## LETTER TO THE EDITOR

# Family First: Good Tidings of Great Joy!

**A**nd the angel said unto them, "Fear not; for behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Savior, which is Christ the Lord."

"Glory to God in the highest and on earth peace, good will toward men." Luke 2:10-11, 14

As we look back on 2020, it has been a year like no other. It has left many fearful, angry and without a hope.

Frustrations were taken to the streets and against each other. Why is it a normal human reaction that when we are hurt we tend to take it out on others?

When we are hurting, and many around us are hurting, we sit with our hurts long enough that we say "enough of this, I am going to do something about this". What do we do, what can we do?

We first have to overcome that fear that holds us hostage. The best way as our angel said: "bring some good tidings", some good news! Be joyful, encourage one another, build one another up! Share some good news, be some good news to those around you and put a smile on your face!

Second, instead of looking around with all that is wrong,

look up! Look up to God, our Father, give glory to Him and wait and see what will happen! It will bring a peace in the storm, which will bring good will toward men.

As 2020 comes to a close, be mindful that the best news the world has ever heard was the story of the baby born in a manger over 2000 years ago! The baby who grew up to be our Savior, who is Christ the Lord!

All of us at Family First pray the joy and peace of Christ be with you and your families throughout the holiday season and into the New Year!

God bless,  
/s/ **Frank and Clare Grochocki and the board and staff of Family First**

## Update: Delays on State Route 77 in Winkelman to begin Dec. 1

Motorists who use the Gila River Bridge on State Route 77 in Winkelman should expect intermittent delays starting Tuesday, Dec. 1, while bridge girders are placed on the west side of the new bridge.

Crews will need to close the bridge occasionally for a period of about 15 minutes during weekdays in the daytime hours.

The work is expected to take up to 10 days, with about

four girders being placed per day.

Law enforcement will help direct traffic.

Drivers should proceed through the work zone with caution, slow down and watch for construction personnel and equipment.

For more information, please visit the project website.

Schedules are subject to change based on weather and other unforeseen factors. For more information, please call the ADOT Bilingual Project Information Line at 855.712.8530 or go to [azdot.gov/contact](http://azdot.gov/contact) and select Projects from the drop-down menu. For real-time highway conditions statewide, visit ADOT's Traveler Information Site at [www.az511.gov](http://www.az511.gov), follow ADOT on Twitter (@ArizonaDOT) or call 511, except while driving.

Christopher Boyd-England mails his letter to Santa.

James Carnes | CBN

## Christopher Boyd-England mails the first letter to Santa in Kearny

Christopher Boyd-England was first this year to mail his holiday wishes to Santa Claus.

The five-year-old writes: "Dear Santa, I want this for Christmas Transformer Toy Paw Patrol Vehicle with character. I was a good boy. Chris <3"

Christopher had to go to extra effort because the dog ate his first letter.

Copper Basin children can mail their wishes to Santa in the special mailbox in front of the former Copper Basin News office in Kearny.

This year, Mr. Claus has given us permission to accept letters through our Facebook page ([www.Facebook.com/CopperArea](http://www.Facebook.com/CopperArea)). Just send us a message (PM) with your child's letter to Santa.

Hurry and get your letters in quickly so they can be forwarded to the North Pole in plenty of time for the big day. The deadline to mail letters in Santa's special mailbox is Dec. 18. Santa needs time to get all the requests fulfilled.

Letters will be published on Dec. 23.

## Virtual Q & A sessions set for CAC students

Jump into Spring at Central Arizona College by attending one of the upcoming online informational sessions. Prospective and current CAC students can meet with representatives from the college's Enrollment Services team to get questions answered on how to enroll for the Spring 2021 semester and beyond.

Admissions and registration, advising, financial aid, student accounts, and recruitment staff will be available via Zoom to have a live dialogue with students and help them navigate the admissions

and enrollment process during the following Jump into Spring Enrollment Q&A Sessions:

- Thursday, Dec. 3, from 10 to 11 a.m.
- Tuesday, Dec. 8, from 3:30 to 4:30 p.m.
- Monday, Jan. 11, from 5:30 to 6:30 p.m.

To register for one of these sessions please visit: <https://bit.ly/CACZoom2021>. The Zoom link will be sent to those who register.

To find out more, watch a video about Jump into Spring at <https://bit.ly/CACvideo2021>.

## Community Working Group to review mitigation on Dec. 9

The Community Working Group for the Resolution Copper Project will be meeting 'virtually' online until it is safe to resume in-person meetings – it's expected that in-person meetings will once again be open to the public.

The next online meeting will be on Wednesday, Dec. 9 at 6 p.m. The group will review mitigation commitments for several community and environmental impacts of the Resolution Copper Project. Summaries of this and all past meetings, presentations, and other materials are available to the public at the CWG's website at <http://SuperiorAZCWG.org/>. Comments and questions can also be submitted

here.

The CWG includes residents and stakeholders from the Town of Superior, Queen Valley, Hewitt Station, Globe, Kearny, Winkelman, Hayden, the San Carlos Community and around the area. The group deals with the social and environmental issues, science and policy, and the pros and cons of the proposed Resolution Copper Project. Topics include environmental impacts, health, safety, natural resource issues, engineering, water quantity and quality, geology, economics, air quality, community investments, recreational changes and other related subjects.
