## OBITUARIES

# Artemisa 'Micha' Ramirez Martinez

Artemisa "Micha" Ramirez Martinez passed peacefully on Jan. 6, 2023, surrounded by her family in Dudleyville, Arizona.

Micha was born to Angel and Felicitas Ramirez on Dec. 23, 1938, in Litchfield Park, Arizona. She spent her early years growing up in Litchfield Park and later moved with her family to Sonora, Arizona. She graduated from Ray High School in 1957. While in high school, she started dating the love of her life, Raymond Martinez. When Raymond returned from his military service in the Air Force, the two were married on Feb. 29, 1960, in Sonora, Arizona. Micha and Raymond welcomed their first child, Ray III in 1961 and their second child, Sam in 1962. They welcomed their third and only daughter, Lisa in 1964. Shortly after they moved to Dudleyville, Arizona and what is now known as the "Martinez Acre." In 1966, they welcomed their fourth child, Robert aka "The Baby". Micha and Raymond celebrated 58 years of marriage, until Raymond's passing in 2019. After our dad passed, our mother was not the same and she missed him immensely.

Micha is preceded in death by her husband Raymond, parents, brothers, sister and grandson, Robert Jr. She is survived by

her sister, Aida (Lionel Ruiz), children, Ray III, Sam (Barbara), Lisa and Robert (Lillian). Nana Micha will be missed by her 11 grandchildren, Samson, Quito, Jovanna, Ray IV, Ruben, Angelica, Christopher, Bruno, Michael, Elias and Elissa; 13 great-grandchildren; and many nephews, nieces and their families.

Micha was the life of the party and could always be found showing off her spunky dance moves or singing her heart out. But as some of us know, when the party is over the party is over! She loved spending time with her family, camping (when the kids were little), crafting/painting, gardening and let's not forget

that she really enjoyed going to the casino. She was a member of the Dudleyville Crafty Ladies for 15 years. She was best known for her outspoken feisty attitude, her elaborate stories and her truthful comments that somehow meant well. She was truly one of a kind and will be deeply missed.

Although our hearts are broken, we find comfort in knowing she is back with our dad and family.

Services for Micha will be Saturday Jan. 14, 2023, at Infant Jesus of Prague Catholic Church in Kearny, AZ. Visitation will begin at 9 a.m. followed by Rosary at 9:30 a.m. and Mass at 10 a.m.

# Eugene 'Gene' V. Edgmon

Our cherished Eugene (Gene) V. Edgmon, age 92, very quietly and peacefully left our world in Mesa, Arizona and entered pain free to dance and rejoice in the presence of God on Jan. 4, 2023. Gene was born April 18, 1930, in Murray County, Oklahoma to parents, John W. and Mattie Octavia (Franks) Edgmon.

Gene will always be remembered as a very loving, kind and gentle man who touched many lives. He grew up working on a farm in Oklahoma and hunting with his brothers and his hound dogs. He moved to Arizona in 1950 and joined his brothers working on a dairy farm until he went to Superior and started underground in the copper mines. Eugene worked underground and became a foreman in Superior's copper mine and later finished his career as Manager of mines in Indonesia.

Gene was always grinning and sharing jokes or stories of "when I was a kid..." with all his grandkids and great grandkids.

Gene leaves behind a wife of 73 years, Louise (Mays) Edgmon, and three daughters, Carolyn Aparicio, Beverly Edgmon, and Zella (Rick) Muro. He leaves seven grandchildren, Carrie (Anthony) Magana, Ricky (Stephanie Ramirez) Muro,

Leo (Silvia) Aparicio Jr., Eugene (Laure) Muro, Cristi (Steve) Passley, Suzie (Josh) Squires, and Hector (Nini) Aparicio; and 23 great-grandchildren. Eugene also leaves behind one sister, Zella (Roy) Tyler in Oklahoma.

Gene was preceded in death by his son, Eugene V. Edgmon Jr., his mom and dad, Octavia and John Edgmon, and six siblings.

Gene leaves a void in our lives and will be missed terribly but we find comfort in knowing we are better because he was in our lives and is now at peace and is surrounded by God and loved ones in Heaven.

Services for Gene will be held Friday, Jan. 13, 2023, at Los Hermanos in the ballroom. Visitation will begin at 9 a.m. followed by funeral services at 9:30. He will be laid to rest at Fairview Cemetery. Family was assisted with exceptional service by Superior Funeral Home.

In lieu of flowers, donations can be made to Alzheimer's or Hospice of the Valley.

# Avelina 'Abby' Madueno

Avelina "Abby" Madueno, age 86, passed away peacefully at her home in Superior, AZ on Jan. 2, 2023.

Abby was born on Nov. 10, 1936, to Claudia Trejo and Ignacio Pacheco in Superior, Arizona. Avelina was the oldest of 7 siblings. Abby was preceded in death by both parents, her sisters, Gloria, Olivia, Sylvia, and brothers, Robert and Ernie.

Abby was married to Pablo Madueno for 57 years before his passing in 2014. Abby is survived by her 3 children Richard Pacheco, Patricia Madueno and Sylvia Madueno; sisters Yolanda Navarro and Bertha Navarro; 11 grandchildren, 23 great grandchildren and 7 great-great grandchildren. Abby raised her children and several grandchildren at her home in Superior.

Abby worked at Triple X in Superior for 21 years and at Motorola in Mesa for 18 years before retiring. Abby worked at Save Money Market in Superior for a short time. Abby helped care for several people in Superior and was always willing to help anyone.

Abby loved going to the casino, dancing (mostly at home

in the kitchen), camping with her family and talking about the old days. Abby liked explaining who was related to who and had a very sharp memory. Abby made the best tamales which earned 1st place at a local tamale competition. Abby was outspoken and determined. She once gathered signatures for a petition to show the need for a pharmacy in Superior. So the next time you pick up prescriptions at the clinic, you can think of Abby!

Abby will be missed deeply by her family and friends. She was preceded in death by her husband Pablo Madueno whom she missed dearly.

Services for Abby will be held Thursday, Jan. 12, 2023, at St. Francis of Assisi Catholic Church. Visitation is set to begin at 9:00 a.m. followed by Rosary at 9:30 a.m. and Mass at 10 a.m. She will be laid to rest at Fairview Cemetery.

The family was assisted with exceptional service by Superior Funeral Home.

# Mayor's Minute: What is in Store for 2023

**G**reetings of the New Year! The holidays have come and gone too quickly it seems, and hopefully by now, we are all settling into 2023!

Our Town achieved many major milestones in 2022, including the purchase of the original high school; groundbreaking of the waste water treatment plant renovations; and, by the end of this fiscal year, we will have administered almost \$16 million in grant funds.

At Town Hall, we are excited to begin this New Year with a new Public Works Director, Manuel Castillo, who previously served as Superior's Building Official. Manuel applied for and was promoted to this critically important position, and we warmly welcome him as a member of our senior management team. As many of you know, Manuel brings many years of municipal experience to the job.

Also in 2023, renovations will continue at the original Superior High School, funding is in place to build the elevator that will allow full accessibility to the campus. The Superior Enterprise Center will likely be the first

program to fully move into the facility, once the electrical work is completed. Once the electrical is upgraded, the welding units can be installed, and we are eager to begin offering welding and other job training courses at the Superior Enterprise Center.

The Town is anticipating finalizing the purchase of the land exchange parcels, comprised of 546 acres on the west side of town including our Superior Municipal Airport. This transaction is expected to be completed in the summer of 2023. Purchasing the land from the federal government is just the first step to expand our economic and community development opportunities. Just as important is the need to shift our focus to infrastructure development in that area. This of course will require time and attention, but we will be kicking off that body of work this year and creating plans to ensure that Superior is able to grow in a sustainable way.

It was disappointing to close out 2022 still waiting for

# MAYOR'S MINUTE

Continued from page 3

the Resolution Copper Final Environmental Impact Statement (FEIS) to be re-released by the federal government. It will be imperative for the Town and all community leaders to increase our advocacy to the federal government to re-release the FEIS. In March, it will be two years since the document was put into a bureaucratic purgatory and every day that we wait for this document to be released our community is disenfranchised.

This month we will once again welcome an AmeriCorps Crew to live and work in our community. We are fortunate to have them stay in our community through March. The eight-member team will be building fire breaks around Superior and assisting with invasive species removal. They will also be volunteering with other community organizations and getting to know what life is like

in our community. Their work provides benefits to our community, including substantial savings to important town projects, which helps us stretch grant dollars that we have received to conduct these projects.

Throughout 2022, we have read the reports on water and drought conditions across Arizona and west. Our Town leadership, in partnership with Resolution Copper and the Arizona Water Company have been laser focused on the immediate and long-term water needs for Superior. The release of water into Queen Creek to replenish our aquifer is slated for 2023. We will be working on creating a rain water garden to help with drainage on upper Main Street. This project will likely kick off a longer term plan to address drainage issues across town and making repairs that will also improve our aquifers. Every little

bit helps when it comes to water sustainability. I encourage you to visit the Superior Sustainability Elevated page and follow them on Facebook to learn more about what we can all do to save water: <https://sustainabilityelevated.com>

One upcoming opportunity that I am most excited about is our Youth Council making a trip to our Nation's Capital in March to attend the National League of Cities Conference. Five of our local youth leaders will make the trip along with chaperones to learn more about community service and experience first-hand the business of our country in Washington D.C. This trip is well deserved for these incredible young leaders who have devoted the past 5 years of their school careers to serving on the Town of Superior Youth Council.

We have much to be proud of in our community and while much work remains to be done, I am proud of our staff, Town Council and the countless volunteers who help make Superior a shining example for rural community development across the nation.

Wishing you the very best of life in 2023!

The Lady Panthers took a tough loss, with a final score of 18-47. The boys game was a little closer, but unfortunately they were unable to get the win, the final score for their game was 46-56.

The following day, Joseph City came to Superior to meet on the court. The girls once again suffered a tough loss, with a final score of 9-67. The Panthers also suffered another loss, and the final score was 35-66.
