## OBITUARY

# Frank Federico Rabago Sr.

Frank Federico Rabago Sr., a 92-year native Arizonan, went home to the Lord on Nov. 21, 2019. He was born in Superior, Arizona on Feb. 17, 1927 to Delores Haro Rabago and Leonor Federico Rabago.

Frank Sr. was a Veteran of the U.S. Navy Seabees and the U.S. Army. He also worked as an underground miner at

Magma Copper Company in Superior for nearly 40 years.

He was married to his beloved wife, Dora Ramirez Rabago, for 60 years and they lived on the corner of Pinal and Empalme in Superior. They raised five children: Marcella (Carlos) Solis, Frank Jr. (Pam), Mark (Dee), Cecilia (Clyde) Elmer, David (Melissa), and nephew Louie (Evvy).

Frank is preceded in death by his parents, his wife Dora, daughter Cecilia "Gigi", and grandchildren Thomas, Alicia

and Jillian.

Frank and Dora are survived by a very large family including 12 grandchildren, 15 great-grandchildren, and numerous relatives and friends.

He had a great love of family, especially children and babies. Frank also had a great love for the beautiful Arizona desert, hunting, baseball, cookouts and beer,

especially out in the hills. Frank was known affectionately by many as "Nino Frank". He was loved and will be dearly missed.

"Soy del Desierto. Soy Indio Yaqui-Mayo"

Services were held Wednesday, Nov. 27, 2019 at St. Francis of Assisi Catholic Church in Superior, AZ. He was laid to rest at Fairview Cemetery.

# Community Working Group to discuss plans for 2020; meeting set for next week

The Superior Community Working Group (CWG) will meet on Wednesday, Dec. 11, to discuss their plans and programs for next year. The CWG meeting will be held at the Superior Chamber of Commerce 6-8 p.m.

The CWG includes residents and stakeholders from the Town of Superior, Queen Valley, Hewitt Station, Globe, Kearny, Winkelman, Hayden, the San Carlos Community and around the area. The group deals with the social and environmental issues, science and policy, and the pros and cons of the proposed Resolution Copper Project. Topics include environmental impacts, health, safety, natural resource issues, engineering, water quantity and quality, geology, economics,

air quality, community investments, recreational changes and other related subjects.

Meetings are usually held at the Superior Chamber of Commerce at 165 W. Main St. in Superior 6-8 p.m., most often on the second Wednesday of each month. The public is welcome and time is reserved on the agenda for everyone's comments, questions and discussion.

More information about the CWG as well as agendas, meeting summaries, and past presentations are available for public review at the Superior Chamber of Commerce offices and at the Superior Public Library at 99 North Kellner Avenue, as well as online at <http://SuperiorAZCWG.org/>

# Paving and guardrail project on US 60 between Superior, Top-of-the-World to begin on Dec. 2

Motorists who use US 60 between Superior and Top-of-the-World will encounter lane restrictions and delays starting Monday, Dec. 2, as crews start a paving and guardrail project.

The project will begin with guardrail replacement in various locations throughout the 10-mile work zone starting at milepost 230 east of Superior.

Guardrail crews will restrict US 60 to a single lane with flaggers and pilot cars. In passing/climbing lane areas, the contractor will close one lane and allow traffic to flow at a slower speed.

Crews plan to work during daylight hours Monday through Thursday. However, in the case of inclement weather or if other delays occur, work may be rescheduled to Fridays.

Paving is scheduled to begin after the guardrail work is complete in spring 2020.

In addition to paving and guardrail work, other key elements of the project include:

- Concrete sidewalk/curb and gutter work at the intersection of US 60/State Route 177
- Bridge deck rehabilitation at Devils Canyon
- Signage upgrades
- Rumble strip installation
- Shoulder improvements

The entire project is scheduled to wrap up by late summer 2020.

The Arizona Department of Transportation will

coordinate lane restrictions between the paving/guardrail project and the nearby US 60 Pinto Creek Bridge replacement project as much as possible. Traffic restrictions near Pinto Creek are expected to lessen after rock blasting is completed in approximately mid-December.

For more information, go to [azdot.gov/US60Superior](http://azdot.gov/US60Superior). Drivers should proceed with caution, slow down and watch for construction personnel and equipment.

Schedules are subject to change based on weather and other unforeseen factors. For more information, please call the ADOT Bilingual Project Information Line at 855.712.8530 or go to [azdot.gov/contact](http://azdot.gov/contact) and select Projects from the drop-down menu. For real-time highway conditions statewide, visit ADOT's Traveler Information Site at [www.az511.gov](http://www.az511.gov), follow ADOT on Twitter (@ArizonaDOT) or call 511, except while driving.

## US 60 closures Tuesday and Thursday for Pinto Creek Bridge project; during four-hour closures, traffic will detour on SR 177 and SR 77

PHOENIX – Motorists using US 60 between Superior and Miami east of the Valley should plan for four-hour closures beginning at 9 a.m. on Tuesday, Dec. 3, and Thursday, Dec. 5, as part of the Pinto Creek Bridge project. Daytime lane restrictions will be in effect on other days.

The restrictions and closures will allow crews with the Arizona Department of Transportation to continue removing rock and constructing an access road as they build a new US 60 bridge.

The following restrictions and closures are scheduled for the week of Dec. 2:

- Monday, Dec. 2: Lane restrictions between until 4:30 p.m.
- Tuesday, Dec. 3: Full closure between 9 a.m. and 1 p.m. Lane restrictions, if needed, between 1 p.m. and 4:30 p.m.
- Wednesday, Dec. 4: Lane restrictions between 6:30 a.m. and 4:30 p.m.
- Thursday, Dec. 5: Full closure between 9 a.m. and 1 p.m. Lane restrictions, if needed, between 1 p.m. and 4:30 p.m.
- Friday, Dec. 6: Lane restrictions between 6:30 a.m. and

noon.

Flaggers will direct traffic while the US 60 lane restrictions are in place. Drivers should plan extra travel time.

During closures, motorists will use a detour on state routes 77 and 177 through Winkelman. That roughly 68-mile route includes a 10 percent grade and will significantly increase travel time. Drivers may want to plan trips before or after the full closures because of the potential for long delays. Eastbound US 60 traffic will be redirected at State Route 177 in Superior, and westbound traffic will be redirected at the west end of Miami. Traffic will not be allowed to queue at the closure locations.

In addition to the Pinto Creek restrictions, work on a paving and guardrail project between Superior and Top-of-the-World began Monday. Motorists should anticipate lane restrictions with flaggers and pilot cars where crews are replacing guardrail.

Drivers should proceed with caution, slow down and watch for construction personnel and equipment.

# Marshall Tomerlin first in Superior to mail letter to Santa

Marshall Tomerlin had his letter to Santa written and ready to mail. Santa has teamed up with the *Superior Sun* and Save Money Market to accept letters to Santa at Save Money Market, which is the best option to get those special wish lists to everyone's favorite friend at the North Pole.

Marshall is a second grader in Ms. Labbe's classroom at John F. Kennedy school. He has his wish list ready for Santa! He is asking for a Nintendo Switch, Avengers Toys and he is also asking that Santa give his sister Rose and brother J.P. what they would like for Christmas and for his family to get together and be happy. He also wants for his friends and all kids to get what they want.

He is the son of John and Tanya Tomerlin. He is looking forward to decorating his Christmas tree, singing carols and opening presents! Marshall's favorite movie is the Grinch, he likes both the classic version and the Jim Carey motion picture version.

Thank you to Copper Triangle-Rolling Rock Gallery for allowing the *Superior Sun* to conduct our holiday photo shoot in front of your holiday trees. They are pretty amazing!

Superior children can mail their wishes to Santa in the special mailbox that can be found at Save Money Market.

This year, Mr. Claus has given us permission to accept letters through our Facebook page ([www.Facebook.com/CopperArea](http://www.Facebook.com/CopperArea)). Just send us a message (PM) with your child's letter to Santa.

Hurry and get your letters in quickly so they can be forwarded to the North Pole in plenty of time for the big day. The deadline to mail letters in Santa's special mailbox is Dec. 13. Santa needs time to get all the requests fulfilled.

Letters will be published on Dec. 18.

From  
our family  
to yours...

## Hyperbaric Oxygen Therapy Now Available at the CV Wound Center!

### **What is Hyperbaric Wound Therapy?**

Hyperbaric oxygen therapy involves breathing pure oxygen in a pressurized room or tube. Hyperbaric oxygen therapy is a well-established treatment for decompression sickness, a hazard of scuba diving. Other conditions treated with hyperbaric oxygen therapy include serious infections, bubbles of air in your blood vessels, and wounds that won't heal.

In a hyperbaric oxygen therapy chamber, the air pressure is increased to three times higher than normal air pressure. Under these conditions, your lungs can gather more oxygen than would be possible breathing pure oxygen at normal air pressure.

Your blood carries this oxygen throughout your body. This helps fight bacteria and stimulate the

release of substances called growth factors and stem cells, which promote healing.

### **Conditions for Treatment**

Hyperbaric oxygen therapy is used to treat several medical conditions. And medical institutions use it in different ways. Your doctor may suggest hyperbaric oxygen therapy if you have one of the following conditions:

- Anemia, severe
- Brain abscess
- Bubbles of air in your blood vessels (arterial gas embolism)
- Burn
- Decompression sickness
- Carbon monoxide poisoning
- Crushing injury
- Deafness, sudden
- Gangrene
- Infection of skin or bone that causes tissue death
- Non-healing wounds, such as a diabetic foot ulcer
- Radiation injury
- Vascular wounds
- Skin graft or skin flap at risk of tissue death
- Wounds that won't heal

### **During Hyperbaric Therapy**

Hyperbaric oxygen therapy typically is performed as an outpatient procedure and doesn't require hospitalization. If you're already hospitalized and require hyperbaric oxygen therapy, you'll remain in the hospital for therapy. During hyperbaric oxygen therapy, the air pressure in the room is about two to three times normal air pressure. The increased air pressure will create a temporary feeling of fullness in your ears — similar to what you might feel in an airplane or at a high elevation. You can relieve

that feeling by yawning or swallowing. For most conditions, therapy lasts approximately two hours. Members of our health care team will monitor you and the therapy unit throughout your treatment.

### **After Hyperbaric Therapy**

You may feel somewhat tired or hungry following your treatment. This doesn't limit normal activities.

Call the Cobre Valley Regional Medical Center Wound Center for more information regarding Hyperbaric Wound therapy.

# Black Friday brings wet, snowy weather to Copper Corridor

The much anticipated big storm hit Arizona like a freight train after midnight after Thanksgiving. For residents of Kearny, it truly was a black Friday with power being out throughout Kearny starting at 6 a.m. and ended around 2 p.m.

for the majority of the customers. Storm related damage to a transformer caused Arizona Public Service to lose an electric feed that is owned by another utility company is what caused the eight-hour outage. At one point Arizona Public

Service had 28,000 customers without power throughout the state of Arizona due to the storm.

The National Weather Service reported that multiple tornados touched ground in the Valley and ADOT closed many of the

roads in Northern Arizona. Fortunately U.S. Hwy. 60 and Highway 177 and 77 were able to remain open and plows kept rocks off the roads.

Another mild storm is expected on Wednesday.

The first winter storm of the season dropped snow on Oracle and caused a power outage in Kearny.

## Boyce Thompson Arboretum to hold Gem & Mineral Show Dec. 8

Boyce Thompson Arboretum will host the annual "Arboretum Rocks" Gem & Mineral Show on Sunday, Dec. 8, 9 a.m. to 3 p.m.

Over two billion years of astounding cataclysmic events have formed the landscape around Boyce Thompson Arboretum. In celebration of its geological history, the Arboretum will offer a variety of family-friendly educational activities, including walks and talks, demonstrations, and exhibits. Jewelry, stone and craft vendors will be displaying their wares as well.

Experts will also be giving talks throughout the day. "A Field Guide to Meteorites" will provide an overview of meteorite origin and composition, and will

teach attendees how to find and identify them. "Volcanoes of Arizona and the Arboretum," a walk and talk, will cover the factors and inner workings of the volcanic forces that shaped the Arboretum. And "For the Love of Lichens: What's That Strange Stuff Growing on the Rocks?" will present the fascinating life history of lichens as well as tips on how to identify native species.

Located near Superior and at 343 acres, the Boyce Thompson Arboretum is the largest and oldest botanical garden in the state of Arizona, and features 18,900 desert plants from around the world. Admission is \$15 for adults, and \$5 for children. Dogs are welcome. Visit [www.btarboretum.org](http://www.btarboretum.org) for more information.

# Two Aravaipa students awarded welding scholarships

Two Central Arizona College Aravaipa students will have a little help with their ongoing studies in welding thanks to the American Welding Society.

Late last month, a group of students from the welding class attended the 2019 Welders Without Borders: Welding Thunder team fabrication competition at the West-MEC Buckeye Southern campus. During the event a number of college students were interviewed as part of the selection process for an American Welding Society scholarship. Two of the welding students were selected to receive a scholarship. Welding Technology degree majors Morgan Bray and Dakota Willis, both former Ray High School CVIT CTE dual credit welding students, were selected based on their outstanding interview with AWS District 21 Director Samuel Lindsey.

Both are student members of the recently formed Central Arizona College Aravaipa American Welding Society Student Chapter and the SkillsUSA organization. Morgan is the chapter secretary and Dakota is the chapter treasurer. Both will receive \$1,000 to help them to continue their welding studies at the CAC Aravaipa campus program.

The team self-funded their appearance at this competition

with additional financial support from the UA Pipe Trades local #469 in Phoenix and the generous support of Professor and Mrs. Colton.

The students from CAC AVC competed with 15 other college and high school welding programs from around Arizona to fabricate a functioning go Go-Kart at this two day event. The team, with support from CAC welding faculty at Aravaipa and Signal Peak campuses, earned a silver rating at the event. The students are graded on the safe performance of multiple welding processes, required cuts needed to shape and weld the Go-Karts at the event from a set of plans they provided. All welding is performed outdoors using portable shop equipment they brought to the event. All work to be completed in the event parking lot, powered off of an engine drive welding machine alongside of the other teams. This is the eighth year for this event which is a youth build event that is part of the global mission of Welders Without Borders founded in 2000 by Professor Samuel Colton.

Congratulations to Morgan and Dakota on their scholarships and congratulations to the whole team on your outstanding silver win.

There will be free train rides and activities downtown from 4-7 p.m. Following the parade, Santa will be visiting from the North Pole to meet with the children of Superior at Besich Park.

### 14 Santa and Mrs. Claus to Visit

On Saturday, Dec. 14, 2-6 p.m., Santa and Mrs. Claus will be visiting Winkelman Town Hall, located at 206 Giffin Ave. in Winkelman. Children will be able to create Christmas crafts and ornaments while waiting for their arrival. Come visit and get a free stocking of goodies. All ages are invited to participate in an "Ugly Sweater Contest" and win a prize. Enter the contest by 3 p.m. Free cookies, cocoa, hot dogs and chili beans will be available. Come and play in the "snow" and wait until the Christmas lights turn on and light up the street. Until Tuesday, Dec. 17 all children are invited to write letters to Santa and drop them off at the Winkelman Town Hall with a return address, and Santa will write back to you. Contact the Town Hall Office if you have any questions regarding this event at 520-356-7854. Bring your lawn chair.

### 19 Eagle One Veteran Outreach to Visit

The Eagle One Veteran Outreach Center will be at the VFW in Superior on Thursday, Dec. 19, from 10 a.m. to 2 p.m. Visit them online at [hohp4heroes.org](http://hohp4heroes.org). Eagle One provides veterans a place to learn about and apply for all services available to them.

## ON THE AGENDA
