# Driver survives head-on impact with cow

The front end of this Ford F350 took the brunt of the truck vs. cow accident.

Just after 7 p.m. on Saturday, Dec. 3, emergency crews responded to a report of a vehicle accident involving a cow near milepost 121 on Highway 77 between Mammoth and Aravaipa.

The Ford F350 had a single occupant and sustained major damage in the collision. Both airbags in the truck deployed and the driver sustained no injury.

"The size of the pickup truck was a substantial factor in this incident and likely saved the driver's life," said Pinal Rural and Medical District Fire Chief Bobby Apodaca.

Highway 77 was closed for a short period while the

pickup truck was towed away and local ranchers removed the cow, which unfortunately did not survive the accident. Highway 77 was opened to all traffic by 8:30 p.m. Saturday night.

On scene were Pinal Rural Fire/Medical District, Mammoth Fire Department, Arizona Department of Public Safety, Hayden Police Department and Mammoth Towing.

left the roadway. The vehicle overcorrected to the left, crossing into the northbound traffic lanes. Another vehicle was travelling northbound when it collided with the front passenger side of the first vehicle.

“The driver of the first sedan was pronounced deceased at the scene,” Graves said. “The driver of the second

vehicle and a passenger were both transported to a hospital in Tucson with non-life-threatening injuries.” He added that impairment was not believed to be a factor.

# Ray High School hosts annual Senior Interview Day

Ray High School's annual Senior Interview Day was held on Monday, Nov. 21.

All seniors participated in a mock interview with former Ray High School graduates who have gone on to be successful in their chosen field. Seniors must present themselves as if it were a real interview and are asked to dress professionally and complete an application, cover letter, and resume – which are completed in their senior Government and English classes in the weeks prior to the event. Instruction on job interviewing skills and how to conduct themselves in an interview is also provided.

Each student had a 15- to 20-minute interview with their assigned interviewer. They are then evaluated on their application materials and interview and feedback is provided to them on their evaluation form. The experience helps better prepare seniors for real life interviews as they participate in their job search in the future.

Each interviewer was assigned six seniors to interview and from their pool of applicants they award a "Top Job Applicant Award" to the senior in their group who they would have offered the job to. This year's Top Job Applicants were Briannah Noriega, Arizona Bui, Brooke Kelley and Isabella Wernett. The Top Job Applicants then had a group interview with the four interviewers and the overall winner was Isabella Wernett, who received a \$100 Visa gift card.

# Ray Band meeting – College edition

Brina Morales and Isaiah Azevedo are harmonious friends and former Ray High School band members. In October, during a band competition at Northern Arizona University, Brina and Isaiah got to meet up and reunite the Ray trumpet section.

Isaiah Azevedo plays the

trumpet in the Eastern Arizona College marching band, which has 42 members and 6 trumpets. His current major is General Studies. His love of music kept him playing after high school and is taking him to Hawaii this month for a Pearl Harbor Commemoration where the band will get to play.

University marching band, which is 190 members strong. She has been in a band since the 5th grade,

because Isaiah told her if he could do it, so could she. When the opportunity came to play at the college

level, she felt it hit just the right note. She is studying to be a Dental Hygienist. #golumberjacks
