# Time to Let the Real Holidays Begin

When my two boys were school children, they used to call “show and tell” by the name “bring and brag.” Well, I have a new name for the frantic days before Christmas, which we used to call the shopping days but now persist in calling the holidays. The new name is “get and grab.”

So let the real holidays begin now. The “get and grab” is over, the real Christmas is here, and now we can give, not only gifts, but thanks. Now we can live in a renewed hope. As a Christian, I have renewed hope in Jesus. Whatever your spiritual beliefs are, Christian, Jewish, Native American, “vaguely spiritual” or other, may we dwell on all that is positive and good.

The New Year is also close at hand. As it begins, our

town has much to think about that is good. Our aged water system will, in the next few months, be repaired to the point where it is much more workable. Ray Camacho, our Director of Public Work, and our town crew are well on their way to assuring that the wells and filtration plant will be in tip-top shape, and the new improvements at the water treatment plant are complete and ready to go on line.

At the last council meeting, our accounting firm brought in an early preliminary report showing that few towns or cities can meet the quality of Kearny's handling of monies. Soon there will be a new budgetary report which will enable the Town Council to be more fully aware of our financial dealings.

The last meeting also introduced Richard Corso as our interim Chief of Police for the next six months. He is well respected by the department, and will use these six months to establish goals and methods based on the improvement of the last year. At the end of the six months, he may become our new Chief.

# President Obama signs NDAA Bill; Land Exchange is official

By Mila Besich-Lira  
Copper Area News

Prior to leaving Washington DC for his two week holiday retreat in Hawaii, President Obama signed the National Defense Authorization Act which included the approval of the Southeast Arizona Land Exchange and Conservation Act.

The land exchange will not be complete until an Environmental Impact Statement is complete which was a provision added to the bill. The Oak Flats campground will remain open to the public until the area is no longer safe for public use.

Senators McCain and Flake along with Representatives Kirkpatrick and Gosar had originally planned a trip to Superior for a community meeting on the jobs bill.

That event was postponed because the senate had not adjourned the session prior to the event. The event is expected to be rescheduled.

## SailCart sculpture installed in Oracle

By John Hernandez  
Copper Area News

The SailCart, a metal sculpture designed by artist Chris Lucic and fabricated by Randy Halliday, was installed this week. The art structure weighs over two tons. Kevin Armbrust organized the installation and was helped by Steve Brown, Frank Pierson, and Marcos Robles of Oracle Electric Service who provided a crane. Frank Pierson and Mary Ellen Kazda donated the use of their land where the sculpture sits off American Avenue next to the post office.

The SailCart honors the mining history of the area. According to the Oracle Historical Society, Prospector Albert Weldon survived a terrible storm on the ship Oracle while sailing around the Cape of Good Hope. He named his first mining claim "The Oracle" in gratitude. The town of Oracle takes its name from the mine and indirectly from a ship.

# Hambly names Students of the Week

Leonor Hambly K-8 School has announced its Students of the Week for the week of Dec. 11, 2014.

Students of the week for Dec. 11, 2014 are: Ryan Garner (kindergarten), Manny Aguirre (first), Renee Arnal

(second), Deondre Collier (third), Kiana Castaneda (fourth), Anita Lopez (fifth), Aliana Galindo Benavidez (sixth), Pablo

Acunal (seventh) and Noah Monroy (eighth). Outstanding job, students!

## Problem with online reporting site delays scores

*Copper Area News* tries to provide scores for all games played throughout the previous week. We obtain those scores first through the coaches and, when they do not respond to our inquiries, we obtain them online via MaxPreps and AIA365.

Unfortunately, this week we encountered a problem with the websites. The scores and stats on MaxPreps do not add up and the scores on AIA365 differ from what's on MaxPreps. To further complicate issues, the game stats on MaxPreps don't equal the final score. AIA365 does NOT provide stats. For example, on MaxPreps, the final

score of San Carlos vs Globe girls' game is 31 - 18. But a review of the stats reflects that San Carlos scored 55 points. Clearly one of these is not accurate. Another example, Superior beat Ray in boys basketball last week, now the score is different and reflects a Bearcats win. And, the 2015 Football season records

for some teams show their record as 91 - 0. Impossible, since we haven't played games in the 2015 season and for sure not 91 games.

We are hoping that the problem is rectified soon. We will report the scores of games played as soon as it is updated and corrected.
