm CommunitySchools](#) or contact Larry Ramirez at 520-385-2337 ext. 1113.

# Consensus: Creche display – ‘do it again next year’

By John Hernandez  
San Manuel Miner

The second annual crèche (nativity) display held at the Church of Jesus Christ of Latter-Day Saints in San Manuel was wonderful and inspirational this year.

Dorothy Staggs and her volunteers did another excellent job.

More than 600 nativity scenes were on display along with paintings and

wall hangings featuring the birth of Christ. There was even a western theme wreath made from barbed wire and metal. Many of the crèches were from other countries and there was one nativity scene that was a family heirloom and over 100 years old.

On Saturday, western entertainer and poet Jon Richins performed during the day. He entertained groups with his western humor, sang a few

western Christmas songs, and read some cowboy Christmas poetry. There was a musical celebration and a Christmas devotional on Sunday evening with refreshments served at the end of the evening.

A few of the comments written in the visitors' log by people who viewed the display included: "Inspirational," "Cool, Awesome," "Amazing," and "Do it again next year."

## Race

Continued from Page 6

the whole family. In addition to racing, AMRA and TRS promote non-competitive events and fundraisers that contribute to the health of our sport.

So just what is a Hare Scramble race? Per the American Motorcyclist Association's (AMA) rule book, a Hare Scramble is a race conducted on a closed course, using trails and paths over natural terrain. The course can be between two and a half and 40 miles in length. In the Copper Classic's case, the distance is typically around 25 miles. Course markings are used to aid the riders in determining the proper route when the terrain does not clearly dictate direction. The racer's objective is to navigate the race course as fast as possible for as many as three laps.

As in past years, the race will be staged out of the old middle school ball fields at the end of Erickson Street. The mini rider's race will begin after 8 a.m., with the big bike race starting around noon. The start and finish lines will be near the staging area and spectator viewing is strongly encouraged.

But the San Manuel Copper Classic is not just about racing. TRS hosts this event as a fundraiser for the local school board. After each race, TRS typically donates \$500 to \$1,000 to the school board to support extracurricular activities. An additional economic benefit of this race is the amount of business the racers and spectators bring to the shops and restaurants of San Manuel.

So mark your calendars today for the first of February 2014 for the San Manuel Copper Classic. Watch for the race fliers that will be posted in stores around town for more details. Hope we see you on race day!
