LETTERS TO THE EDITOR

Town of Kearny Residents Asked to Complete Survey

Town of Kearny Residents: A letter was sent to you on July 10, 2019. The Town of Kearny is conducting a survey to determine the average income of residents within the town's boundaries to qualify for a federal grant. The information will determine the amount of federal grant money that can be made available for this specific project. Community Development Block Grant monies may be used for public infrastructure, community facilities, housing, public services and economic development.

Please help! In order for the information from this survey to be valid, we must have everyone respond. We need everyone who receives a survey to respond promptly. All information will be kept strictly confidential, as the actual survey information regarding size of family, income and demographics will be separated from the bottom portion of the survey page. There will be no way for anyone to connect the information you supply regarding your income and ethnic status with your name and address.

Central Arizona Council of Governments (CAG) will collect and tabulate the information. CAG is bonded and conducts surveys of this nature regularly. The community will only be given grouped information, such as "20% of the respondents are persons with disabilities."

Please answer the survey form, sign it and mail it back, submit it to Town Hall or submit it to the survey taker that may visit your home.

If you have any questions about this survey or have accessibility needs, please contact Anna Flores, at the Town of Kearny at 520-363-5547 or Alan Urban at Central Arizona Governments, at 480-474-9300.

Thank you for your cooperation.

Sincerely,
/s/ **Debra Sommers**
Mayor

People of His Goodwill

Over 2000 years ago, an angel came to this earth with a message: "Do not be afraid; for behold I bring you good news of great joy which shall be for all the people; for today in the city of David there has been born for you a Savior,

who is Christ the Lord". All of a sudden there was a whole choir of angels singing; "Glory to God in the highest and on earth peace among men of good will". Luke 2:10-14

As we approach Christmas 2019 we find our country and our world afraid, without hope and without peace within themselves or with each other. It's time for us to look for some great news, as the angel said it is for all of us! What better news than this; a Savior has been born. Little did the world know what was happening before their eyes—that God sent His son Jesus to be born on this earth to save us all!

I can almost see the angel announcing the good news while thousands of angels try to hold back their excitement as he finishes his message to the world. How can we hold back our excitement knowing this good news? Have the years worn off the excitement? Has the message been lost in a sea of bad news? Good news of great joy?

Who would not want that?

At Family First we look back on this past year with a joy in our hearts as we have shared God's love with many families here in our community. This stirs us with a hope for the coming year as we know God is about to do greater things through us! We look to continue to share the good news and hope knowing that God Himself loved us all so much that he sent His son Jesus to be a Savior for all!

We at Family First pray you have a joyous holiday season and a healthy, blessed New Year in 2020! Our hope for you in the coming year is to have great joy and peace knowing God Himself has come to this world for us, people of His goodwill!

God bless,

/s/ **Frank and Clare Grochocki**

Hayden's Arbizo signs LOI to play for Gila Monsters

By Andrew Luberda
Copper Basin News

Hayden senior Ahleah Arbizo recently signed a Letter of Intent to attend Eastern Arizona College, located in Thatcher, Ariz., where she'll continue her academic career in addition to playing softball.

Arbizo's decision to choose EAC wasn't difficult, as her biggest role models are former Gila Monsters. Elisa (formerly Loroña) and Rene Arbizo played softball and football, respectively, at EAC.

"I've had a lot of family members play for EAC," Ahleah said. "I want to follow in my mom's footsteps."

As a junior, Ahleah hit .350 with five homeruns, 10 doubles, three triples, and was named the Lobos' MVP. She is a two-time All-Region First-Team selection and earned 1A All-Conference recognition following her junior season.

At Hayden, Arbizo was the Lobos' ace pitcher and played several infields positions. She signed to play third base at

EAC.

"She's a very versatile athlete," said Lydia Martinez, Hayden's athletic director and head softball coach. "I could play her anywhere. She stepped up and became our ace pitcher because we were short on pitchers."

Arbizo is undecided on what she'll major

in at EAC but acknowledged her career ambitions include working in physical therapy or sports medicine. She has other plans first, however.

"I want to continue playing," said Ahleah, adding she wants to attend a four-year school after she's finished at EAC.

Rene Arbizo helped instill on of

his daughter's greatest attributes by building her a batting cage at the family's residence.

"She really works hard," answered Martinez when asked which of Ahleah's skills will serve her best at the next level. "She puts in a lot of hours after practice and at home.

"She's very dedicated, a good leader and a great teammate."

What is something that Ahleah learned at Hayden that will benefit her in college and beyond?

"Grades come first and work together as a team," she responded.

As a family, too.
