Pinal County's Economic Prosperity

The work completed by the Pinal County Board of Supervisors over the past decade has not only lifted the County into a top tier location for high value-added business locations, but it has also set the foundation for even better things to come.

In a recent study completed by the Rounds Consulting Group; during the past decade, quality policy direction by the Pinal County Board of Supervisors, combined with the excellent performance of County staff, generated a totally of

\$15.8B in economic activity, for a total of \$229.9M in net-new aggregated County tax collections.

Over the last 10 years, residential and commercial construction activity generated \$85.4M in tax revenues for Pinal County. Additionally, new business location and expansion projects have created an estimated 21,800 new jobs.

The in-depth study details the impact over the last 10 years ranging in job growth, resident spending, vacancy

rates and more.

"Since I was first elected to serve on the Board of Supervisors, I've known the importance of investing in long-term goals and I am proud to see it paying off. Success is not achieved overnight," said Supervisor Pete Rios.

While Pinal County's future prospects are optimistic, the study indicates the future will be dependent on the continuation of an economic-focused policy directive from the Pinal County Board of Supervisors.

Community Working Group to review mitigation on Dec. 9

The Community Working Group for the Resolution Copper Project will be meeting 'virtually' online until it is safe to resume in-person meetings – it's expected that in-person meetings will once again be open to the public.

The next online meeting will be on Wednesday, Dec. 9 at 6 p.m. The group will review mitigation commitments for several community and environmental impacts of the Resolution Copper Project. Summaries of this and all past meetings, presentations, and other materials are

available to the public at the CWG's website at <http://SuperiorAZCWG.org/>. Comments and questions can also be submitted here.

The CWG includes residents and stakeholders from the Town of Superior, Queen Valley, Hewitt Station, Globe, Kearny, Winkelman, Hayden, the San Carlos Community and around the area. The group deals with the social and environmental issues, science and policy, and the pros and cons of the proposed Resolution Copper Project. Topics include environmental impacts, health, safety, natural resource issues, engineering, water quantity and quality, geology, economics, air quality, community investments, recreational changes and other related subjects.

Copper Area News is committed to providing our readers with as much information as possible. This graph shows the positive cases as of press time on Dec. 1, 2020 we have also included a graph showing the daily counts for the past week. For the past two weeks the counts across the Copper Corridor have begun to increase significantly, an outbreak at the prison in Globe has increased the numbers for Globe. Statewide, the case counts continue to remain low and the infection rate has decreased.

There are a few points we would like our readers to consider when following this data.

1. This will continue to be a rolling total of positive cases. It does not reflect recoveries or deaths. The Arizona Department of Health Services does not break out this data.
2. If you see a reduction in numbers from day to day it is most likely due to a data entry error or mis-coding of a zip code (at the state level).
3. This is all zip code based data; most of our zip codes include unincorporated areas. There is no way to track exactly which areas each of the positive cases are. Example, Kearny and Winkelman each have small communities in their zip code that are not in the Town's incorporated boundaries.
4. If you live in Gila County, please follow the Gila County Health and Emergency Management, Facebook. They have maintained their data on recoveries and current positive cases.
5. You can follow other data such as ICU bed use, Ventilator use and hospital capacity online: <https://bit.ly/3inh280>

Maleyah and Madelyn Arriola are ready for Santa's visit.

Mila Besich } Sun

Santa's Mail Box is ready to receive letters from Superior Children...

Santa called the *Superior Sun* and asked for two special helpers to usher in the Christmas season in Superior. Madelyn and Maleyah Arriola met with the *Superior Sun* to share their Christmas wishes and to remind all the other residents of Superior to drop off their letters to Santa at Save Money Market. The letters will be published in the *Superior Sun* and also forwarded to Santa at the North Pole.

Madelyn is 6 years old and is asking Santa another pit bull puppy so her dog Sire can have a friend. Maleyah is 5 years old and is asking Santa for Barbie Camper. Their favorite things to do during the holidays is spend time with their family. Madelyn's favorite Christmas song is *Rudolph the Red Nose Reindeer* and Maleyah's favorite song is *Feliz Navidad*.

They also left the wish lists for the brothers Alex who is

12 is asking for cash money they said and for their baby brothers Andy (2) dinosaurs and horses and their two month old brother Michael wants new outfits, they said. Madelyn and Maleyah are the daughters of Andy and Victoria Arriola.

Superior children can mail their wishes to Santa in the special mailbox that can be found at Save Money Market. This year, Mr. Claus has given us permission to accept letters through our Facebook page (www.Facebook.com/CopperArea). Just send us a message (PM) with your child's letter to Santa.

Hurry and get your letters in quickly so they can be forwarded to the North Pole in plenty of time for the big day. The deadline to mail letters in Santa's special mailbox is Dec. 18. Santa needs time to get all the requests fulfilled. Letters will be published on Dec. 23.
