# Town of Superior and Resolution Copper forge Superior Regional Economic Development Agreement

The Town of Superior and Resolution Copper have signed a groundbreaking Regional Economic Development (RED) agreement, cementing a collaborative effort to fortify Superior's economic landscape. This historic agreement marks a significant step toward ensuring a prosperous and resilient future for the community.

The three-year, multi-million-dollar agreement signifies a resolute commitment to fostering economic growth and supporting vital community initiatives. With a focus on multifaceted development,

this partnership will bolster essential projects and programs that directly benefit the residents of Superior.

Town of Superior Mayor Mila Besich expressed her enthusiasm, stating, "This agreement continues our ongoing alignment to achieve a diversified and sustainable economy for a resilient Superior community. The collaboration with Resolution Copper underscores our dedication to nurturing economic opportunities and enhancing the quality of life for our residents."

Vicky Peacey, President and General Manager of

Resolution Copper, echoed the sentiments by Mayor Besich, emphasizing the transformative impact of this collaboration.

"We are thrilled to continue our long-term partnership with the Town of Superior to drive economic development and community empowerment. This partnership reflects

our shared vision for a thriving Superior, focusing on initiatives that support education, workforce development, and the overall well-being of the community."

The agreement's focal points encompass a wide array of initiatives, including substantial support for the Superior Multi-Generational Center and the Superior Enterprise Center/Workforce Development Center. These funds will enable community service programming, capital improvements, and robust workforce development programs.

Moreover, the agreement will propel Superior's annual Marketing and Tourism program, amplifying efforts to attract visitors and stimulate economic activity. The infusion of resources will also advance economic development capacity, maintain senior economic advisory services, and fortify an economic development toolkit, further solidifying Superior's economic foundation.

In a bid to foster educational advancement, the agreement champions the new Superior Lego Robotics program for grades

4-5, fostering innovation and STEM education among the youth. Additionally, it extends support to the Superior Youth Council, empowering young leaders to actively engage and contribute to the town's growth.

The Town of Superior and Resolution Copper stand united in their commitment to nurturing a vibrant and inclusive community. This Regional Economic Development agreement is a testament to our shared dedication to fostering a thriving and sustainable future for Superior.

# Migration: how do they know?

By Maribeth Greenslade  
Friends of the Oracle State Park

As daylight hours shorten and temperatures drop, a hint of Winter is in the air at Oracle State Park. Summer grasses have turned golden, trails and washes

Red-naped Sapsucker. Photo by Maribeth Greenslade.

invite hikers with the promise of less frequent snake encounters, and the birdsong suite includes our visitors from the North who have arrived in search of a milder climate. White-crowned Sparrows with their striking black and white-striped head pattern gather among the grasses to feast on the seeds, their songs unique and melodic. Ruby-crowned Kinglets flit and flick among the trees and bushes hunting for insects, behavior much like our year-round bundle of energy, the tiny Verdins. Three Towhee species, Spotted, Green-tailed and Aberts, are back and strutting their signature shuffle along with Canyon Towhees who are year-round residents at the Park. What a thrill to see all four of these beautiful towhee species in a single outing! And the piercing call of Northern Flickers is a sure sign that it is going to get colder.

And what of our summer regulars? Gone are the Turkey Vultures that often roosted as sentinels near the Park entrance, who gathered in kettles to climb thermals then glide South for warmer climes. Our warm weather flycatchers such as Vermillion and Ash-throated have left, and the through-flyers such as Hammonds and Dusky Flycatchers have mostly migrated. Colorful orioles, chatty kingbirds and swooping swallows have all departed, not to be encountered again until Springtime.

Birds make their migration journeys each year, often traveling thousands of miles, across deserts, oceans and mountains. How do they find their way? Scientists have studied this question for more than 50 years and it's generally accepted that, in part, birds use the sun and stars to guide them, and appear to inherit a sense of direction from their parents. A third sense, magnetoreception, is a bird's ability to sense the Earth's magnetic field which allows the bird to navigate because it senses the direction of magnetic (True) North. For a fascinating article combining biophysical chemistry, quantum-mechanical properties, and the anatomy of birds' eyes, see this this Scientific American article.

Whether "Snow-birds" such as Western Bluebirds, Northern Harriers, and Red-naped Sapsuckers, or heat lovers like Bell's Vireos, Lucy's Warblers and Western Wood-Pewees, amazing migrating birds actually learn and remember the way to places they have visited using sight, magnetoreception and their sense of smell. Let's hope they always find their way back to the Park!

Happy trails and good birding!

## Bearcats, Lady 'Cats take on San Manuel

By Nathaniel A. Lopez  
Copper Area News

The Lady Bearcats basketball team kicked last week off with an away game at San Manuel. The girls played tough, and put up a fight. With a 13-13 score at halftime, the game could have gone either way, but in the end the Lady 'Cats fell shy by 10 points. The final score of the game was 27-37.

Later in the week the girls joined the other teams competing in the Williams Route 66 Holiday Classic. The girls suffered a tough loss in their first game against El Capitan Academy, with a 8-42 final score. Their next game against Music Mountain ended with a close Lady 'Cat victory with a score of 25-22.

The next day they took on Northland Prep Academy, which ended in a 9-47 loss. Later in the day they played against Music Mountain again, claiming another victory with a 30-16 final score. [Final Tournament results not available at time of article and will be in next issue.]

The Ray boys basketball team started last week with a trip to San Manuel to take on the Miners. The Bearcats played ferociously, and created a point gap the Miners were not able to keep up with. The game ended with a final score of 52-17, giving the boys the win for the night.

On Nov. 30, the boys entered the Williams Route 66 Holiday Classic. They took on El Capitan Academy in their first game, which ended with a 30-46 final score. The second game saw the Bearcats play with vengeance, as they beat San Pasqual Valley 65-20. The following day, the Bearcats took on Ash Fork, and came out of that game with a close 36-30 victory. [Final Tournament results not available at time of article and will be in next issue]

The Bearcats will travel to take on Lourdes Catholic on Dec. 7. On Dec. 8, both teams will host San Pasqual Valley with a girls' start time of 5:30 p.m. and 7 p.m. for the boys. On Dec. 9, both teams will host Valley Union with a girls' start time of 5:30 p.m. and 7 p.m. for the boys.

## Lady Lobos learning much on the court

By Nathaniel A. Lopez  
Copper Area News

The Hayden girls basketball team started last week with a home game versus Miami. The Lady Lobos put up a fight, but suffered a tough loss, with a final score of 9-79.

"We learn through our mistakes not just the praise," commented Head Coach Jacque Pool, "[In the] Miami game we struggled with press and fast breaks but when we were able to defend and run our offense and defense effectively the team did well. Players of

the game offensively were Rya Lagunas, Sienna Gonzales and Trinity Collier. Defensively we Trinity Collier, Sienna and Maria Sanchez."

Later in the week, the Lady Lobos traveled to Desert Christian. It was another tough game for the girls, but they were sure to put up a fight. The game ended with a final score of 29-40.

"[In the] Desert Christian game, the girls came ready to redeem themselves and they did it defensively. They all brought what I needed as a coach to the court. To single out one girl with how they played is impossible. They

all performed like I needed them to. Offensive player of the game would be Sienna Gonzales with a 14-point game. She pushed the offense and as much as she was able to score she assisted her teammates as well," added Coach Pool.

The girls ended their week with a Saturday game against Mogollon. [Results not available at press time.]

The Hayden boys basketball team started their week taking on the Miami Vandals. The Lobos walked away with the win for the night, defeating Miami with a final score of 75-37. Later in the week, the boys traveled to Tucson

to take on Desert Christian. It was a tough game, which the Lobos spent trying to close the point gap, but were unsuccessful, resulting in a 47-68 loss.

The boys ended their week with a Saturday game against Mogollon. [Results not available at press time.]

Results for Lobos at Boyd Baker Basketball Tournament Nov. 20-22: 59-23 win over Patagonia Union, 49-31 win over Willcox, 66-34 win over Duncan, 63-78 loss over Bisbee.

The Lady Lobos and Lobos will take on Joseph City, and Valley Lutheran this week.

## Four Miner wrestlers claim titles at Marana Tourney

By Nathaniel A. Lopez  
Copper Area News

On Nov. 25, the Miner high school wrestling program brought some of its wrestlers to compete in the Marana JV Tournament. Seventeen Southern Arizona wrestling teams competed in the tournament alongside the Miners and Lady Miners. It was a day full of wrestling, and dusting off of the pre-season cobwebs.

"This was a tough tournament that challenged our kids. They competed and battled and it was great to see how much they improved from their first match

to their fourth. All 8 wrestlers won a match and set the tone for our varsity competition that starts in two weeks," commented head coach Daniel Najera.

It was a good day for the Miners, with four wrestlers claiming the champion title: Nico Chavez for the 113-lb weight class, Brody Fletcher for the 126-lb weight class, Daniel Najera for the 138-lb weight class, and Derek Anaya for the 144-lb weight class.

The varsity season will kick off on Dec. 6 with a multi meet against Catalina, Morenci, Benson and San Carlos, at Benson High School.

Go get 'em, Miner Wrestlers!

# Miners host Ray in opening week

By Nathaniel A. Lopez  
Copper Area News

It has been a busy opening week for San Manuel's girls basketball team. They started their 2023-2024 season by taking on their rivals from Ray at home.

The game was a back and forth battle, and the score even sat at 13-13 by halftime. Eventually the Lady Miners were able to gain their lead over the Lady 'Cats and claim the victory. The final score of the game was 37-27.

Leading their team in points was Gyannah Madrid, with 14 points, followed by Mariah Villalba with 11 points, then Jasmine Sanchez with 9 points.

Later in the week Fort Thomas came down to take on the Lady Miners. Unfortunately the girls were unable to claim the win for the night, as the game ended in a 27-52 final score. The girls ended their week with an away game at Baboquivari. The Lady Miners were not able to best the Lady Warriors, resulting in a 38-66 loss.

The San Manuel boys basketball team also kicked off their 2023-2024 season with a busy schedule last week.

Starting their week taking on the Ray Bearcats, the young team of Miners put up a fight, but were unable to come out on top. The game ended with a tough loss, and final score of 17-52.

Later in the week, the Miners hosted Fort Thomas. The boys spent the game trying to close the score gap, but the Apaches kept the divide growing, resulting in another hard loss for the boys with a final score of 19-63.

The following day, the boys traveled to Baboquivari, where they faced off against the Warriors. Breaking past the 20-point mark, the Miners still fell short during this game, which ended with a 22-86 loss.

On Dec. 5, the Lady Miners and Miners traveled to take on St. David. Results of these games were unavailable at press time. Later in the week, on Thursday, Dec. 7, both teams will travel to take on Patagonia Union with a start time of 5:30 p.m. for the girls, and 7 p.m. for the boys.

# LOST hosts annual Luminaria Hike

The Legends of Superior Trails Inc. hosted its Third Annual Luminaria Hike on the Queen Creek Canyon segment of the LOST Saturday. About a dozen volunteers gathered to line the trail with battery operated

luminary bags, which provided a festive light to hike to the original US 60 bridge.

The group hosted participants to hot chocolate, cookies and holiday entertainment at the Food Court park in Downtown

Superior. The Legends of Superior Trails (LOST) is a 501c3 non-profit organization that is focused on trail construction, maintenance and marketing in Superior and the surrounding areas.

Many of the volunteers assisting with maintenance are members of the Anthem Merrill Ranch Hiking Club in Florence. The group assisted with the installation of the luminarias.
