Support Local: Copper Bottom Apartments

In April 2020, COVID-19 brought much of Arizona's economy to a screeching halt. All businesses not deemed "essential" were ordered closed by Arizona's governor Doug Ducey.

The lockdown continued for nearly two months. When Gov. Ducey finally gave the go ahead to reopen, businesses slowly began the road to recovery. Even those listed as "essential" had a challenge with this economic recovery.

Many small businesses and non-profits in Arizona didn't survive the lockdown. The businesses that did survive are hanging on as best they can. *Copper Area News* wanted to give something back to the local business community as a thank you for supporting us through these troubled times. Our newspapers (*Copper Basin News*, *Superior Sun* and *San Manuel Miner*) have been featuring local businesses and non-profits since the beginning of 2021, encouraging our readers to Shop at Home, stay local and support our local businesses. To date, *Copper Area News* has featured 127 businesses and groups in the Copper Corridor.

Many construction projects were delayed or set back during the COVID-19 pandemic, and while the construction industry was not really shut down, worker safety and material procurement did become a challenge across the industry and affected projects far and wide. Those challenges did not deter local builders from improving properties. The opening of the Copper Bottom Apartments could not have come at a better time, as housing options are quite limited throughout Superior

and the Copper Corridor.

Mike Snitz and his business partner Dr. Angela De Rosa purchased the old Copper Motel and Ritchies Bar on US 60, they determined in their business planning that investing in Superior would be a good move and they purchased the properties from the Chaidez family. They have remodeled the old motel into 16 studio apartments that are move in ready. Pretty much all a tenant needs to bring is their clothing and toiletries. The apartments feature a sofa bed, bathroom, table, television, and kitchen with range, sink and refrigerator, dishes and cookware.

The apartments are available for six-month and 12-month leases. The monthly rent includes rent, utilities including wifi. To inquire on renting one of these apartments please contact Mike Snitz at 602-327-2785.

During the remodeling process they removed the motel pool, refurbished each unit and also worked with the Town of Superior and Southwest Towing to create a better access point for the apartments off of US 60, which was required for safety. The Town of Superior and Southwest Towing conducted a land exchange that exchanged some Town property for the property that the towing company owned to create a driveway into the property and improved town road access.

The developers plan to remodel and repair the old Ritchies Bar into an event venue and they hope to begin construction on that in early 2022. The venue will be available for parties and meetings.

The Copper Bottom Apartments are providing some much needed housing in Superior.

2021 Filled with Milestones for Superior

It is hard to believe that there are only a few days left of 2021. This year flew by faster than ever and as I close out this year and celebrate the holidays with my loved ones, I want to reflect back on all that we have accomplished as a community.

During the first quarter of 2021 the Town Council approved agreements with Resolution Copper that will provide funding and resources to support the Town's infrastructure, socio-economic and environmental needs. These agreements set a foundation to ensure that Superior will see a net positive effect when Resolution Copper gets into full operation.

Our annexation was approved and our municipal boundaries increased from three square miles to 12 square miles, which includes the Boyce Thompson Arboretum. This annexation will create opportunity for future business development and housing but most importantly preserve open space that we treasure.

We paved roads as part of our ongoing maintenance plans, improved parks and continued to promote Superior. The Arizona Highways television show brought a great amount of attention to our community and helped our local businesses recover from the COVID shut downs of 2020.

We spent a good portion of the Spring advocating for the mining industry as decisions from the Biden Administration stalled the release of the Capstone Mining Record of Decision and the Final Environmental Impact Statement for Resolution Copper. Our advocacy helped to get the Capstone Mining back on track and thankfully they have received their permits to continue to their operations. As the year draws to a close, we remain optimistic that the Resolution Copper FEIS will be released in the Spring of 2022.

The summer was not an easy one for Superior as we grappled with the Telegraph Fire. This fire came dangerously close to Superior and we almost lost the Boyce Thompson Arboretum. This devastating fire has renewed our focus on creating defensible spaces and advocating for more resources to prevent these disasters and assist with post fire flooding. We have lent our support for our sister communities of Miami and Globe, as they have had to deal with even more devastating post-fire flooding.

As the summer turned into fall, we notified the Department of Interior that the Town intends to purchase the federal lands adjacent to our airport. Through an agreement with Resolution Copper, we will be utilizing funds from Chicanos Por La Causa to make the purchase

and complete development plans. The council also accepted our 2020 audit which was the fifth year the Town accepted their audits and there were no findings. Our local economy continues to grow, and in 2020 the Town's financial health improved by \$175,000.

The Town celebrated its 45th anniversary of incorporation by dedicating our downtown amphitheater and hosting our first ever State of the Town Address. A majority of our events returned to downtown and school once again was back in session. Superior has made it's comeback post-covid with a loud roar.

2021 was an incredible year for Superior and ended on a fantastically high note with the purchase of the original Superior High School. This iconic facility will become our multi-gen center, featuring Town Hall operations, our library, work out facility, dance studio, and Senior Center. The complex will also feature the Superior Enterprise Center, which will be the home to programing for job training and entrepreneurial development including a commercial kitchen to assist food entrepreneurs.

Developing a multi-gen center was a key strategic goal our Town Council set in 2016 to ensure that we continue to invest in and expand Superior's quality of life amenities

that our current and future residents desire. Our original plan called for constructing a new building, but as costs escalated, our dreams nearly evaporated. We are grateful that Mr. Elijah Cardon agreed to sell this important community building to the Town. As is our tradition, repurposing and modifying materials and places is how we honor and preserve our history, continue to tell our story and embrace

Panthers still looking for the win

By Nathaniel A. Lopez
Superior Sun

Two more games and both leading to further heartache for the Superior Panthers.

On Dec. 22, Superior

played host to the Tempe Prep Knights. Even with the home court advantage, the Panthers couldn't come up with the win. The girls lost 28-41. The boys played a tough game, but could not close the night with a

victory, resulting in a 26-73 loss.

Both varsity teams are participating in the 2021 Santa Cruz New Year's Shootout Basketball Tournament Dec. 27-29. Up next for the Panthers:

Jan. 4, the JV and Varsity boys and Varsity girls travel to Cibecue. Jan. 7 the teams host Duncan. Tip off times for both sets of games are: 4 p.m. (JV), 5:30 p.m. (girls Varsity) and 7 p.m. (boys Varsity).

MAYOR'S CORNER

the future.

We never know what the new year will bring; our goals for 2022 will be the development of trails and fire breaks on the north side of the US 60 Park near Queen Creek, planning for the lower rails park on Main Street and the interior construction of the multi-gen center (old high school). We continue to await the decisions from the Arizona Supreme Court, on the Pinal Regional Transportation Authority funding. That funding will assist us with additional road repairs and projects.

While we close this year in anticipation of celebrating all of these accomplishments as a community and enjoying the holidays with our families and friends, please be mindful that COVID continues to spread. If you are feeling ill, please avoid going out and if you are able, please consider receiving the vaccination.

From my family to yours, we wish you a joyous holiday season, Merry Christmas and a Happy New Year!
