Planned Job Fair May Be Postponed

The job fair that the Town of Kearny has been working on with the Work Force Initiative may be postponed from Wednesday, January 13, to sometime in March. We are having a difficult time getting enough prospective employers to make the earlier date worthwhile. If more employers jump in to have it in January, I will immediately work to let everyone know.

I hope everyone is having a joyful Christmas. I am blessed to have my son and his wife and my granddaughter here in Kearny for several days. They planned to be here for Christmas and a trip to see Star Wars. Well, they may see Star Wars, but my plans have been changed a bit.

I am having surgery this week in Tucson to correct problems in my upper neck.

The spinal cord is being pinched off by ruptures in the disks between my vertebrae. As a result, I am losing my sense of touch, along with some loss of control of my balance. If left untouched, it would progress into severe paralysis.

I've known something has been wrong with me for several months, but it has taken considerable testing to nail down the problem. Now that it is known, the doctor is working swiftly on my behalf.

I know that my recovery will take six weeks, more or less. I do not know what all I will be able to do (or not do) during that period, except for being told, "Don't plan to pick up more than a jug of milk." I will do what I can for Kearny, I promise you, but I also know this will crimp my ability to travel and sit through long meetings.

Fortunately, we have a good Town Council and a good Vice-Mayor in Dan Radcliffe.

Now, on a totally different subject, one of my neighbors asked me today, "Who am I supposed to call after hours if there's a water leak?" I admitted I didn't know but that I would find out. I called our Town Manager, Anna Flores, and asked her the question.

Her answer was very helpful. She told me that anyone spotting a water leak (on private property or town property) should call the Police Department on their regular line. They have the list of on-call employees, and one will be dispatched immediately. Anna also cautioned people to be patient and not try to turn off the water using the city-owned valve. Many of them are older, and prone to breakage. If a citizen turns the valve and it breaks, the citizen is held accountable. So wait a bit and let any breakage be the Town's fault!

Then Anna added, "Other after-hour service at the Police Department is available for animal control. On top of that, if someone finds it necessary, they

MAYOR'S CORNER

By Sam Hosler
Special to the Copper Basin News

can pay their town utility bills at the Police Department any day at any time." Well, "24/7" is what she actually said.

I think that's pretty neat. Now, let's put everything we have into moving onwards and upwards in the Town of Kearny.

Public Notice

Town of Kearny Public Hearing Regarding Use of CDBG Funds

The Town is expected to receive approximately \$397,251 in FY16 Federal CDBG funds from the Arizona Department of Housing Regional Account (RA). The Town also intends to apply for \$300,000 in FY16 CDBG funds from the State Special Projects (SSP) account. CDBG funds must be used to benefit low-income persons and areas, alleviate slum and blight or address an urgent need. A Public Hearing will be held January 18 at 7:30 pm at the Kearny Town Hall, 912 C Tilbury Dr., Kearny, AZ 85137, to gather citizen input on the use of the CDBG funds. Examples of possible uses include the following:

- 1) Public infrastructure (e.g., water, wastewater, street improvements);
- 2) Community facilities (e.g., parks, health clinics, libraries, senior or youth centers);
- 3) Housing (e.g., owner-occupied or multi-family rehab, utility connections on private property, new housing constructed by a non-profit);
- 4) Public services (e.g., paying the salary of an additional staff person to expand a Head Start program, purchasing a van to transport persons with disabilities, equipment and rent to start a new job training program); and
- 5) Economic development (e.g., a loan to a business for job creation, micro-enterprise development, acquisition of land for an existing business expansion).

For more information about the hearing, grievances, or the CDBG program; or to receive assistance in formulating prospective project ideas for presentation at the hearing contact the following:
