Letter to the Editor

Ray musicians 'hit one out of the park'

First, Merry Christmas! And safe travels, good food and the warmth of the season to one and all!

Like many rural communities, Kearny has a curfew to clear mischievous youngsters off the streets. "Idle hands are the devil's playground!" This hopefully reduces vandalism, and forces parents to assume control each night when the siren goes off at 10 p.m. But on Wednesday night at the Ray High School auditorium, we were treated to the accomplishments of children and young adults that don't have time for mischief. These kids are way too busy learning how to play music and practicing their parts. Like the extremely successful Ray Bearcat football and volleyball teams, the Ray Music department has, indeed, "hit one out of the park" with their current line-up of marvelous musicians.

Wednesday's concert opened with the Ray Elementary Fifth Grade Band and featured "Jingle Bells." The Sixth Grade Band tackled Beethoven's "Ode to Joy" from his famous Ninth Symphony, which shows spectacular development for ones so young. The Ray Junior High School concert band brought down the house with "Grandma Got Run Over by a Reindeer," and then showed off their "chops" with a special arrangement of "Swingin' into Christmas."

The Ray High School Wind Ensemble showcased "You're a

Mean One, Mister Grinch" that was played by the marching band during Kearny's recent Parade of Lights. And they did a fine tribute to the men and women who made the ultimate sacrifice serving on the USS Arizona on Dec. 7, 1941 by playing the Navy Hymn. At the end, the audience all stood while seven bells rang out.

The medley from "A Charlie Brown Christmas Celebration" let the ensemble soar, handling complex interludes and rhythm changes with precision. For such a small school, this ensemble seems to be loaded with musical talent.

The climax of the evening was when the Ray High School Jazz Band took the stage. Director of Bands Mark Weber explained that the Jazz Band needs to work extra hours to fine tune these complex arrangements and work out the individual solos. All three songs showed off the hours of practice and extra effort. And Andy, the baritone sax player, celebrated his birthday at the concert. Man, can these crazy 'Cats wail!

The Ray School Music Department has on-going plans to continue providing valuable learning experiences for all students in the program. Trips are planned to go to NAU for band competitions, and a Spring Concert Performance Trip is in the works for April. The Ray High School Band will travel to Anaheim, Calif. for concerts, master class sessions with

professional musicians, and an insider's tour of Disneyland.

To help defray the costs of these undertakings, everyone is encouraged to participate in the Arizona State Tax Credit program that permits taxpayers to donate up to \$400 per couple, or \$200 per individual and have the actual "cash" taken from your 2013 Arizona State Income Tax bill. If you contact the school they can explain it, but the donation is a true tax credit, which means you tell the state that you want the money you've already paid in taxes to be assigned to the Ray School Music Department.

A blessed, safe and wonderful holiday season to you!

Kearny manager resigns, audit findings good

By **Mila Besich Lira**
Copper Basin News

At the December Kearny Town Council meeting Mayor Hosler announced that Town Manager Gene Green has submitted his resignation. His last day with the Town of Kearny will be Jan. 8, 2014. In a phone interview Mayor Hosler commended Green for his service. "I admire that he is making his decision to resign based on what is best for his family, we really hate to lose him," said Hosler. Green was about to complete his first year with the Town of Kearny. On the agenda of the January meeting the council will discuss appointing an interim town manager and beginning a search for a new manager.

The council also heard a presentation from Colby and Powell, the town's auditors. The auditors reported that the town continues to operate in a fiscally responsible manner, and is a pleasure to work with. The only findings that the auditors found was concerning segregation of duties in coding transactions in accounting records. The auditors concluded that it was difficult to remedy these findings due to the small staff in the administration department at the town.

The council also voted to remain with Bank of the West for the time being to handle town banking business and authorized the Kearny Police Department to request grant funds from the Governors Office of Public Safety to purchase DUI Alcohol Enforcement Equipment. The department plans to purchase four portable breath testers which will cost around \$1,000.

During the January council meeting the council will conduct a second public hearing in order to make a decision on how CDBG funds should be allocated in 2014. During the first public hearing in December the council discussed using the CDBG funding for road improvements, and water systems infrastructure.

Fuss-

(StatePoint) Between decorating your home and preparing the year's most important meal, you may lose steam by the time you get to the sweet stuff.

But creating holiday desserts that stand out doesn't have to be a daunting prospect. There are simple things you can do to give treats flair, without spending hours slaving away.

Whipped topping makes a perfect fuss-free topping on special occasion pies, cakes and cookies, as well as your everyday favorites like fruit, coffee and ice cream.

Your family and guests will taste the difference, so be sure to use natural ingredients. For example, Reddi-wip is made from real dairy cream, unlike other leading brands which have hydrogenated oils as their top ingredient.

To deliciously top off your holiday meal, try this recipe for Apple Crumble Pie, where warm apple pie filling is topped with a brown sugar and oat crumble and served in a flaky pie crust. Want to save even more time? Consider picking up a frozen dessert pie, such as one from Marie Callender's and top it off with Reddi-wip for a quicker, but still super tasty, dessert option.

Ingredients

- 1 frozen pie crust (9-inch), thawed
- 1 can (21 oz each) apple pie filling
- 1/2 cup all-purpose flour
- 1/2 cup quick-cooking rolled oats
- 1/2 cup firmly packed brown sugar
- 1 tsp. ground cinnamon
- 1/4 tsp. salt
- 1/2 cup cold Parkay Original-stick (1/2 cup = 1 stick)
- Reddi-wip Original Dairy

To add an item to the community calendar please submit information to cbnsun@minersunbasin.com or call 363-5554. Listings are free, however, the Copper Basin News reserves the right to edit or refuse submissions.

An Advertising Proverb

When Mark Twain was editing a newspaper in Missouri, one of his subscribers wrote in, saying that he had found a spider in his newspaper and wondered whether it was a sign of good or bad luck. Twain's response: "Finding a spider is neither good luck nor bad. The spider was merely looking over our newspaper to see which merchant was not advertising, so that he could go to that store, spin his web across the door, and lead a life of undisturbed peace ever afterward."

Hambly students learn first hand about the Holocaust

Dr. Alexander B. White, M.D., Holocaust survivor and author of, "Holocaust Memoirs: Be A Mensch" visited students at Hambly Middle School on Tuesday, Dec. 17.

Students at Hambly Middle School study the Holocaust during their seventh grade year and members of the National Junior Honor Society have attended the Holocaust Memorial in Washington, D.C. Students listened to not only an emotional story but inspirational message.

Dr. White told his story as a 16-year-old experiencing the Holocaust. "Be a Mensch," were the last words his father said to him before his death. Mensch means "a special, ideal human being: a person who portrays charity, kindness, tolerance, honesty and love of mankind."

Dr. Alexander White addresses students at Hambly Middle School. (Submitted photos)
