OBITUARY

Luis Chavez Mendoza

Luis Chavez Mendoza, age 91, passed away peacefully on Nov. 9, 2018 at Provencio Hope Assisted Living Home in Tucson with his beloved wife of 68 years, Cecelia, at his side.

Luis was born on April 6, 1927, in Hayden, Arizona where he attended school and worked at his parents' grocery store, M & M Grocery. He met the love of his life, Cecelia Montano, at Hayden High School in 1944. As a minor at age 17 and anxious to join the WWII war effort, Luis enlisted in the U. S. Navy in May 1945 with the consent of his father, Luis G. Mendoza. The war ended the following year and Luis returned to Arizona to attend the University of Arizona College of Pharmacy. He and Cecelia were married at St. Joseph's Church in Hayden, on Nov. 5, 1950 and following his graduation from U of A in 1951 as a Pharmacist they lived in Hayden, Ray and Globe where he worked serving the then booming mining towns.

In 1958 they bought the Hayden Drug Store where they worked side by side until it closed in 1996 after 38 years

in business. Their drug store was an American icon, having a popular soda fountain that served the community classic soda fountain fare: burgers, malts, cherry sodas and ice cream sundaes. Luis was a dedicated and caring Pharmacist for his community often being called after hours, late at night, and weekends for emergency prescriptions or refills. He also provided free delivery service to his customers, often times on his way home from the store at night.

After closing the Hayden Drug Store in 1996, Luis went to work as a Pharmacist at the Kearny hospital and drug store. He also worked at the San Manuel Drug Store.

Luis was an accomplished piano player and as a young man played in his father's dance band. He passed his love for latin jazz, boleros and boogie woogie onto his three children all of whom played musical instruments, with his youngest son, Ernie, a professional drummer. Among his hobbies, Luis was an avid golfer and bowler. He loved to camp and fish in the White Mountains with his family instilling in his children a love for the great outdoors. He had a green thumb attending to his vegetable garden, often times in the dark with a head lamp after work. He and his dad, Luis G. would can chiles together, with the help of a bottle of Old Crow at their side. Luis greatly admired his father and after store hours, you could find them sharing a cold beer while watching Sanford and Son on the little B & W TV by the pharmacy counter.

Luis had a zest for flying and in 1973 he got his private pilot's license and bought a Cesna 150. He loved to fly

out of the Kearny airport and explore the surrounding communities by air often flying low altitude over his buddies on the Hayden and Kearny golf courses. His interest in WWII history led him to become a Lifetime Member of the Confederate Air Force (now known as the Commemorative Air Force), Arizona Wing, where he and Cecelia would attend work weekends and social events. One of Luis' most memorable events in his life was when he flew in the Wing's B-17, Sentimental Journey, below the rim of the Grand Canyon.

Luis is survived by his wife Cecelia of 68 years, his two sons Luis III of Portal, Ernest (Amy) of Tucson, and his daughter, Priscilla (Casey O'Brien) of Elgin; grandsons Ernest II (Misty), Luis IV, and Adam Dane (Devon); and 4 great-grandchildren.

A Memorial Mass will be held at Saint Joseph's Catholic Church, Hayden on Dec. 15, 2018 at 10 a.m. preceded by a Rosary at 9:30 a.m. A reception will follow at the Hayden Community Center.

LETTER TO THE EDITOR

Amazing parade, thanks

We would like to thank all of the participant in the light parade, what a wonderful and very appreciated parade; you put a lot of smiles on everyone watching. It was one if the best parades in many years.

For those of you that worked so hard to make it one of the best, thank you.

Give the gift of time this holiday season

(Globe, Ariz.—Dec. 3, 2018) Most holiday celebrations center around being with family and friends but for children in the foster care system it can be a harsh reminder of what is missing.

There are nearly 14,000 children in Arizona spending the holidays away from their parents and often their siblings too. While caretakers may try to make the day special, all the excitement of the holidays can leave children in foster care feeling very alone. With the help of the community more kids could find a permanent home for the holidays.

This holiday season consider giving the gift of advocacy to a child in foster care. Court Appointed Special Advocates (CASA advocates) visit the child(ren) regularly and develop a relationship with them. They gather information on the case and report back to the judge to ensure each child has the resources and help they need while in the system and is on track to get into a permanent, loving home as soon as possible.

CASA volunteers are everyday community members who donate their time to be the eyes and ears of the judge in

the community. Children with a CASA advocate spend less time in foster care and are half as likely to reenter care.

No specific background or training is needed to become a volunteer CASA advocate. Anyone 21 years of age or older, who can pass a thorough background check and complete 30 hours of free training, is welcome to apply.

For more information on the CASA Program visit www.CASAofGilaCounty.org. You can also find us on Facebook at <https://www.facebook.com/GilaCounty-CASA>

Kearny Police Report

According to state law, there are two methods by which police may arrest suspected offenders. The suspect may be physically taken into the department and booked into jail, or the arresting officer may write a citation and release the suspect to appear in court later. All suspects are

ADOR reminds Arizonans not to give scammers a gift of tax info this holiday season

During this holiday season of family and giving, the Arizona Department of Revenue (ADOR) is urging taxpayers and tax preparers to remain vigilant in protecting private information from scam artists.

The department says fraudsters use this time of year to target unsuspecting tax filers and tax professionals with tax-related scams that are over the phone, text or email (including phishing schemes), unsecure Wi-Fi, a data breach or hacking email accounts to obtain login passwords and financial data.

Thieves also use card-skimming devices and will attempt to steal unattended personal mail.

To help prevent being the victim of identity theft, ADOR recommends the following:

- Do not carry identification with your social security number (SSN) on it.
- If someone asks for a SSN, always ask why because it is not always required.
- Keep personal and confidential information in a secure place.
- Take extra precautions when discarding personal or confidential information.

- Protect personal computers, smartphones and other devices by using anti-virus software.

- Use strong passwords and never share your passwords.

- Do not use the same password for multiple accounts/applications.

- Check your free credit report annually at www.annualcreditreport.com.

- Monitor wage earnings by examining your statement from the Social Security Administration.

- Never give personal information through email, social media or text messaging and, unless you initiated the call, never give personal information over the phone.

Arizona taxpayers can also contact the Department of Revenue's Identity Theft Call Center at 602-716-6300, toll free: 1-800-352-4090, or <https://azdor.gov/individual-income-tax-information/identity-theft>.

The Arizona Department of Revenue has an advanced fraud prevention system in place and continues to adapt and introduce new counter measures to address ongoing consumer scams.

Pinal Rural promotes two to rank of captain

Pinal Rural Fire and Medical District promoted two to the rank of captain. The promotions were approved and celebrated at last week's meeting of the fire district board. Promoted were Jerry Lopez and Ian Whittaker. Both took the oath of office and received their badges. (Above) Captain Lopez's wife, Bella, pins his badge as son Noa watches. (Below) Captain Whittaker's mother pins his badge while Fire Chief Bobby Apodaca watches.

Gold rank for students in Ray's CVIT Welding Program at Welders Without Borders

Ray High School welding students earned a gold ranking at the recent Welders Without Borders: Welding Thunder Team Fabrication competition held at Skyline High School in Mesa. The event was sponsored by the Skyline Engineering Club under the direction of Mike Drobitsky.

This two-day event was held Nov. 30 and Dec. 1 and is one of the biggest events in welding education in the southwest with over 200 students and teachers participating. Students built a Go-Kart on day one and then customized it with secret components and then tested their design on the track the second day.

This year's Ray High School team was comprised of students enrolled in the CVIT and other welding classes provided at Ray High School. The team of students comes from throughout the Copper Basin communities of Dudleyville, Winkelman, Hayden and Kearny; and they have a lot to be proud of.

American Welding Society and other industry leaders are on hand to judge the students for safety, proper welding techniques and overall quality of fabrication to industry standards. Students worked with their teacher after school during the weeks leading up to the event to improve their design, create a set of plans and work out the details for the mechanical drive and steering components. This event allows students and teachers the opportunity to show case real world skills that they are learning and test them with the added pressure of time limits to complete work on both days of the event.

This year's theme was "Just for the Fun of it" and there

Top Job Applicant Finalists and Interviewers. Interviewers in the back row are, from left: Karrie Sheffield, Bettina Cruz, Angela Wernett, Kristi Martin, and Richard Verdugo. In front are the Top Job Applicants, from left: Hailey Rutter, Destiny Gonzales, Janna Lengel, Marina Vega, Theodore Alvarado, Brittany Smitch. Janna Lengel was the top applicant overall.

Janna Lengel named overall winner at Ray's Senior Interview Day

Ray High School's annual Senior Interview Day was held on Monday, Nov. 19.

All seniors participated in a mock interview with former Ray High School graduates who have gone on to be successful in their chosen field. Seniors have to present themselves as if it were a real interview and are asked to dress professionally and have with them their application, cover letter, and resume - which are completed in their senior English class in the weeks prior to the event. Instruction on job interviewing skills and how to conduct themselves in an interview is also provided.

Each student had a 15-20 minute interview with their assigned interviewer. They are then evaluated on their application materials

and interview and feedback is provided to them on their evaluation form. The experience helps better prepare seniors for real life interviews as they participate in their job search in the future.

Each interviewer was assigned six seniors to interview and from their pool of applicants they award a "Top Job Applicant Award" to the senior in their group who they would have offered the job to. This year's Top Job Applicants were Janna Lengel, Theodore Alvarado, Destiny Gonzales, Hailey Rutter, Brittany Smitch, and Marina Vega. The Top Job Applicants then had a group interview with all the interviewers and the overall winner was Janna Lengel who received a \$100 Visa gift card.

WELDING

Continued from page 5

was plenty of good sportsman like behavior as various teams helped others in the pits with tools and equipment sharing to help each team get to the track. Early in the track trials their motor seized up, but rather than give up, the students rallied behind their driver Skylar Hughes and pushed the Kart the back half of the track to cross the finish line. One of the students was heard to say "Bearcats don't give up" and that has become the teams motto.

Please congratulate Ray High School CTE director and welding instructor Professor Samuel Colton Sr and his students. A team of 10 Ray Bearcats competed in "Welding Thunder" to allow the team to earn a "gold" ranking. While at this event, the students honed skills, met leaders from industry there in support of the event as the continue to study towards earning an "industry certification" in welding.
