OBITUARY

Luis Chavez Mendoza

Luis Chavez Mendoza, age 91, passed away peacefully on
Nov. 9, 2018 at Provencio Hope Assisted Living Home in
Tucson with his beloved wife of 68 years, Cecelia, at his
side.

Luis was born on April 6, 1927, in Hayden, Arizona
where he attended school and worked at his parents'
grocery store, M & M Grocery. He met the love of his life,
Cecelia Montano, at Hayden High School in 1944. As a
minor at age 17 and anxious to join the WWII war effort,
Luis enlisted in the U. S. Navy in May 1945 with the
consent of his father, Luis G. Mendoza. The war ended the
following year and Luis returned to Arizona to attend the
University of Arizona College of Pharmacy. He and Cecelia
were married at St. Joseph's Church in Hayden, on Nov. 5,
1950 and following his graduation from U of A in 1951 as a
Pharmacist they lived in Hayden, Ray and Globe where he

worked serving the then booming mining towns.

In 1958 they bought the Hayden Drug Store where they
worked side by side until it closed in
1996 after 38 years in business. Their
drug store was an American icon,
having a popular soda fountain that
served the community classic soda
fountain fare: burgers, malts, cherry
sodas and ice cream sundaes. Luis was
a dedicated and caring Pharmacist for
his community often being called after
hours, late at night, and weekends for
emergency prescriptions or refills. He
also provided free delivery service to his customers, often
times on his way home from the store at night.

After closing the Hayden Drug Store in 1996, Luis went
to work as a Pharmacist at the Kearny hospital and drug
store. He also worked at the San Manuel Drug Store.

Luis was an accomplished piano player and as a young
man played in his father's dance
band. He passed his love for latin
jazz, boleros and boogie woogie
onto his three children all of whom
played musical instruments, with his
youngest son, Ernie, a professional
drummer. Among his hobbies,
Luis was an avid golfer and bowler.
He loved to camp and fish in the
White Mountains with his family
instilling in his children a love for
the great outdoors. He had a green thumb attending to
his vegetable garden, often times in the dark with a head
lamp after work. He and his dad, Luis G. would can chiles
together, with the help of a bottle of Old Crow at their
side. Luis greatly admired his father and after store hours,
you could find them sharing a cold beer while watching
Sanford and Son on the little B & W TV by the pharmacy
counter.

Luis had a zest for flying and in 1973 he got his private
pilot's license and bought a Cesna 150. He loved to fly
out of the Kearny airport and explore the surrounding
communities by air often flying low altitude over his
buddies on the Hayden and Kearny golf courses. His
interest in WWII history led him to become a Lifetime
Member of the Confederate Air Force (now known as the
Commemorative Air Force), Arizona Wing, where he and
Cecelia would attend work weekends and social events.
One of Luis' most memorable events in his life was when
he flew in the Wing's B-17, Sentimental Journey, below
the rim of the Grand Canyon.

Luis is survived by his wife Cecelia of 68 years, his two
sons Luis III of Portal, Ernest (Amy) of Tucson, and his
daughter, Priscilla (Casey O'Brien) of Elgin; grandsons
Ernest II (Misty), Luis IV, and Adam Dane (Devon); and 4
great-grandchildren.

A Memorial Mass will be held at Saint Joseph's Catholic
Church, Hayden on Dec. 15, 2018 at 10 a.m. preceded by a
Rosary at 9:30 a.m. A reception will follow at the Hayden
Community Center.

First Avenue students collecting 'comfort items' for veterans

First Avenue Elementary students are continuing their annual "Comfort Items" drive to support Veterans at the Tucson VA hospital.

The campaign started Veteran's Day weekend with letters and lists going home with students.

The drive will end Thursday, Dec. 13, at First Avenue's Christmas Village, Family Night.

"The Veterans are so appreciative of the students' recognition and support each year," said first grade teacher Isabel Austin. "They recognize and value the patriotism of our small town school, which is often not present in bigger schools," she added.

"This year, we would like to invite community members and groups to "Sponsor a Class," said Deb Mansager.

"The class with the largest donation will win a 'walking field trip' to Mel's for their choice of an ice cream cone or a Chilly Willie," she said. There are 14 class rooms at First Ave. Elementary.

Comfort Items are virtually anything that would help make a Veteran patient's stay more comfortable according to Austin.

Hand and body lotion, lip balm, deodorant, toothpaste and denture cleaners are popular, as are knitted caps and shawls, non-skid slipper socks and shower shoes," she said.

For Veterans with children, hand puppets, activity kits and books are popular, along with writing paper, envelopes and stamps Austin explained.

"The Tucson VA cares for a wide range of Veterans, men and women of many ages. If you ask yourself, 'Could a Veteran use this?' the answer is probably 'Yes'." Mansager said.

Search/Google "VA hospital comfort items" to see a long list of suggestions.

"All local service groups and churches, such as the Knights of Columbus and the Elks, VFW and American Legion, are invited to 'adopt a classroom,'" Mansager said.

Obituaries are published free of charge in the San Manuel Miner. If you have an obituary you would like us to print, please submit it online at copperarea.com. Click on "Customer Service". You can also request our newspaper through the mortuary or funeral home.

Last week's ad for the Golden Goose had the wrong expiration date on the coupon.

Golden Goose will still honor the coupon.

First Avenue Bulldogs hope friends, family and local service organizations can help them fill the Christmas tree with comfort items for Tucson's VA hospital patients. Donations may be sent or brought to First Avenue Elementary until December 13. Photo by Gloria Terrazas

New Sun Life

By **John Hernandez**
San Manuel Miner

The new Oracle Sun Life Family Health Center is completed and opened on Dec. 3, 2018. Al Gutierrez, Practice Manager, says it will be a “state of the art building, very beautiful with a rustic look.”

It will be larger than their current facility located in the Pinal County building. The new building is located at 1040 W. American Avenue. The increased area in the building will allow for more

examination rooms, office space and a better reception and waiting area.

Al manages both the San Manuel Family Health Center in San Manuel and the Oracle facility.

“It has been amazing to see how far Sun Life has grown in the Tri-Community,” Al said. When Sun Life first took over the old San Manuel Hospital building, built in 1954, “it took a lot of reconstruction and refurbishing of everything.” He said he is “proud of the progress that Sun Life has made in the area.”

Al Gutierrez is the Practice Manager and oversees the San Manuel and Oracle Sun Life clinics.

building in Oracle ready for Grand Opening

Al grew up in the Tri-Community and is a 1978 graduate of San Manuel High School. He has family that still lives in the area.

“San Manuel gave me and my family everything. This is my way of giving back to the community. It has been rewarding to see people I know and went to school with use our health facilities and even some that have medically retired. It has been an adventure but everything is positive,” Al said.

Following high school, Al went into the

education field and was an administrator in the Tucson School District. He went into the private sector, eventually hiring on with Sun Life.

“Sun Life is the best company I have ever worked for. We are like a family,” he said.

Al would like to see the area grow more, especially San Manuel. The Oracle area is growing and it is hoped that the people in the Tri-Community and the SaddleBrooke area learn more about Sun Life and the health services they can provide.

Building a love of math and science starts early in life

Introducing math and science to young children doesn't have to be complicated. Parents and caregivers don't have to wait until a child can solve written math problems or conduct complex science experiments. Activities such as finger painting, building blocks and baking are fun and interactive ways to build science and math skills in young kids.

About 90 percent of a child's critical brain development occurs before age 5, meaning the early years represent an ideal time to introduce Science, Engineering, Technology, and Math (STEM) skills to kids.

“Young children learn naturally by exploring their environments,” said Ginger Sandweg, First Things First senior director for early learning. “What appears to adults as play is really forming and testing theories, and trying out different variables. This type of learning goes hand in hand

with how young children learn best, using multiple senses (seeing, hearing, touching, tasting, and smelling) to discover the world around them.”

According to the Center for Early Education in STEM, simple childhood games can promote significant STEM skills at a much earlier age. The years before kindergarten, are a critical period to help develop these skills through fun activities that get their hands and minds working.

Parents and caregivers can be ready with this list of great ideas to keep your child busy and build those early skills for STEM. First Things First offers these activities:

- Building structures – knocking them down, testing them with weight, etc. – engages kids in reasoning about physics.
- Cooking engages children in science and math through measuring ingredients and seeing how foods combine and change.

FIRST THINGS FIRST

Continued from page 5

- Singing and dancing convey counting concepts, and making musical instruments with everyday objects helps kids learn how to control aspects of sound like pitch, loudness, timbre and duration.
- Through water activities, kids experiment with movement and volume, filling cups or pails, then watching how holes in objects affect water flow.
- In playing card and board games, children use math and reason about strategies.

Families can help kids develop critical thinking and reasoning skills by asking questions like:

- What do you think will happen?
- Why do you think it ended that way?
- How do you think things will be different if we change something?

In addition, parents can share their knowledge, early on. Things that may seem obvious to us – like weather changes, traffic patterns and the change in an egg when it's cracked, then cooked - are fascinating new concepts for children that give them a foundation from which to build future knowledge.

By encouraging the development of STEM skills in the

early years, we help kids learn by experimenting with their environments and give them skills that will help them be successful in school and in life. In addition these STEM building activities help to instill a love of learning and imagination. So, remember to have fun and use everyday

Quintero dunks in Miners' lopsided win

By **Andrew Luberda**
San Manuel Miner

San Manuel junior Caleb Quintero had dunked in practice but never in a game, that is until last Friday

when he threw it down against visiting San Miguel in the Miners' 69 – 28 blowout victory.

After starting the season with three-straight losses against 4A and 5A teams, the Miners boys' basketball team has won two-in-a-row, including Friday's 2A

South Region-opener over the Vipers. As a result of the victory, the Miners sit alone atop the region standings.

Up next: Dec. 5 at Coolidge, Dec. 7 vs. Hayden and Dec. 11 vs. San Carlos. All games are scheduled for 7 p.m.

Defending champ Rodriguez leading Miner Wrestlers

By Andrew Luberd
San Manuel Miner

San Manuel sophomore Gilbert Rodriguez, the 106-pound State Champion a year ago, is picking up where he left off in February, winning the 120-pound championship at Pueblo High School on Dec. 1, when he went 10 – 0 in the tournament to claim the title.

Rodriguez told the Miner in February that he'd wrestle at 120 this season.

"I want to wrestle in the 120's," he said then. "My training never stops, and I started working as soon as I returned home."

The results of his hard work are evident. Other results from the Pueblo dual

tournament:

Austin Axe: 3 – 5

JoJo Atrian: 3 – 5

Victor Herrera: 5 – 2

Emilio Escalante: 3 – 5

Julian Rodriguez: 8 – 2

Both Gilbert and Julian Rodriguez went 4 – 0 at the Morenci dual tournament on Nov. 27. Other results at Morenci included Emilio Escalante going 3 – 1 while Austin Axe, JoJo Atrian and Victor Herrera all wrestled well, according to head coach Gilbert Rodriguez.

"We have a great group of kids that come to practice with great attitude and great work ethic. Within time wins will follow," the Miners' first-year head coach said.

Mr. Claus' next stop will be in Mammoth

SANTA CLAUS

Continued from page 9

Christmas Party. The festivities will begin at 1 p.m. and conclude at 3 p.m.

If you miss seeing the Man in Red during these three stops, never fear – you can still tell Santa Claus what your heart desires for this year. Tri-Community children can mail their wishes to Santa in the special mailboxes placed around the area: La Casita in Mammoth; San Manuel Library; and the Oracle Fire Station. Letters can also be placed through the slot in the door at the Miner office in San Manuel.

Santa has also set up a special email address if you want to send your wishes to him electronically. The email address is santa@minersunbasin.com.

This year, Mr. Claus has given us permission

to accept letters through our Facebook page (www.Facebook.com/CopperArea). Just send us a message (PM) with your child's letter to Santa.

Please be sure to include the town where you live so we can publish it in the right newspaper.

Hurry and get your letters in quickly so they can be

forwarded to the North Pole in plenty of time for the big day. The deadline to mail letters in Santa's special mailbox is Dec. 14.

Santa needs time to get all the requests fulfilled.

Letters will be published on Dec. 19.

Santa Claus will be in the Tri-Community Dec. 14-16.
