Firewise Assessor Course offered in Kearny Dec. 12 - 13

Making sure homes and properties are Firewise will help prevent wildfires like this one that destroyed a home in Oracle last year.

Kearny - On Saturday and Sunday, Dec. 12 and 13, from 9 a.m. - 4 p.m. a free Firewise Assessor Course will be offered at Constitution Hall, 912 Tilbury Dr. # E in Kearny. To R.S.V.P. contact Fuel Specialist and Phoenix District Firewise Coordinator Terry Hudson at terryhudson@azsf.gov or call (623) 445-0274 x 237 or (602) 525-9438.

This course is designed for fire professionals and community members interested in becoming certified to assess and evaluate properties from a Firewise perspective. It will train individuals in fire ecology, fire behavior, property assessment, and fire hazard mitigation tactics for property owners.

The first day of the course is classroom based. The second day takes place in the field evaluating properties and may be a shorter day, depending on how many properties there are to assess. Participants will need to come eager to learn and have long pants and closed shoes for field day.

If you have any questions about the course, please contact your district coordinator or R.S.V.P. contact listed above.

At the end of the course, individuals will be certified to evaluate properties for Firewise and be registered with the Arizona State Forestry.

Towns Still Fact Gathering for Combined Police Force

The four-town task force charged with developing a new police force met in Winkelman last week. Some facts still need to be gathered, but a general picture emerged: a new force with one chief, three sergeants, and a fuller complement of full-time officers is within reach of our ability to fund them. There are complications, of course. The Town of Mammoth did not pass its budget override, something the other towns have done. This means that Mammoth's budget is severely restricted on what it can spend.

Interim Chief Dave Blue reported on the inventory which has been taken in all the police departments. A discussion on dispatching and communications led to the decision to focus on technical communications at the next meeting, which will take place Tuesday, December 15, in Winkelman. So far, so good, but much work remains.

The Kearny Town Council will meet Monday, December 21, at 7:30 p.m. At this meeting, there will be an open hearing for the purpose of developing a loan/grant for the improvement of our water infrastructure, especially our water tanks. Our present water rates are insufficient for us to qualify for the necessary loan to do the work. We have to prove that we will have sufficient funding from water bills to meet ongoing maintenance. As you know, our water and sewer infrastructure is not funded by taxes but, like any utility, is funded by the users.

Next week I hope to write about some possible new developments since the Gila River Fire. One development I want to mention now is Kearny's connection with the FIREWISE program sponsored by Arizona State Forestry. On Saturday and Sunday, December 12-13, a two-day course

MAYOR'S CORNER

is being offered at Constitution Hall. It is designed to train individuals in the community in fire ecology, fire behavior, property assessment, and fire hazard mitigation tactics for property owners. The first day is in the classroom; the second is in the field and will require long pants and closed-toe shoes. We would like to have as many as fifteen trained assessors in our community. Call Anna Flores for more details, and share this news with your neighbors.

There is no cost to take the course. The classes are 9 a.m. to 4 p.m. both days (although the second day may be shorter depending on the number of houses to be assessed).

It's December already. Remember that the Christmas Light Parade is this Saturday, December 5. Parade participants will meet at Town Hall to register and line up the floats, and the parade will begin at 6 p.m., heading up Tilbury Road. Dress warmly, and enjoy the beautiful floats.

Ray seniors try their hand at interviewing for 'jobs'; Savannah Willis named overall winner

Ray High School's annual Senior Interview Day was held on Monday, Nov. 23. All seniors participated in a mock interview with former Ray High School graduates who have gone on to be successful in their chosen field.

Seniors have to present themselves as if it were a real interview and are asked to dress professionally and have with them their application, cover letter, and resume - which are completed in their senior English class in the weeks prior to the event. Instruction on job interviewing skills and how to conduct themselves in an interview is also provided.

Each student had a 15-20 minute interview with their assigned interviewer. They were then evaluated on their application

materials and interview and feedback is provided to them on their evaluation form. The experience helps better prepare seniors for real life interviews as they participate in their job search in the future.

Each interviewer is assigned 7-8 seniors to interview and from their pool of applicants they award a "Top Job Applicant Award" to the senior in their group who they would have offered the job to. This year's Top Job Applicants were Nepeese Avechuco, Savannah Willis, Gabrielle Juvera, Stormee Galka, and Katelyn Ballard. The Top Job Applicants then had a group interview with the 5 interviewers and the overall winner was Savannah Willis who received a \$100 Visa gift certificate.

Interviewers, pictured in the back row, for the Ray Senior Interview Day are, from left, Christopher Misita, Amanda Kelley, Karrie Sheffield, Angela Wernett, and Richard Verdugo. The top job applicants, pictured in the front row, are, from left: Savannah Willis, Nepeese Avechuco, Stormee Galka, Katelyn Ballard, and Gabrielle Juvera.

The overall winner of the Ray Senior Interview Day was Savannah Willis, pictured in the center. With her are interviewers Amanda Kelley, Christopher Misita, Savannah Willis, Richard Verdugo, and Angela Wernett (not pictured Karrie Sheffield).

Electric light parade,

Are you ready for a Candy Land experience? There are only three days until the Electric Light Parade Saturday, Dec 5. Are your lights in working order and are the batteries charged?

The parade line up starts at the Kearny Town Hall and Jamestown and will be on a first to apply, first to arrive at check in, first in line basis. Applications are still available at the Chamber office and need to be returned immediately. Be sure to write a short description of the entry so the Master of Ceremonies can announce your float, walking group or individuals. Lineup starts at 4:30 with Carol Lewis and VIPs getting everyone ready for a 6 p.m. start. The parade route starts at Jamestown, up Tilbury to Alden and ending at the GKI with a stop in front of the Judges stand so that the MC can announce your entry. Rain, snow or sleet the parade will go on.

Vendors can start selling as early as 4 p.m. with stocking stuffers and Christmas merchandise. Across the street at the County Building there will be Posole and Menudo with hot chocolate and cookies available. Children can listen to

Young boy first in line to send wishes to Santa

Devin Boltarez mails his letter to Santa. He was excited to be the first one.

James Carnes | CBN

Devin Boltarez is ready for Christmas. He was first in the Copper Basin area to mail his letter to Santa Claus.

Devin is six years old and the son of Elisia Baca and Isaiah Boltarez of Kearny. In his letter, he said he'd like for Santa to bring him "3 finger lights, 5 lizards and a gun to shoot cans."

This year, Copper Basin children have two places to mail their letters to Santa.

There is the traditional mailbox located in front of the Copper Basin News office in Kearny (next to Old Time Pizza uptown).

This year, Santa has placed a special mailbox at the Hayden Public Library to make it a little easier for children in the Hayden and Winkelman areas to send him their wishes.

Santa has also set up a special email address if you want to send your wishes

to him electronically. The email address is santa@minersunbasin.com. And please when emailing include the town where you live so that your letter can be published in the right newspaper.

This year, Mr. Claus has given us permission to accept letters through our Facebook page (www.Facebook.com/CopperArea). Just send us a private message (PM) with your child's letter to

Santa. Please be sure to include the town where you live so we can publish it in the right newspaper.

Hurry and get your letters in quickly so they can be forwarded to the North Pole in plenty of time for the big day. The deadline to mail letters in Santa's special mailbox is Dec. 18. Santa needs time to get all the requests fulfilled.

Letters will be published on Dec. 23.

Get some Motorsports repairing motors in Kearny

By John Hernandez
Copper Basin News

Getsome Motorsports has been open for three months now and is keeping busy.

The full service motor repair business is a dream realized for owner Gary Stepke. Gary was raised in Kearny. He left the area when he was 16 and moved to Oregon and spent time in Wyoming. He attended Wyoming Technical

Institute and is a certified welder and mechanic. Gary has been back in Kearny since 2011. He works as a shovel and drill mechanic at the GRUPO-ASARCO mine. He is also a volunteer firefighter for the Kearny Volunteer Fire Department.

Getsome Motorsports' services include: oil changes, brake and rotor resurfacing, tune-ups, major repairs, turn flywheels and tire repair. They are the only service within 100 miles that offers flywheel resurfacing.

"If it's broke, we can fix it," said Gary. "We are good at troubleshooting and we will fix it right the first time."

He added, "The only repeat customer I want to see is when they come back for a new issue."

Getsome offers NAPA batteries for sale and has a low mark up on repair parts. They also warranty all parts and labor. The company services the Town of Kearny vehicles.

"I am here to help the community. I am not here to get rich but to help people," Gary said.

Veterans are given 10% off labor.

"We appreciate their service," he said.

Gary says he would like to get into fabrication for UTVs in the future. They can work on anything with a motor including cars, trucks, ATVs, diesel and heavy duty vehicles. They have even fixed some lawn motors and gas powered weed eaters. "I am good at what I do and I enjoy it" he said.

Gary said of his struggles to realize his dream of operating his own repair business, "I have gone through

BLM releases management plan for Aravaipa Canyon Region; plan provides guidance for wilderness, surrounding public lands

SAFFORD, Ariz. - The Bureau of Land Management's (BLM) Safford Field Office has released a Decision Record and revised Environmental Assessment for the final Aravaipa Ecosystem Management Plan. The plan guides the stewardship of 69,000 acres of BLM-administered land, including the Aravaipa Canyon Wilderness, by establishing detailed management guidance for recreation and natural resources.

The Aravaipa Ecosystem Management Plan is the result of a long-term collaborative effort between the BLM, Arizona Game and Fish Department and The Nature Conservancy. The collaborative approach recognizes common management issues among the three organizations.

Olmos earns CDA renewal

Teresita Martinez Olmos of Hayden has been awarded a renewal of the Preschool Child Development Associate (CDA) credential in recognition of outstanding work with young children.

The Council for Professional Recognition in Washington DC awards credentials to early childhood educators who demonstrate the ability to constructively work with young children in group settings.

“It takes special knowledge, skills, and expertise to be an effective teacher of young children,” says Valora Washington, CEO of the Council. “It’s a great honor to earn a CDA and it shows a commitment to quality early childhood education.”

The CDA is a nationally recognized credential for excellence in early childhood education. Each CDA

candidate is observed working with young children and is assessed on his or her ability to develop the physical, emotional, and intellectual capabilities of young children. The CDA community nationwide is having a positive effect on the quality of early childhood education by helping preschools, day care centers, and family child care programs hire qualified and competent professionals who ensure the best care for our nation’s youngest.

Teresita is the daughter of Mike and Carmen Martinez of Hayden, wife of Gilbert Michael Olmos of Hayden and has a son, Jude M. Olmos also of Hayden. Teresita is employed by Pinal Gila Community Child Services, Inc. and works as a teacher at the Superior Head Start. She earned her Master of Arts in Early Childhood Education in 2008 from the University of Phoenix.

ecosystem, the Aravaipa Canyon region is 120 miles east of Phoenix in Graham and Pinal Counties. The planning area includes the Aravaipa Canyon Wilderness, surrounding BLM public lands, and private lands owned and administered by The Nature Conservancy of Arizona. In total, the planning area

encompasses 69,609 acres of public lands and 7,802 of private land.

The plan recommends no major changes in the visitor permit system for the popular Aravaipa Canyon Wilderness. Visitors to the canyon bottom still are required to get a permit for day hiking and overnight use. BLM maintains a

limit of 50 total visitors per day. An administrative proposal to move the permit reservation system to a standardized national system is expected to be released later this year.

The plan does include modest changes to other recreation use in the area, including designation of camping sites along

Turkey Creek and seasonal restrictions on some roads to protect bighorn sheep.

Planning documents and answers to Frequently Asked Questions can be found at BLM’s website: <http://on.doi.gov/1OrWQ2E>.

Arizona Trail Association installs Kelvin Trailhead ramada

By John Hernandez
Copper Area News

Next to water, the most important natural resource in the desert is shade. Shade ramadas have been used for thousands of years in the Southwest.

Volunteers from the Arizona Trail Association are building a few traditional shade ramadas in areas along the Arizona Trail where they are needed

most. Recently a ramada was built at the Florence-Kelvin Trailhead (Passage 15). Another ramada will be built at the Freeman Road Trailhead (Passage 14) in early December.

The Florence-Kelvin Trailhead ramada was built thanks to funding from Pinal County and the Mountain Bike Association of Arizona. Mesquite beams were also donated by the Nature Conservancy's 7B Ranch in Mammoth.
